

Gifted Opportunities

Grade 2

Communication Skills

Complete one task for each week. Please write responses on your own paper, and be prepared to share with your Gifted Resource Teacher when you see them.

Week 1	If someday you were to write a book, what would your book be about? Why? What would you title your book?	
Week 2	 What are three things you have never done but would like to? Explain why you would want to do these things.	
Week 3	If you could have your own YouTube channel, what would it be about? Describe an episode you would want to show.	
Don't forget to read everyday!!		

Mathematics

Complete one task for each week. Please write responses on your own paper, and be prepared to share with your Gifted Resource Teacher when you see them.

Week 1	Blocks in a Bag: Mrs. Smith put 5 blocks in a bag. 4 were red, and 1 was yellow. Tom reached in and pulled out 1 block. What color do you think it was? Use math to show your thinking.	
Week 2	Blocks in Hands: Sam and Pam were helping their teacher pick up blocks from the play area. Sam had 2 blue blocks in one hand and 3 red blocks in his other hand. Pam had 4 green blocks in one hand and 1 yellow block in her other hand. Their teacher said they picked up a lot of blocks! I wonder how many blocks they picked up. Use your math thinking to help me find the number of blocks they picked up.	
Week 3	What's in the Bag?: Tim has 2 yellow blocks and 3 red blocks in his bag. Jen has 1 yellow block and 4 red blocks in her bag. Tim said he had more blocks in his bag. Jen said they had the same amount of blocks in their bags. Who is correct? Show your math thinking.
