EDUCATIONAL RIGHTS FOR CHILDREN AND YOUTH LACKING FIXED, REGULAR, AND ADEQUATE HOUSING

Families should know:

- You do not need a permanent address to enroll your child in school.
- Your child cannot be denied school enrollment when school records or other enrollment documentation are not immediately available.
- Your child may be able to remain in the same school (school of origin) even if you move.
- When in your child's best interest, he or she has the right to request transportation assistance.
- Schools must provide you with a written explanation if a placement dispute occurs, and you may appeal the school's decision.
- Your child automatically qualifies to participate in free breakfast and lunch programs.
- Your child has the right to participate in extracurricular activities and all federal, state, or local programs for which he/she is eligible.

Youth not accompanied by a parent or guardian and lacking fixed, regular, and adequate housing have these same rights.

- Safeguard all health and immunization records.
- Have a reliable person keep a second copy of the child's birth certificate, school records, and health information.
- Enroll children in school as soon as possible.

WHAT YOU CAN DO BEFORE MOVING

- Tell your child's teacher and principal that your child is moving and give them the new address.
- Let school officials know if you want your child to stay in his/her school of origin while you are getting the family stabilized.
- Ask for a copy of your child's school records, including immunizations.
