Choosing a dentist

To get the most value from your dental benefits, make sure your dentist participates in the network listed at the top of your Delta Dental ID card. Under the Delta Dental PPO™ — EPO Plan Design, a Delta Dental PPO™ dentist must provide the services. Delta Dental PPO™ network dentists agree to discount their fees, submit claims on your behalf and not bill you for the difference. Visit [DeltaDentalVA.com](https://deltadentalva.com) to find a participating dentist near you. In almost all cases, services performed by a dentist who is not in the Delta Dental PPO™ network are considered out of network **and are not covered**. There is one exception: if you are having a dental emergency (severe pain, swelling, bleeding) and are at least 35 miles from a Delta Dental PPO dentist's office, dental services performed by an out-of-network dentist are covered. Your benefit maximum for emergency services performed by an out-of-network dentist is limited to \$50 per benefit period.
