The Virginia On-time Graduation Rate is the percentage of students from a cohort who earned an approved diploma within four years of entering 9th grade.

*The Graduation rate as defined by the Board of Education: $\text{On-time Graduates in Year X} = (\# \text{ of 1}^{\text{st}} \text{ time entering 9}^{\text{th}} \text{ graders in year } x - 4) + (\text{Transfers in}) - (\text{Transfers out and deceased})$
