

## Lindenwood Elementary

### Student Dress Code

The following guidelines are designed to promote a standard of appearance which enhances the learning environment while allowing for reasonable comfort. Students are required to wear uniforms as stipulated by the NPS school board in a declaration in the year 2009. Students must wear uniforms Monday through Friday. Failure to adhere to the school uniform policy may result in disciplinary consequences such as an administrator and student conference, after school detention, and/or in school alternative. Repeated and continued violations of the school uniform policy may also result in out of school suspensions.
