

2023 REIGN IN SCIENCE DAY

Hampton Roads students in grades 1st through 12th are invited to come and learn about chemistry, physics, biology, oceanography, computer science, and more FREE STEM activities at ODU

Saturday, October 7, 2023
10:00 a.m. to 1:00 p.m.

New Chemistry Building at Old Dominion University
4501 Elkhorn Ave., Norfolk, VA 23529

S.T.E.M. ACTIVITIES INCLUDE:

- *New interactive science demonstrations by ODU students & local researchers!*
- *Learn the chemistry behind tie-dyeing and tie-dye your own shirt!*
- *Learn about our solar system and universe at the Michael and Kimthanh Lê Digital Theater and Planetarium shows!*
- *Meet local community STEM partners: First Landing State Park, American Chemical Society of Hampton Roads Members, Norfolk State University, and more!*
- *Learn what it's like to do research at ODU and beyond!*

Registration Deadline is Sept. 29
