

# Lake Taylor School

## After - School Remediation Program

### Grades 3-5

Lake Taylor School's After-School SOL Remediation Program for Grades 3, 4, and 5 **will begin on Wednesday, March 4, 2020. The program will be held from 3:05 pm – 5:00 pm on Tuesday and Wednesday of each week through April 30, 2020**, with exceptions being made for holidays and district early release days.

Students were invited to participate in the After-School SOL Remediation for the following reasons:

- ✚ Students in grades 3, 4, and 5 who are not proficient on one or more of the following assessments:  
District-based assessments (DBAs and CFAs), unit assessments, and weekly assessments.
- ✚ Students who are not reading on grade level according to STAR Reading.
- ✚ Students who are not showing effective math skills according to STAR Math.

Specifics:

- Dinner will be provided for students.
- Transportation will be provided for all students who meet NPS transportation guidelines.
- Any day that school is not in session, we will not have After-School SOL Remediation.

***Please note date change:***

The program is designed to provide extra support, so we encourage your child to attend the program both days for the entire available time. Picking up your child early or late on a regular basis will result in your child being dismissed from this wonderful opportunity. Only students in the afterschool program are permitted to stay back. Alternative arrangements need to be made for siblings. If you have any questions, please feel free to call the school at (757)892-3230.

Our goal is to provide a positive and effective teaching and learning environment that maximizes the academic potential of ALL scholars while developing their skills for lifelong learning.
