

SOL Testing Transparency Statement

Norfolk Public School’s district Standards of Learning (SOL) test windows are as follows for the remaining 20-21 school year. Each school selects their testing dates within the division window. Be advised, all dates are subject to change.

- SOL (Grade 3-HS) Spring Reading, Math, Science, and Social Studies: May 3-June 11.

SOL tests measure achievement of the Virginia Standards of Learning in grades 3 through End-of-Course (high school). In addition, at the End-of-Course level SOL tests are required to verify credit for graduation. The SOL tests continue to be required to administer in a face-to-face setting. All will be administered online, unless otherwise indicated via a school committee.

Parents/Guardians will be notified of SOL results **by mail no later than July 1.**

Meals and transportation will be provided for each testing date, as needed. If your student continues to be learning in a virtual environment, your student will be scheduled by the testing chair on Wednesdays according to the attached calendar. **If your child is in need of transportation, please complete the transportation form at the following address: <https://bit.ly/3eojE4U>**

Gentle Reminders:

- Students should bring their NPS Chromebook each day of testing and learning
- Students are encouraged to bring a book to read after they complete testing
- Students should leave their book bags and cell phones at home for the Reading and Math Test only
- Office Phones and Classroom Phones available if necessary
- Water bottles will be provided during testing sessions only

If you have any questions or concerns about your child’s participation in SOL testing, please contact:
