

FIVE STAR KIDS ACADEMY

SCHOOL-AGE CARE AT THE ARMED SERVICES YMCA OF HAMPTON ROADS

Five Star Kids Academy, at the Armed Services YMCA of Hampton Roads, offers school-age care in a safe and reliable learning-focused environment. Our goal is to support both cognitive development and social-emotional growth with opportunities for enrichment and connection through:

- **STEAM-based** learning activities
- Educational partnerships to promote literacy and **academic achievement**
- **Virtual learning** and homework support
- Daily physical activity
- Opportunities for **creativity**, mindfulness and critical thinking
- Engaging lessons that focus on **character development** and resilience

REGISTRATION IS OPEN NOW.

With many school divisions deciding to begin the school year with virtual instruction, there is a need for safe and reliable care for your child. We understand, and we'll be here when you need us. Our program will operate **full-day**, school-age care until schools are operating Monday through Friday for face-to-face instruction.

We're working closely with school divisions and parents to ensure that students will be available and attentive during virtual instruction. We've created an environment and schedule to support students as they complete and turn-in assignments. We're implementing best practices to support students' virtual learning requirements at all grade levels.
