1. Have your child login to Clever. Your child can click on the NPS Favorites Toolbar, or it can be accessed through the NPS Homepage (<u>https://www.npsk12.com/</u>).

In Takanla		
Academic Calendar	Annual Assessment Calendar	> Athletics
, CANVAS-Learning Management System	Children's Online Privacy Protection Act (COPPA)	› Clever
> eMediaVA	, Even-Odd Block Schedule	> Find My School
> GradPoint	> Home Folders	Military Families
Multi-Tiered Systems of Support Plan	NPS Grading Procedures	> Parent Resources

2. Click on the FEV Tutor Icon.

FEV Tutor

3. Once you are in FEV Tutoring site, it will take you directly to your dashboard. On the top of your screen, click on the "Request an On-Demand Session.

4. Select the subject and the course you are currently enrolled in. In the "question" section, specify which topic you need help understanding. (Example: adding decimals, simplifying fractions, ordering numbers, figurative language, main idea, author's purpose, alphabetical order, synonyms/antonyms, etc.).
