

# MAURY

# PTSA

## **What do we do?**

- Support a scholarship for a graduating senior
- Support projects initiated by the student PTSA representatives such as the Student lounge and peer tutoring program
- Support students and their families during emergencies
- Fund a program to pay off student lunch debt at Maury
- Help students receive what they need to be successful in school which may include school supplies, food, clothing and shoes
- Represent Maury (students, families, and admin and staff) at School board meetings and Town Halls

## **What do we need? You!**

- Parents willing to come to between 4 and 8 meetings a year. The meetings typically last no longer than 1 hour
- Instead of fundraising through magazine programs or other professional fundraising, we simply ask parents for help when we the need arises
