

Northside Middle School is a

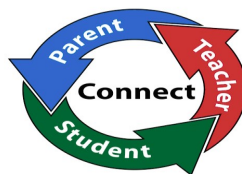

School -wide Title I School

Understanding Title I:

The Title I grant falls under the Elementary and Secondary Education Act (ESEA) as reauthorized by the No Child Left Behind Act of 2001 (NCLB). Title I, Part A is the funding source that provides assistance to states and school districts to meet the needs of educationally at-risk students. Title I ensures that all students have fair, equal, and significant opportunity to obtain a high quality education and reach proficiency on state academic assessments.

This School-Parent Compact is an agreement which outlines how the parents, school and student will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the state's high standards.

Each district that receives Title I, Part A funds are required to develop a written parent involvement policy and compact that outlines the district's expectations for parent involvement. This policy is jointly developed with and agreed upon with parents of children participating in Title I, Part A programs and distribute to parents of all children in participating Title I, Part A programs.

The school will display the full School-Parent Compact in a visible location which will allow all parents of participating Title I, Part A children to view it on or before 10/31/19. The school will provide copies to each parent of a child participating in a Title I, Part A program. Additional copies of the full compact will be located in the school office, library, and Parent Resource Center.
