

## Thank You, Families!

As we wrap up another school year, we want to thank all of our families for your continued support. From school events to homework help and morning drop-offs, you've been an essential part of our students' success. We are so grateful to have you as partners in learning!

### Fathers & Mothers of Booker T. – Strike Up Some Fun!

Join us for weekly bowling nights every Wednesday at 6:30 PM through the end of May at AMF Norfolk Lanes (2442 E Little Creek Rd)! This relaxed, fun-filled gathering is a great chance for parents and Booker T. staff to connect, build stronger relationships, and enjoy a little friendly competition.

Hosted in partnership with Community Classroom, these sessions aim to foster fellowship and community spirit. Come roll a few frames, meet new faces, and be part of the BTW family outside the school walls!

### The Doctor Is In: Booker T.'s Mr. Thomas Earns Doctorate

With great excitement, please congratulate Mr. Christopher Thomas with Booker T.'s CTE department as he transitions from Mister to DOCTOR on June 13th. After a long, arduous journey, Mr. Thomas has completed his doctorate and developed a dissertation focused on the benefits of career and technical education at the high school level. He looks forward to returning for the 2025-2026 school year and sharing his work not only with students but faculty as well. Look for the "The doctor is in" sign on his door next year! Congratulations DOCTOR Thomas!

### Booker T. Washington High School NHS Members Volunteer at Hope Educational Farm

Eight dedicated members of Booker T. Washington High School's National Honor Society recently spent a rewarding day completing their volunteer hours at Hope Educational Farm, a 501(c)(3) non-profit organization committed to enriching the lives of children through experiential learning. The farm's mission centers on cultivating a joy for learning and building strong character traits through literacy, nature-based activities, and social-emotional learning techniques.

During their visit, students actively participated in a variety of hands-on tasks that supported the farm's mission. The day included grooming and exercising the farm's horses, learning the basics of equine massage therapy, and performing essential pasture maintenance. These meaningful activities not only supported the animals and the farm's operation but also provided students with a unique opportunity to connect with nature, build empathy, and learn the value of stewardship and teamwork.

The experience served as a perfect blend of service and personal growth, echoing the core values of the National Honor Society: scholarship, leadership, service, and character.

We are proud of these students for their commitment to community service and their enthusiasm for learning in new and impactful ways!

### Scholarship Opportunity for Former Coleman Place Students

If you attended Coleman Place Elementary, you could win a \$500 scholarship from the Coleman Place PTA! High school seniors are invited to write a short essay about how their time at Coleman Place helped shape who they are today. It's a great chance to reflect on your roots and earn money for college. Learn more and apply here: [Mabel Kiracofe Scholarship](#).
