

April 15, 2024

Dear Parent/Guardian,

Norfolk Public School's district Standards of Learning (SOL) upcoming test window is listed below. Each school selects their testing dates within the division window. Be advised, all dates are subject to change due to circumstances.

- Spring Term Grad and Specialty Session SOLs (High School): April 29-May 3
- Spring Non-Writing End of Course (EOC) SOLs (High School): May 6-May 31

SOL tests measure achievement of the Virginia Standards of Learning in grades 3 through End-of-Course (high school). In addition, at the End-of-Course level SOL tests are required to verify credit for graduation. The SOL tests continue to be required to administer in a face-to-face setting. All will be administered online, unless otherwise indicated via a school committee.

Parents/Guardians will be notified of results through the online Parent Portal provided by VDOE for all tests except Writing. The Parent Portal is a system that will allow parents to log in to see their child's test scores. Scores will be available in the Parent Portal and available in ParentVUE. Claim Codes and Score Reports will be available in ParentVUE under documents. Use the Claim Code to see scores and specific skills performed well and those for which additional support may be needed in the Parent Portal.
