

March 13, 2020

Good afternoon, Norfolk Public Schools' Families,

Please be advised that Virginia Governor Ralph Northam has ordered all of the state's school divisions to close schools for a minimum of two weeks in response to the continued spread of novel coronavirus, or COVID-19.

This means **all Norfolk schools will be closed for students** from Monday, March 16, 2020, through Friday, March 27, 2020.

We will continue to keep you updated on news affecting our school division using our rapid alert telephone and email messaging system, our website, social media channels, and local media.

As always, we appreciate your patience and support!
