

Psychology Learning in Place 2020

Week 1

✓	Task	Text	Write
	Compare different theories of personality.	HMH Psychology Textbook, pages 390-419 Alternative source: http://DigitalLearning.whro.org Username: WHROcourses PW: Digital_Learning Psychology Module 8	Write a paper that compares and contrasts three different theories of personality. Include, for each theory, a description of the theory, the proponents and/or founders of the theory, and practical applications of each. Then, explain which theory you think is most true and defend your response. If typed , the paper should be at least 3 pages long and no more than 4 pages long. If handwritten , the paper should be at least 6 pages long, and no more than 10 pages long.

Week 2

✓	Task	Text	Write
	Describe different psychological disorders.	HMH Psychology Textbook, pages 497-531 Alternative source: http://DigitalLearning.whro.org Username: WHROcourses PW: Digital_Learning Psychology Module 9	Create a chart of the Psychological Disorders described in this unit/module. For each, write a general description of the causes and symptoms of each. Then, select one disorder to develop a pamphlet that could be given at a mental health facility, public library, or school, to inform people about the disorder. Include information on possible support groups, or what to do if someone is in need of help.

Week 3

✓	Task	Text	Write
	What therapy options are available for troubled individuals?	HMH Psychology Textbook, pages 533-558 Alternative source: http://DigitalLearning.whro.org Username: WHROcourses PW: Digital_Learning Psychology Module 9	Write a paper that compares and contrasts three different therapy options available for troubled individuals. If typed , the paper should be at least 2 pages long and no more than 3 pages long. If handwritten , the paper should be at least 4 pages long, and no more than 6 pages long.
