

Oceanair Elementary is a Schoolwide Title I School

Understanding Title I:

The Title I grant falls under the Elementary and Secondary Education Act (ESEA) as reauthorized by the No Child Left Behind Act of 2001 (NCLB). Title I, Part A is the funding source that provides assistance to states and school districts to meet the needs of educationally at-risk students. Title I ensures that all students have fair, equal, and significant opportunity to obtain a high quality education and reach proficiency on state academic assessments.

Requirements of Title I Schools include the following:

- Each district that receives Title I, Part A funds are required to develop a written parent involvement policy that outlines the district's expectations for parent involvement. This policy is jointly developed with and agreed upon with parents of children participating in Title I, Part A programs and distributed to parents of all children in participating Title I, Part A programs. This year due to the pandemic policy will be displayed on the OCEANAIR webpage.
- Conduct a meeting each school year to inform parents of the policy, Title I, and their right to be involved. (Zoom / Class Dojo)
- Develop with parents a School-Home Compact that describes what the school, family, and students will do to support student success and distribute to parents. Will use the prior year and change items where applicable.
- Provide materials and training for families to support student learning and increase family engagement. Appointment Only.

The policy was adopted by Oceanair Elementary September 2020 and will be in effect for the period of the 2020-2021 school year. The school will display the Title I, Part A policy on the OCEANAIR webpage during this COVID-Pandemic. The school will provide copies to each parent of a child participating in a Title I, Part A program upon request. Additional copies of the full policy will be located on the Oceanair website, in the school office, library and Parent Resource Center.
