

Greetings Dolphin Families,

As we close out the month of October and enter in November, it is hard to believe we are embarking on the end of the first nine weeks of school. How time flies! The last day of the first quarter is Monday, November 2nd. I know that our students have been working extremely hard both in the classroom and at home virtually, doing their very best in what is our new “normal.” I would like to ask parents to please continue to monitor your child’s progress closely. If you notice your child is struggling, do not hesitate to contact his or her teachers. We want to be sure we stay on top of any concerns before it is too late.

Please encourage your student to regularly attend their virtual class, and with cameras on. In order to be counted present, students must not only regularly attend, they must also complete coursework assignments on asynchronous Wednesdays. Some students are logging in late, logging out early, or not attending at all. Student attendance and academic success is important to stay on track for

Attendance Matters!

Every Student, Every School, Every Day

Finally, I would like to thank all our parents and community partners for your continued support, dedication, and partnership as we work together to provide the best learning environment and experiences for all our students virtually during these unprecedented times.

Sincerely Yours,

Mrs. Katrina Rountree-Price
