# DEBTS – From Ms. Dunn

I type a spreadsheet for each senior totaling all of the book cards that we have on file for books, property and fees.

We only accept cash, money order and credit/debit cards as methods of payment. If using a card for payment, there is an additional 2% processing fee + \$.05 in bank fees added to the total.

If paying with cash, **bring exact amount**. We do not have petty cash to make change. **NO CHECKS!**

Notices go out in November, March/April and May. I get notices out before prom so they know their debt totals before they spend all of their money on prom.
