Postcards from Places You've Been

The 2019 Commodore's theme is Our Journey, and the yearbook staff would like to include postcards from students from places they've visited. Write a little message on the postcard below as if you were sending a message to a friend at school. You may also submit pictures to include. Fill out the postcard, and bring it to Mr. Rowe in the library.

Thanks,

The 2019 Commodore Staff

Write your message on the left side of the card
