A Message from the Superintendent

As I embarked upon the task of creating a financial plan for the 2018 school year and present my second budget as Superintendent, the reality of declining enrollments and other challenges of the district remain at the forefront of the decision making process. A primary goal is stabilization of the district; out of this necessity, the idea of #NPSRedesign was formed in collaboration with the leadership team in an effort to deliberately focus on the basics of three general areas: leadership, literacy and rigor. The understanding that successful school improvement is done through implementing strategies that will produce sustainable results over time, is of chief consideration in the budget planning process.

Our current fiscal challenges mirror those of surrounding districts—rising health insurance costs and mandatory retirement increases continue to have significant impact on the budget. As the #NPSRedesign implementation takes shape, our aim is to align existing resources and create systems for effectiveness, which will ultimately serve to improve student outcomes as we continue to strive to be an exemplary public education institution. The Virginia General Assembly session closed on February 26 and we received the supporting technical information tool from the Virginia Department of Education (VDOE) yesterday evening, review of this document will be useful in making further budgetary determinations as we work towards finalizing the budget.

Budget priorities have been developed through a lens of equity and our diverse school and community assets, which lead us to concentrate on the following areas:

- Student achievement and outcomes
- Safe and secure 21st century learning environments
- Community and parent engagement
- Organizational efficiency and effectiveness

Given the current financial challenges of the district, the immediate need for realignment is a stark reality. This required us to look more closely at making significant and scalable adjustments to NPS' Standards of Quality (SOQ) positions. Staffing and program support reductions could not be avoided. However, we must take necessary steps so that we are better equipped to support our students. In preparing our children to become competent and global citizens, we must aim to retain and attract a highly qualified, highly effective workforce and in that vein the plan looks at addressing:

- Beginning implementation of recommendations from the pay and compensation study
- Funding mandatory increases in Virginia Retirement System (VRS) contribution (\$3 million)
- Changing the current structure of employer contribution for health insurance
- Reinstating in-school suspension (ISS)
- Realigning instructional and support staffing impacted by declining enrollment

As stated in 2016, we remain strongly committed to ensuring good stewardship of our limited public dollars. At the start of this budget process, we faced a \$19.5 million shortfall and have worked tirelessly in an attempt to balance the budget, yet, there remains a \$9.5 million disparity. The proposed 2017-2018 budget is respectfully submitted to the School Board for review, consideration and input.

Sincerely,

A handwritten signature in cursive script that reads "Melinda J. Boone".

Melinda J. Boone, Ed.D
Superintendent of Schools

Norfolk Public Schools

Mission

The mission of Norfolk Public Schools, the cornerstone of a proudly diverse community, is to ensure that all students maximize their academic potential, develop skills for lifelong learning and are successful contributors to a global society, as distinguished by:

- Courageous advocacy for all students
- Family and community investment
- Data-driven personalized learning
- Strong and effective leadership teams
- Shared responsibility for teaching and learning
- Access to rigorous and rewarding college and career readiness opportunities

Our Schools

Norfolk Public Schools (NPS) is the largest urban school division in the Commonwealth of Virginia and the seventh largest division overall. The division enrolls a racially and economically diverse population of approximately 31,500 total students supported by a staff of more than 4,600 employees in 55 facilities. The educational philosophy of the division is based on the belief that all children can achieve at high levels and that it is the responsibility of the staff and community to ensure that each child reaches his or her highest potential.

Norfolk Public Schools has a variety of programs to meet the needs of students. Programs within the regular schools include those for students with special needs, English as a Second Language, Title 1, and Gifted Education. Auxiliary facilities house alternative programs for students who have not succeeded in the regular education setting as well as opportunities for trade and technical education. There are full-day kindergarten programs in all elementary schools except for those schools with grades three through five. There are two early childhood centers for three and four year old children and pre-kindergarten programs in all elementary schools except those serving only grades three through five.

Legal Authorization

Pursuant to state law, NPS is fiscally dependent on the local government. As a fiscally responsible school division, NPS does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt.

Norview HS

Appointed to the Board July 1, 2016
Term expires: June 30, 2017

Prior to a 2014 referendum, the seven school board members were appointed by the City Council. May 2016, marked the beginning of the elected school board process with an election of two school board members. The remaining five appointed terms expire June 30, 2018. Beginning July 1, 2018, the entire School Board will be an elected body. Members are elected to a four-year term. The School Board Members annually elect a Chairman and Vice Chairman from among the seven members.

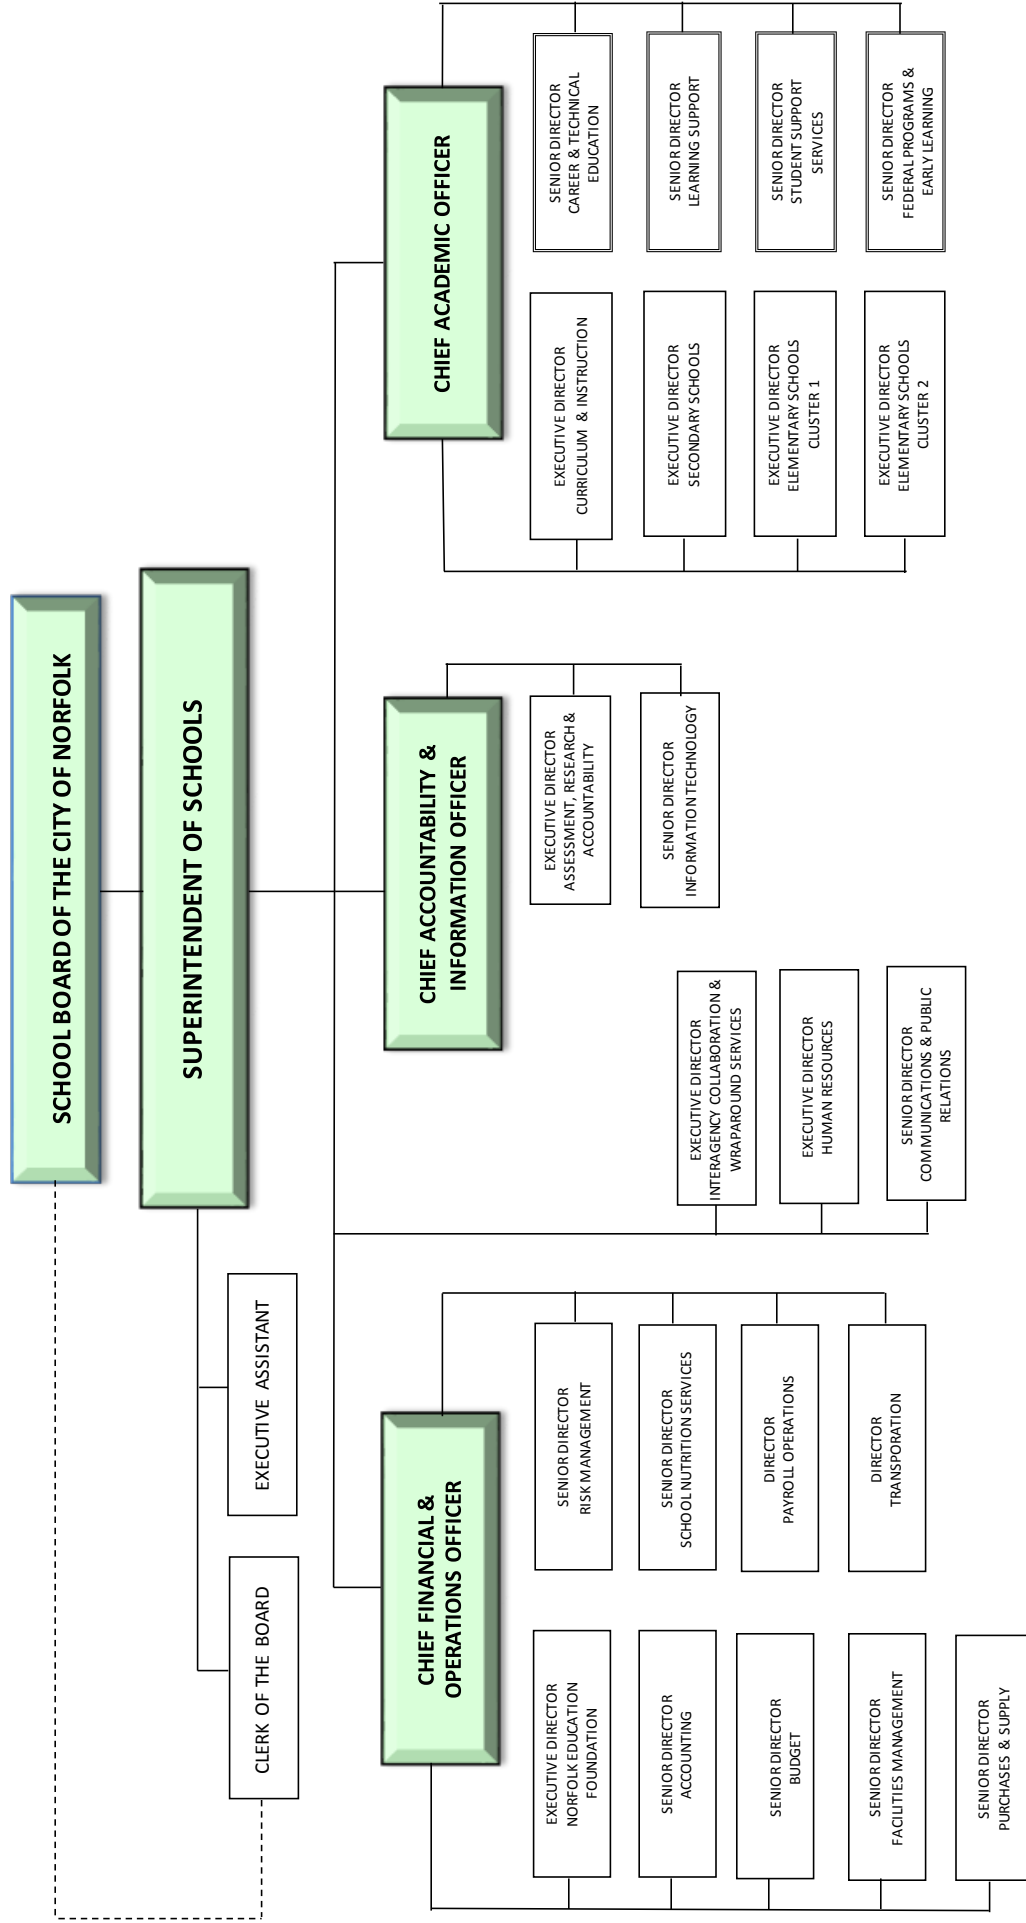

School Board members serve under oath of office and must reside in the City of Norfolk. The School Board sets policies and approves the operating budget that is necessary to implement educational programs for Norfolk Public Schools. The group is responsible for setting guidelines that ensure the proper administration of the educational programs of Norfolk Public Schools and for reporting a statement of finances to the City Council, the Director of Finance and to the City Manager. The Board approves the hiring of a staff to administer and carry out the Board's current policies.

With the opinions and concerns of the students in Norfolk Public Schools a division priority, at the recommendation of the Superintendent, the Norfolk City School Board appointed its first student representative to serve in an advisory capacity. The student representative does not attend closed meetings and does not vote. The student representative does not have access to confidential information, including student or personnel records. The student representative is expected to attend all regular, open meetings and complete assignments for research and data collection when requested by the School Board.

The student selection process consist of the following: the principal of each high school nominates two students from their school to serve as the student representative to the School Board; it is from those nominations that the Superintendent selects one student representative; the School Board then votes on the nomination confirming the selection of the student representative. The student representative serves a one-year term.

The School Board's Priorities are:

1. Ensure full accreditation
2. Increase academic achievement of all students – raise floor and ceiling simultaneously to close achievement gaps
3. Improve climate, safety and attendance
4. Become a School Board of Distinction
5. Promote Norfolk Public Schools to reflect outstanding accomplishments of staff, teachers and students
6. Develop and coordinate a capital improvement plan for facilities and technology to enhance teaching and learning
7. Attract, retain, and help to develop strong academic families and highly qualified teachers and staff

Strategic Plan

The foundation of the transformational process occurring in Norfolk Public Schools (NPS) is the district's five-year strategic plan. The primary purpose of the NPS Strategic Plan is to provide a unified vision for all academic, financial, staffing and other organizational decisions. With that in mind, input from internal and external stakeholders was crucial and valued to the plan's development and throughout implementation.

The first step in developing the NPS Strategic Plan was to engage the community and staff in two public forums in the summer of 2012. After the forums, a strategic planning committee was convened. Made up of a microcosm of the Norfolk community - military, higher education, faith-based leaders, supportive agencies, parents - along with representatives from NPS (the School Board, administration, principals, teachers), the committee came together to agree upon the mission statement, parameters, objectives and community beliefs.

Parameters - our guidelines or self-imposed rules

- We will honor the worth and integrity of each person.
- We will not allow internal or external factors to adversely affect our pursuit of excellence.
- We will demand the best of everyone.
- We will respect community input.
- We will make our decisions with careful regard for research and evidence-based best practice.

Objectives - statements of measurement

- All students will pass local, state and national assessments at levels which meet and are continuously progressing toward exceeding established standards.
- All students identify their dreams, and have no limits in the pursuit of their fullest potential.
- All of our students graduate and succeed in their endeavors in higher education, the workforce, and/or the community.
- All of our students are responsible citizens, serve the community, and demonstrate the highest ethical standards.

Community Beliefs

- We believe that every person is worthy of respect.
- We believe that everyone has the capacity to learn.
- We believe that family is a critical factor in the development of the individual.
- We believe that every student deserves a high-quality education.
- We believe that effective public schools require strong leadership and teamwork.
- We believe that diversity is a strength.
- We believe that effective educators and staff are valued as the foundation for successful schools.
- We believe that successful public schools are the foremost opportunity for economic development and community well-being.
- We believe that fostering positive and meaningful relationships is essential to helping students reach their highest potential.
- We believe that public education is an investment and a shared responsibility of schools, families, and the community.
- We believe that schools, students and families can expect, and have responsibility for, creating and maintaining a safe, secure and respectful learning environment.

Strategies

- We will promote NPS as the cornerstone of our community's well-being.
- We will empower and facilitate meaningful family and community partnerships.
- We will relentlessly pursue engaged learning through high-quality instruction.
- We will host environments in which all individuals feel safe and secure.
- We will nurture a culture of excellence, equity and justice through continuous improvement.

Measures of Our Success

Standards of Learning Test Results

The Virginia Assessment Program includes Standards of Learning (SOL) tests and other statewide assessments in English, history/social science, mathematics, and science. The scores presented in Table 1 provide information for the three most recent years on the achievement of students on these tests. This information may differ slightly from overall scores used for the determination of Virginia State Accreditation and Federal Annual Measurable Objective (AMO) status under the *No Child Left Behind Act (NCLB)*.

On December 10, 2015, President Obama signed into law the *Every Student Succeeds Act (ESSA)*, which reauthorizes the *Elementary and Secondary Education Act of 1965 (ESEA)*. This measure replaces the *No Child Left Behind Act (NCLB)*. To facilitate an orderly transition to the programs authorized by the *ESSA*, the United States Department of Education will provide on-going guidance to support schools, districts and States.

The results in Table 1 illustrate a three-year pass rate improvement for 23 of 29 subjects tested. Notable improvements with double digit increases were made in the content area of Math (Grades 3, 5, 6, 7, 8, and Algebra II), Reading (Grades 5 and 7), History (Virginia Studies and Civics and Economics), and Grade 5 Science.

State Accreditation

The Commonwealth of Virginia's accountability systems support teaching and learning by setting rigorous academic standards, using the Standards of Learning (SOL) test and assessing student achievement annually. Results from these test, now taken primarily online by most students, help facilitate the identification of achievement gaps and measure the progress of each school and support raising the achievement of low-performing schools. Individual schools receive a state accreditation rating reflecting achievement in English, history/social science, mathematics, and science. Additionally, high schools must meet a minimum benchmark for graduation and completion.

For 2015-2016, the Virginia Board of Education revised its accreditation standards. The achievement levels required for a rating of Fully Accredited have not changed. New "Partially Accredited" ratings, differentiate schools that are close to full accreditation, or that are making acceptable progress, from those that are not. A school may remain Partially Accredited for no more than three consecutive years unless granted an extension by the state board.

Accreditation ratings are based on student achievement in the tested subject areas during the previous academic year and may also reflect a three-year average of achievement. Adjustments are made for limited English proficiency students, transferred students, and students who are successful in re-taking an SOL test. Each year, schools can achieve one of ratings:

Fully Accredited - High schools and schools with a graduating class are Fully Accredited if students achieve pass rates of 75 percent or more in English and 70 percent or higher in mathematics, science and history and attain a point value of 85 or greater based on the Graduation and Completion Index (GCI).

Elementary and middle schools are Fully Accredited if students achieve a pass rate of 75 percent or higher in English and 70 percent or higher in mathematics, science and history.

Partially Accredited: Approaching Benchmark-Pass Rate - Schools that are not Fully Accredited, but that are within a two-point narrow margin of the adjusted SOL pass rates required for full accreditation.

Partially Accredited: Approaching Benchmark-Graduation and Completion Index - High schools that have attained the adjusted pass rates required for full accreditation, and that are within one point of the Graduation and Completion Index (GCI) required for full accreditation.

Partially Accredited: Improving School-Pass Rate - Schools that are not Fully Accredited, and do not qualify for a rating of Partially Accredited: Approaching Benchmark-Pass Rate, but that are making acceptable progress toward full accreditation.

State Accreditation – Continued

Partially Accredited: Improving School-GCI - High schools that have attained the adjusted pass rates required for full accreditation, and that have improved their GCI by at least one point from the previous year, but that are not within a narrow margin of the GCI required for full accreditation.

Partially Accredited: Warned School-Pass Rate - Schools that are not within a narrow margin of, nor making acceptable progress toward achieving the adjusted SOL pass rates required for full accreditation.

Partially Accredited: Warned School-GCI - High schools that have achieved the adjusted SOL pass rates required for full accreditation, but that are not within a narrow margin of, nor making acceptable progress toward achieving the GCI required for full accreditation.

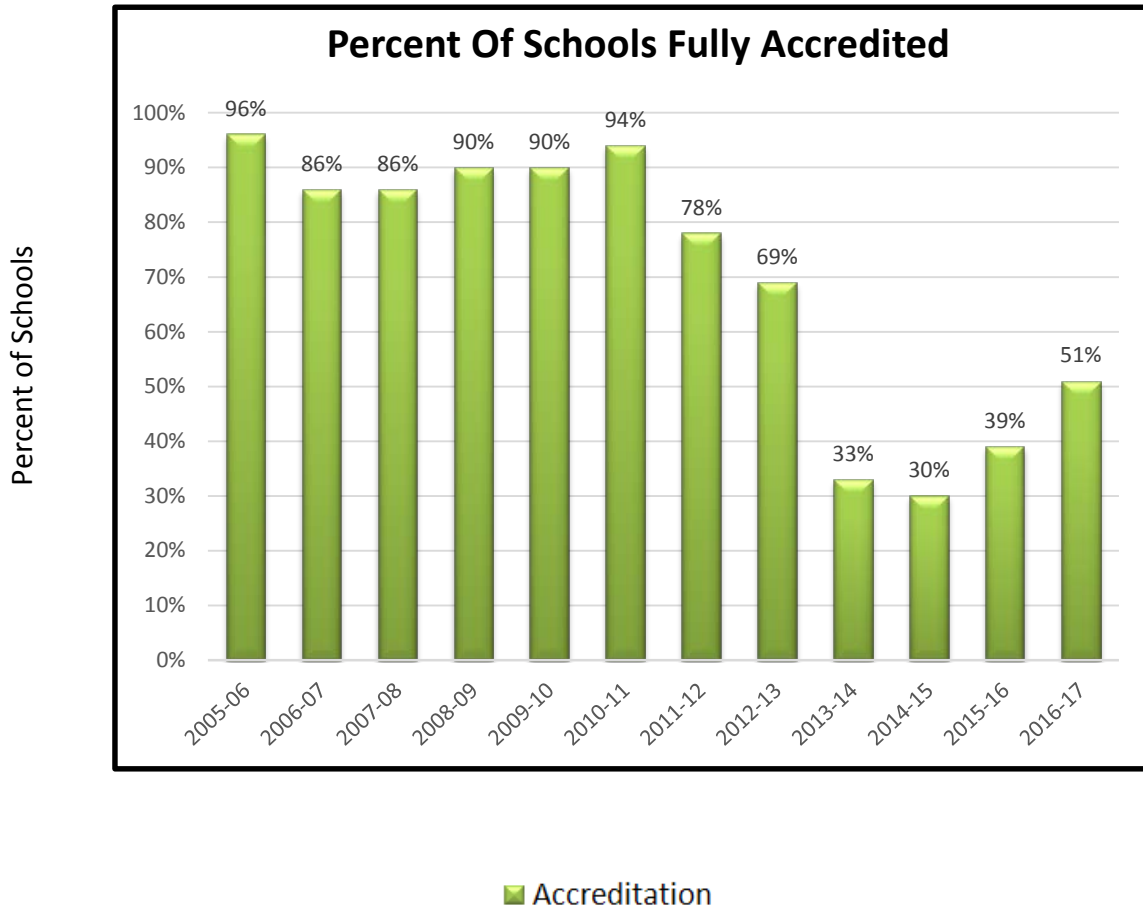

Partially Accredited: Reconstituted School - Schools that fail to meet the requirements for full accreditation for four consecutive years and receive permission from the state Board of Education to reconstitute. A reconstituted school reverts to accreditation-denied status if it fails to meet full accreditation requirements within the agreed-upon term, or if it fails to have its annual application for Partially Accredited-Reconstituted School renewed.

Accreditation Denied - A school is denied accreditation if it fails to meet the requirements to be rated full or partially accredited for four consecutive years.

Conditionally Accredited - New schools that are comprised of students from one or more existing schools will be awarded this status for one year pending an evaluation of the performance of students on SOL tests and other statewide assessments. This rating may also be awarded to a school that is being reconstituted.

State Accreditation - Continued

The accreditation status for all Norfolk schools is summarized below. For the 2016-17 school year, 51% of the schools were fully accredited (23/45).

School Accreditation Ratings for 2016-2017

The Virginia Department of Education accreditation ratings are based on the achievement of students on tests taken during the 2015-2016 academic year and may also reflect a three year average of achievement. Adjustments also may be made for students with limited English proficiency and for students who have recently transferred into a Virginia public school. Accreditation ratings also reflect the success of a school in preparing students for retakes of Standards of Learning (SOL) tests.

High School Graduates and Graduation Rates

The specific diploma types awarded to NPS graduates are defined as follows:

Standard - This program, which combines high level academic courses with elective courses, requires 22 credits and 6 verified credits by passing end-of-course SOL tests or other assessments approved by the Board of Education. Beginning with students entering ninth grade for the first time in 2013-2014, a student must also:

- Earn a board-approved career and technical education credential to graduate with a Standard Diploma; and
- Successfully complete one virtual course, which may be non-credit bearing for high school graduation. It satisfies the requirements for many four-year universities, community colleges, and other post-secondary educational institutions.

Advanced - This program requires at least 24 or 26 standard units of credits, depending on when the student entered the ninth grade. Nine verified credits are required for high school graduation, which are earned by passing end-of-course SOL tests. It provides the requirements that most four-year colleges look for in their applicants.

Applied Studies (formerly Special) – An Applied Studies Diploma shall be awarded to a student with a disability who successfully completes the requirements of their Individualized Education Program (IEP), but does not meet the requirements for any other diploma.

Certificate - A Certificate shall be awarded to any student who completes a prescribed program of studies defined by the local school board but does not qualify for any of the described diplomas.

GED - The General Educational Development (GED) test includes a battery of tests which measure the skills and knowledge considered to be the major outcome of a high school education. Graduates of this program receive the High School Equivalency (HSE) credential which documents the recipient has the abilities normally associated with the completion of a high-school program of study.

International Baccalaureate (IB) - This Diploma Program (DP) is a two-year, academically rigorous curriculum that combines requirements of a mixture of different national education systems. Programs are offered in English, French and Spanish and allow students moving around the country or from one country to another to transfer between DP schools. Colleges from around the world accept students who participate in DP.

ISAEP/GED - The Individual Student Alternative Education Plan program is an alternative program, which operates under guidelines outlined by the Virginia Board of Education. Success includes passing the GED test and completing an occupational/career and technical training component at the end of the term.

High School Graduates and Graduation Rates - Continued

General Achievement - The General Achievement Diploma is intended to provide a diploma option for high school dropouts and individuals who exit high school without a diploma, are 18 years or older and meet the criteria set by the Board of Education.

Modified Standard - The Modified Standard Diploma is a 20 credit diploma intended for certain students who have a disability and are unlikely to meet the credit requirements for a Standard Diploma. Eligibility and participation in the Modified Standard Diploma program shall be determined by the student's Individual Education Program (IEP) team and the student, where appropriate.

NOTE: The Modified Standard Diploma will not be an option for students with disabilities who enter the ninth grade for the first time beginning in 2013-2014. Credit accommodations allow students with disabilities who previously would have pursued a Modified Standard Diploma to earn a Standard Diploma.

Credit accommodations provide alternatives for students with disabilities in earning the standard and verified credits required to graduate with a Standard Diploma. Credit accommodations for students with disabilities may include:

- Alternative courses to meet the standard credit requirements
- Modifications to the requirements for locally awarded verified credits
- Additional tests approved by the Board of Education for earning verified credits
- Adjusted cut scores on tests for earning verified credits
- Allowance of work-based learning experiences through career and technical education (CTE) courses

While credit accommodations provide alternate pathways and flexibility, students receiving accommodations must earn the 22 standard credits and six verified credits required to graduate with a Standard Diploma. In contrast, only 20 standard credits and zero verified credits are required for the Modified Standard Diploma.

On-Time Graduation

The Virginia Department of Education (VDOE) publishes annual state-level, division-level and school-level cohort reports that detail outcomes for students who entered the ninth-grade for the first time together and were scheduled to graduate four years later.

Cohort reports include the Virginia On-Time Graduation Rate for the Commonwealth, school divisions and high schools and also include data on dropouts, students still in school, students on long-term leave and students in the cohort whose records were properly reported to the state but whose status is unconfirmed.

The Virginia On-Time Graduation Rate expresses the percentage of students in a cohort who earned a Board of Education-approved diploma within four years of entering high school for the first time. Percentages are based on longitudinal student-level data and account for student mobility and retention and promotion patterns.

Closing the Achievement Gap

Norfolk Public Schools, the cornerstone of a proudly diverse community, is on a journey to ensure that all students maximize their academic potential, develop skills for lifelong learning and are successful contributors to a global society. Over an extended period of time, NPS has worked diligently in all subject areas to narrow the gap in achievement between African American and Caucasian students. NPS is also on track to meet the goals and objectives to ensure that all students are meeting and eventually exceeding state standards. With the support of the United Way of South Hampton Roads and United for Children, business and community leaders are working together in a collective action effort to assist children and families reduce learning gaps and ultimately break the cycle of poverty.

A major focus of NPS is to drive student achievement by building the expertise of teachers and school leaders by additional professional learning that emphasizes high-yield classroom strategies to help students achieve at the highest levels. Another focus for NPS is to work even more effectively on student literacy, striving to ensure that all children are reading on grade level or above by third grade. Norfolk Public Schools embraces the identification of high-quality early learning, from pre-school through grade 2, as critical to developing literacy skills for children. The Virginia Department of Education included Norfolk in a successful federal grant award that will allow NPS to expand the pre-school program. Norfolk Public Schools currently serves approximately 2,000 students in full-day pre-school classes.

A publication by the National Study Group for the Affirmative Development of Academic Ability (2004) argues that academic ability is developed, and as such influenced by schools. Furthermore, the report notes that the affirmative development of academic ability is nurtured and developed through (1) high-quality teaching and instruction in the classroom, (2) trusting relationships in school, and (3) supports for pro-academic behavior in the school and community. All of these are critical components in NPS efforts to reduce the achievement gap.

School Information

Data included on the following school information pages provides student enrollment and demographics, SOL testing results and budget details for each of the elementary, middle and high school locations.

Student ethnicity and demographic data is provided by the NPS Department of Assessment, Research and Accountability. Demographic information for special education, recipients of free/reduced lunch and limited English proficient numbers represent a sub-set of the total number of students. Student enrollment is based on September 30th membership as reported to the Virginia Department of Education (VDOE).

Free and Reduced Lunch – The National School Lunch Program (NSLP) and the School Breakfast Program (SBP) nationwide now include a new universal meal option, the Community Eligibility Provision (CEP), which has been phased in by the U.S. Department of Agriculture (USDA). CEP was created through the *Healthy, Hunger-Free Kids Act of 2010* and allows qualifying high-poverty local educational agencies (LEAs) and schools to offer breakfast and lunch at no cost to all students without requiring families to complete an annual household application (Source: Letter from Secretaries Vilsack and Duncan re: Community Eligibility Provision dated August 5, 2015). The free eligibility for the schools operating under the USDA Community Eligibility Provision (CEP) is a calculated number based on the USDA guidance, which is 100%.

The following schools are participating in CEP for fiscal year 2015-2016:

- Berkley/Campostella Early Childhood Center
- Campostella Elementary
- Chesterfield Academy Elementary
- Coleman Place Elementary
- Granby Elementary
- Ingleside Elementary
- Jacox Elementary
- James Monroe Elementary
- Lake Taylor Middle
- Lindenwood Elementary

Under the full-time equivalent staffing section on the school information pages, each broad group includes the following positions:

Administrators - Includes the positions of Principal, Assistant Principal and Program Leader.

Teachers - Includes regular classroom teachers, special education teachers, career and technical education teachers, math specialists, reading specialists, adult education and alternative education teachers that provide direct instruction to students.

Teacher Assistants - Includes all teacher assistants regardless of the instructional program.

Resource/Guidance/Media - Includes art, music, physical education, instructional technology, gifted, ESL, remedial, reading and math resource teachers, guidance counselors, and media specialists.

Support Personnel - Includes all clerical, psychologists, social workers, custodial and security staff. Other positions in this group include coaches, athletic directors, deans, nurses and attendance technicians.

FY 2017 school expenditures by program for Grants and Other Funds - The dollar amounts represent the available balances from multi-year grants as of June 30, 2016. Some fiscal year 2017 awards for grants and other funds have not been approved or allocated.

Enrollment information on the following pages may include students in programs such as Tidewater Regional Alternative Educational Program (TRAEP) and Southeastern Cooperative Educational Programs (SECEP).

Grants and Other Funds Summarized by School Location

Each school in the district is allocated funds for its regular operations. In addition to the allocation for regular operations, schools also receive supplemental funding through grants and special donations from various federal, state and local resources for specific educational purposes. The table on the following page summarizes the number of grants and other funds allocated at each school location. To assist with reading this table, the code for each of these funds is defined below.

DB. ANNUAL BUDGET

The annual school budget is the financial outline of the division's education program. It presents a proposed plan of expenditures and the expected means of financing those expenditures. After adoption, it provides the primary means of managing expenditures. The fiscal year is defined as beginning on the first day of July and ending on the thirtieth day of the following June.

The superintendent prepares, with the approval of the school board, and submits to the appropriating body, an estimate of the amount of money needed during the next fiscal year for the support of the public schools of the school division. The estimate sets up the amount of money needed for each major classification prescribed by the Board of Education and such other headings or items as may be necessary.

The superintendent or superintendent's designee prepares a budget calendar identifying all deadlines for the annual budgetary process. The calendar includes at least one work session for reviewing the budget and at least one public hearing on the budget. Notice of the time and place for the public hearing is published at least ten days in advance, in a newspaper having general circulation within the school division.

Upon approval of the school division's budget by the appropriating body, the school division publishes the approved budget in line item form, including the estimated required local match, on its website and the document is also made available in hard copy as needed to citizens for inspection.

Adopted by the Norfolk School Board: February 25, 1999.

Revised September 17, 2008; June 10, 2015.

Code of Virginia, 1950

A county school board is vested with the use and control of all school funds, whether derived from state appropriations, local taxation, or other sources, and has exclusive authority to expend the funds set apart by law for school purposes.

15.2-2503. Time for Preparation and Approval of Budget; Contents. All officers and heads of departments, offices, divisions, boards, commissions, and agencies of every locality shall, on or before the first day of April of each year, prepare and submit to the governing body an estimate of the amount of money needed during the ensuing fiscal year for his department, office, division, board, commission or agency. If such person does not submit an estimate in accordance with this section, the clerk of the governing body or other designated person or persons shall prepare and submit an estimate for that department, office, division, board, commission or agency.

The governing body shall prepare and approve a budget for informative and fiscal planning purposes only, containing a complete itemized and classified plan of all contemplated expenditures and all estimated revenues and borrowings for the locality for the ensuing fiscal year. The governing body shall approve the budget and fix a tax rate for the budget year no later than the date on which the fiscal year begins. The governing body shall annually publish the approved budget on the locality's website, if any, or shall otherwise make the approved budget available in hard copy as needed to citizens for inspection.

15.2-2504. What budget to show. Opposite each item of the contemplated expenditures the budget shall show in separate parallel columns the aggregate amount appropriated during the preceding fiscal year, the amount expended during that year, the aggregate amount appropriated and expected to be appropriated during the current fiscal year, and the increases or decreases in the contemplated expenditures for the ensuing year as compared with the aggregate amount appropriated or expected to be appropriated for the current year. This budget shall be accompanied by:

1. A statement of the contemplated revenue and disbursements, liabilities, reserves and surplus or deficit of the locality as of the date of the preparation of the budget; and
2. An itemized and complete financial balance sheet for the locality at the close of the last preceding fiscal year.

Code of Virginia, 1950 Continued

15.2-2506. Publication and notice; public hearing; adjournment; moneys not to be paid out until appropriated. A brief synopsis of the budget which, except in the case of the school division budget, shall be for informative and fiscal planning purposes only, shall be published once in a newspaper having general circulation in the locality affected, and notice given of one or more public hearings, at least seven days prior to the date set for hearing, at which any citizen of the locality shall have the right to attend and state his views thereon. Any locality not having a newspaper of general circulation may in lieu of the foregoing notice provide for notice by written or printed handbills, posted at such places as it may direct. The hearing shall be held at least seven days prior to the approval of the budget as prescribed in § 15.2-2503. With respect to the school division budget, which shall include the estimated required local match, such hearing shall be held at least seven days prior to the approval of that budget as prescribed in § 22.1-93. The governing body may adjourn such hearing from time to time. The fact of such notice and hearing shall be entered of record in the minute book.

In no event, including school division budgets, shall such preparation, publication and approval be deemed to be an appropriation. No money shall be paid out or become available to be paid out for any contemplated expenditure unless and until there has first been made an annual, semiannual, quarterly or monthly appropriation for such contemplated expenditure by the governing body, except funds appropriated in a county having adopted the county executive form of government, outstanding grants may be carried over for one year without being re-appropriated.

22.1-88. Of What School Funds To Consist. The funds available to the school board of a school division for the establishment, support and maintenance of the public schools in the school division shall consist of state funds appropriated for public school purposes and apportioned to the school board, federal funds appropriated for educational purposes and apportioned to the school board, local funds appropriated to the school board by a local governing body or such funds as shall be raised by local levy as authorized by law, donations or the income arising there from, and any other funds that may be set apart for public school purposes.

Code of Virginia, 1950 Continued

22.1-89. Management of Funds. Each school board shall manage and control the funds made available to the school board for public schools and may incur costs and expenses. If funds are appropriated to the school board by major classification as provided in § 22.1-94, no funds shall be expended by the school board except in accordance with such classifications without the consent of the governing body appropriating the funds.

22.1-90. Annual Report of Expenditures. Every school board shall submit at least once each year to the governing body or bodies appropriating funds to the school board a report of all its expenditures. Such report shall also be made available to the public either on the official school division website, if any, or in hard copy at the central school division office, on a template prescribed by the Board of Education.

22.1-91. Limitation on Expenditures; Penalty. No school board shall expend or contract to expend, in any fiscal year, any sum of money in excess of the funds available for school purposes for that fiscal year without the consent of the governing body or bodies appropriating funds to the school board. Any member of a school board or any division superintendent or other school officer violating, causing to be violated or voting to violate any provision of this section shall be guilty of malfeasance in office.

22.1-92. Estimate of moneys needed for public schools; notice of costs to be distributed.

A. It shall be the duty of each division superintendent to prepare, with the approval of the school board, and submit to the governing body or bodies appropriating funds for the school division, by the date specified in § 15.2-2503, the estimate of the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division. The estimate shall set up the amount of money deemed to be needed for each major classification prescribed by the Board of Education and such other headings or items as may be necessary.

Upon preparing the estimate of the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division, each division superintendent shall also prepare and distribute, within a reasonable time as prescribed by the Board of Education, notification of the estimated average per pupil cost for public education in the school division for the coming school year to each parent, guardian, or other person having control or charge of a child enrolled in the relevant school division, in accordance with the

Code of Virginia, 1950 Continued

budget estimates provided to the local governing body or bodies. Such notification shall also include actual per pupil state and local education expenditures for the previous school year. The notice may also include federal funds expended for public education in the school division.

The notice shall be printed on a form prescribed by the Board of Education and shall be distributed separately or with any other materials being currently transmitted to the parents, guardians or other persons having control or charge of students. To promote uniformity and allow for comparisons, the Board of Education shall develop a one-page form for this notice and distribute such form to the school superintendents for duplication and distribution.

B. Before any school board gives final approval to its budget for submission to the governing body, the school board shall hold at least one public hearing to receive the views of citizens within the school division. A school board shall cause public notice to be given at least ten days prior to any hearing by publication in a newspaper having a general circulation within the school division. The passage of the budget by the local government shall be conclusive evidence of compliance with the requirements of this section.

22.1-93. Approval of Annual Budget for School Purposes. Notwithstanding any other provision of law, including but not limited to Chapter 25 (§ 15.2-2500 et seq.) of Title 15.2, the governing body of a county shall prepare and approve an annual budget for educational purposes by May first or within thirty days of the receipt by the county of the estimates of state funds, whichever shall later occur, and the governing body of a municipality shall prepare and approve an annual budget for educational purposes by May fifteen or within thirty days of the receipt by the municipality of the estimates of state funds, whichever shall later occur. Upon approval, each local school division shall publish the approved annual budget, including the estimated required local match, on the division's website, if any, or if there is no division website, the document shall otherwise be made available in hard copy as needed to citizens for inspection.

The Superintendent of Public Instruction shall, no later than the fifteenth day following final adjournment of the Virginia General Assembly in each session, submit estimates to be used for budgetary purposes relative to the Basic School Aid Formula to each school division and to the local governing body of each county, city and town that operates a separate school division. Such estimates shall be for each year of the next biennium or for the then next fiscal year.

Code of Virginia, 1950 Continued

22.1-94. Appropriations by County, City or Town Governing Body for Public Schools. A governing body may make appropriations to a school board from the funds derived from local levies and from any other funds available, for operation, capital outlay and debt service in the public schools. Such appropriations shall be not less than the cost apportioned to the governing body for maintaining an educational program meeting the standards of quality for the several school divisions prescribed as provided by law. The amount appropriated by the governing body for public schools shall relate to its total only or to such major classifications prescribed by the Board of Education pursuant to § 22.1-115. The appropriations may be made on the same periodic basis as the governing body makes appropriations to other departments and agencies.

Reader's Guide to the Budget

The Educational Plan and Budget document summarizes the educational programs provided by Norfolk Public School Board to approximately 31,000 students.

Section Explanation

Introduction - section of the budget document includes information about the district – its organizational and management structure and the district's mission and how it is achieved.

Executive Summary - section provides a summary overview of the Educational Plan and Budget for the upcoming fiscal year.

Revenue Sources - section presents an overview of revenue sources for the district's operating budget.

Operating Expenditures - section presents an overview of expenditures by program and expenditure category for the district's operating budget. To give a better understanding of how division funds are spent, supplemental information is provided for each.

Grants and Other Funds - section provides an overview of all federal, state and local grants administered by the School Board. School Nutrition Services and Capital Improvement Fund (CIP) are included in this section.

Supplemental Information - section provides historical, statistical, comparative and other supplemental information about the division.

Appendix A - contains the same information as the Operating Expenditures section; however, it is by line item object code.

Appendix B - contains the same information as the Grants and Other Funds section; however, the information is by line item object code.

Glossary - Contains definitions and explanations of key budget terms located throughout this document.

Accounting for School Board Funds

The accounts of the School Board are organized on the basis of funds and account groups, each of which are considered as a separate accounting entity with a separate set of self-balancing accounts. The funds of the School Board consist of the General Fund (the Operating Fund), the School Nutrition Services Fund and various Categorical Grant Funds. The School Board is also responsible for planning, developing and executing the Capital Improvement Program (CIP).

Operating Fund - is the basic funding plan for the schools. It includes funds for the fiscal operation of the school system.

School Nutrition Services Fund - is a special revenue fund that supports cafeteria and food services operations and is separate from the basic Operating Fund.

Capital Improvement Fund (CIP) - is a special revenue fund that provide funding for capital improvements not covered within the operating budget. Typical capital improvements include new construction, renovations, improvements to infrastructure, and major maintenance projects.

Categorical Grant Funds - are special revenue funds that track the revenue and expenditures of the state, federal and local categorical grants.

Sources of Revenue

Norfolk Public Schools receives operating revenue from three major sources – state (including State Sales Tax), the local governing body and the federal government.

State Funds - consists of four basic types of direct aid funding for public education – Standards of Quality (SOQ), Incentive-based funding, Categorical funding and Lottery funded programs. SOQ payments are determined by multiplying per-pupil amounts determined by the General Assembly by the projected March 31 Average Daily Membership. They are shared by the state and the locality based upon a ratio called the Composite Index. The state also funds a number of programs that address specific needs of students and the school division via Incentive-based

Reader's Guide to the Budget - Continued

funding, Categorical funding and Lottery funded programs. Additional funding is also provided by state grants.

Federal Funds - consist of U.S. Department of Education, Impact Aid, Telephone Discounts/Rebates, Medicaid reimbursements and Naval ROTC reimbursements. Additional funding is also provided by federal grants.

State Sales Tax - also a component of state funds, is shown as a separate source or revenue. One and one-eighth percent of sales tax collected is returned by the state to the localities for public education and is based on the number of school-aged children residing in the locality. A census is conducted every three years by each locality to determine the number of school-aged children who resides within the locality.

Local Funds - consists of the appropriation by the City of Norfolk to the School Board. The city is required to contribute a minimum level of funding called the required "local effort" which is determined by the Local Composite Index. The Composite Index, determined by the state, is an indicator of the locality's ability to fund public education. The City of Norfolk provides an appropriation in excess of the required local effort.

Miscellaneous Funds - another source of revenue generated at the local level, consists of numerous miscellaneous revenues such as tuitions, fees, rental of school facilities, credit card reimbursements, interest, etc.

Expenditure Category Explanation

Projected expenditures are grouped into the following categories:

Salaries provides for all payroll costs for full-time and part-time employees and substitutes, as well as overtime expenses, supplements and other allowances, stipends for attending and conducting workshops and other personnel service expenses.

Fringe Benefits provides for all fringe benefits including Social Security, life insurance, retirement, medical insurance and unemployment, workers' compensation expenses and tuition reimbursement expenses.

Reader's Guide to the Budget - Continued

Contract Services provides for all external contractual services required by the School Board; i.e., printing, maintenance agreements, repair services, professional services and other contracted services. These services are usually on a fee basis or fixed time contract.

Travel/Staff Development provides for all staff travel, both within the city and outside of the city, for mileage reimbursement and attendance at conferences.

Postage, Leases & Rentals provides for leased office and other school facility space as well as non-capitalized equipment rentals.

Utilities/Communications provides for costs of electricity, natural gas, fuel oil, phone service, water, sewer, and other utilities or communication services.

Supplies provide for materials and supplies, which are consumed or materially altered when used, and minor capital outlay items that have a unit cost of less than \$5,000.

Regional Tuition provides payments to Regional Joint Operations in support of vocational, special education and talented and gifted programs and to Southeastern Cooperative Educational Programs (SECEP).

Equipment provides for expenditures that result in the acquisition of or additions to, capital assets with a unit cost of \$5,000 or more.

Transfer to Schools provides for transfers to schools to support the Athletics programs.

Revenue

Fiscal Year 2018 Operating Revenue by Major Source

In fulfilling its constitutional mandate, the State Board of Education establishes the educational objectives for public education in Virginia. These objectives are known as the Standards of Quality (SOQ). The Constitution of Virginia also requires the General Assembly to determine the manner in which funds are provided to meet the SOQ, including apportionment of costs between the state and local governments. All basic aid and most categorical funding established within the SOQ funding formula are apportioned between the state and local government according to the composite index. In Norfolk, the composite index for fiscal years 2016-2018 is 29.88% which means for every dollar of support called for by the SOQ, the City of Norfolk is required to pay about 30 cents under the state’s formula. Norfolk’s composite index for the next biennium is a reduction from 31.23% which means that the state’s portion of SOQ funding increases. While the locality is free to exceed the minimum funding, it is rare that the state would provide funding beyond the minimum called for in the SOQ.

The state provides funding to school divisions based on their March 31st Average Daily Membership (ADM). NPS is projecting a March 2018 ADM of 28,538 which is 787 fewer students than the 29,325 budgeted ADM for fiscal year 2017. This will equate to a reduction in state SOQ funding. The chart below shows a trend of declining March ADM since fiscal year 2011.

Norfolk's revenue projections from the Commonwealth of Virginia (state) for fiscal year 2018 is based on the amendments to the 2016-2018 Biennial Budget as Introduced by Governor McAuliffe on December 16, 2016. The Governor's budget is outlined in Superintendent's Memo #312-16 dated December 16, 2016. The Governor's amendments are being considered by the 2017 Session of the General Assembly, which convened on January 11, 2017 and scheduled to end on February 25, 2017.

In addition to updating Sales Tax and Lottery revenue estimates dedicated to public education and updating the Direct Aid accounts for enrollment changes, program participation and other technical changes, key recommendations in Governor McAuliffe's introduced amendments that had an adverse impact on Norfolk Public Schools revenue. Two notable changes are:

- Eliminating the 2.0% Compensation Supplement that was to be effective December 1, 2016 and December 1, 2017;
- Adding a one-time 1.5% bonus for Standards of Quality-funded instructional and support positions effective December 1, 2017 in fiscal year 2018. Funded SOQ instructional positions include the teacher, guidance counselor, librarian, instructional aide, principal; and assistant principal.

A key component in projecting State revenue is student enrollment. With a projected enrollment decline of 787 students or 2.7% from the budgeted March 2017 ADM, we are projecting basically no growth in State revenue. State revenue under the Governor's Introduced Amendments for fiscal year 2018 based on an estimated March Average Daily Membership (ADM) of 28,538 students is projected to increase 0.1% or \$157 thousand from the current fiscal year. Standards of Quality funding is projected to decrease by \$82 thousand; Sales Tax is projected to decrease by \$695 thousand; Lottery Funds is projected to decrease \$3.7 million; and Incentive and Categorical funding is projected to increase \$4.7 million.

City funding for operations is level.

An additional \$9,501,620 in funding is required to balance this budget proposal.

In FY 2014, a new and on-going appropriation of \$3.3 million was supported by a dedicated two-cent real estate tax increase. The use of these funds in fiscal year 2014 and subsequent fiscal years will be restricted to construction, technology, and infrastructure projects/needs.

Any unexpended balances in the amounts appropriated **shall not** revert to the surplus of the General Fund, but solely be dedicated to the construction, technology and infrastructure program and shall be carried forward on the books of the City and re-appropriated and made available for expenditure in the succeeding year. This funding will continue for fiscal year 2017.

The CTI funding for FY 2016 was increased \$43,500 to \$3.4 million. To assist with the funding gap, the total allocation of \$3.4 million was split into two components - \$1.5 million to support operating needs and \$1.9 million for debt service. In addition to that re-alignment, there was a one-time CTI carry forward of \$246,600 of unused design funds to support operating needs. This re-alignment of CTI funding provided a total of \$1.75 million of additional funding to support operating needs.

In fiscal year 2016, the City re-appropriated \$1.7 million of CTI Debt Service funding for operating costs. These one-time operating funds have been eliminated and the \$1.5 million has been restored to the Debt Service component. In fiscal year 2017, total CTI Debt Service funding is \$3,527,400. For fiscal year 2018, CTI Debt Service funding is anticipated to increase \$110,800.

Federal revenue consists primarily of Federal Impact Aid, based on the number of children in Norfolk who are associated with or impacted by federal programs. Impact Aid is supposed to mitigate the loss of tax dollars due to income and property connected with the federal government that is not subject to local property tax. Children living in government supplied housing on a military base are examples. In fiscal year 2013, the Federal government indicated that it will fund Impact Aid at 60 cents on the dollar versus 85 cents. We are uncertain about sequestration and have level funded Impact Aid funds.

E-rate is another source of federal revenue. The E-rate program, officially known as Universal Services Schools and Libraries Discount Mechanism, was created as part of the *Telecommunications Act of 1996*. The program was initially established to help schools and libraries connect to the Internet. It provides discounts up to 90% on goods and services essential for classrooms and libraries to receive voice, video and data communications. NPS has been receiving an 81% discount on telephone landlines, cellular and long distance services.

In fiscal year 2015, E-rate began a modernization process wherein discounts will be applied to controllers and wired switches, cabling, etc. and will begin phasing out all voice services, including local, long distance, voice-over IP and cellular services (voice portion only). The shared discount will be reduced by 20% each year until exhausted. E-rate funding is based on the prior year's expenditures and our discount rate will be reduced by 20%.

Federal funds are currently level funded; however, reductions will be calculated as it relates to E-rate funding.

The Superintendent's Proposed Fiscal Year 2018 Budget reflects an approach of reducing base expenditures – re-alignment and reductions based on trend analysis and projections, re-alignment of program expenditures based on programmatic reviews, re-aligning staff to address the declining student population and program participation and re-aligning staffing with required SOQ required. The budget gap is a result eliminating one-time revenue funding for FY 2017, phase-one of implementing recommendations from the Compensation Study and Alternative Education Study completed in the fall, anticipated increases in VRS employer contributions, an anticipated 6.0% increase in health insurance premiums and mandatory increases in programmatic and operational costs.

Total Operating Fund revenue for fiscal year 2018 is projected to be \$328,488,013 which is an increase of \$6.6 million or 2.1% over fiscal year 2017 budget.

Details on all Operating Fund revenue and multi-year comparisons can be found in **APPENDIX A** of this document.

Federal Grants are legislated by the federal government based on specific populations or classes of children to be served. Federal and state grants as well as Capital Improvement Projects (CIP) funding are kept in separate funds and are shown in the Grants and Other Funds Section of this document and **APPENDIX B**.

State Educational Funding Overview

The Commonwealth of Virginia funds the Standards of Quality outlined in Virginia’s Constitution and codified in the Code of Virginia. State revenue is linked directly to the current year student enrollment. For computation purposes, Average Daily Membership (ADM) is used. The projected ADM is multiplied by the SOQ funding amounts, subject to the composite index, to arrive at a figure for projected state revenue. Since fiscal year 2008, our projected 2018 ADM has declined 3,675 students or 11.4%.

The chart below shows the trend of state funding since the 2008 fiscal year. Our estimated revenue for fiscal year 2018 is approximately \$13.0 million less than the state revenue received in 2008.

Composite Index

The Composite Index is the state’s measure of the local ability to pay for education. For every dollar of support from the state SOQ, the locality is expected to “match” a portion of the state dollar. It is calculated using three measures of the local tax base:

- true real estate values (50% of measure)
- adjusted gross income (40% of measure)
- local taxable retail sales (10% of measure)

Each of these measures is combined into two per-capita components:

- average daily membership (weighted two-thirds)
- population (weighted one-third)

Each locality’s ability-to-pay is evaluated relative to all other localities’ ability-to-pay by dividing individual locality values by total statewide values. Finally, the calculation is multiplied by 45 percent so that the average local share is 45 percent and the average state share is 55 percent. By law, however, no locality is responsible for more than 80 percent of the total required cost of public education. The following chart depicts the historical trend of the composite index for Norfolk Public Schools.

Direct Aid to Public Education

There are four basic types of Direct Aid funding for public education in Virginia:

- Standards of Quality (SOQ)
- Categorical (Mandated Programs)
- Incentive-Based Funds
- Lottery Funded Programs

The funding stream provided for the Standards of Quality is not meant to reimburse school divisions for all actual educational expenditures. Therefore, not all of the expenditures incurred by school divisions, and reported on the Annual School Report (ASR), are included in the SOQ cost calculations. In addition, funding provided for the cost areas recognized by the SOQ is provided based on statewide prevailing averages, not based on divisions' actual expenditures.

Further, the following educational programs reported on the Annual State Report are not funded through the SOQ:

- summer school
- adult education
- non-regular day education (such as Head Start)
- non-LEA programs (such as Hospitals, Clinics, and Detention Homes program)
- school food services

Standards of Quality (SOQ)

The Standards of Quality (SOQ) prescribe the minimum foundation program that all public schools in Virginia must meet. The standards are established in the Constitution of Virginia and are defined in the Code of Virginia. The standards can only be altered by the Board of Education and the General Assembly.

The prevailing cost method is used to determine funding levels for SOQs. There are two funding categories for the accounts listed below – funding for instructional standards and funding for support costs.

Direct Aid to Public Education includes the following accounts:

- Basic Aid
- Gifted Education
- Remedial Education
- Vocational Education
- Special Education

- Fringe Benefits – Retirement / Social Security / Group Life
- Retiree Health Care Credit
- Textbooks
- Remedial Summer School
- Sales Tax

Data Requirements for Funding of Instructional Costs:

- Instructional Position Standards
- Annual School Report (ASR) Financial Data (for funded instructional salaries)
- Salary Inflation Factor
- Fall Membership by School
- Fall Membership Projections
- ASR Average Daily Membership (ADM)
- March 31 ADM (Actual and Projected)
- Special Education Child Count
- Required Vocational Education Positions
- Virginia State Assessment Program (VSAP) Lower Quartile Data (Remedial)
- Social Security Rate and Cap
- Group Life Rate
- Health Care Premium Amount
- Instructional Virginia Retirement System (VRS) Rate (Employer Share)
- Cost of Competing Factors

The SOQ funds functions that support instructional activities including non-instructional support staff and day to day school operations. These support functions include areas such as:

- instructional support
- pupil transportation
- attendance and health
- substitute teachers
- professional development
- operations and maintenance of school facilities

Support Positions Funded in the Standards of Quality:

In order to calculate support costs, the SOQ funding model uses actual expenditure data from a previous fiscal year to determine a weighted average of what it costs to operate a school division – this is called the “prevailing cost.”

Funded instructional salaries and support costs associated with the Standards of Quality are based on past expenditure data, which is compiled from the Annual School Report (ASR).

Data from even-numbered fiscal years is used to establish the base funding for a particular biennium. For example, data from the fiscal year 2014 Annual School Report was used to calculate prevailing instructional salaries and support funding for the 2016-2018 biennium.

In addition to the support costs calculated by the model’s support processes, the following costs are calculated separately before being incorporated into the model:

- superintendent cost
- school board cost
- school nurse cost
- pupil transportation cost

Sales Tax

Article VIII, Section 2 of the Constitution of Virginia authorizes the General Assembly to determine the cost of education as prescribed by the Standards of Quality and to apportion those costs between the state and the local governments. By law, 1 and 1/8 percent of state sales tax revenue is dedicated to public education.

Projected sales tax revenue (provided by the Department of Taxation) is distributed among localities based on the triennial school-age population census.

This distribution of sales tax revenue is subtracted from the total cost of Basic Aid for each division before Basic Aid is split into state and local shares based on the composite index.

Distribution of sales tax as adjusted by Basic Aid and split into state and local shares based on the composite index. An inverse relationship exists between sales tax and basic aid. If sales tax revenue is less than expected, basic aid may be increased to cover the state’s share of funding.

The Governor’s Introduced Budget decreases sales tax by \$694,744.

Non-SOQ State Funding

In addition to the programs funded through the Standards of Quality, the state funds a number of programs that address specific needs of students and school divisions. These are funded as direct funds or as grant funds.

These programs are broken into three groups:

- **Categorical** Programs
- **Incentive-Based** Programs
- **Lottery Funded** Programs (legislated and not guaranteed funding)

Categorical and Incentive-Based Programs are funded through formulas which are usually based on:

- Calculated per pupil amounts
- The number of students eligible to participate in the program or a proxy for estimating this number (For example, the percent of students eligible for the federal free lunch program is often used as a proxy for the number of students at risk of educational failure.)

An example of a formula driven program is Early Reading Specialists Initiative (Incentive-Based Program).

Categorical Programs

Categorical Programs focus on particular needs of special student populations or fulfill particular state obligations. These programs are typically required by state or federal law and/or regulation.

Examples of Categorical Programs include:

- Various special education programs targeted toward children who, for medical or behavioral reasons, cannot enroll in public schools
- Adult education
- Special Education - Homebound

Incentive-Based Programs

Incentive-Based Programs are not required by law but are intended to target resources for specific student or school needs statewide. School divisions participate in these programs at their option but are usually required to agree to certain terms before they receive state funding and are usually required to provide a local match for state funding.

Examples of Incentive-Based Programs include:

- Governor’s School (NPS is fiscal agent)
- Compensation Supplements and Bonus Payments
- Early Reading Specialists Initiative
- Math/Reading Instructional Specialists

Lottery Funded Programs

Lottery Funded Programs are not guaranteed funds and almost all of them require local matching based on the Composite Index.

Examples of Lottery Funded Programs include:

- Career and Technical Education Program (grant type funding)
- Special Education Regional Tuition (SECEP)
- Pre-school Initiative Program – created to enhance early education opportunities for three and four year olds
- K-3 Primary Class Size Reduction Program – created to lower class sizes in kindergarten through third grade
- Early Reading Intervention
- English as a Second Language
- Textbooks (split funded – SOQ and Lottery)
- Teacher Mentor and ISAEP Programs (Previously reported in Grants and Other Funds)

Federal Revenue

Federal Revenue consists primarily of revenue from the Federal Impact Aid application made each year by Norfolk Public Schools. The federal cards are generated each fall and parents are asked for information regarding residence and employment. The information is compiled and application is made to the Federal government.

Medicaid Reimbursement is applied for by the Special Education department quarterly and is based on Medicaid eligible students to whom approved services are rendered. The expenses that are reimbursed are those spent from local funds. Federal and certain state funds are not eligible for reimbursement.

NJROTC is a program that is funded by the military and the school system is reimbursed annually for the cost of the teachers who work in the secondary schools under this program. These teachers are provided at substantially reduced cost to the school system, and we are reimbursed at 50 percent.

Telecom Discount Rate, also known as E-rate is a federal rebate offered to encourage connectivity to the World Wide Web. Beginning in fiscal year 2015, E-rate is undergoing a modernization wherein discounts will be applied to controllers and wired switches, cabling, etc. and will begin phasing out all voice services, including local, long distance, voice-over IP and cellular services (voice portion only). The shared discount will be reduced by 20% each year until exhausted. E-rate funding is based on the prior year’s expenditures and our discount rate will be reduced by 20%.

City Appropriations

City Appropriations are negotiated yearly between the Norfolk School Board and the Norfolk City Council. The City funds the schools above the minimum required by the state. An historical detail of the revenue under local control can be found in the **Supplemental Section** of this document.

A change in the funding of school nurses was reflected in fiscal year 2013. The City had been appropriating funds to the Norfolk Public Health Department to provide school nurses in our schools. Effective in 2013, this appropriation, \$1.5 million, was reflected in the schools budget with an off-setting expenditure to the Norfolk Public Health Department. For fiscal year 2016, all school nurses are employees of Norfolk Public Schools. Therefore, the \$1.5 million was used to fund the nurses' salaries and associated benefits.

A change in the funding of school crossing guards was reflected in fiscal year 2015. In the past, the City paid for the crossing guards. In fiscal year 2015, the City appropriated \$617,522 to the School Board for crossing guards. The crossing guards will remain employees of the City and the City will bill the School Board for services rendered. We anticipate this funding to continue for fiscal year 2018.

CTI Debt Services is anticipated to increase \$110,800.

Total City Funds for fiscal year 2018 increases \$110,800.

Re-Appropriated Carry Forward Funds

Unexpended school and education funds in a fiscal year must be re-appropriated for use in a forthcoming fiscal year. These are one-time revenue sources for the year in which they are carried forward. In developing the subsequent year’s budget, the elimination of this funding stream contributes to a budget gap. Therefore the \$3.1 million carried forward in fiscal year 2017 created a \$3.1 million reduction in base-line revenue for fiscal year 2018. We do not anticipate having any unspent funds at the end of fiscal year 2017. A brief summary of using carry forward funds for balancing prior fiscal years’ budgets is outlined below.

- Fiscal year 2013 budget included \$9.9 million of re-appropriated funds from prior fiscal years and school bus reserve funds. In the past, the School Board set aside funds for the purchase of school buses. In fiscal year 2013, the City took on the responsibility to purchase school buses to replace the aging fleet. As a result of this approved action by City Council, \$2.1 million in unexpended school bus reserve funds were available to use and re-appropriated as carry forward funds for fiscal year 2013.
- Fiscal year 2014 budget included \$7.7 million of re-appropriated funds from fund balance and prior fiscal years.
- Fiscal year 2015 budget included \$5.9 million of re-appropriated funds from fund balance and prior fiscal years.
- Fiscal year 2016 budget included \$4.4 million of re-appropriated funds from fund balance and prior fiscal years.
- Fiscal year 2017 budget included a total of \$3.1 million or re-appropriated funds - \$1.1 million of audited fund balance from fiscal year 2015 and \$2.0 million of unspent funds from fiscal year 2016.
- Fiscal year 2018 budget does not include any carry forward funds from prior years

Miscellaneous Revenue

Projected prevailing revenues are deducted from calculated SOQ Basic Aid costs to account for revenues generated at the local level. These revenues include:

- Transportation for Field Trips
- Driver Education – A non-mandated program where fees are collected from students
- Indirect Cost
- Interest Income – Banks are paying very low interest rates and we are not earning as much interest as in previous years
- In-school Related Services (SECEP changes)

We are estimating level funding in Miscellaneous Revenue.

Operating Expenses

The Superintendent's Proposed Operating Expenses for fiscal year 2017-2018 is \$328,488,013 which is a \$6.6 million or 5.9% more than fiscal year 2016-2017 approved budget. The major assumptions included in this budget are:

- \$5.0 million to begin implementation recommendations from the Compensation Study completed in the fall
- \$3.0 million to support the proposed rate increase in employer contributions for the Virginia Retirement System
- \$2.2 million to support an anticipated 6.0% increase in health insurance premiums beginning December 2017
- \$1.7 million to support recommendations from the Alternative School & Services Study completed this year
- \$1.0 million to reinstate Facilities Improvements that were funded with the City's School Maintenance Fund for fiscal year 2017
- \$674 thousand for eight additional positions – five Instructional Technology Resource Teacher (ITRT) positions, an Athletic Trainer, an administrative position to support Special Education and an instructional administrator position to support Career & Technical Education
- \$402 thousand to support Facilities for repair and maintenance
- \$393 thousand to support Technology Services Synergy maintenance contract and eRate local match
- \$300 thousand to support unanticipated needs such as snow removal and emergency maintenance and repairs from weather conditions
- \$182 thousand to support Student Support Services operating costs and Student Health wrap-around services
- \$150 thousand to support Transportation for vehicle repair parts and supplies
- \$155 thousand to support the District's Redesign Initiative
- \$125 thousand to support transportation services for Homeless students in accordance with the Stuart McKinney Vento Act
- \$2.6 million for a reduction of 37 positions due to enrollment decline
- \$2.9 million for a reduction of 49 positions to begin the re-alignment of staff because of enrollment decline to SOQ
- \$1.2 million reduction of 21 positions for programmatic realignment/compliance/equity
- \$300 thousand reductions vacant positions – hard-to-staff and right-sizing support positions

- Reductions were made in non-personnel operating costs to offset some of the cost of operating expense increases

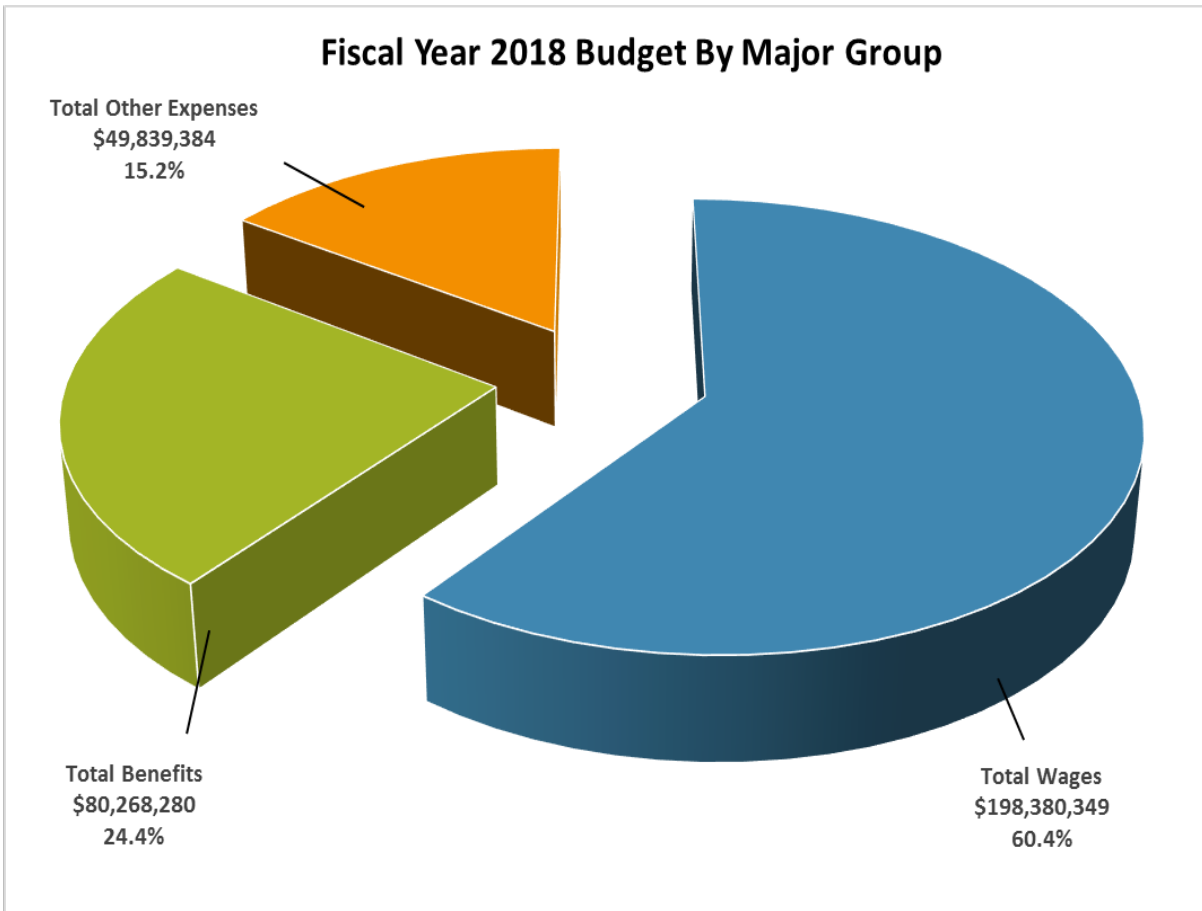

With basically level funding from the State and the elimination of one-time revenue from fiscal year 2016, NPS faced a \$19.1 million funding gap. Staff was challenged with closing this gap while preserving core instructional programs and services. Salaries were re-based to reflect existing employees and current authorized positions to take advantage of any attrition factor related to the change in personnel. Programmatic savings were identified via the re-alignment and adjustment of staff and we began the process of re-alignment of staff to SOQ positions.

This budget includes a net reduction of 60.5 full-time equivalent positions: a net reduction of 57.5 Instructional Services positions, a reduction of two Support Services positions and a reduction of one Operations and Maintenance positions. The adjustments are:

- Reductions due to declining enrollment:
 - Reduce 34 classroom teacher positions – elementary, middle and high school
 - Reduce 2 Special Education teacher positions
 - Reduce 1 Career & Technical teacher position
- Reductions to begin the re-alignment of staff because of enrollment decline to SOQ positions:
 - Reduce 24.5 elementary resource teacher and teacher assistant positions
 - Reduce 8.5 counselor positions
 - Reduce 7 media and media assistant positions
 - Reduce 9 gifted positions – 2 Young Scholars and 7 resource teachers
- Reductions due to programmatic re-alignment/compliance/equity:
 - Reduce 14 resource positions – MSQEP, reading and math specialists positions
 - Reduce 3 parent liaisons positions
 - Reduce 3 clerical positions
 - Reduce 1 custodial position – move Open Campus to NTC
- Reductions of vacant positions – hard to fill or right-sizing
 - Reduce 2 Occupational Therapists positions
 - Reduce 1 Alternative teacher position
 - Reduce 1 clerical position
- Add 44 teacher assistant positions for In-School Suspension (ISS) monitoring
- Restore 5 Instructional Technology Resource Teacher (ITRT) positions to meet SOQ requirements (Year 2 of 5-Year Phase-in)
- Add 1 Athletic Trainer
- Net increase of 0.5 administrative position

The expenditures outlined in the following pages in this section are our efforts to balance the budget, to preserve core instruction and increase academic achievement for all students of Norfolk Public Schools. The line item expenditure budgets for each major program are in **APPENDIX A** of this document.

Approximately 84.8% of the \$328,488,013 Operating Budget is personnel costs (wages and benefits) for the 4,075.35 full-time equivalent positions included in the budget. The chart below shows the costs allocated by major expenditure group.

The chart below shows how the \$328,488,013 Operating Budget is allocated by the following major programs:

- Instructional Support
- Pupil Transportation
- Student Attendance and Health
- Operations and Facilities
- Central Administration
- Information Technology

Program 110 - Classroom Instruction - Regular

Classroom Instruction includes all regular educational activities dealing directly with interaction between teachers and students. Books, supplies, equipment, and compensation of all instructional staff comprised of teachers, aides, and classroom assistants for the regular school program are included here. This program includes Literacy, Math, Science, Communications and Specialists who work with Elementary students who are struggling in these areas. It also includes NJROTC programs at the High Schools whose teachers are partially paid by the Federal Government. The Middle School Quality Education Program (MSQEP), Algebra Readiness, Continuous High School Improvement programs (CHSI) that supplement education and provide a rigorous learning environment are all funded in this program. Highlights of this program can be found in the **INTRODUCTION SECTION** of this document.

Goals:

- To ensure compliance with the federal regulations in the Every Student Succeeds Act (ESSA) legislation
- To provide equitable instructional services to children with strategic staffing and resource allocation
- To provide small learning environments in the primary grades in compliance with the K-3 Class Size Reduction Initiative as outlined by the State Board of Education
- To ensure that all schools have the necessary materials, supplies and resources to fully implement the Norfolk Public Schools curriculum
- To create learning environments where all students can develop the habits and skills for powerful literacy
- To adhere to the Standards of Accreditation

Fiscal 2016-2017 FTE Revisions:

- A Career & Technical Education teacher was converted to a regular Program 110 teacher position.

Program 110 - Classroom Instruction - Continued

The **Proposed Fiscal 2017-2018 Budget for the Classroom Instruction Program** is a net increase of \$5.0 million or 4.0% over fiscal year 2017 budget. The net increase is due primarily to a placeholder of \$5.0 million to begin implementation of recommendations of a Compensation Study completed in the fall, and anticipated increases in health insurance, VRS employer contributions offset by the net reduction of 28.5 positions and re-basing the compensation budget to reflect existing staff.

Fiscal 2017-2018 FTE Revisions:

- Reduce 34 elementary, middle and secondary teacher positions due to declining enrollment
- Reduce 14 teacher and specialists positions due to programmatic re-alignments – MSQEP, reading/math specialists, Willoughby to an Early Childhood Center
- Reduce 24.5 positions to begin the re-alignment of staff to SOQ positions
- Add 44 teacher assistant positions (ISS Monitors) to address recommendations from the Alternative School & Services Study
- Note: the reduction of teacher positions is net of increases in positions to add grade 7 for the Southside STEM Academy at Campostella

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017

Program 121 - School Counseling and Guidance

The primary goals of the NPS School Counseling program are to ensure students are academically successful and prepared for college and the world of work upon graduation. Professional School Counselors offer a comprehensive program, based on the VDOE School Counseling Standards that promotes the career and college readiness, academic achievement, and the personal/social development of each student. These activities are structured to help students attain, develop, and demonstrate competencies in learning (academic domain), earning (college and career domain), and living (personal/social domain). College and career counseling provides students with a multitude of opportunities to investigate the world of work and make informed career decisions, develop strategies to achieve future goals, and understand college and other post-secondary educational and career opportunities, including admissions and financial support. Academic counseling assists students and their parents in understanding academic curriculum options, planning an academic program of studies, interpreting academic testing results, and developing academic skills that foster academic achievement. Personal and social counseling equips students to develop an understanding of themselves, the rights and needs of others, how to resolve conflict and to define individual goals, reflecting their interests, abilities, and aptitudes, along with the skills to be responsible citizens.

Professional school counselors also teach skills and deliver services through classroom lessons, individual and group planning, as well as individual and small group counseling and guidance. Counselors also provide responsive services to meet the immediate needs of students and their families as well as system support services that consist of activities that establish, maintain, and enhance the total school counseling program. VDOE requires that the school counseling and guidance staff devote a minimum of 60% of their time to the counseling of students.

Desired Outcomes

Aligned with the School Board Priority 2, Increase Academic Achievement of All Students, the overarching goal of the School Counseling Program is to ensure that all students are college and career ready upon graduation. A college and career ready student is one who is prepared to succeed in entry-level, credit-bearing, academic college courses and in workforce training programs. College refers to two and four-year post-secondary schools. Workforce training programs pertain to careers that offer competitive, livable salaries above the poverty line and offer opportunities for career advancements in a growing or sustainable industry. Indicators of success include, but are not limited to, the following metrics: higher graduation rates, higher attendance rates, higher math and reading proficiency, lower suspension and discipline rates, higher college-going rate, higher SAT/ACT scores, 100% completion of student academic and career plans, increase in scholarships awarded, increase in extra-curricular involvement, and improved technical skills.

Program 121 - School Counseling and Guidance - Continued

Fiscal 2016-2017 FTE Revisions:

- A vacant Alternative Education teacher position was converted to a Guidance Counselor position for the Alternative Program.

The **Proposed Fiscal 2017-2018 Budget for School Counseling and Guidance** is a net decrease of \$457,723 or 4.8% from fiscal year 2017 budget. The net decrease is due primarily to a reduction of 8.5 positions offset by increases in the VRS employer contributions and health insurance.

Fiscal 2017-2018 FTE Revisions:

- Reduce 8.5 counselor positions to re-align staff to SOQ funded positions

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017

Program 122 - Visiting Teachers and School Social Workers

Visiting Teachers and School Social Workers provide a valuable service to students through activities designed to improve school attendance and to prevent and solve school problems. Examples of School Social Workers' responsibilities include: Crisis Team participation, conducting socio-cultural case histories with families, direct counseling services to students, and outreach to parents regarding available school and community services. Each Visiting Teacher or School Social Worker is a member of the Student Support Services Team and is typically assigned to two schools.

Goals:

- To ensure compliance with federal, state and local special education policies and procedures
- To ensure that parents and students have access to community resources for enhancing learning skills
- To establish partnerships with the home, school and community for benefit of academic achievement
- To provide and interpret procedural safeguards and parental rights to parents/legal guardians throughout the special education process

Program 122 - Visiting Teachers and School Social Workers - Continued

The **Proposed Fiscal 2017-2018 Budget for the Visiting Teachers and Social Workers** is a net increase of \$26,825 or 1.4% over fiscal year 2017 budget. The increase is due to increases in VRS employer contributions, health insurance and professional development offset by a decrease in supplies.

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%

Program 131 - Instructional Support

Instructional Support Services provides a wide variety of services to instructional staff to enable them to provide high quality instruction to the students of Norfolk Public Schools. This program involves activities associated with directing, managing and supervising the improvement of instructional services and activities that aid teachers in developing, implementing and assessing the curriculum; preparing and utilizing supplemental curriculum materials; and understanding and appreciating various techniques which motivate students. Instructional Support Services includes the offices of the Chief Academic Officer, Curriculum and Instruction, Assessment Research & Accountability, Student Support Services and Communications. Excluded from this program are support activities of Special Education, Career and Technical Education, Summer School, Gifted Education, Adult Education, Early Learning, Media Services and Athletics.

Goals:

- Provide and support high quality, consistent staff development for teachers and administrators based on individual, school, and/or district needs as identified using varied data points
- Provide current and relevant resources and materials aligned to the Norfolk Public Schools' curriculum and instructional best practices
- Provide support, resources and training for teachers to effectively analyze and utilize student achievement data for effective planning and delivery of instruction
- Provide support for innovative instructional programs and specialty programs in elementary, middle and high schools
- Provide quality district level assessments aligned with the Norfolk Public Schools' curriculum and the state standards in grades 3-8 and end-of-course (EOC) classes

Fiscal 2016-2017 FTE Revisions:

- A portion of an administrative support position (0.25) was transferred from Program 800 – Non-Regular Day School (Pre-School).

Program 131 - Instructional Support - Continued

The **Proposed Fiscal 2017-2018 Budget for Instructional Support** is an increase of \$283,765 or 5.3% over fiscal year 2017 budget. The increase is due to the addition of 5 ITRT positions, and increases in VRS employer contributions, health insurance and contract services.

Fiscal 2017-2018 FTE Revisions:

- Restore 5 Instructional Technology Resource Teachers (ITRTs) to meet SOQ requirements (Year 3 of 5 Year Phase-In)
- Reduction of 1.5 administrative positions

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017
- The increase in Contract Services for costs associated with implementing the District's Leadership and Literacy Initiatives

Program 132 - Media Services

Media Services encompasses all of the activities and resources of the school library program through which all students and staff access ideas and information. It provides resources both in schools and outside of schools through the virtual library portals for around-the-clock access to information needed to support teaching and learning at all levels. The school librarian plays a critical role in facilitating student and faculty understanding of 21st-century forms of literacy which include digital literacy, visual literacy, textual literacy, and technological literacy and acts as a leader in developing digital citizens. In addition, school library programs are designed to develop readers by providing resources and programs that encourage reading a wide variety of self-selected materials for enjoyment and information. This initiative aligns with the School Board priority of increasing the academic achievement of all students while simultaneously raising the floor and ceiling to close achievement gaps.

Goals:

- Collaborate with other educators to design learning strategies to meet the needs of all students
- Provide instruction in the essential skills and habits to ensure that students and staff are effective users of ideas and information
- Provide equitable access to resources and information
- Provide learning experiences that encourage users to be discriminating consumers and skilled creators of information

Program 141 - Office of the Principal

Activities of the Office of the Principal encompass the overall management and direction of a particular school. Included are activities performed by the school principal and assistant principals as they:

- Supervise operations and provide instructional leadership of the school
- Evaluate staff
- Assign duties to staff
- Supervise and maintain the school records
- Coordinate school instructional activities

The activities of the clerical staff in the office in support of teaching and administrative duties are also included in this program.

Program 141 - Office of the Principal - Continued

The **Proposed Fiscal 2017-2018 Budget for the Office of the Principal** is a net increase of \$83,676 or 0.5% over fiscal year 2017 budget. The increase is due to increases in VRS employer contributions and health insurance offset by a reduction of two clerical positions.

Fiscal 2017-2018 FTE Revisions:

- Reduction of a vacant clerical position at Norfolk Technical Center
- Reduction of a clerical position to re-align support staff at the Early Childhood Centers

Program 170 - Alternative Education

The Alternative Education Program serves students who have been unable to stay in regular settings with the opportunity to continue their education. Madison serves students in grades five through twelve who have been issued a long-term suspension from their regular elementary, middle or high school. Additionally, Madison provides an Intensive Probation and Parole Program for students returning to NPS from a secure setting and an ISAEP Program for students pursuing their GED. Madison has demonstrated increased SOL pass/pass advanced rates, lower recidivism rates, increased community partnerships, and higher on-time graduation rates over the last three school years. Additionally, Madison students have been recognized for excellence in several local public art exhibitions, community-based volunteer activities and a science partnership with Nauticus. Madison staff has been consistently recognized through NPS Inspiration Awards, grant awards and service in NPS district-wide leadership opportunities.

The Magic Johnson Bridgescape® (MJB) Open Campus provides students who have dropped out or are at-risk of dropping out of school, with a free alternative path to earn a high school diploma in an environment that fits their schedule, life circumstances and learning needs. For students who already have dropped out or are still in school but off track for graduation, a flexible schedule and a focus on e-learning help students succeed with personalized programs for catching up on high school credits. The proposal for fiscal year 2018 is to end the contract with Magic Johnson Bridgescape and relocate the program to Norfolk Technical Center.

Goals:

- To ensure that students who are in need of supportive services in settings other than their traditional comprehensive schools are afforded a full continuum of services which provide for opportunities for continuous learning
- Funding is focused upon creating consistent high quality learning experiences and pertinent services that effectively meet the needs of students.
- To increase academic achievement of all students, including increasing student SOL pass/pass advanced rates to support full accreditation of all schools and to improve school climate, safety and student/staff attendance

Program 170 - Alternative Education – Continued

Fiscal 2016-2017 FTE Revisions:

- A vacant Alternative Education teacher position was converted to a Guidance Counselor position for the Alternative Program and moved to Program 121 – School Counseling and Guidance.

The **Proposed Fiscal 2017-2018 Budget for Alternative Education** is a net decrease of \$401,287 or 14.5% from fiscal year 2017 budget due the elimination of the contract with Magic Johnson Bridgescape and the reduction of 1 vacant teacher position offset by increases in VRS employer contributions, health insurance and supplies.

Fiscal 2017-2018 FTE Revisions:

- Reduce a vacant teacher position

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017
- A decrease in Contract Services due to the elimination of the Magic Johnson Bridgescape contract for Open Campus; this program will be moved to Norfolk Technical Center

Program 200 - Special Education

Special Education includes programs and activities designed to meet the unique needs of students with disabilities and encompasses both classroom and direct support activities. Examples of disabilities include: specific learning disabilities, emotional disabilities, cognitive impairments and physical disabilities. Special education programs are designed to foster academic achievement and to decrease gaps between students with disabilities and their non-disabled peers. In addition, special education programs are designed to support access to the general education curriculum and to promote successful post-secondary options and opportunities for students with disabilities. A continuum of services for pre-schoolers with disabilities is available district-wide with a concentration of services at Easton Pre-School.

Post-graduate programs were expanded. Learning Support – Special Education Services continues to offer a continuum of post-graduate services and programs including: Project SEARCH, Post-secondary Transition Academy which offers programming at community based locations such as Bryant & Stratton College, Post-secondary Career Development at the Department of Aging and Rehabilitative Services and Opportunity Inc. and the Elizabeth River Service Academy at Camp Young. What's Up Docs entrepreneurship run exclusively by students with disabilities is located at the NPS Central Office (CAB). This program provides valuable services to CAB departments as well as experiences for students in the areas of clerical support and recycling. Learning Support – Special Education Services was awarded a grant for Start On Success (SOS) to support post-secondary planning and career preparation for students with high incidence disabilities seeking standard diplomas through paid internships in partnership with VCU and the City of Norfolk (Nauticus). NPS is continuing this grant for fiscal year 2018 and it is open to all five high schools, and will offer internships with a new business partner, Old Dominion University.

NOTE: Learning Support - Special Education Services also has access to funds from the school Medicaid Program and the Individuals with Disabilities Education Act (IDEA Title VI-B) funding (See the **Grants and Other Funds** section of this document for details).

Norfolk Public School's December 1, 2016 Special Education Child Count was 4,232 which represents 14.5% of our September 30, 2016 Fall Membership of 29,216. The chart below reflects the staff and funding included in the Superintendent's Proposed Educational Plan and Budget for Fiscal Year 2017-2018 to serve our special needs students.

Program 300 - Career and Technical Education

Career and Technical Education (CTE) programs provide our students with an array of rigorous and relevant educational options and opportunities that support their college and career readiness journey. Within the school division, Career and Technical Education (CTE) courses and/or activities are offered at each of the high schools, middle schools, elementary schools, K-8 settings, the Norfolk Technical Center and NPS auxiliary sites.

Each Career and Technical Education (CTE) program is based on national and statewide research that allows us to prepare our students for high-skilled, high demand, and high-waged post-secondary endeavors. All of the programs, which are aligned with the National Career Clusters® Model, integrate academic and technical content while providing real-work experiences. This includes classroom based instruction in theory, lab activities and vibrant work-based learning activities that entail job shadowing, internships, community service, clinical experiences or cooperative education.

Supporting the success of each of the CTE programs are strong partnerships with businesses, higher education and various other entities within the community that are dedicated to all students within the school division.

Goals:

All goals and objectives within the Career and Technical Education (CTE) department are aligned with the Norfolk Public Schools' Five-Year Strategic Plan. In addition, the CTE programs overall goal is to meet or exceed the Federal Perkins IV performance measures set for the state of Virginia.

Highlights

- The division's enrollment numbers for CTE exceeds 10,000 students.
- Over 2,700 industry credentials were earned by NPS students enrolled during the 2015-2016 school year.
- Several NPS career and technical education programs are nationally accredited or certified.
- Various NPS career and technical education programs have received national and/or state level awards and recognition for being an exemplar program and student's success at related competitions.

Program 300 - Career and Technical Education - Continued

Fiscal 2016-2017 FTE Revisions:

- A Career & Technical Education teacher position was converted to a Program 110 – Classroom Instruction – Regular teacher position.

The **Proposed Fiscal 2017-2018 Budget for Career and Technical Education** increases \$84,593 or 1.0% over fiscal year 2017 budget. The increase is due to increases in health insurance costs and VRS employer contributions.

Fiscal 2017-2018 FTE Revisions:

- Reinstate an instructional administrative position to support Career & Technical Education
- Reduce a vacant teacher position due to declining enrollment at Norfolk Technical Center

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017

Program 400 - Gifted and Talented

Norfolk Public Schools defines gifted students as those whose abilities and potential for accomplishment are so outstanding that they require special programs to meet their educational needs. Currently, Norfolk Public Schools provides Gifted Education Services during the regular school day, extended day, enrichment opportunities and programs such as:

- Cluster Grouping Model at the Elementary level
- Young Scholars Program (Autonomous Learning Model) : Honors Courses
- Advanced Placement Courses
- NORSTAR (Robotics and Research and Invention)
- Arts and Sciences Program (Courtroom Law, Future Problem Solving, Model United Nations)
- Governor's School for the Arts
- Summer Residential Governor's School
- Strolling Strings
- Jazz Ensemble
- Camp Einstein - Summer Enrichment Program (K-5)

In an effort to increase the number of students identified gifted among all subgroups, in February 2007, NPS began screening all first grade students using the Cognitive Abilities Test (CogAT). Students in grades 2-12 are referred and tested in November of each school year for gifted services. Currently, forty-four gifted resource teachers serve the district's 5,849 gifted learners in grades 2-12 through direct instruction, collaboration, professional development and identification services. The Gifted Department has a focus of teaching students how to critically think, actively question and participate in authentic research using various best practices that benefit the gifted and high-ability learner.

Goals:

- To increase the number of students identified gifted across all subgroups
- To ensure that identified students receive the services needed to reach their full potential
- To increase the percentage of gifted students scoring passed advanced on the SOLs by 10% during the 2017-2018 school year
- To increase the percentage of gifted students scoring greater than 3 on the Advance Placement exams in all subjects of the College Board assessment

Highlights

The Gifted Education Department has established many collegial relationships that support the program's goals such as the Gifted Center at the College of William and Mary, The Virginia Association for Gifted, The National Association for Gifted, Old Dominion University, and the Virginia Department for Gifted Education, to name a few. Norfolk's gifted learners have met academic success within the district, through local, state and national competitions.

Program 400 - Gifted and Talented - Continued

The **Proposed Fiscal 2017-2018 Budget for the Gifted and Talented Program** has a net decrease of \$555,059 or 14.3% over fiscal year 2017 budget. The net decrease is due to the reduction of 9 positions offset by increases in VRS employer contributions and health insurance costs.

Fiscal 2017-2018 FTE Revisions:

- Reduce 2 Young Scholars teacher positions due to the consolidation of the Young Scholars Programs at Ruffner Middle and Norview Middle into one location
- Reduce 7 resource teachers to re-align with SOQ funded positions

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017

Program 500 - Athletics and Virginia High School League Activities (VHSL)

Norfolk Public Schools offers an organized program in athletics and activities for both boys and girls in each middle and high school. The purpose of establishing a fully funded program is to develop young men and women to be successful citizens in our highly competitive world. Athletic opportunities are offered for both male and female student athletes during the scheduled athletic seasons. Activities such as debate, drama, scholastic bowl and forensics are offered to students during the year. The athletic program of the five high schools annually serves 35 team and individual sports and activities. The High Schools will serve approximately 2,000 students in the district during the academic year. At the six middle schools, approximately 1,700 students will be provided service during the school year.

Currently, 90% of student athletes have a GPA of 2.0 or higher with student athletes annually missing fewer days than the general student population. On time graduation rates for student athletes is 95% or higher. NPS is the only district in the Commonwealth to have had all schools achieve the Virginia High School League Sportsmanship Award; awarded to schools that have established policies and procedures that make sportsmanship a priority and an expectation within the school and school community. NPS has attracted and retained some of the finest coaches in the State of Virginia and has 100% of the School Board proposed coaches certified in the VHSL coaching education program.

Goals:

- To assist middle and high schools in the monitoring, promoting and execution of programs to provide opportunities for students to achieve educational, team and personal standards that are consistent with their needs, interests and abilities
- Development of VHSL Coaching Education program and present numerous workshops for athletic directors and coaches
- Coordinate provision of academic and training support for student athletes
- Promote the Athletic Advisory Committee and provide guidance to the athletic programs
- Continue to develop relationships with community partners
- Institute technology to enhance communication and safety for all athletic programs

Program 500 - Athletics and Virginia High School League Activities (VHSL) - Continued

Highlights & Awards

- Numerous District and Regional Championships at both team and individual level
- Developed community partners that focus on the health of the student athlete

The **Proposed Fiscal 2017-2018 Budget for Athletics and Virginia High School League Activities** has a net increase of \$41,500 or 2.0% over fiscal year 2017 budget. The net increase is due to the addition of an Athletic Trainer position and increases VRS employer contributions and health insurance offset by a reduction in contract services and supplies.

Fiscal 2017-2018 FTE Revisions:

- Addition of an Athletic Trainer

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study

Program 510 - Other Extra-Curricular

Extra-Curricular Programs are those which are not held during the regular school day. Examples include student SOL remediation, commencement activities, Saturday detention, music (band, choral, strings) and student clubs.

Athletics, intramural and other activities sponsored under the Virginia High School League are excluded here. These costs are stated separately in order to facilitate controls within the district's financial system.

Also included in this program is additional funding for school safety net and enrichment opportunities for students.

Goals:

- Remediate students to ensure success on SOL tests
- Allow students to make up work and time missed from school
- Offer activities that will enrich the educational experience for all students

Program 510 - Other Extra-Curricular - Continued

The **Proposed Fiscal 2017-2018 Budget for Other Extra-Curricular Programs** has decreased \$269,223 or 17.7% over fiscal year 2017 budget due to the re-alignment for actual expenditures and participation in programs.

Program 600 - Summer School

The Summer School Program includes all instructional activities taking place during the period between the end of the regular school year and the beginning of the next regular school year. These include:

- Free summer programs for select pre-kindergarten, elementary and middle school students who are not meeting promotion standards, not reading on grade level, failed Virginia's Standards of Learning (SOL) tests and students who need additional instruction to prepare them for success at the next grade level (Pre-K-8).
- Tuition-based/supported summer school for high school students (9-12). This program provides students with opportunities to recover credit or to take a course for the first time.
- Tuition-based/supported and/or free enrichment/accelerated programs for elementary, middle and high school students (i.e. Getting Ready for Algebra, Junior University, Advanced Placement Summer Academy, Elementary Summer Enrichment (Camp Einstein), Summer Art Academy, Sixth Grade Transition, and Driver's Education Behind the Wheel).

Goals:

The summer programs provide those additional options, opportunities and experiences for all students (Pre-K-12) to:

- Participate in acceleration and enrichment experiences and activities
- Strengthen and reinforce concepts and skills (i.e. reading, mathematics, English, science, social studies, art, foreign language)
- Prepare for more rigorous courses at the middle and high school level thus nurturing students' belief in their abilities to be successful in high-level courses/classes
- Further develop critical thinking and problem solving skills
- Prevent regression of skills and reinforce previously acquired skills
- Challenge (take course for the first time) or to retake/recover previously failed high school course credit that counts toward graduation

Program 600 - Summer School - Continued

The **Proposed Fiscal 2017-2018 Budget for Summer School** has decreased \$79,753 or 7.7% from fiscal year 2017 budget to re-align the budget to actual expenditures.

Program 700 - Adult Education

The Adult Education Program provides instructional courses for the community in an adult setting. These services are typically provided during evening hours or at facilities separate from regular elementary and high schools. Specific classes are offered in various subject areas, General Equivalency Diploma (GED), English as a Second Language (ESL) and special interest areas such as marketing, nursing, etc. Tuition is charged and the program remits the tuition to the School Board to mitigate the cost of the program. This instructional program is designed to provide our diverse population with an opportunity to reach their full potential in a supportive and caring environment.

Granby High Evening School is also under the umbrella of adult education. This program serves students who wish to complete their high school diploma. Courses are offered in the core academic areas and require passing the course and end of course SOL to receive verified credit. Granby High Evening School supports the School Board and Division priorities associated with student achievement and outcomes. The program supports and augments the five high schools' courses from which the general student enrollment is pulled. Over 98% of students who enroll in evening school complete the requirements for a high school diploma or receive a GED.

Goals:

- Ensuring that seniors have the opportunity to take credits necessary for graduation, i.e. makeup failed courses or adding a course needed to graduate
- Giving dropouts or returning students an opportunity to complete their high school program or GED requirements
- Offering to a diverse student population, a learning environment where they can pursue uninterrupted classes at a time convenient for them
- Serving the community at large for specialty initiatives of our business partners
- Adult Education includes challenging and rigorous credit bearing high school completion courses; Adult Basic Education; GED Prep, Race to GED and Apprenticeship Accomplishments

Program 700 - Adult Education - Continued

The **Proposed Fiscal 2017-2018 Budget for Adult Education** decreases \$127,153 or 16.4% from fiscal year 2017 budget. The decrease is due to the reduction of three positions offset by increases in VRS employer contributions and health insurance costs.

Fiscal 2017-2018 FTE Revisions:

- Reduction of 3 support positions

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%

Program 800 - Non-Regular Day School (Pre-School)

This program includes costs of the Early Childhood Education Program. Included are the instructional and administrative costs of programs at Berkley/Campostella, Easton and 92 pre-kindergarten classrooms in other elementary schools. This program provides full-day, high-quality instruction for four-year-olds identified as "at-risk" of early academic failure. Funding for three-year-olds is funded by Title I and detailed in the *Grants & Other Funds* section of this document.

The pre-kindergarten program has been in existence in Norfolk Public Schools for 38 years. It was originally funded solely through Title I and the local budget. In 1995, the Virginia Pre-School Initiative (VPI) began partial funding of the Four-Year-Old Program for children at risk. The students served in the four-year-old pre-kindergarten program must meet the local eligibility criteria as developed by the Norfolk School District and required by the Virginia Department of Education. Pre-kindergarten instruction is aligned to Virginia's Foundation Blocks for Early Learning: Comprehensive Standards for Four-Year-Olds. These standards cover an array of skills and knowledge for four-year-olds to be successful in kindergarten and are fully aligned to the State's Standards of Learning (SOLs) for kindergarteners. Houghton Mifflin Harcourt's comprehensive, research-based **Splash Into Pre-K** curriculum is also used as an instructional resource for the teaching of these standards.

Additionally, the VPI+ grant provides funding for 11 pre-school classrooms to include a full-time teacher and teacher assistant assigned to each class. Each classroom can hold up to 18 students, serving an additional 198 Norfolk children, at or below 200 percent of the Federal Poverty Line annually.

Goals:

- Eliminate any achievement gaps prior to kindergarten and reduce risk factors that may lead to early academic failure by delivering high-quality instruction, aligned to Virginia's Foundation Blocks for Early Learning.
- Prepare students to meet or exceed spring benchmarks on the Phonological Awareness Literacy Screening (PALS-PK) and build a foundation of skills and knowledge in an effort to get students ready to read, if not reading, before kindergarten
- Provide on-going professional development to teachers and teacher assistants

Program 800 - Non-Regular Day School (Pre-School) - Continued

Fiscal 2016-2017 FTE Revisions:

- A portion of an administrative support position (0.25) was transferred to Program 131 – Instructional Support.

The **Proposed Fiscal 2017-2018 Budget for the Non-Regular Day School (Pre-School) Program** is a net increase of \$136,161 or 1.5% from fiscal year 2017 budget. The net increase is due to increases in VRS contribution rates and health insurance costs offset by the reduction of a clerical position and re-alignment of Early Childhood Centers staffing allocations.

Fiscal 2017-2018 FTE Revisions:

- Reduction of one clerical position to re-align support positions at the Early Childhood Centers

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017

Program D21 - Central Administration

This program includes centrally administered services that are not directly related to managing the overall instructional program of the school system. Included in this category are board services, information services, human resources, financial services, purchasing services, and printing services. This section includes the offices of the Superintendent, the Chief Financial and Operations Officer, and the Executive Director of Human Resources. The district technology and management information systems are not included here.

Goals:

- To support and assist the School Board in the execution of their work
- To oversee the Strategic Plan
- To monitor building utilization, class size ratios and ensure adequate staffing to meet state requirements
- To operate in a fiscally conservative and efficient manner, holding all schools, departments and offices in the school division to the same
- To ensure that schools have adequate fiscal resources and the necessary materials and equipment to promote student achievement
- To communicate state and school division goals, objectives and indicators to all stakeholder groups (students, teachers, parents, and the community)
- To develop the annual operating budget
- To develop the budget for the various operations within the central administration
- To prepare the Annual School Report, the basis of State funding for NPS
- To prepare the Audited Financial Statements

Program D21 - Central Administration - Continued

The **Proposed Fiscal 2017-2018 Budget for Central Administration** is a net increase of \$225,232 or 2.4% over fiscal year 2017 budget due to increases in health insurance, VRS employer contributions and equipment replacement.

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017
- An increase in Equipment to replace a printer in the Print Shop

Program D22 - Student Attendance and Health

Student Attendance and Health Services include activities in the following areas: attendance services, health services, psychological services, occupational therapy and physical therapy. Attendance Services are activities which have as their primary purpose the promotion and improvement of children's attendance at school. These activities include:

- Identifying non-attendance patterns
- Improving student attitudes regarding school attendance
- Acting early on non-attendance problems; enforcing compulsory attendance laws

Health Services are activities that provide students with appropriate medical, dental or nursing needs. Psychological services are activities concerned with psychological testing, counseling and psychotherapy services. School psychologists also participate on school child student teams which are responsible for diagnosing students for inclusion in special education. Occupational and physical therapy services are activities which support students with disabilities in the access of the curriculum.

A new initiative for fiscal year 2013, Positive Behavior Intervention and Supports (PBIS) provides an operational framework for improving behavior outcomes and student academic achievement. The framework ensures all students have access to the most effective and accurately implemented instructional and behavioral practices and interventions possible. PBIS is a decision making framework that guides selection, integration and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students.

Schools that establish systems with the capacity to implement PBIS with integrity and durability have teaching and learning environments that are:

- Less reactive, aversive, dangerous and exclusionary;
- More engaging, responsive, preventive and productive;
- Address classroom management and disciplinary issues (e.g., attendance, tardiness, anti-social behavior);
- Improve supports for students whose behaviors require more specialized assistance (e.g., emotional and behavioral disorders, mental health); and
- Most importantly, maximize academic engagement and achievement for all students.

Program D22 - Student Attendance and Health - Continued

The **Proposed Fiscal 2017-2018 Budget for Student Attendance and Health** has a net increase of \$71,435 or 0.9% over fiscal year 2017 budget due increases in health insurance, VRS employer contributions, contracted services, supplies and equipment offset by a reduction of 2 Occupational Therapists positions. These are hard to fill positions; therefore, the positions are eliminated and the associated salaries and benefits are re-allocated to contracted services.

Fiscal 2017-2018 FTE Revision:

- Reduce 2 Occupational Therapists positions – vacant hard-to-fill

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017
- An increase in Contract Services to provide funds to contract vendors to provide services to our students – re-allocated from the reduction of two hard-to-fill positions
- An increase in Supplies to support School Health wrap-around services

Program D30 - Pupil Transportation

Pupil Transportation provides school bus service for regular and exclusive home to school transportation of students and all related field trips, athletic events, special events and shuttle service between schools and programs. NPS buses travel in excess of 3 million miles annually using a fleet of 318 school buses. All expenditures related to the operation, maintenance and management of pupil transportation are included in this program.

In Fiscal Year 2013, the City of Norfolk assumed the responsibility for funding \$1 million annually for the replacement of school buses. This equates to approximately 12 buses a year.

Goals:

- Finish equipping 226 of 318 school buses with a digital surveillance system
- Equip all school buses with a GPS system integrated with the routing software program that also provides a parent app for parents to obtain location of their children's school bus.
- Install WiFi on all school buses to allow the use of iPads or similar devices to enhance student learning while riding the bus
- Reduce preventable accidents/incidents by 5% from previous year

Highlights:

- Implemented a new routing software program (VersaTrans) for regular education transportation scheduling
- 9 regular education and 1 special needs buses were replaced
- Field trips required a total of 1,794 school buses
- High School athletic events required a total of 470 school buses
- Middle School athletic events required a total of 840 school buses

Program D30 - Pupil Transportation - Continued

The **Proposed Fiscal 2017-2018 Budget for Pupil Transportation** increased \$401,420 or 3.0% over fiscal year 2017 budget due to re-basing the compensation budget to reflect existing staff, anticipated increases in health insurance and VRS employer contribution rates and transportation costs associated with transporting Homeless students in accordance to the Stuart McKinney Vento Act.

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017
- An increase in Contract Services to provide transportation for our homeless population under the McKinney Vento Act
- An increase in Supplies for vehicle repair parts and supplies

Program D40 - Operations and Maintenance

Operations and Maintenance Services are those which keep school buildings open, comfortable and safe for use, and which keep the grounds, buildings and equipment in effective working condition. It includes management of school facilities, utilities, risk management, custodial services, equipment services, vehicle services, transportation, security services, warehouse services, energy management and planning activities. The purpose of this program is to maintain and enhance all facilities and to provide all of the support services necessary to enhance the teaching and learning environment for all students.

Goals:

- Maximize building capacities
- Reduce number of mobile classrooms
- Upgrade facilities to reduce deficiencies in support of technology in alignment with School Board Priority 6
- Develop and coordinate a capital improvement plan for facilities and technology to enhance teaching and learning

Fiscal 2016-2017 FTE Revisions:

- The addition of four (4) positions from the elimination of the external custodial management contract (positions funded from savings from contract elimination)
 - Three (3) Area Supervisors
 - One (1) Warehouse Clerk
- The addition of a Senior Coordinator position from a Superintendent's Re-Org

Program D40 - Operations and Maintenance - Continued

The **Proposed Fiscal 2017-2018 Budget for Operations and Maintenance** increased \$403,307 or 1.2% over fiscal year 2017 budget due to anticipated increases in VRS employer contributions, health insurance costs and net increase in operating costs offset by decreases in utility costs.

Fiscal 2017-2018 FTE Revisions:

- Reduce 1 custodial position due to the relocation of Open Campus to NTC
- Additional positions for the opening of the two new schools – Larchmont and Ocean View – will be absorbed within existing custodial allocations

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study
- A 6.0% increase in health insurance premiums effective December 2017
- Decreases in Contract Services and Utilities offset by increases in repair and maintenance supplies
- An increase in professional development – this is offset from a reduction in Contract Services due to bringing the management of Custodial Services inhouse
- An increase in Other Costs to provide funding to cover anticipated needs due to weather conditions and other contingencies

Program D66 - Facility Improvements

Facility Improvements/acquisition annual funding of approximately \$1.3 million is provided as part of the operations budget. Included are minor to major modifications for heating, ventilation and air conditioning, rentals for temporary heat and air conditioning in the event of mechanical failures and the purchase or replacement of portable classrooms. Roofing, electrical, plumbing, technology and mechanical modifications and upgrades are also included in this program.

Facilities Management leads and coordinates the capital improvement plan for the District, coordinating efforts with the departments of Information Technology and Assessment, Research and Accountability, in concert with the School Board Construction Committee and the Superintendent of Schools. Capital funding comes from a number of sources: Special Revenue Funds, City of Norfolk Capital Improvements Plan budget and the Operating budget.

Each year the School Board holds a public hearing for capital concerns. Requests are made of the City of Norfolk for funding in the form of operational budget support.

Goals:

- Monitor and manage building system deficiencies
- Maintain all school facilities and building components within industry standards in alignment with School Board Priority 6

Highlights:

This district's capital improvement needs for fiscal year 2016 excluding the construction of the new Campostella K-8 STEM School will exceed \$17.0 million. However, some of our additional capital needs can be met utilizing the annual facility improvements/acquisition funding for structural repairs, facility upgrades and HVAC/Energy Management. Norfolk Public Schools' 5-Year Capital Improvement Plan calls for an annual CIP allotment of \$19.3 million for fiscal year 2017; however, approved funding for fiscal year 2017 is \$4.0 million. A list of capital projects for fiscal year 2016 and projects for fiscal year 2017 is in **APPENDIX B**.

Program D66 - Facility Improvements - Continued

The **Proposed Fiscal 2017-2018 Budget for Facility Improvements** increases \$1.2 or 30.3% over fiscal year 2016 budget due to the re-instatement of \$1.0 million for building acquisitions & improvements that was funded by the City's capital projects fund in fiscal year 2017, an increase in Construction, Technology and Infrastructure funding and an increase in lease costs.

The Construction, Technology and Infrastructure funding is an on-going appropriation from the City supported by a dedicated two-cent real estate tax increase. Any unexpended balance in the amounts appropriated shall not revert to the surplus of the General Fund, but solely be dedicated to the School Construction, Technology and Infrastructure Program and shall be carried forward on the books of the City and re-appropriated for expenditure in the succeeding year.

Fiscal 2017-2018 Revisions:

- The re-instatement of \$1.0 million for building acquisitions & improvements that was funded by the City's capital improvement fund in fiscal year 2017
- An increase in Other Costs to cover operation leases

Program D80 - Information Technology

Information Technology (IT) covers all the computer technology and web communications for the school district. IT is comprised of Business Information Systems (BIS), Network Services (NS) and Student Information Systems (SIS). The BIS group provides the primary support for the financial, human resources and payroll systems to include administration, implementation of new releases/products, problem resolution, user support and report writing. BIS also develops and deploys Business Objects Enterprise applications in the form of reporting and web intelligence access, peripheral systems that are external to the NPS financial system, as well as, the Norfolk Public Schools electronic data warehouse. NPS provides support in improving student achievement and community involvement by accelerating the deployment and use of computer networks and technologies in the most effective and secure way. NS specializes in system integration, management and maintenance of all district data communications and network shared devices including file servers, gateways, switches, routers, network operating systems, internet access, network security, system documentation, standards and disaster recovery. This program also includes Data Center Operations which supports mass printing operations such as payroll, student grade reports, telecommunications, information security and the NPS help desk.

Goals:

- Provide a highly reliable network where all authorized staff and students can securely access shared network resources when needed
- Support district technology in an efficient and effective manner
- Increase the availability of student data from all sources in an electronic format (using the Data Warehouse) to support improved planning for student needs through the automated collection of attendance, grades and test data
- Communicate effectively with students, teachers and parents through the use of various media to include, but not limited to NPS web sites, SIS, EduLink and email.
- Emphasize and promote the integration of technology into daily instruction

Program D80 - Information Technology - Continued

The **Proposed Fiscal 2017-2018 Budget for Information Technology** increases \$603,877 or 5.9% over fiscal year 2017 budget due to anticipated increases in VRS employer contributions and health insurance and net increases in operating costs.

Other Fiscal 2017-2018 Revisions:

- Re-basing the compensation budget to reflect existing staff
- An increase in the VRS employer contribution rates: Retirement from 14.66% to 16.32% and Retiree Health Care Credit from 1.11% to 1.23%
- Implementation of the first phase of the Compensation Study

GRANTS AND OTHER FUNDS

This section of the budget document provides information on the various sources and uses of funds available to and managed by Norfolk Public Schools in addition to the Operating Fund. The major funds included are:

- **School Nutrition Services** – This fund includes all sources and uses of funding pertaining to the operation of school cafeterias. The major funding sources include federal grant revenue (USDA National School Breakfast and Lunch Program) and charges to users.
- **Capital Improvement Projects** – These are funds appropriated for capital improvements including new construction, renovations and major maintenance.
- **State Operated Programs** – These are programs funded by the Commonwealth of Virginia and run by Norfolk Public Schools under a Memorandum of Understanding Agreement.
- **Grants and Other Funds** – Norfolk Public Schools receives numerous grants and special donations from various federal, state and local resources for specific educational purposes. For grants greater than \$100 thousand, a brief description of the grant along with a summary budget are outlined in this section. Detailed expenditures are shown in **Appendix B** for all grants.

School Nutrition Program Summary

*“Serving high quality nutritious meals
to support academic achievement and promote life-long healthy food choices.”*

Operational Description & Fiscal Responsibility

Norfolk Public Schools’ School Nutrition Program is a self-funded operation supported through cafeteria sales and federal and state reimbursements. School Nutrition does not utilize school board or city monies. The program operates under strict observation of the state and federal regulations and laws governing the use of public monies as well as the reimbursement afforded by the federal programs.

School Nutrition Operational Summary 2016-2017

<p>Meal Eligibility: Free: 65.14% Reduced: 5.12% Paid: 29.74% Meals are provided free of charge to all reduced price students.</p>

<p>Employees: Full-time: 116 Part-time: 208 Plus 90 elementary cafeteria monitors</p>

Nutrition Integrity

School Nutrition manages the development of its menus in accordance with federal and state nutrition standards ensuring that students are provided with nutritionally balanced high quality meals. School Nutrition is a leader in its field and was among the first in the state to be certified compliant with new USDA nutrition guidelines.

Summary of School Nutrition Program Funds

Currently, Norfolk serves an average of 35,400 meals and 400 after-school snacks each day. School Nutrition provides breakfasts, lunches, and snacks which meet the nutritional requirements of the United States Department of Agriculture.

The School Nutrition Department has been making strides to provide new programs and opportunities for students to receive healthy nutritious meals even when school is not in session. With the implementation of the Child and Adult Care Food Program, we have been able to provide dinner to over 1,000 students and their families after school each day.

School Nutrition has participated in the Summer Food Service Program since the summer of 2012. The aim of this program is to alleviate hunger during the summer when school meals are not available. Currently serving over 4,300 meals per day, participation in this program has remained relatively the same as the previous year. All of the meals provided are free of charge to students who are eligible for free or reduced price meals. Norfolk operates these programs as a non-profit organization and utilizes commodities provided by USDA as well as those provided by private vendors.

Capital Improvement Project Program Summary

The purpose of this program is to provide funding for capital improvements not covered within the operating budget. Typical capital improvements include new construction, renovations, improvements to infrastructure, and major maintenance projects. In fiscal year 2014, it was determined that all new school construction projects would be managed by the City of Norfolk.

There are currently three new schools in varied stages of construction that will be completed over the course of the next two years. These schools are Ocean View Elementary, Larchmont Elementary and Camp Allen Elementary. The City of Norfolk is managing the construction of all three schools. Norfolk Public Schools will be responsible for managing the furnishing (e.g., furniture and fixtures) of the new schools.

All other capital improvement projects are managed by Norfolk Public Schools. These projects typically include window and roof replacements, parking lot resurfacings, gymnasium repairs, etc... Norfolk Public Schools receives an annual appropriation from the City of Norfolk for these deferred maintenance projects. Please refer to **Appendix B** for specific project cost information.

Grant: Title I, Part A - Improving Basic Programs

Fund: 3CH1

Grant Description: Title I, Part A – Improving Basic Programs – It is the largest source of federal assistance to local school divisions and is authorized by *the Improving America's School Act of 1994*. *The No Child Left Behind (NCLB) Act of 2001* reauthorized the *Elementary and Secondary Education Act of 1965*. Title I funds are allocated to school districts according to the district's concentrations of children from low income families (free and reduced lunch count). Funds are used to supplement regular instructional activities and make available services designed to enrich and accelerate the core curriculum in eligible schools in order to help all children move toward achieving high state performance standards.

Title I funding is currently allocated to 30 elementary schools, 3 middle schools and 1 pre-school program for three-year-olds. The Virginia Department of Education requires identified Title I schools to completed a school-wide program plan, which is a comprehensive reform strategy designed to upgrade the entire educational program in the school. The primary goal of the school-wide plan is to ensure that all students, particularly those who are low-achieving, demonstrate proficient and advanced levels of achievement on State Academic Achievement Standards. All school-wide plans are submitted to the Virginia Department of Education for review and approval.

Title I, Part A - Improving Basic Programs is a multi-year grant. Regulatory provisions for projects funded under Title I, Part A allow for the expenditure of funds for a 27-month period. Grant awards with this provision overlap NPS' fiscal year.

Title I, School Improvement 1003(a)**Fund: 3SI2**

Grant Description: School Improvement 1003(a), is an authorization provided in Title I, Part A, of the *Elementary and Secondary Education Act of 1965*, as amended by *Public Law 107-110, No Child Left Behind Act of 2001 (NCLB)*. These funds are awarded to assist schools and school divisions in coordinating the delivery of researched-based federal, state and local school reform initiatives that support teaching and learning in high poverty, low-achieving schools. Funding will provide partial support for central office staffing as well as support research-based supplemental instructional resources, Lead Turnaround Partners and professional learning opportunities. Per the revised grant award notification, Tidewater Park, P.B. Young, Lindenwood, and Lafayette Winona have exited priority status. Campostella, Lake Taylor Middle, Jacox, James Monroe and Chesterfield Academy are currently priority schools.

The majority of funds awarded are spent on the Lead Turnaround Partners. Each Lead Turnaround Partner is required to conduct a needs assessment at the beginning of each school year to assist in determining what will drive instruction and to align professional development activities. A strong emphasis is placed on strengthening Tier I instruction. Specifically, leadership coaching takes place to build capacity within each school. Instructional walkthroughs are conducted and feedback is provided to teachers and building leaders. Lead Turnaround Partners are present in classrooms conducting model lessons and offering researched-based strategies that can assist teachers with improving instruction. LTP's assist with grade-level and content lesson planning and small group instruction.

The design of formative assessments is another key piece of the Lead Turnaround Partner's work. By extension, the LTP offers support in the analysis of data in an attempt to steer schools toward rapid improvement. The data used to make informed decisions are derived from formative and summative assessments which are disaggregated during grade-level and monthly school leadership meetings. Student engagement is another area where the Lead Turnaround Partner offers support. By reviewing lesson plans, the LTP is able to offer engaging activities that grasps students' attention. The goal of increasing student engagement is to decrease off-task behavior and enhance the learning environment.

Federal Fiscal Year 2015 award of \$344,831.64 was allocated to James Monroe Elementary School in the amount of \$71,653.81, Jacox Elementary School in the amount of \$76,046.67, Lake Taylor Middle in the amount of \$66,992.22, Southside STEM Academy at Campostella in the amount of \$64,886.94, and Chesterfield Academy in the amount of \$66,172.28 during NPS's fiscal year ended June 30, 2017.

Grant: Title I, Part D - Neglected or Delinquent - Basic Fund: 3CH4

Grant Description: Title 1, Part D is a federal formula grant that provides funding to support school districts' programs involving collaboration with locally operated correctional facilities. Monies allocated to the division are authorized by Title I, Part D of the *Elementary and Secondary Education Act of 1965 (ESEA)*, as amended by the *No Child Left Behind Act of 2001*. No local match is required.

NET Academy, located inside Norfolk Juvenile Detention Center, provides secure care of juveniles ages 10 through 17 who have been convicted, sentenced or adjudicated by the court and those who are awaiting transfer to another facility. The School's instructional program parallels the regular curriculum of Norfolk Public Schools in the areas of English, Math, Science, Social Studies, and Physical Education/Health. The objectives of the school are to: (1) provide educational services to children and youth residing in the detention center; (2) to ensure that the educational services provided will allow the students to maintain and/or advance to his/her level of academic functioning; (3) to provide students a smooth transition to the previous or new educational setting; (4) to ensure that all students identified as disabled will have an updated Individual Educational Plan (IEP); and (5) to provide a system of on-going communication, regarding the students' current educational performance, with the students, the parents/guardians and the sending school or agency.

Title I, Part D - Neglected or Delinquent - Basic is a multi-year grant. Regulatory provisions for projects funded under Title I, Part D allow for the expenditure of funds for a 27-month period. Grant awards with this provision overlap NPS' fiscal year.

Title IV, Part A - 21st Century Community Learning Center Fund: 3CLC

Grant Description: This federal program supports the creation of community learning centers that provide academic enrichment opportunities during non-school hours for children, particularly students who attend high-poverty and low-performing schools. The program helps students meet state and local student standards in core academic subjects, such as reading and math; offers students a broad array of enrichment activities that can complement their regular academic programs; and offers literacy and other educational services to the families of participating children.

Grant funds provided through Title IV, Part B, has allowed Suburban Park Elementary School to create the Delivering Outstanding Learning Promotes Happy Innovative Nurtured Scholars (DOLPHINS) Program to provide extended day learning and enrichment programming for 100 scholars in grades 2-5, with an average daily attendance of 90. Suburban Park Elementary School partner with Communities in Schools (CIS) of Hampton Roads to provide a comprehensive approach to meeting the needs of our most challenged scholars and their families. The CIS coordinator will help assess needs, develop and implement our plan, mobilize partners, and build a team to provide support to the scholars at Suburban Park Elementary School. Certified teachers will provide remediation in reading and math, and highly qualified persons will deliver enrichment classes. The DOLPHINS program would include: After-School Reading & Math Remediation for Tier 2 & 3 scholars, After-School Enrichment, parent workshops, and a summer academic themed program. Volunteers and mentorship partners will provide individualized instructional support.

Title IV, Part B – 21st Century Community Learning Center. Regulatory provisions for projects funded under Title IV, Part B allow for the expenditure of funds for a 27-month period. Grant awards with this provision overlap NPS' fiscal year.

Grant: Title II, Part A - Teacher and Principal Training Fund: 3TPT

Grant Description: This federal program of the *No Child Left Behind Act of 2001* is to increase student academic achievement by improving teacher and principal quality and by increasing the number of highly qualified teachers and administrators. Title II, Part A incorporates the funding formerly allocated through the Class-Size Reduction Grant and the Dwight D. Eisenhower Professional Development Program.

Grant funds provided through Title II, Part A afford Norfolk Public Schools the opportunity to improve the quality of teaching and principal leadership through recruitment and retention, teacher training and professional development and class-size reduction. In its role as the fiscal agent for the grant, the district works closely with private schools across the city as they endeavor to also increase student achievement. Additional services supported by the use of these grant funds include but are not limited to: helping teachers to meet licensure requirements, training highly-qualified paraprofessionals, teacher and principal mentoring and coaching in the core content areas.

Title II, Part A - Teacher and Principal Training is a multi-year grant. Regulatory provisions for projects funded under Title II, Part A allow for the expenditure of funds for a 27-month period. Grant awards with this provision overlap NPS' fiscal year.

Grant: IDEA, Section 611 Flow-Through

Fund: 3FTF

Grant Description: *The Individuals with Disabilities Education (IDEA) Act* provides federal funds to implement, expand, and improve educational resources for children and youth with disabilities in public schools. Funding is included to help local schools develop and implement Individualized Education Plans (IEPs) to meet the unique educational needs of children with disabilities. Funding is calculated on the total number of special education students. This grant is used to fund teachers and paraprofessionals salaries and benefits, to purchase supplemental materials and to provide professional development activities for those who work with students with disabilities. The appropriate share of set aside funds from this grant must be spent on students with disabilities who are parentally placed in private schools.

IDEA Section 611 is a multi-year grant. Regulatory provisions for projects funded under IDEA, Part B allow for the expenditure of funds for a 27-month period. Grant awards with this provision overlap NPS' fiscal year.

Grant: IDEA-Part B Section 619 Pre-School

Fund: 3619

Grant Description: Section 619 of the *Individuals with Disabilities Education (IDEA) Act* provides federal funds to help local school divisions develop and implement individualized educational plans (IEP) to meet the unique educational needs of pre-school children with disabilities, ages 2 through 5.

In Norfolk, these funds support the district's special education program. The grant is used to fund teacher and paraprofessional salaries, to purchase supplemental materials and equipment and to provide professional development activities for those who come in contact with disabled students and to assist with the transition of pre-school children into school-age programs.

IDEA Part B Section 619 is a multi-year grant. Regulatory provisions for projects funded under IDEA, Part B allow for the expenditure of funds for a 27-month period. Grant awards with this provision overlap NPS' fiscal year.

Grant: Carl Perkins

Fund: 3CPV

Grant Description: *The Carl D. Perkins Career and Technical Education Act of 2006* provides an increased focus on the academic achievement of career and technical education students, strengthening the connections between secondary and post-secondary education, and improving state and local accountability. Funds are provided to cover a host of activities and initiatives, including equitable participation of special populations. Grant funds must adhere to the “required and permissive” categories as indicated in the grant. Such appropriate uses broadly include professional development of our teachers, expanded technology training, replacement of equipment, student and Career and Technical Student Organizations (CTSO) activities and expanding programs to include emerging high skill, high demand programs, etc.

Eligible recipients of this grant shall use funds for the overall improvement of career and technical education programs. Usage of funds include, but are not limited to: (1) strengthening the academic and CTE skills of students through the integration of coherent sequence of courses; (2) linking CTE offering at the secondary and post-secondary levels via dual enrollment, programs of studying or other plans; (3) providing strong experiences in and understanding of all aspects of industry, coupled with industry credentialing; (4) expanding the use of technology; (5) providing professional development; and (6) supporting partnerships, mentoring, and work-related experiences of students.

Grant: Department of Defense Education Activity Grant Fund: 3DOD

Grant Description: The Department of Defense Education Activity (DoDEA) Grant is a five year grants that seeks to prepare school staff to understand the challenges that military dependent students experience and support strategies that foster their social-emotional well-being through counseling, peer support, and parent/community engagement.

The mission of this grant is to build capacity in Norfolk's schools to create a community of thriving learners. The social-emotional needs of military students will be supported through the work of a community engagement specialist, a military student support counselor, professional developments for staff and community partners, and peer support/mentor programs. While this grant is targeted toward military dependent students, all of the children in the participating schools will reap the benefits from this grant.

Norfolk's schools selected to participate in this program are Camp Allen, Larchmont, Sewells Point, Tarralton, Willoughby, Bay View, Calcott, Willard Model, Ocean View and the Academy for Discovery at Lakewood.

Grant: ODU-Investing in Innovation

Fund: 3IIG

Grant Description: Under the United States Department of Education (USDOE), Old Dominion University Research Foundation in partnership with Norfolk Public Schools embarked on an extensive research study in support of accomplishing the objectives of the USDOE i3 grant entitled "A Technology Facilitated Scale Up of a Proven Model of Mathematics Instruction in High Needs Schools." The proven model is Student Teams Achievement Divisions Math (STAD-Math), which goes under the name of "Power Teaching Mathematics."

NPS will provide one full-time equivalent school-based math instructional coach per participating school with duties and expectations that assist with core mathematics development. The participating schools are Blair, Norview MS, Lafayette-Winona and Academy of International Studies at Rosemont. This is a three-year investment in innovation. The grant was amended to dissolve the participation of Norview MS and Lafayette-Winona. Funds from Norview MS and Lafayette-Winona were re-allocated to the remaining participating schools.

ODU-Investing in Innovation is a three-year grant. The initial performance period was July 1, 2012 thru June 30, 2015. At the end of this initial three-year period, there were funds remaining. As such, ODU approved NPS to use \$97,584 of the remaining funds under an updated grant agreement. Under the new agreement, the three participating schools include Blair, Northside and Academy of International Studies at Rosemont. Funds will be used for travel costs, personnel costs and substitute pay so that math teachers at the participating schools can participate in professional development activities aligned with the "Power Teaching Mathematics" model.

The performance period for the remaining funds is July 1, 2015 through June 30, 2017.

Grant: Virginia's Pathway for Pre-school Success Grant (VPI+) Fund: 3VPI

Grant Description: Norfolk will utilize this grant award to strategically integrate its assets across the city, building upon the Virginia Pre-school Initiative (VPI), which has been successful in improving the school readiness of at-risk four-year-olds since 1996. In collaboration with the State of Virginia, NPS will create a comprehensive, integrated High Quality State Pre-school Program called "VPI Plus" (VPI+). VPI+ will meet or exceed all requirements of the Pre-school Expansion Grant and be implemented through a mixed delivery system that provides full-day programs and comprehensive services for eligible children and their families in high-need communities

The grant provides funds for 11 pre-school classrooms with a full-time teacher and teacher assistant assigned to each class. Each classroom can hold up to 18 students. As a result, an additional 198 Norfolk children, at or below 200 percent of the Federal Poverty Line, will be directly served through VPI+. Additionally, the communities, families, and 1,800 children annually served through VPI will benefit from the testing, refinement, and eventual expansion of VPI+ standards, principles, and policy reform leveraged through this grant.

Norfolk's schools selected to participate in this program are: **2015-2016:** Willoughby, Camp Allen, Willard Model, Bay View, Calcott, Coleman Place, Ingleside, Sherwood Forest, and Easton Pre-school. Additionally, Norfolk Public Schools has partnered with Norfolk State University to house one pre-school classroom at the University.

The current performance period is July 1, 2016 thru June 30, 2017.

Other Funds: Children's Hospital of the King's Daughters Fund: 4DC2

Description: The Hospital School Program (HSP) is a State Operated Program located at The Children's Hospital of the King's Daughters (CHKD) sponsored and funded by the Virginia Department of Education in cooperation with Norfolk Public Schools. The mission of HSP is to provide appropriate educational services to patients (ages 3 through 21) at CHKD. Educational plans are tailored to meet the individual student's needs in coordination with the hospital treatment team and within the confines of the facility. The Virginia Department of Education supervises the program. Norfolk Public Schools is the fiscal agent.

The Hospital School Program provides year-round educational services for patients ages 3 through 21. This encompasses Pre-K, kindergarten, elementary, middle and high school. Additionally, special education students with identified disabilities require modifications to their Individual Education Plan (IEP) due to their medical condition. Hospital School Program teachers have to be prepared for any combination of children within their teaching assignment. Subjects may include history, science, reading, language arts and mathematics at the elementary, middle and high school levels.

VDOE's budget cycle for State Operated Programs (SOP) is April 1 thru March 30. A grant award with this budget cycle overlaps NPS' fiscal year.

Fiscal Year 2016-2017 performance period is April 1, 2016 thru March 30, 2017.

Other Funds: Norfolk Juvenile Detention Center (NET Academy) Fund: 4DC3

Description: Norfolk Detention Center School (NET Academy) is a State Operated Program funded by the Virginia Department of Education. Norfolk Detention Center School provides secure care of juveniles ages 10 through 17 who have been convicted, sentenced, or adjudicated by the court and those who are awaiting transfer to another facility. The school is operated by the Virginia Department of Education (VADOE) through Norfolk Public Schools. Instruction in the Detention School parallels the regular curriculum of public middle and secondary schools in the areas of English, Math, Science, Social Studies, and Physical Education/Health. The objective of the detention school is to provide educational services to children and youth residing in the detention center, ensure that the educational services provided will allow the students to maintain and/or advance his/her level of academic functioning and provide a smooth transition to his/her previous or new educational setting, ensure that all students identified as disabled will have an updated Individualized Education Plan (IEP) and provide a system of on-going communication, regarding the student's current educational performance, with the detention center staff, the parents/guardians, the sending school or agency, and when appropriate, the court(s). The Norfolk Detention School is operated in compliance with regular school board policies governing educational programs in the City of Norfolk and VADOE policies.

Grant: Virginia Technology Initiative - E-Learning Backpack Initiative Fund: 4ST3

Grant Description: The purpose of the Virginia E-Learning Backpack Initiative is to provide every ninth grade student attending a public school that is not fully accredited with a tablet computer, digital content and applications, and access to content creation tools. While much of the focus of the initiative is currently on the supplemental grants provided through the Virginia Public School Authority (VPSA) for eligible schools, the Virginia E-Learning Backpack Initiative is actually a broader initiative intended to assist all schools in the transition to digital content and tablet computers. Schools are eligible to receive this supplemental grant for a period of up to four years beginning fiscal year 2014. The Virginia E-Learning Backpack Initiative requires a 20% local match.

The following schools were awarded funds: **2014-2015** Booker T. Washington HS \$155,200 and Lake Taylor HS \$196,000; **2015-2016** Booker T. Washington HS \$209,180.

The 2015-2016 performance period is July 1, 2015 thru June 30, 2016.

Other Grants: Intensive Support Services Program (School Probation Liaisons) Fund: 4SPL

Description: The Intensive Support Services Program (ISSP) is to provide support to all students in Norfolk Public Schools who are on court-ordered supervision. It is funded under the *Virginia Juvenile Community Crime Control Act (VJCCCA)* to Norfolk Juvenile Court Services Unit with a required local funding called the Maintenance of Effort (MOE) from the City of Norfolk. The City's Department of Human Services administers the local program with a Memorandum of Agreement between the City of Norfolk Department of Human Services, the School Board of the City of Norfolk and the Court Services Unit of the Norfolk Juvenile and Domestic Relations Court.

The program is staffed with seven Intensive Support (Liaison) Counselors. The Liaison Counselors work directly with court-supervised youth enrolled in Norfolk Public Schools including those placed in SECEP’s Re-Education of Children Program (Re-ED) and Tidewater Regional Alternative Educational Program (TRAEP). The Liaison Counselors provide guidance and oversight to students on their active caseloads while monitoring their attendance, behavior and academic performance. Liaison Counselors serve as a communication bridge between Norfolk Public Schools and the Norfolk Court Service Unit(s). There are approximately 500 students served by this program each school year.

Intensive Support Services Program is an annual agreement. **The current agreement period is July 1, 2015 thru June 30, 2016.**

Description of Grants and Special Programs

Action for Healthy Kids (5AHK) – A public-private partnership of more than 75 organizations dedicated to promoting school health; fighting childhood obesity, undernourishment and physical inactivity by helping schools become healthier places so kids can live healthier lives. Through their School Grants for Healthy Kids, Breakfast in the Classroom Program, grants are awarded to assist school districts with providing breakfast in the classroom free of charge to all students.

Adult Basic Education & Family Literacy Act (3ABE) – This federal grant provides educational opportunities to adults, 18 years of age and older, without a 12th grade level of education. It also provides in-depth instruction in math, reading and writing for passing the GED test.

Career Switcher Mentor Funds (4CSP) – The Career Switcher Mentor Program (a state program) allocates funds to provide support for new career switcher teachers as they transition into the teaching profession.

Carl D. Perkins Vocational and Applied Act (3CPV) – Federal funds are provided to focus on preparing students for jobs by providing academic and workplace skills to ensure success. Funds are used to integrate academic, career and technical education programs to prepare students for high-skill careers in high job growth fields. The grant provides equitable participation by special populations including students with disabilities. Funds provide technology education, professional development of teachers and supplemental services for special populations.

Child and Adult Care Food Program (CACFP) At Risk Afterschool Program (5CAC) – Funds awarded to provide meals and snacks to children, including teenagers through age 18, in eligible after school programs in lower income areas.

Children's Hospital of the King's Daughters – The Hospital Education Program (HEP) is a State Operated Program located at The Children's Hospital of the King's Daughters (CHKD). The mission of HEP is to provide appropriate educational services to patients (ages 3 through 21) at CHKD. Educational plans are tailored to meet the individual student's needs in coordination with the hospital treatment team and within the confines of the facility. The Virginia Department of Education supervises the program. Norfolk Public Schools is the fiscal agent.

Confucius Institute (China) (5CFL) – Confucius grant funds are used to support the promotion of the Chinese language and culture, support Chinese teachers working at two of the district's schools, and facilitate cultural exchanges. Norfolk Public Schools in turn, provides professional development and curricular materials to support Chinese instruction.

Dalis Foundation (5DFG) – The Dalis Foundation, a non-profit organization, in honor of the 90th birthday of Mr. Robert C. Nusbaum awarded Berkley-Campostella Early Education Center the sum of \$10,000. The funds will be used to provide additional supplies and materials for students and staff as well as field trips to expose students to a variety of cultural and life experiences.

Description of Grants and Special Programs – Continued

Department of Defense Education Activity Grant (3DOD) – Federal funds have been awarded to ten schools to prepare school staff to understand the challenges that military dependent students experience and support strategies that foster their social-emotional well-being through counseling, peer support, and parent/community engagement.

Eastern Virginia Medical School (5EVM) – Eastern Virginia Medical School (EVMS), through its community service project known as "**Community Impact Day**," awarded funds to P.B. Young Sr. ES, to buy needed supplies to beautify the school. In addition, students from EVMS participated in helping to clean and prepare the school for students' arrival.

Equipment Assistance Grant for School Nutrition Programs (3EAG) – Awarded to James Monroe Elementary School, the Virginia Department of Education Equipment Assistance grant funds are awarded through a competitive grant process to eligible school food service authorities participating in the National School Lunch Program (NSLP). In compliance with the statutory requirements, priority is given to school sites in which 50 percent or more of the students are eligible for free or reduce priced meals and are high-need schools. Equipment Assistance Grant funds are intended to assist schools with the purchase of equipment needed to serve healthier meals, to meet the new nutritional standards for schools as required by the *Healthy, Hunger-Free Kids Act of 2010*, expand access to school breakfast or lunch and improve food safety.

Evaluation of Governor's School for the Arts (4EGS) – A cooperative agreement between the Virginia Department of Education (VDOE) and NPS, grant funds are provided to support the 2014 evaluation of the Governor's School for the Arts. Virginia Board of Education policies require academic year Governor's Schools be evaluated through a full-site visit every six years. Grant funds cover the cost of contracted personnel cost and per diem expenses.

Fresh Fruit and Vegetable Program (3FVP) – The purpose of the U.S. Department of Agriculture (USDA) Fresh Fruit and Vegetable Program (FFVP) is to provide all children in participating schools with a variety of free fresh fruits and vegetables throughout the school day. It is an effective and creative way of introducing fresh fruits and vegetables as healthier snack options. The goal of the FFVP is to expand the variety of fruits and vegetables children experience, increase children's fruit and vegetable consumption and make a difference in children's diets to impact their present and future health. The program is seen as an important catalyst for change in efforts to combat childhood obesity by helping children learn more healthful eating habits.

General Adult Education Grant (4GAE) – This state grant provides academic instruction for adults pursuing high school classes for credit leading to a high school diploma, classes for preparation for the General Educational Development (GED) test and classes for adults who need preparation of English for Speakers of Other Languages (ESOL). These funds may only be used by persons 18 years of age and older who are not enrolled in a public high school.

National Board Certification Incentive Award (4NBC) – The Virginia Department of Education provides an incentive payment to classroom teachers in Virginia Public Schools who hold certification from the National Board for Teaching Standards.

Norfolk Education Foundation Grant (5ITD) – The Norfolk Education Foundation is a community stakeholder organization that fosters engagement to fundraise in support of the initiatives of Norfolk Public Schools. Through its “Seeds for Success” Mini Grant Program, Larchmont Elementary School is the recipient of an award in the sum of \$22,093. The funds will be used to purchase Apple iPads and accessories.

Norfolk Open Campus Academy (4OCA) – A one-time grant payment from Virginia Department of Education (VDOE) for start-up costs for the planned Open Campus Academy.

Oral Pre-School – ODU (8OP2) – A partnership between Old Dominion University and Norfolk Public Schools to provide salary and benefits for one (1) paraprofessional delivering special education services to the children assigned to the ODU Pre-school Program.

Parent Resource Center (3PRC) – Funds awarded through a sub-grant offered by the Virginia Department of Education (VDOE) Office of Special Education and Student Services to fund Norfolk Public Schools’ Parent Resource Center grand opening and ribbon cutting ceremony. The Parent Resource Center will provide parents the opportunity to network, discover how to support their children and facilitate communication between NPS and parents.

Planning Grant for a STEM Academic Year Governor’s School (4AYG) – The General Assembly, per the Appropriation Act Amendment, appropriated one-time funds in fiscal year 2013 for the purpose of planning a STEM Academic Year Governor’s School for the Hampton Roads areas. Norfolk Public Schools serves as the fiscal agent and tasked with exploring the advisability, feasibility and method of establishing a Governor’s School that would prepare students academically for leadership in the STEM disciplines. The funds are intended to cover expenses incurred during the study.

Positive Behavioral Interventions and Supports (4PBI) – Positive Behavioral Interventions & Support of Virginia (PBIS) is an initiative to support positive academic and behavioral outcomes for all students. The program is designed to help teachers and administrators learn about and implement discipline approaches that reduce disruptive classroom behavior. The research-based program uses methods and approaches to discipline that reduce office referrals while increasing teaching and learning time in the classroom. PBIS is designed to impact school culture by shifting attention to positive behavior and successful learning systems.

Project Graduation Academic Year Academy (4PGA) – Virginia Department of Education funds to implement the Project Graduation Academy model that provides remedial instruction for students (sophomores, juniors and seniors) who have passed the course, but have not passed the associated end-of-course (EOC) assessment (verified credits) in English: Reading, English: Writing, Algebra I, Geometry, History and/or Science. Norfolk participates through a regional grant.

Project Graduation Summer Academy (4PGS) – Funded by the Virginia Department of Education (VDOE) to assist seniors who did not graduate with their class due to insufficient verified credits or who have passed the course but still need to pass the associated Standards of Learning Assessment in order to earn a verified credit to complete their diploma requirements.

Race to GED (4RTG) – This state grant is used to provide GED Fast Track classes to adults (18 years of age and older) who have passed portions of the GED test and need more in-depth review in reading, writing and mathematics to pass the remaining portion(s) of the test. Free GED testing is also provided to individuals who qualify by attending an adult education class for 15-60 hours and passing the Official Practice Test (OPT). Funds are also available to cover any re-testing in the GED subject areas. No local match is required.

Read Across America Program (5CEY) – A donation from the Shook Sunday School Class at Great Bridge Methodist Church, Chesapeake, VA in memory of Sarah Robertson, a former teacher at Camp Young. Funds will be used to purchase books for the Read Across America Celebration at Camp Young.

Safe Routes to School Program Agreement (3SRS) – Virginia Department of Transportation (VDOT) Safe Routes to School (SRTS) Program is a federally-funded program created under *Section 1404 of the 2005 Safe, Accountable, Flexible, and Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)*. The purpose of the SRTS program is to enable and encourage children, including those with disabilities, to walk and bicycle to school, make bicycling and walking to school a safer and more appealing transportation alternative, thereby encouraging a healthy and active lifestyle from an early age, facilitate the planning, development, and implementation of projects and activities that will improve safety and reduce traffic, fuel consumption, and air pollution in the vicinity of schools.

School Security Equipment Grant (4SEG) – The 2013 Virginia General Assembly established a grant to help offset related costs associated with the purchase of appropriate security equipment that will improve and help ensure the safety of students attending public schools in Virginia. School divisions are eligible to receive up to \$100,000 each fiscal year through a competitive grant process. Each school receiving funding must remain open for at least five years with no planned renovations/additions scheduled during that time which would cause the purchased security equipment to become obsolete. School divisions submitting applications are required to provide a local match of 25 percent of the grant amount.

Science, Technology, Engineering, and Mathematics (STEM) Teacher Recruitment and Retention Awards (4TRR) – The General Assembly approved funding to conduct a pilot initiative to attract, recruit, and retain high-quality diverse individuals to teach science, technology, engineering, or mathematics (STEM) subjects in Virginia's middle and high schools. This pilot program provides incentive awards to teachers who meet specified criteria and are employed in a Virginia public school. Funding is awarded on a first-come, first-serve basis with preference to teachers assigned to teach in hard-to-staff schools or low-performing schools not fully accredited. Successful teachers, selected to participate in the pilot program will be eligible to receive a \$5,000 initial incentive award after the completion of the year of teaching with a satisfactory performance evaluation, and a signed contract in the same school division for the following year. **Continuation Incentive Awards** are an additional \$1,000 incentive award may be granted for each year the eligible teacher receives a satisfactory evaluation and teaches a qualifying STEM subject in which the teacher has an endorsement for up to three years in a Virginia school division following the year in which the teacher receives the initial incentive award. The maximum incentive award (initial and continuation) for each eligible teacher is \$8,000. Incentive awards are contingent upon available funding.

Southeast United Dairy Industry Association (5SUD) – The Southeast United Dairy Industry Association, Expanding Breakfast grant is designed to help implement breakfast in the classroom for six (6) elementary schools that improve access to and consumption of low-fat and fat-free dairy products. The six elementary schools are: Camp Allen, Granby, Ocean View, St. Helena, Tidewater Park and Willard.

Southeastern Cooperative Education (SECEP & NPS) (8SEC) – An agreement between Norfolk Public Schools (NPS) and Southeastern Cooperative Educational Program (SECEP) wherein SECEP agrees to reimburse NPS for all salary and benefits costs for one (1) paraprofessional providing one-to-one service to a student placed from Mecklenburg County.

Special Education in Local and Regional Jails Program (4JAI) – The *1997 Amendments to the Individuals with Disabilities Education Act (IDEA)* mandated that special education and related services be provided to all eligible students including those who are incarcerated. This state funded program operates in conjunction with the General Education Diploma (GED) program, which is housed in the Norfolk City Jail. It is designed to offer academic assistance and remediation as well as transition planning to individuals within the correctional facility.

Start on Success (3SOS) – This is a federal pass-through grant from Virginia Commonwealth University. Start on Success is a model transition program that assists selected students with the transition from school to work. The program provides half-day paid internships for student who experience learning disabilities, emotional disabilities, and other health impairments that are on track to earn a standard diploma, but at risk for dropping out of school.

State Categorical Equipment (4SCE) – This state grant provides funding for approved secondary career and technical education equipment. No local match is required.

State Operated Detention Homes (4DC3) – NET Academy located at Norfolk Detention Center is a State Operated Program by the Virginia Department of Education (VDOE) through Norfolk Public Schools. It provides secure care of juveniles ages 10 through 17 who have been convicted, sentenced, or adjudicated by the court and those who are awaiting transfer to another facility. Instruction in the Detention School parallels the regular curriculum of public middle and secondary schools in the areas of English, Math, Science, Social Studies, and Physical Education/Health. The Norfolk Detention School is operated in compliance with regular school board policies governing educational programs in the City of Norfolk and VDOE policies.

State Operated Program (CHKD) (4DC2) – This State Operated Program provides educational consultants for the Tidewater Child Development Services and outpatient clinics of The Children's Hospital of the King's Daughters (CHKD). Educational Consultants are an extension of the Hospital Education Program located at CHKD. The staff of 14 consultants are employees of Norfolk Public Schools and are supervised by the CHKD Hospital Education Program Director. Educational consultants provide appropriate educational services to students under medical care in the assigned clinics. Norfolk Public Schools is the fiscal agent for the program and provides supervision for the staff. Funding is provided by the Commonwealth of Virginia.

Students with Disabilities Program Improvement (3SWD) – The Virginia Department of Education (VDOE) provided additional *Individuals with Disabilities Act (IDEA)*, Part B Section 611 funds to Non-Title I schools that did not meet Annual Measurable Objectives (AMOs) for students with disabilities. The purpose of these funds is to assist identified schools within NPS with meeting school improvement requirements by implementing research-based interventions and progress monitoring. Each school within NPS that did not meet their Annual Measurable Objectives (AMOs) for students with disabilities will be eligible for a \$10,000 special education grant.

Supplemental Special Education Secondary Transition Grant (3SSE) – Funds awarded through a sub-grant offered by the Virginia Department of Education (VDOE) Office of Special Education and Student Services will be used to implement the "*I'm Determined Transition Academy*" for middle school educators, students with high incidence disabilities, and their parents.

Teach Now Teachers (5TNT) – Teach Now (Transition to Teaching) was awarded to Regent University by the United States Department of Education. Regent University, in partnership with Norfolk Public Schools, awards retention bonuses to eligible participants who are enrolled in the Transition to Teaching program (TTT). Participants who were enrolled in Regent's alternative certification project on or before September 30, 2012 are eligible to receive a \$1,000 retention bonus after completing their first year of teaching, \$1,500 after their second year of teaching and \$2,500 after their third year of teaching. The Memorandum of Understanding (MOU) between Regent University and Norfolk Public Schools indicates that NPS will make direct payments to eligible TTT participants.

Description of Grants and Special Programs – Continued

Title I, Part A – Improving Basic Programs (3CH1) – It is the largest source of federal assistance to local school divisions and is authorized by the *Improving America's School Act of 1994*. The *No Child Left Behind (NCLB) Act of 2001* reauthorized the *Elementary and Secondary Education Act of 1965*. Title I funds are allocated to school districts according to the district's concentrations of children from low-income families (free and reduced lunch count). Funds are used to supplement regular instructional activities and make available services designed to enrich and accelerate the core curriculum in eligible schools in order to help all children move toward achieving high state performance standards. The *American Recovery and Reinvestment Act of 2009 (ARRA)* provided additional funding to support Title I, Part A programs.

Title I, Part A – School Improvement Grant 1003(a) (3SI2) – Under the *No Child Left Behind Act of 2001 (NCLB)*, schools in Title I School Improvement may be awarded supplemental funds to support efforts to raise student achievement. These funds are awarded to assist schools and school divisions in coordinating the delivery of research-based federal, state and local school reform initiatives that support teaching and learning in high poverty low-achieving schools.

Title I, Part A – School Improvement Grant 1003(g) (3ESI) – Under the *No Child Left Behind Act of 2001 (NCLB)*, schools in Title I School Improvement are awarded grant funds to support the implementation of one of four United States Department of Education Transformation Models. The Transformation Model is designed to develop and increase teacher and school leader effectiveness through a program of job-embedded professional development created and implemented in cooperation with a selected Lead Turnaround partner.

Title I Part D, – Neglected or Delinquent (Basic) (3CH4) – A federal formula grant that provides funding to support school districts' programs involving collaboration with locally operated correctional facilities. Funds allocated to the division are authorized by Title I, Part D of the *Elementary and Secondary Education Act of 1965 (ESEA)*, as amended by the *No Child Left Behind Act of 2001*. No local match is required. Funds are spent at the Norfolk Detention Center.

Title I Part D, – Neglected or Delinquent (SOP) (3ND2) – The Division of State Operated Programs (SOP) within the Virginia Department of Education received funding under the Title I, Part D, Neglected, Delinquent, or At-Risk grant to employ a part-time (20 hours a week) teacher for the Norfolk Juvenile Detention Center. Delinquent program services supplement existing educational programs in which youth are enrolled.

Title I Part G, - Advanced Placement and International Baccalaureate Test Fee Program (3API) – This federal grant provides funds to reimburse Advanced Placement (AP) and International Baccalaureate (IB) test fees for low-income students.

Title II, Part A - Improving Teacher Quality (3TPT) – This federal program of the *No Child Left Behind Act of 2001* is to increase student academic achievement by improving teacher and principal quality and by increasing the number of highly qualified teachers and administrators. Title II, Part A incorporates the funding formerly allocated through the Class-Size Reduction Grant and the Dwight D. Eisenhower Professional Development Program.

Description of Grants and Special Programs – Continued

Title III, Part A - Limited English Proficient and Immigrant and Youth (3LEP and 3IMG) – A federal sub-grant designed to fund activities to support increasing the English proficiency of Limited English Proficient (LEP) students by providing high-quality language instruction and high-quality professional development to classroom teachers. Title III programs also provide enhanced instructional opportunities for immigrant children and youths (IMG).

Title IV, Part A – 21st Century Community Learning Center (3CLC) – A federal sub-grant designed to fund activities to support regular school day instruction through extended day and summer learning opportunities, exposure to enrichment activities, provide a safe place for scholars after school, reduce the impact of the “summer slide” phenomena, and raise the passing rate on VA SOL assessments in Reading, Math and Science. Need for this program is evidenced by the high percentage of students qualifying for free lunch, poverty levels of our families, lack of affordable child care, and failure to meet state accreditation benchmarks.

Title X, Part C McKinney-Vento Homeless Grant (3HLA) – Authorized by *the McKinney-Vento Education Assistance Improvement Act of 2001*, authorizes the Virginia Department of Education (VDOE) to make grants to local education agencies (LEAs) for the purpose of facilitating the enrollment, attendance, and success of children and youth in schools experiencing homelessness. Funding is approved for a three-year grant period; however, funds are allocated on a yearly basis, contingent on evaluation and continued funding at the federal level. The current agreement period is July 2014 through September 2017.

Youth Development Academy Pilot Program (4YTD) – The General Assembly appropriated state funding to support the Governor’s Youth Development Academies. The objectives of the Academies are to build personal strengths, to promote school engagement, and to prepare students with the knowledge and skills needed to succeed in school, at home, and in the workplace. Designed for rising 9th-graders and 10th-graders including students at risk of disengagement and dropping out; the school division will create an academy focused on civics education, financial literacy, community service, preventive health, personal character development, and leadership. Funding supports one Academy within a superintendents’ planning region during the 2014–2015 school year, or during the summer 2015, prior to June 30, 2015. Funds will be used to support staff, staff training, materials, food, student transportation, and other program costs. This pilot program will take place at Booker T. Washington High School.

United Way of South Hampton Roads (SUWS) – United Way of South Hampton Roads (UWSHR) invests in programs and collaborative initiatives in support of education and community human service strategies. UWSHR endeavors to fulfill its mission to “provide leadership that brings resources together to reduce poverty, increase educational attainment and minimize health disparities.” Investing in education, UWSHR provided funding support for summer programs at P.B. Young Sr. and Tidewater Park Elementary Schools.

Virginia Middle School Teacher Corp (4MTC) – This program provides the structure and incentives for schools' divisions to recruit and retain experienced mathematics teachers for middle schools that have been designated as "at risk in mathematics" as a result of being Accredited with Warning in mathematics.

Virginia's Pathway for Pre-School Success Grant (VPI+) (3VPI) – The purpose of the grant is to reduce disparities among young children upon formal school entry and to reduce or eliminate those risk factors that lead to early academic failure. Funds will be used to establish or expand quality, comprehensive pre-school programs; purchase quality pre-school education programs and services from existing providers; expand existing quality programs to serve more children; and upgrade existing programs to meet criteria for comprehensive, quality pre-school programs to include unserved children. *The Appropriation Act* states that a local match of funds, based on the composite index of local ability-to-pay, is required to receive state funds for this program.

VPSA - E-Learning Backpack Initiative Supplemental Grant (4ST3) – The purpose of the Virginia E-Learning Backpack Initiative is to provide every ninth grade student attending a public school that is not fully accredited with a tablet computer, digital content and applications, and access to content creation tools. While much of the focus of the initiative is currently on the supplemental grants provided through the Virginia Public School Authority (VPSA) for eligible schools, the Virginia E-Learning Backpack Initiative is actually a broader initiative intended to assist all schools in the transition to digital content and tablet computers. Schools are eligible to receive this supplemental grant for a period of up to four years beginning fiscal year 2014. The Virginia E-Learning Backpack Initiative requires a 20% local match.

Workplace Readiness Skills for the Commonwealth – CTE (4WRS) – The General Assembly provides state funding to school divisions for the "*Workplace Readiness Skills for the Commonwealth Examinations.*" Funding is allocated on the basis of school year enrollment data for students in secondary Career and Technical Education (CTE) courses. The allocation covers the cost for Commonwealth examinations, pre-tests, and other Board-approved industry certification assessment for standard diploma graduates.

About the City of Norfolk, VA

In recent years' revitalization programs have led to changes throughout the City of Norfolk. The vibrant downtown commercial hub mixes with a menu of cultural offerings, educational opportunities, diverse neighborhoods and a comfortable blend of the old and new. From a tiny town of 50 acres, Norfolk has grown to 54 square miles and a population of more than 242,803, (*2010 Census.gov*). It has seven miles of Chesapeake Bay beachfront and a total of 144 miles of shoreline along lakes, rivers, and the Bay. Much of this land is located in residential neighborhoods.

Norfolk is home to the world's largest naval base and the North American Headquarters for NATO (North Atlantic Treaty Organization), and is one of the top 10 markets for business relocation and expansion, according to Expansion Management Magazine. USA Today called Norfolk one of the Top 10 booming downtowns, recognizing a decades-long housing, retail and financial boom.

Real estate in Norfolk is taxed annually at \$1.15 per \$100 of the assessed value. The personal property tax rate for motor vehicles is \$4.33 per \$100 of assessed value, using the NADA Blue Book value. For more information about the City of Norfolk, visit www.norfolk.gov. The public school system has 32 elementary schools, 4 (K-8) Kindergarten-8 schools, 7 middle schools, and 5 high schools. It offers programs in gifted and early childhood education, as well as, adult and technical/vocational training. For more information about Norfolk Public Schools, visit www.nps.k12.com.

The City of Norfolk is divided into five (5) single-member Wards numbered one through five, and two (2) single-member superwards numbered six and seven. The boundaries of such wards and superwards are established by ordinance of the city council as provided by law. Norfolk's City Council consist of the mayor and a seven-member body, elected by the citizens of Norfolk to represent the ward or superward in which they reside.

Projected FY 2018 Required Local Effort For Standards of Quality

The local government must provide sufficient funds, termed the Required Local Effort (RLE), to maintain educational programs that meet the Standards of Quality. The amounts in the chart below represent the projected FY 2018 RLE based on the Governor's Introduced Amendments to the 2016-2018 Biennial Budget (HB 1500/SB900) on December 16, 2016. The projected FY 2018 RLE for Norfolk Public Schools is **\$53,400,370 up \$560,919 (1.06%) from fiscal year 2017**. Final Required Local Effort is based on the March 31st ADM and the per pupil amounts for each fiscal year. The projected March 31st ADM is **28,538 for fiscal year 2018 and 29,325 for fiscal year 2017**.

Since Federal and local revenues are not shown on this chart, the percentages do not total 100%.

Enrollment Trends and Projections (K-12)

ENROLLMENT PROJECTION METHODOLOGY

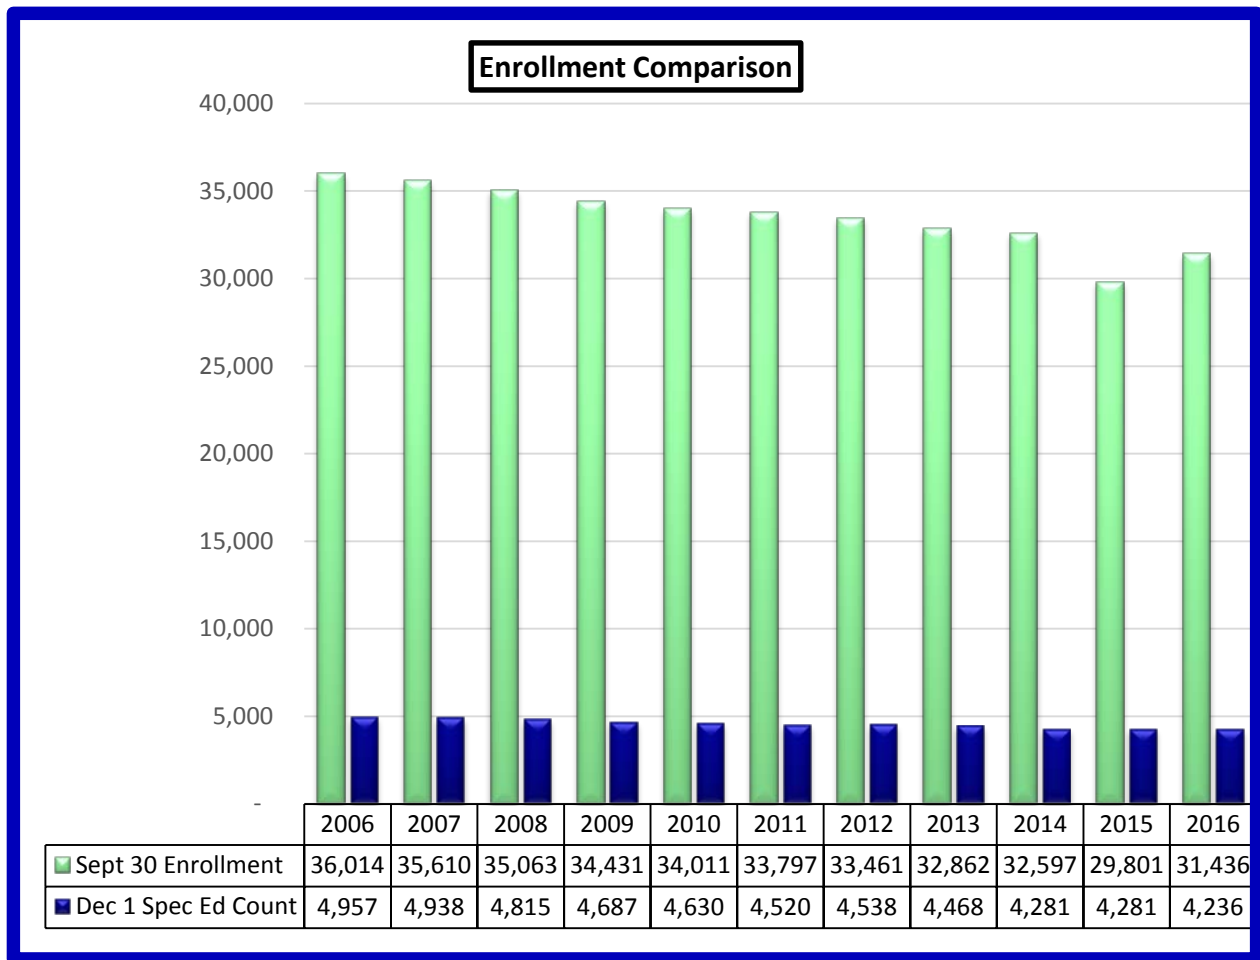

A model for student enrollment projections is based upon survival ratios, adjustments for births, and new students projected to come from residential development. Survival ratios for each grade and year were calculated from historical and current enrollment years. In most instances, these ratios are less than one, meaning that some students moved out of the district, transferred to private schools, or were not promoted.

Note: 2008-09 thru 2015-16 Average Daily Membership (ADM) are actuals. FY 2016-17 and FY2017-18 are estimates.

State Incentives to Reduce Class Size

State regulations require licensed instructional personnel be assigned to each school and that the ratio of students to teachers does not exceed the following:

Kindergarten	24:1 with no class larger than 29 students (teacher assistant is required if average daily membership exceeds 24 students)
Grades 1 - 3	24:1 with no class larger than 30 students
Grades 4 - 6	25:1 with no class larger than 35 students
Grades 6 - 12	24:1 in English classes

Additionally, the state provides generous incentives to localities which reduce class sizes in kindergarten through grade three (K-3). The target class size set by the State varies with the concentration of at-risk students as determined by the number of free lunch students. The table on the following page indicates the desired school-wide pupil-teacher ratio, the pupil-teacher ratio we expect to achieve, maximum applicable class size in the school and the three-year average (October 2012, 2013 and 2014) of free lunch students. In determining average class size, personnel funded with the Federal Class Size Reduction Initiative were included. The table also includes, projected September 30, 2017 Funded Fall Membership; based on amendments to the 2016-2018 Biennial Budget as Introduced by Governor McAuliffe.

The Governor’s Introduced Amendments to the 2016-2018 Biennial Budget (HB 1500/SB900) on December 16, 2016 limits participation in this program to schools with free lunch eligibility percentages (based on the three-year average of (October 2012, 2013 and 2014) greater than or equal to 30 percent. For Norfolk Public Schools, this eliminates Ghent, W.H. Taylor and Larchmont Elementary schools from this funding source.

Please see the table on the next page.

Basis of School Allocations

Each school in the district is allocated funds for its operations. These allocations cover all expenses of the school except full-time employee compensation, maintenance of the building, and utility costs. Allocation rates and methods are explained below.

Part-time and extra wages

Included in each school's allocation is an allowance for services provided by contract employees outside their regular day and for hourly wages of part-time employees. The following part-time allocations are provided:

- **Saturday Detention Program** - Middle schools and high schools are allocated \$3,983 and \$5,180 respectively.
- **SOL Remediation** - Schools submit a remediation plan that is later allocated upon Executive Director approval.
- **Safety Nets** - Allocation to support programs and strategies to assist students who are struggling to meet academic standards are later allocated upon Executive Director approval.
- **Marching Band Workshops** - High schools are allocated \$945 annually as part of the after-school program.
- **Grounds Patrol** - Allocation to support monitoring of the school grounds and bus loop before and after school.
- **Cafeteria Monitors** - This account will be funded by Child Nutrition Services.

Substitute Teachers (other than long-term substitutes)

Substitute teachers are allocated to schools according to the number of teachers assigned to the school. Substitute allocations are as follows:

- Regular teacher substitutes.....4 days per teacher at \$84/day
- Vocational teacher substitutes4 days per teacher at \$84/day
- Special education teacher substitutes4 days per teacher at \$84/day

Basis of School Allocations - Continued

Services contracted or purchased from outside vendors

- **Classroom and Administrative Purchased Services** - A small amount is included in each school allocation to cover the cost of purchased services. Generally, the amount allocated is intended to cover the cost of cleaning band uniforms, choral robes, physical education mats, and small equipment (e.g., laminators, fax machines, etc.) not maintained by Facilities Management. The senior coordinators of science, art, and music have been allocated an allowance for repair of scientific equipment, art equipment, and musical instruments respectively. Practically all other repairs are budgeted under Facilities Management. The purchased services allocation is split between classroom and administrative functions.
- **Student Planners** - Secondary schools have received a supplemental allowance for printing of student planners. The allowance is \$1,680 per high school and \$1,440 per middle school.

Copier Leases/Smart Board Maintenance

Copier Leases and Smart Board Maintenance allocation is based the projected September 30th, membership at a rate of \$5 per student.

Postage

Postage allocation is managed and budgeted centrally.

Professional Development

An allocation for professional development is made to all schools. The allocation covers the cost of all registration, meals, lodging and transportation for professional development activities in which school staff participate. The allocation is \$50 per staff member, including classroom, resource and special education teachers, media specialists, guidance counselors, deans of students, teacher assistants, and clerical staff. **Excluded from the professional development allocation are principals, assistant principals, custodians, and positions funded by grants.**

Basis of School Allocations - Continued

GLOSSARY

Adult Education - State funds are provided to improve educational opportunities for adults and to encourage the establishment of adult education programs that will enable all adults to acquire basic educational skills necessary to function in a literate society. The program also enables adults to complete secondary school, obtain a GED, or to benefit from job training and retraining programs.

Adult Education Tuition and Fees - Tuition and fees paid by participants of the Adult Education Program.

Adult Literacy - State funds for Adult Literacy are appropriated to provide basic educational skills to adults who lack skills necessary for literate functioning.

Alternative Education - State funds for Alternative Education programs are provided for the purpose of educating certain expelled students and, as appropriate, students who received long-term suspensions from public schools.

Annual Fund - Funds appropriated each fiscal year to cover the costs of operating special programs within NPS.

Appropriation - Legal authority from a governing board or legislative body to incur obligations and make payments for specified purposes. An appropriation is usually limited in amount and has a specified time frame for when it may be expended.

Approved Budget - The budget ultimately approved and authorized by the School Board of Norfolk Public Schools. This authorizes spending for the fiscal year based on the appropriations in the budget.

At-Risk - The probability that a student will fail academically and/or drop-out of school. State payments to support approved programs for at-risk students are disbursed to school divisions based on the estimated number of federal free lunch participants in each division to support programs for students who are educationally at-risk.

At-Risk Four-Year-Olds Program Funds - Provides quality pre-school programs for at-risk four year olds not being served by another program.

GLOSSARY

Average Daily Membership (ADM) - The average daily membership (ADM) for grades K-12 including handicapped students ages 5-21 and students for whom English is a second language who entered school for the first time after reaching their 12th birthday, and who have not reached twenty-two years of age on or before August 1st of the school year, for the first seven (7) months (or equivalent period) of the school year in which state funds are distributed. Pre-school and postgraduate students are not included in ADM.

Advancement Via Individual Determination (AVID) - Is a global nonprofit organization dedicated to closing the achievement gap by preparing all students for college and other postsecondary opportunities. AVID brings research-based strategies and curriculum to educational institutions in elementary, secondary, and higher education. AVID's philosophy is to hold students accountable to the highest standards, provide academic and social support, and they will rise to the challenge. AVID teaches skills and behaviors for academic success, provides intensive support with tutorials and strong student/teacher relationships, creates a positive peer group for students and develops a sense of hope for personal achievement gained through hard work and determination.

Balanced Budget - A budget in which current expenditures are supported by current revenues.

Basic Aid - Basic Aid includes funding for the basic instructional positions derived from minimum student to teacher ratios required by the Standards of Quality or each school division with a minimum ratio of 51 instructional personnel for each 1,000 pupils; plus all other personnel and non-personnel support costs funded through the Standards of Quality.

Basic Operation Cost - The cost per pupil, including provision for the number of instructional personnel required by the Standards of Quality for each school division.

Bonus Supplement - Governor Terry McAuliffe Amendments to the Biennial Budget for FY 2016-18 includes a 1.5 percent bonus payment for public schools with no requirement of a local match. The bonus payment funding covers the state share of cost including Social Security for a percentage-based one-time payment for funded SOQ instructional and support positions. Bonus payments will be effective December 1, 2017.

Budget Bill (State Level) - Virginia operates under a two-year (biennial) budget cycle. Each year the Governor prepares the proposed budget bill for introduction by the General Assembly. The bill is initially adopted in even-numbered years and amended in odd-numbered years.

Budget Amendments (State Level) - Amendments to the budget bill can add, modify, endorse or delete items in the Governor's proposed budget. Before the General Assembly adjourns each year, a conference committee resolves any differences between the versions passed by the two houses.

GLOSSARY

Capital Outlay - An expenditure that results in the acquisition of, or addition to, fixed assets and meets the following criteria: has an anticipated useful life of more than one year; can be permanently identified as an individual unit of property; belongs to one of the following categories: land, buildings, structures and improvements, equipment; constitutes a tangible, permanent addition to the value of city assets; does not constitute repair or maintenance; and is not readily susceptible to loss. NPS's capital outlay threshold is \$5,000.

Capital Improvement Project (CIP) - A specific and identifiable improvement or purpose for which expenditures are proposed within the capital budget or capital improvement program.

Capital Improvement Fund - A fund created to account for financial resources to be used for the acquisition or the construction of major capital facilities or equipment.

Compensation Supplement - Compensation supplement funding covers the state share of cost (including fringe benefits) for a percentage-based salary increase for funded SOQ instructional positions.

Composite Index Hold Harmless - This funding provides relief to school divisions whose total state revenues decreased as a result of funding the 2010-12 composite index. Schools that were adversely affected by the change were allocated revenue to soften the revenue change.

Composite Index of Local Ability to Pay - Also called Local Composite Index (LCI), is an index figure computed for each locality. The composite index is the sum of the index of wealth per pupil in ADM (unadjusted for half-day kindergarten programs) and the index of wealth per capita multiplied by the local nominal share of the costs of the Standards of Quality.

E-rate - The schools and libraries universal service support program, commonly known as the E-rate program, helps schools and libraries to obtain affordable telecommunications services, broadband Internet access and internal network connections.

Early Reading Intervention - Provides early reading intervention services to students in grades kindergarten through third grade who demonstrate deficiencies based on their individual performance on diagnostic tests. The Early Reading Intervention program is designed to reduce the number of students needing remedial reading services. Program funds are used for: special reading teachers; trained aides; volunteer tutors under the supervision of a certified teacher; computer-based reading tutorial programs; aides to instruct in class groups while the teacher provides direct instruction to the students who need extra assistance; or extended instructional time in the school day or year for these students.

GLOSSARY

Early Reading Specialists Initiative - These funds are designated to support a two-year pilot program to provide one early reading specialist position for all third-grade classes in schools that had a pass rate of less than 75% in the prior year Standards of Learning reading test. School divisions that are affected will have to match the funding of the additional positions based on their composite index of local ability to pay.

Encumbrance - An obligation against appropriated funds in the form of a purchase order or contract.

English as a Second Language (ESL) - State funds are provided to support local school divisions providing the necessary educational services to children not having English as their primary language. The funding supports the salary and benefits cost of instructional positions at a standard of 17 positions per 1,000 ESL students.

EpiPen Grants (FY 2013 Only) - These grants support the new requirement (2012 General Assembly session) that local school boards adopt and implement policies for the possession and administration of epinephrine and allows school employees to administer it to any student believed to be having an anaphylactic reaction. The intent of the grants is to provide each public school and regional facilities with an allocation to help offset the purchase of EpiPens.

Every Student Succeeds Act (ESSA) – Every Student Succeeds Act (ESSA) was signed by President Obama on December 10, 2015. ESSA includes provisions that will help to ensure success for students and schools. The law, advances equity by upholding critical protections for America's disadvantaged and high-need students. Requires—for the first time—that all students in America be taught to high academic standards that will prepare them to succeed in college and careers. Ensures that vital information is provided to educators, families, students, and communities through annual statewide assessments that measure students' progress toward those high standards. Helps to support and grow local innovations—including evidence-based and place-based interventions developed by local leaders and educators—consistent with our Investing in Innovation and Promise Neighborhoods. Sustains and expands this administration's historic investments in increasing access to high-quality pre-school. Maintains an expectation that there will be accountability and action to effect positive change in our lowest-performing schools, where groups of students are not making progress, and where graduation rates are low over extended periods of time.

Expenditure - The outflow of funds paid for an asset or service obtained. This term applies to all funds.

Fall Membership - The number of students enrolled in Norfolk Public Schools on September 30th of each school year.

GLOSSARY

Federal Fiscal Year - The federal fiscal year is the accounting period of the federal government. It begins on October 1st and ends on September 30th of the next calendar year.

Fees - Include fees for equipment usage, field trip transportation fees, and fees charged for driver education provided by NPS.

Fiscal Year (FY) - A twelve month period covering the operating year for accounting and budgeting purposes. The fiscal year for NPS begins July 1st and ends June 30th.

Focus Schools - A Focus School is a school that has room for improvement in areas that are specific to the school. As part of the process, Focus Schools will receive targeted and tailored solutions to meet the school's unique needs.

Foster Care - Foster care funding provides reimbursement to localities for educating students in foster care that are not residents of their school district. State funds are provided for prior year local operations costs for each pupil not a resident of the school division providing his education if the student has been placed in foster care or other custodial care within the geographical boundaries of such school division by a Virginia agency, whether state or local, which is authorized under the laws of the Commonwealth to place children. Funds also cover children who have been placed in an orphanage or children's home which exercises legal guardianship rights, or who is a resident of Virginia and has been placed, not solely for school purposes, in a child-caring institution or group home. Funds are also provided to support handicapped children attending public school who have been placed in foster care or other such custodial care across jurisdictional lines.

Freedom of Information Act (FOIA) - State statute ensuring that residents of the Commonwealth have access to public records in the custody of a public body, its officers, and employees; and free entry to meetings of public bodies wherein the business of the people is being conducted. All public records and meetings shall be presumed open, unless an exemption is properly invoked.

Fringe Benefits - Employee benefits, in addition to salary, which may be paid in full or in part by the district or sponsored for employee participation at their individual expense. Some benefits, such as Social Security and Medicare (FICA), unemployment insurance, workers' compensation, and others are required by law. Other benefits, such as health, dental and life insurance are not mandated by law but are offered to employees as part of their total compensation.

Full-Time Equivalent (FTE) - The number of working hours that represents one full-time employee during a fixed time period. A full-time, 12-month NPS administrator works 1,890 hours per year.

GLOSSARY

Fund - Resources set aside for specific purposes and activities in accordance with legal requirements. A school or department may have resources available from several funds. Examples include the General Fund, Child Nutrition and the Federal Title I Fund.

Fund Balances - Fund balance refers to the undesignated General Fund Balance. This is the accumulated total of all prior years' actual General Fund revenues in excess of expenditures not appropriated by the City and has not been designated for other uses.

General Fund - The primary operating fund used to account for all revenue and expenditures, except those related to specific programs that are accounted for separately in special purpose funds.

Gifted Education - Gifted education funding supports the state share of one full-time equivalent instructional position per 1,000 students in adjusted ADM.

Governor's Schools - These programs give gifted and talented high school students an opportunity to study with fellow students of similar interest and abilities from across the Commonwealth. Specialized curriculum offerings are available. State funds are provided to assist with the state share of the incremental costs of operations during the school year. These funds are not to be used for capital outlay, structural improvements, renovations, or fixed equipment costs. Funds may be used for the purchase of instructional equipment.

Grants - Financial assistance mechanism providing money, property, or both to an eligible entity to carry out an approved project or activity. Most grant recipients are required to provide periodic reports on their grant project's progress. There may be monitoring visits or audits of the grant once it is awarded and implemented to ensure accountability.

Grants.gov - Grants.gov (<http://www.grants.gov/>) has been designated by the Office of Management and Budget as the single access point for all grant programs offered by 26 Federal grant-making agencies. It provides a single interface for agencies to announce their grant opportunities and for all applicants to find and apply for those opportunities.

Grant Start Date - Official date a grant award begins; same as the first day of the first budget period.

Group Life - This funding supports the state share of cost of employer contributions to the Virginia Retirement System (VRS) for Group Life benefits for funded SOQ instructional and professional support positions.

Impact Aid - Funding from the United States Government for the loss of tax revenue given that federal property is not subject to local and State taxes.

GLOSSARY

Indirect Costs - Include payments by supplemental grants for administrative and other support.

K-3 Primary Class Size Reduction Program - State funding is disbursed to school divisions as an incentive payment for reducing class sizes in grades kindergarten through three below the required SOQ standard of a 24:1 pupil-teacher ratio. Schools with free lunch eligibility percentages of 30% and greater are eligible for funding. Funding for eligible schools is based on fall membership.

Lead Turnaround Partners (LTP) - School divisions with schools newly identified as priority schools will be required to hire a Lead Turnaround Partner to, at a minimum, implement all requirements of the U.S. Department of Education (USED) turnaround principles. The LTP, under contract with the local school board, brings increased resources and support for deep, systemic reform. This model is centered on the LTP providing an outside-the-system approach inside-the-system. Under the ultimate authority of the school divisions' local school boards, the LTP leads the reform effort within the turnaround zone and has been given the ability to act and authority to make choices.

Local Composite Index (LCI) - See Composite Index of Local Ability to Pay.

Local Match - Grant programs require that either the state or the local entity contribute a certain percentage of funds to match the grant. Traditionally, the Federal grant covers about 80 percent of the capital project expenses, while the remaining non-federal share of 20 percent is either matched by the state completely or partially matched by the state and the local entities. The non-federal matching requirements are different among the states and even within the same state depending on the grant program.

Lottery Funded - State mandated funds for education funded through the retail sale of lottery tickets

Maintenance Of Effort (MOE) - The term "Maintenance of Effort," often shortened to "MOE," refers to the requirement placed upon many federally funded grant programs that the State Education Agency (SEA) and Local Education Agencies (LEA) demonstrate that the level of state and local funding remains relatively constant from year to year. Failure to meet MOE requirements may result in the LEA losing eligibility to receive IDEA entitlement funding and requiring an LEA to repay funds, using a non-federal source, to the SEA, who is required to send funds to the US Department of Education. At the local level, IDEA requires that LEAs expend the same amount of local/state funding for special education and related services as it expended in the previous fiscal year (34 CFR §300.203). There are provisions in IDEA to allow for decreases in an LEA's MOE from one fiscal year to the next.

GLOSSARY

Memorandum of Understanding Agreement (MOU) - A document that expresses mutual accord on an issue between two or more parties. Memoranda of understanding are generally recognized as binding, even if no legal claim could be based on the rights and obligations laid down in them. To be legally operative, a memorandum of understanding must: (1) identify the contracting parties; (2) spell out the subject matter of the agreement and its' objectives; (3) summarize the essential terms of the agreement, and (4) must be signed by the contracting parties, also called letter of intent.

Mentor Teacher - Funds are allocated to provide grants to school divisions providing mentors for new teachers with zero years of teaching experience.

Miscellaneous Revenue - Revenue from a myriad of sources that is not defined above; example, used textbook sales, surplus equipment, insurance loss proceeds and other small sources that differ year to year.

Multi-Year Funding (MYF) - Multi-year funded awards exist when the project period and budget period are the same and are longer than one year.

No-Cost Extension - An extension of time to a project period and/or budget period to complete the work of the grant under that period, without additional Federal funds or competition.

Non-Resident Tuition - Tuition paid by non-resident parent/guardians for children that attend Norfolk Public Schools.

Norfolk Support - Support from the City of Norfolk for education.

One-time - A nonrecurring revenue or expenditure within the current fiscal year.

Operating Budget - An annual financial plan of operating expenditures encompassing all the fund types within the District, and the approved means of financing them. The operating budget is the primary tool by which most of the financing, spending and service delivery activities of NPS are planned and controlled.

Prevention, Intervention, and Remediation - Prevention, Intervention, and Remediation funding provides remedial services to children who need additional instruction. Funding is disbursed to local school divisions to support the state share of additional professional instructional positions ranging from a pupil teacher ratio of 10:1 to 18:1 based on the division-level failure rate on the SOL English and math tests for all students at risk of educational failure (the three-year average free lunch eligibility data is used as a proxy for at risk students).

GLOSSARY

Priority Schools - A Priority School is a school that has been identified as among the lowest-performing five percent of Title I schools in the state over the past three years, or any non-Title I school that would otherwise have met the same criteria.

Program Description - Describes the nature of service delivery provided at this level of funding. The description includes the program mission, goals, accomplishments, and performance measures, as well as total expenditures and staff counts.

Proposed Budget - The budget formally submitted by the Superintendent to the School Board and then by the School Board to the Norfolk City Council for its consideration.

Rebenchmarking - Represents the State cost of continuing the current Direct Aid programs into the next biennium with updates to input data used in the funding formulas.

Remedial Summer School - Funds available to school divisions for the operation of programs designed to remediate students who are required to attend such programs during a summer school session or during an intersession in the case of year-round schools.

Rental of School Facilities - Fees paid by organizations/groups/individuals that use Norfolk Public Schools buildings for non-school sponsored activities.

Required Local Expenditure - The locality's share based on the composite index of local ability to pay the cost required by all the Standards of Quality minus its estimated revenues from the state sales and use tax (returned on the basis of school age population) in the fiscal year in which the school year begins.

Required Local Match - The locality's required share of program cost. NPS is required to certify that local funds have been budgeted, at a minimum, satisfy the required local effort and to support the projected required local match for all Lottery and Incentive programs in which the school division has elected to participate in a fiscal year.

Revenue - Sources of income financing the operations of the District.

Salary Supplements Payments - Provides the state share of salary increases along with the related fringe benefit costs to public school instructional and supports staff positions funded through the Standards of Quality and other state funded accounts.

Scope of Work - The division of work to be performed under a contract or subcontract in the completion of a project, typically broken out into specific tasks with deadlines.

GLOSSARY

SOL Algebra Readiness - Funding is based on the estimated number of 7th and 8th grade students who are at-risk of failing Algebra I at the end-of-course. This number is approximated based on the free lunch eligibility percentage for the school division.

Social Security - This funding supports the state share of cost of the employer share of Social Security costs for funded SOQ instructional and professional support positions.

Special Education - Funding for special education provides for the state share of salary costs of instructional positions generated based on the staffing standards for special education. Each special education student is counted in their respective school and up to three disabilities per student may be recognized for calculating instructional positions for funding.

Special Education: Tuition - Regional tuition reimbursement funding provides for students with low-incidence disabilities who can be served more appropriately and less expensively in a regional program than in more restrictive settings. A joint or a single school division operates regional special education programs. These programs accept eligible children with disabilities from other local school divisions. All reimbursement is in lieu of the per pupil basic operation cost and other state aid otherwise available.

Special Education: Homebound - Homebound funding provides for the continuation of educational services for students who are temporarily confined to their homes for medical reasons. State funds reimburse school divisions for a portion of the hourly rate paid to teachers employed to provide homebound instruction to eligible children.

Special Education Jails - Local school divisions are reimbursed for the instructional costs of providing special education and related services to children with disabilities in regional or local jails.

Special Education State Operated Programs - Education services are continued for students placed in state-operated facilities. State statute requires the state to provide appropriate education to all children in state hospitals, clinics, detention homes, and the Woodrow Wilson Rehabilitation Center. Education services are provided through contracted services with local school divisions. Funded positions are based on caseloads. A funding amount per position (to cover both personnel and non-personnel costs) is applied to each position to determine the total amount of funding for each division that provides education services in state operated programs.

Special Education: Vocational Education - These funds are used to support a variety of activities designed to strengthen the preparation of disabled students for entering the work place after completion of high school. Activities include vocational evaluation, training service through eight regional technical assistance centers, and initiatives to support employment.

GLOSSARY

Standards of Learning (SOL) - Describe the Commonwealth's expectations for student learning and achievement in grades kindergarten through 12 in English, mathematics, science, history/social science, technology, the fine arts, foreign language, health and physical education and driver education.

Standards of Quality (SOQ) - Operations standards for grades kindergarten through 12. These standards prescribe the minimum foundation program that all public schools in Virginia must meet. The Standards are established in the Constitution of Virginia and defined in state law. Standards address areas such as staffing, facilities and instructional programs.

State Sales Tax - The 1 1/8% of state sales tax returned to localities for public education, distributed based on the triennial school-age population census.

State Share for the Standards of Quality - The state share for a locality equal to the cost for that locality less the locality's estimated revenues from the state sales and use tax (returned on the basis of school age population), in the fiscal year in which the school year begins and less the required local share.

Strategic Planning - The continuous and systematic process whereby guiding members of the District make decisions about its future, and develop procedures and operations to achieve the future to determine how success will be measured.

Sub-recipient - An entity that expends awards received from a pass-through entity to carry out a program. A sub-recipient relationship exists when funding from a pass-through entity is provided to perform a portion of the scope of work or objectives of the pass-through entity's award agreement with the awarding agency (A pass-through entity is an entity that provides an award to a sub-recipient to carry out a program.)

Supplemental Lottery Per Pupil Allocation – Funding distributed to school divisions through Lottery proceeds. No more than 50 percent of funds can be used for recurring costs and at least 50 percent must be spent on non-recurring expenses. Non-recurring costs can include: school construction, additions, infrastructure, sit acquisitions, renovations, technology, school buses, and other expenditures related to modernizing classroom equipment, and debt service payments on school projects completed during the previous 10 years.

Textbook Payments - State law requires that students attending public schools receive free textbooks. State's distributions for textbooks are based on adjusted ADM.

GLOSSARY

Virginia Pre-school Initiative - The Virginia Pre-school Initiative provides funding for programs for unserved, at-risk four-year-old children, which include quality pre-school education, health services, social services, parental involvement, and pupil transportation. Programs must provide full-day or half-day and, at least, school-year services. Educational services may be delivered by both public and private providers.

Virginia Retirement System (VRS) - Administers pension benefits for Virginia's public sector retirees.

Virginia Commission for the Visually Handicapped - Payments NPS receives to support services the District provides to visually impaired students that require assistance.

Virginia Public School Authority (VPSA) - An agency of the state government that pools and issues debt on behalf of a consortium of school districts.

Vocational Education - State funds are provided to support career and technical education courses for students in grades 6-12. The funding supports the salary cost of instructional positions based on the class size maximums established by the Board of Education and promotes and administers the provision of agriculture, business, marketing, home economics, health, technology education, trade and industrial education in the public middle and high schools.

VPSA Technology - VPSA Technology program provides grant funding for school divisions to purchase additional technology to support the SOL Technology Initiative. Eligible schools include those reporting membership as of September 30th and are subject to state accreditation requirements, as well as regional centers including vocational centers, special education centers, alternative education centers, academic year Governor's Schools, and the School for the Deaf and the Blind. Schools that are not fully accredited are eligible for one-time distributions of \$26,000 for a period of three years for each school.

VRS Retirement - This funding supports the state share of cost of employer contributions to VRS for retirement benefits for funded SOQ instructional and professional support positions.
