

## Postcards from Places You've Been

The 2019 Commodore's theme is ***Our Journey***, and the yearbook staff would like to include postcards from students from places they've visited. Write a little message on the postcard below as if you were sending a message to a friend at school. You may also submit pictures to include. Fill out the postcard, and bring it to Mr. Rowe in the library.

Thanks,

The 2019 Commodore Staff
