(757) 547-4245  OR  Career and Technical Education (CTE) Office (757) 892-3964			
<b>Credentials Bootcamp</b>  <u>Contact:</u> Cecil Avery or Kenyetta Goshen  Career and Technical Education Office (757) 892-3964	This "Bootcamp" is designed to serve as credentials testing preparation/review sessions for high school students pursuing state licensure within the field of healthcare (Nursing, Dental, Pharmacy) or trades and industry (Cosmetology, ASE, or HVAC). All participants must fully complete their program of study prior to participating in a summer boot camp. Depending on national or state testing calendars, eligible students may have the opportunity to test for licensure at the conclusion of the summer.	Virtual classes with some in-person testing required at state/vendor approved sites.  June 28 – August 3, 2021	No Fee for Eligible Students
<b>Cyber Camps</b>  <u>Contacts:</u> Dr. Deb Marshall or Sonja Bridgers  Career and Technical Education Office (757) 892-3964	This summer program is infused with interactive cybersecurity learning experiences and activities for students, grades 6-11. Students will be introduced to various aspects of this high demand career pathway as they participate in a host of cyber sessions and team challenges. These programs are offered in collaboration with our higher education partners.  <i>Grades: 6-11</i>	Virtual and In-person  Various locations with select in-person camps held at a local college/university. Dates and times to be announced.	No Fee
<b>Summer Work-Based Learning Experience</b>  <u>Contacts:</u> Tonya Harvey, Phalishia Johnson or Kenyetta Goshen  Career and Technical Education Office, (757) 892-3964	In collaboration with area businesses and agencies, NPS high school students (rising 11 <sup>th</sup> and 12 <sup>th</sup> graders) who are enrolled within select career and technical education programs during the school year will have the opportunity to participate in a <b>Summer Work-Based Learning (WBL) Experience</b> . Summer WBL participants may take part in job shadowing, paid or unpaid internships, or cooperative education (paid employment) during the summer months. These experiences will be aligned with the student's career of interest and high school CTE pathway. An application, interview, and other employment/workplace readiness criteria may be required.	Various locations based on WBL availability and site assignment. Dates and hours between June – August 2021, will also vary based on site hours and student schedules.	No Fee
<b>ISAEP Summer Program</b>  <u>Contact:</u> Valerie Johnson  Career and Technical Education Office (757) 892-3964	This summer program provides extended learning options and workforce development opportunities for students enrolled within the GED program. Beyond subject area vocabulary, there will be a strong focus on the functional nature of language necessary for academic success (language for making comparisons, telling causes, justifying, etc.). Each week will include a language-based content area focus and culminate in a project-based learning assignment. Technology skills for school will also be an integral piece to the program.</p> <p><i>Grades: 6-8 (All Proficiency Levels)</i></p>	<p>Crossroads School</p> <p>June 28 - July 22, 2021 Monday - Thursday</p> <p>8:30 a.m. - 1:00 p.m.</p>	<p>No Fee</p>

<p><b>Special Education - Extended School Year (ESY) Programs</b> (Elementary &amp; Secondary)</p> <p><u>Contact:</u> Shannon Gould, Senior Coordinator, Learning Support – Special Education (757) 282-8961</p>	<p>This individualized education program is for students with disabilities whose IEP team has determined that the students meet the ESY criteria. Extended School Year is designed to ensure specific critical life skill needs (academic, social/emotional, and independent living) per IEP goals. Extended School Year services may be provided through a variety of means including skill-based packets, consultative support, direct support in a virtual or in-person educational setting, or through a combination of services based on the IEP team’s determination of the least restrictive environment for the student who meets the specific qualifying criteria.</p>	<p>TBD based on student IEP.</p>	<p>No Fee</p>
