

Snapshot of Program/Student Learner Profile:

At Southside STEM we are looking for Scholars who exude the Four C's of STEM Education

- Collaboration: Can you listen, share, and work with others as part of a team to reach a common goal?
- Communication: Can you share information? Ask questions? Explain your thoughts to better understand the ideas of others?
- Critical Thinking: We are looking for scholars who can analyze situations, solve problems, and create connections across all subjects.
- Creativity: We need students who can combine unique ideas in a variety of INNOVATIVE ways to get things done or create something new.
