**A Message from Adale Martin, Ph.D.
Chairwoman, Norfolk School Board**

On behalf of the School Board of the City of Norfolk, I am submitting for Norfolk City Council's consideration the *School Board's Approved Educational Plan and Budget* for Fiscal Year 2022. The School Board approved this expenditure plan on March 17, 2021. Plans are to execute it as follows:

Operating Budget	
General Fund	\$349,293,630
School Nutrition Fund	22,000,000
Grants and Special Programs	39,808,300
Federal Coronavirus Relief and Recovery Supplement	50,449,127
Textbook Fund	<u>1,280,720</u>
Sub-total – Operating Budget	\$462,831,777
Capital Improvement Fund (including school bus replacements)	<u>17,000,000</u>
Total Operating and Capital Budget – All Funds	<u>\$479,831,777</u>

Before I share an overview of this budget proposal, I want to emphasize that every member of the School Board is proud of how this school division has navigated the complexities of delivering educational services to children in the midst of a pandemic. So, in this very public document I offer a salute to our:

- School nutrition workers who by January 26, 2021, had served 2 million meals to Norfolk children;
- Teachers who worked tirelessly to engage students in positive learning experiences and facilitate instruction virtually;
- Custodial staff who fulfilled their roles admirably by continuously going the extra mile to keep buildings clean, safe and healthy;
- Support staff who remained committed to making sure that essential daily tasks could be completed during the mandated closure; and finally,
- Administrators who have led building and department efforts with ingenuity and innovation in the face of intense challenges.

In fact, I invite you to take a moment to review all of the wonderful accomplishments across the entire school division that are included in this budget document. I believe City Council will find it inspiring to see in detail the collective efforts and resilience of the Norfolk Public Schools' community in achieving great things during such unprecedented circumstances.

(March 27, 2021, Page 2 / 6, Message from Adale Martin, Ph.D.)

During her presentation of the budget proposal, our Superintendent, Dr. Sharon I. Byrdsong, shared a quote with us that captures the essence of budgeting. This quote resonated with members of the School Board, so I felt it relevant to also share here. Former President Barak Obama once said, “*A budget is more than a series of numbers on a page; it is an embodiment of our values.*” As the School Board chair, I unequivocally stand in full support of this budget proposal as it speaks volumes about Norfolk Public Schools’ commitment to the approximately 29,000 students it serves. This proposal is designed not only to begin our recovery from the impact of a crushing pandemic, but also to uplift children and staff in very substantive ways. It is built on a foundation of five priorities:

- Compensation
- Additional Resources for Schools/Students
- Safety and Security
- Technology Infrastructure and Instructional Supports
- Building Maintenance and Repairs

Compensation

Many of us are painfully aware of the dramatic changes that have taken place in public education since the mandated school closures in March 2020 in response to the coronavirus pandemic. In Norfolk, teachers and our instructional colleagues reinvented how they delivered educational services. NPS teachers proved they were eminently adaptable; initially assembling and distributing paper learning packets and rapidly migrating to engage students online through virtual instruction.

This month, NPS teachers are embarking upon another transition that involves facilitating in-person instruction to half their class while simultaneously engaging students remotely. There is no argument about it. Their jobs have become increasingly more difficult. This new reality is not for everybody, and we are concerned that more teachers will leave this year than past years. It is imperative that we offer a more competitive compensation package if we are to be successful in recruiting new teachers. Accordingly, we plan to increase starting pay for new teachers from \$44,220 to \$47,000.

While attracting new staff is vital, we must also retain seasoned teachers and staff. To that end, we plan to increase teacher pay by an average of 5.1% at the start of the school year. We plan to implement similar pay increases for classified employees to ensure they are fairly compensated and to address the scheduled increase in the minimum wage to \$11 starting January 1, 2022. Finally, we plan to also recognize the leadership and vision that has been executed with the superintendent’s recommendation for a 3% increase in pay for NPS administrators.

While the School Board takes pride in NPS’ ability to provide solid salary increases for employees, we are pleased that affordable healthcare coverage is also available. In January, school employees realized a 12% increase in healthcare premiums. In working with the Norfolk Consortium, next year’s increase will drop by nearly one-half to 6.6%. Fortunately, for employees, NPS will share in managing the increased cost of health insurance.

(March 27, 2021, Page 3 / 6, Message from Adale Martin, Ph.D.)

The City of Norfolk's leadership is well aware that the Coronavirus Aid, Relief and Economic Security (CARES) Act has proved invaluable in shoring up the fiscal well-being of localities and school systems across the nation. We are grateful that this proposal contains \$50.4 million in CARES funding, which we plan to spend over the next two years as follows:

- Stipends for teachers who teach both in-person and virtually (concurrently);
- Instructional assistants for teachers requiring medical accommodations and as such, must continue to work remotely;
- Bonus/incentive pay for custodians and bus drivers to compensate for increased cleaning and sanitation duties;
- Recruitment and retention incentives for bus drivers to address the severe shortage of new recruits; and
- Bonus/incentive pay for school nutrition workers who continue to deal with added duties related to the pandemic.

Additional Resources for Schools and Students

The School Board and leadership team of NPS spent a great deal of time discussing how to effectively address the academic and social-emotional needs of our students. While our goals have not changed, the challenge has been exacerbated by the extended suspension of in-person learning due to the threat of COVID-19. Rightfully, you will find this portion of the budget message quite extensive as the Board's aim is to uplift children no matter where they fall on the learning spectrum. Please keep that in mind as you review these recommendations:

- One (1) additional reading coordinator and one (1) additional mathematics coordinator to improve reading and math instruction across the school division;
- Five (5) new gifted resource teachers to begin addressing the need to increase services in the area of gifted education instruction and to better ensure schools have the appropriate resources to meet the academic and social-emotional needs of gifted learners;
- Two (2) additional instructional technology specialists for the Lake Taylor School to undergird the school's new technology focus, a plan approved by the School Board at its March 17 meeting;
- One additional special education teacher specialist to better position the school division to address an increase in the number of students with emotional disabilities, as these students do require intensive services;
- A contract adjustment for one existing teacher specialist position (from 11 to 12 months) to improve special education planning, compliance, training and preschool assessment;
- Three (3) new positions for the assessment of pre-school students. A team approach will be employed for assessments of pending pre-school enrollees. This approach will involve the hiring of one (1) speech pathologist, one (1) psychologist and one (1) social worker. The team will be charged with expediently conducting screenings and evaluations as well as facilitating eligibility and IEP meetings;
- One (1) additional English language learner specialist to better address the needs of students seeking to master the complexities of the English language;
- Five (5) additional behavior specialists to strengthen support for schools with significant behavioral and discipline challenges;
- One (1) additional school social worker to ensure more comprehensive support for the social, emotional and behavioral issues of students, particularly those most adversely affected by the pandemic;

(March 27, 2021, Page 4 / 6, Message from Adale Martin, Ph.D.)

- Nine (9) new attendance technicians and contract extensions for two (2) existing attendance technicians so the school division can more assertively identify students who have been absent or inconsistent in their attendance;
- Two (2) new foreign language teachers to provide instruction in Chinese to address the considerable increased interest of students in recent years;
- Eleven (11) health and physical education assistants to support the wellness of students and the extension of recess for prekindergarten through second grade students;
- The addition of one (1) communications administrator to ensure the successful expansion of community engagement efforts at the division and school levels;
- The addition of one (1) equity administrator to address systemic diversity, inclusion and equity issues;
- Implementation of an extended school day and tutoring program and expansion of the Summer Basic Skills program to address inevitable student learning losses resulting from the pandemic;
- Additional reading and mathematics support at the middle school level to enhance literacy and numeracy amongst students;
- Additional early reading support to address a decline in PALS scores;
- Additional software to support blended instruction and provide for more instructional differentiation;
- Support for the continuation of three Grow-Our-Own programs for (1) reading specialists, (2) mathematics specialists, and (3) assistant principals and principals;
- Increased professional development for teachers that addresses student literacy;
- Enhanced professional development to encourage more consistent, division-wide execution of social-emotional supports for students in all of our schools; and
- Additional professional development for teachers in trauma-informed care; continuation of a psychologist intern program; and increased monetary allocations for art and music at the secondary level.

Safety and Security

In the past, we largely viewed safety and security in terms of public safety measures. The pandemic has broadened the collective paradigm of school division leadership to include significant public health strategies. Recommendations in this proposal include:

- The addition of five (5) full-time roving security officers as a first step towards providing all elementary schools with security support comparable to security at secondary schools;
- Increased funding for personal protective equipment (PPE) and related supplies to protect students and staff to the maximum extent possible; and
- Additional funding for instructional supplies and consumables to help limit students' sharing of materials. This should help contain the spread of the coronavirus and other infectious diseases.

Technology Infrastructure and Instructional Support

Our fourth priority centers on a recalibrated vision for the vitality and reach of technology, especially in the delivery of instruction to children. Until last year, the understandable focus was on traditional in-person student learning, then came the COVID-19 pandemic and the result was a considerable shift in how educators regarded what constituted effective teaching and learning strategies.

(March 27, 2021, Page 5 / 6, Message from Adale Martin, Ph.D.)

While we may consider the pandemic as the worst of times for educators, we cannot deny that it also sparked greater creativity as teachers and administrators reevaluated how to encourage student engagement. The effective use of technology proved crucial.

Consequently, this recommendation builds on that creativity, using technology to provide a safe, secure, and engaging environment for teaching, learning, and sustaining the operations of Norfolk Public Schools. To that end, we will employ federal CARES and CRRSA grants to:

- Embark upon a major upgrade of our network systems and cybersecurity to safeguard the educational/work experiences of students and staff; and
- Implement virtual learning supports that pave the way for improved access to the Internet and provide the latest technology (both hardware and software) to students and teachers.

Our goal is to end the digital divide in Norfolk Public Schools.

Building Repairs and Maintenance

NPS' fifth priority focuses on the capital budget. Therefore, I will diverge from the operating budget to recognize the desperate need for increased investment in school buildings. As you are aware, for many years the city's capital improvement budget (CIP) allocated only \$3 million annually for school maintenance. For the current fiscal year, City Council increased that contribution to \$9 million. While the School Board was grateful for that increase, candidly we were disappointed last year when our \$17 million request was not accommodated.

NPS has taken a strategic, long-range approach to outlining its school renovation and repair needs with the help of an educational planning firm, Cooperative Strategies. Following an exhaustive review of our buildings, Cooperative Strategies and school division leadership advised the School Board that the maintenance needs of this school division stand at more than \$200 million. The School Board was further advised in order to make incremental improvement possible, \$16 million annually would need to be allocated in the CIP. With only \$9 million allocated for the current fiscal year, Norfolk Public Schools regrettably has fallen even further behind.

I am hopeful the School Board and City Council will continue to meet jointly to address the long-term implications of inadequate funding for school facilities. Our two governing bodies must collaborate more strategically if this school division is to be successful in systemically updating and/or replacing inadequate schools. It is imperative that we provide safe, secure, and welcoming learning environments for all students.

The School Board's capital budget recommendation for FY 2022 once again amounts to \$17 million. We plan to use \$17 million to replace school buses (\$1 million) and spend the remaining \$16 million on priority roof replacements at four schools, as well as heating, ventilation, and cooling replacement at one school, door/window replacements at six schools, and a feasibility study for the renovation/rebuilding of a high school. However, the plan is flexible so that we can address more immediate issues should they emerge.

If students are to attend comfortable and well-maintained schools, it is imperative for Norfolk City Council to fully fund the School Board's request. Our children and tomorrow's leaders deserve nothing less.

(March 27, 2021, Page 6 / 6, Message from Adale Martin, Ph.D.)

In Conclusion

Superintendent Byrdsong and her staff have provided a well-defined plan that addresses the instructional priorities of both the School Board and City Council. Our goals are (1) addressing the academic and social-emotional needs of children along with (2) retaining the dedicated and hard-working employees who are essential to our success. We have accomplished these goals with the operating budget while respecting the resource constraints contained in Council’s policy for allocation of local revenue. We request an annual increase in the capital improvement budget of \$7 million to ensure that we can address the ongoing deferred maintenance requirements of aging school facilities.

We are most appreciative of the support that the City Council has provided and look forward to working with you in the future.

Sincerely,

Adale M. Martin, Ph.D.
Chairwoman
The School Board of the City of Norfolk

FY2022 School Board's Proposed Budget-At-A-Glance

FY2022 School Board's Proposed Budget-At-A-Glance

WHAT THIS BUDGET SUPPORTS

- Salary Increase
 - Teachers
 - Increase starting pay for teachers from \$44,220 to \$47,000 to begin a steady, incremental approach to increasing teacher starting pay to attract teachers and remain competitive.
 - Provide a step increase for teachers to receive an average of 5.1% pay raise depending on their current placement on the salary scale
 - Classified employees to receive a step increase and an average pay raise of 5.0% depending on their current placement on the salary scale
 - Administrators to receive a step increase and an average pay raise of 3.0% depending on their current placement on the salary scale
- Health Insurance Premium
 - Continue to provide a robust benefits plan. Premium will increase by 6.6% effective Dec 2021 (down from 12.0% from this year) and will be shared proportionately between NPS and employees
- Increase teacher part-time hourly rates
 - Increase rate from \$25 to \$30 to remain competitive
 - Increase rate from \$29.27 to \$35 for summer program to remain competitive
- Increase classified part-time hourly rates
 - Increase rates to meet the minimum wage and remain competitive
- Add one reading coordinator and one math coordinator to address students' on-going literacy needs.
- Add five (5) gifted resource teachers to address the academic and social emotional needs of our gifted learners.
- Add two instructional technology specialists for Lake Taylor School to support the schools new technology focus.
- Add one teacher specialist to support the increase in students with emotional disabilities needing a more restrictive continuum of services.
- Extend contract for one teacher specialist from 11 to 12 months to support special education planning, compliance, instructional training, and preschool assessment.
- Establish non-enrolled preschool assessment team including a speech pathologist, a psychologist, and a social worker. The team conduct student screenings and evaluations, and facilitate eligibility and IEP meetings.
- Add one specialist for English Language Learners for academic and social emotional needs.
- Add five (5) behavioral specialists to provide additional behavioral intervention supports for schools
- Add nine (9) attendance technicians to support attendance and academic progress of students

FY2022 School Board's Proposed Budget-At-A-Glance

WHAT THIS BUDGET SUPPORTS

- Extend contract for two attendance technicians from 10 to 11 months to support attendance and academic progress of students.
- Add two foreign language teachers to address demands for students who desire to study the Chinese language.
- Add stipends for wellness champions' stipends at every school (see School Wellness Policy).
- Add one communications administrator to support division-wide communications and community engagement.
- Add one equity administrator to support division-wide diversity, inclusion, and equity matters.
- Increase art and music education allocations from \$2.50 to \$3.50 per student at the secondary level.
- Add five (5) security officers to provide full-time roving security officers to support elementary schools.
- Improve network and cybersecurity to safeguards the divisions' systems, services, and data against unauthorized use, disclosure, modification, damage, and loss.
- Continue governance training - continue contract services for the governance team.
- Provide funds for contract services for the NPS Strategic Plan.
- Provide children in St. Paul's Quadrant with educational and social-emotional support; the proposed budget includes part-time pay for social workers, school counselors, and psychologists to provide necessary services.

In order to address priorities, it is necessary to identify savings elsewhere in the budget:

- Eliminate fifteen existing allocated teaching positions due to declining enrollment (will be accomplished through attrition).
- Realign ten existing positions to address district's highest priorities.
- Re-basing salaries and employee benefits to reflect existing staff and attrition savings.

Use a portion of the CARES Act funds to provide:

- In-person virtual accommodations for teachers to provide support for classroom teachers needing accommodations,
- Teacher stipends to compensate teachers for concurrent teaching if hybrid learning continues next year,
- Bonus/incentive pay for custodians and bus drivers to for additional cleaning and sanitizing of school facilities and school buses,
- Recruitment incentives for bus drivers to increase the pool of qualified bus drivers,

FY2022 School Board's Proposed Budget-At-A-Glance

WHAT THIS BUDGET SUPPORTS

- Bonus and/or incentive pay for school nutrition workers to compensate school nutrition workers to support the school division's child nutrition programs,
- One school social worker to provide mental health supports to address social, emotional, and behavioral needs of students impacted by the pandemic,
- Eleven (11) health and physical education assistants to support student wellness with physical education three (3) days per week for K-4 students and extending recess for PreK-2 students,
- Extended school day/tutoring program to address the learning loss of students throughout the school year,
- Summer Basic Skills and Innovation Programs that address learning loss with extended summer school,
- Literacy support for middle schools to provide additional support to students in the areas of math and reading,
- Reading support for early learners to provide PALS tutoring in grades K-2,
- Software for Differentiated Learning to support blended learning instruction,
- Resources to support Early Literacy through the purchase books for early learners (K-2)
- Materials for individual students to reduce the spread of pandemic associated with sharing materials,
- Support for Social-Emotional Learning (SEL) through part-time social workers, school counselors, psychologists, and SEL programming,
- Grow Our Own Program for reading and mathematics through a partnership with a local university that grows the pipeline of reading and math specialists,
- Grow Our Own Program to continue division-level program to develop future school leaders,
- Professional Development opportunities in literacy, social-emotional learning, and trauma-informed care.
- Psychologist Internship Program to provide a pipeline for future school psychologists who support the social emotional needs of students,
- Personal Protective Equipment (PPE) and other related supplies to protect students and staff from the spread of germs and infectious disease,
- MIFIs to renew the contract for services to provide students with internet access for virtual learning,
- Device replacements for students (Chromebooks) and teachers (laptops), and
- Ventilation system upgrades across the division.

Finally, we plan to use a portion of the Capital Budget to continue the Educational Planning Study contract in support of specialty programs at Booker T. Washington High School. The study primary objective is to strengthening the choice specialty program through an objective analysis of program offerings and facility capacity.

FY2022 Executive Summary

Norfolk Public Schools

Mission Statement

Ensure that all students maximize their academic potential, develop skills for lifelong learning and become successful contributors to a global society. We believe Norfolk Public Schools is the cornerstone of a proudly diverse community with highly qualified teachers and staff dedicated to providing diverse teaching and learning opportunities for all students.

School Board Goals

- Improve Student Academic Achievement and Outcomes
- Ensure Safe, Caring, and Healthy Learning Environments
- Strengthen Family and Community Engagement

School Board Priorities

- Increase the percentage of schools earning full accreditation (100% fully accredited by 2024)
- Increase the percentage of VDOE Continuous Improvement Schools and NPS high academic performing schools
- Decrease all subgroup achievement gaps (5% or less by 2024)
- Increase the on-time graduation (85% by 2024)
- Provide educational equity, options, and opportunities
- Attract and retain highly qualified & effective staff (fully staffed at start of school)
- Expand educational planning and create a five-year capital improvement plan for facilities and technology
- Promote a culture of safety, high attendance rates, decreased dropout rate, positive organizational culture, and student behavior
- Attract and retain community partnerships and strengthen family engagements
- Strive to improve relationships and increase governance capacity (School Board only)

Five Goals for Achieving Equity and Excellence for All ... Drive for Five!

- Work to improve students' academic performance and will work to integrate social-emotional learning into daily instruction.
- Attract and retain highly qualified, effective teachers to teach our students.
- Improve our aging infrastructure so that our students are educated in school buildings that are worthy of them.
- Be more purposeful and strategic in developing and sustaining effective partnerships with our families and other community stakeholders.
- Be more intentional in our efforts to foster a division-wide culture of caring.

FY2022 Executive Summary

Norfolk School Board

The seven members of the Norfolk Public Schools School Board are elected on a staggered four-year term. The School Board members annually elect a Chair and Vice Chair from among the seven members. The School Board also has one non-voting student representative. Additional information, meeting agendas and minutes can be found on the district website at www.npsschools.org/board.

Mr. Jesse Zamora	Senior Director, Information Technology
Mr. Dennis Fuddy	Senior Coordinator, Research and Planning
Mr. Steven Suttmilller	Senior Coordinator, Athletics

FY2022 Executive Summary

Accomplishments

Leading in the Pandemic

School divisions nationwide proved their ingenuity when the pandemic resulted in large-scale school closures. Norfolk Public Schools was one of those school divisions that worked effectively to deliver quality instruction as well as efficient support operations during this unprecedented time. Below are just a few of the highlights of the school division's work in this area:

- The NPS Virtual Scholars Academy (VSA) was developed to allow families to have their children attend school virtually, upon enrollment each semester. This option is remaining in effect for the duration of the school year, even in the event of schools' reopening to accommodate any parents/guardians who have that preference for their children. The curriculum and pacing for this PreK-12 academy are intended to align with in-person instruction once schools reopen.
- NPS worked diligently to close the digital divide by supplying mobile devices and MiFis to students so they could have that all-important access to teacher-led instruction.
- NPS developed a COVID-19 health metrics dashboard that provides pertinent data and health metrics reflective of our local community. Also, the school division's webpage is now linked to the Virginia Department of Health's database, which shares Virginia cities' and counties' health metrics (i.e. the number of new cases and the percentage of positive test results) to ensure the community remains informed on current health conditions.
- A *Coronavirus Communications Update* newsletter has been published regularly and sent to all families to ensure they had the latest information on a variety of topics such as the phased return approach to in-person instruction to where families can access Grab-n-Go meals for children to how to provide input on School Board policies.
- NPS Initiated a partnership with the Norfolk Department of Public Health to make collaborative decisions that meet the needs of the school community. This partnership allows NPS to implement a more efficient and accurate contact tracing program in schools and administrative offices.
- NPS developed a comprehensive Return to In-Person Instruction and Operations Plan. As part of an effort to ensure that families and staff remain informed about decisions for reopening schools, the school division created a comprehensive webpage that outlines a planned phased approach to in-person instruction; the health mitigation strategies that will be employed in all schools; the protocol for reporting positive cases; and information regarding childcare, transportation, and instructional schedules.
- The school division created a return to athletics plan. To ensure stakeholder awareness of the status of various programs and decision-making protocols, a supporting webpage, aligned to health metrics, was developed and launched. This webpage includes a video that explains the NPS approach completely, yet concisely.
- The School Nutrition staff worked efficiently and effectively once schools closed to ensure children could continue to be provided healthy meals. Grab-n-go meals are served to any child 18 years of age or younger who resides in the City of Norfolk. As of January 26, 2021, staff had served 2 million meals to the children of Norfolk.
- NPS applied for and was approved to participate in the Community Eligibility Provision (CEP) meal service option which allows the school division to offer breakfast and lunch to all students at no charge.

FY2022 Executive Summary

Other School Division Highlights

The following provides some compelling examples of other accomplishments of the school division, ones not necessarily related to pandemic mitigation. However, please note space limitations in this document also mean this is not an exhaustive list. They include:

- The Superintendent's instructional vision for NPS was developed and communicated. Known as the *Drive for Five*, this vision focuses upon five goals designed to move the school division measurably toward "Equity and Excellence for All."
- The school division received the Meritorious Budget Award from the Association of School Business Officials International. This marked the first time NPS has received this prestigious award.
- NPS implemented the use of its first learning management system (LMS), Canvas, which serves as the backbone of the school division's virtual learning program. This LMS provides for the integration of software programs that previously had been regarded as separate or stand-alone functions.
- NPS hosted a Virtual New Teacher Institute designed to provide a comprehensive introduction of the organization for new teachers.
- NPS held Back-to-School Professional Development for teachers and staff on a large-scale, virtual basis.
- The Transportation staff readied the "Here Comes the Bus App" for rollout when in-person instruction resumes.
- A comprehensive water testing program was initiated and completed at all schools and facilities. This program tested water for unacceptable lead content and mitigated the instances where that proved to be the case.
- More than \$8.6 million in school capital projects were completed or are underway now. These included roof and door replacements at schools; bleacher replacements; media center renovations; restroom renovations; lighting improvements and the purchase of furniture for schools and equipment.

School-level and Staff Highlights

The following is a brief overview of school-level and staff accomplishments for School Year 2020-2021:

- Camp Allen Elementary School was selected to receive the 2020 Board of Education's Continuous Improvement Award through the Exemplar School Recognition Program.
- Paul G. Xenakis, a history teacher at Ghent School, was recognized by the John Marshall Foundation for excellence in middle school teaching.
- Dennis Holland, principal of Lindenwood Elementary School, has been recognized by the Virginia Department of Education's Office of School Quality for his leadership with classroom lesson evaluation support in Region 2.
- Marianna Boyer, school nurse at Tarralton Elementary School, was recognized by the Virginia Department of Education and the Virginia Department of Health for Outstanding School Nursing Practice in Virginia Schools during the COVID Pandemic.
- Booker T. Washington High School alum and former professional football player, Bruce Smith, presented his alma mater a \$10,000 grant on behalf of the NFL Foundation. The grant will be used to support the school's athletic program. Superintendent Dr. Sharon I. Byrdsong and BTWHS Principal Dr. Margie Stallings accepted the check on behalf of the school and the school division.

FY2022 Executive Summary

- Tidewater Park and P. B. Young, Sr. Elementary Schools have been recognized for receiving the 2020 Virginia Board of Education's Continuous Improvement Award.
- Chesterfield Academy Principal Trovene Logan and Booker T. Washington High School Principal Dr. Margie Stallings were recognized by the Virginia Department of Education's Office of School Quality for their leadership in addressing chronic absenteeism for the Commonwealth.
- The Maury High School Scholastic Bowl team won the 5A Regional Conference after sweeping all seven games! The Commodores are now headed to the VHSL State Championship on March 13, 2021.
- The Virginia Department of Education recently recognized Dr. Lucy Litchmore, principal at Jacox Elementary School, and Dr. Melanie Patterson, principal at Lake Taylor School, as Leaders of Master Schedule Support for Schools.
- Stephen Suttmilller, Senior Coordinator of Athletics, will be inducted into the Virginia Athletic Trainers' Association (VATA) Hall of Fame Class of 2021. The VATA Hall of Fame Award is given to a qualified individual who is recognized for going above and beyond in their dedication and service to benefit the athletic training profession in the Commonwealth of Virginia. He will be recognized virtually at the 2021 VATA Symposium and in-person at the 2022 VATA Symposium.

FY2022 Executive Summary

Economic Outlook (February 2021)

The past twelve months have been like no year in memory. At the start of 2020, employment in the region had finally surpassed the pre-recession levels of 2007 and the outlook was of cautionary optimism. In October 2019, Old Dominion University's annual State of the Region Report was the most upbeat since the start of the Great Recession; it began with this assessment:

Full Speed Ahead: The regional economy continues to improve for the first time in a decade, the Hampton Roads economy is poised to grow for the third straight year. Unemployment has declined, incomes have increased, and output has risen. Increases in defense spending, tourism and education and health services have fueled our recent growth.

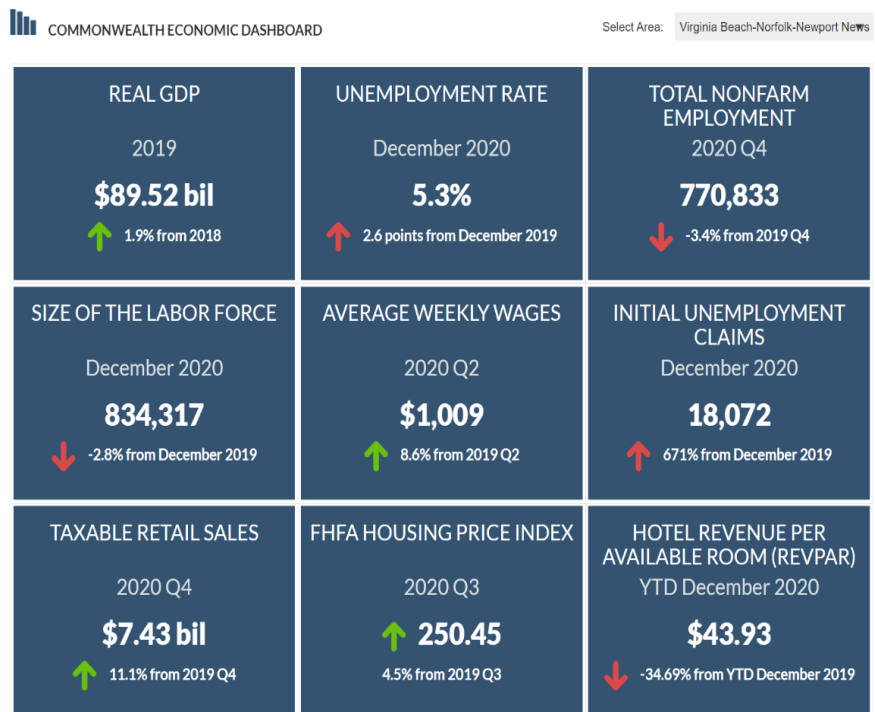

Less than six months later, the entire nation experienced a near-economic collapse as governors across the United States instituted measures designed to curtail the deadly spread of the coronavirus. In Virginia, Governor Northam limited social gatherings of more than ten people and closed businesses that require close contact between staff and customers. The impacts of COVID-19 and executive action to limit the spread of the virus were immediate. In Hampton Roads, employment dropped 11.5% in a single month (between March and April 2020) as employers closed and laid off employees that they could no longer afford to pay. By June, businesses started reopening, and employment improved, but it was still down 63,700 jobs from June 2019 (down 7.6%).

Since June 2020, the regional economy has truly been a mixed bag with improvements in retail sales, housing prices, and average weekly wages. Taxable retail sales during the fourth quarter of 2020 were 11.1% greater than the previous year. However, employment during the last quarter of 2020 was 3.4% lower than the previous year and the labor force declined by 2.8% as some workers were forced to exit the labor market to care for family members impacted by COVID-19. The dashboard below is provided by the Dragas Center for Economic Analysis and Policy at Old Dominion University.

While there are bright spots in the regional economy, the continued rise in initial unemployment claims, reduced non-farm employment, and a contraction of the service sector remain an economic concern and threat to the stability of city and state revenue.

With the closing of large portions of the service economy, officials of local and state governments revised revenue projections in anticipation of the disruptive impacts of efforts to curtail the spread of the pandemic.

By May 2020, both the Commonwealth of Virginia and the City of Norfolk revised their budgets, which translated in a \$13 million reduction in School General Fund spending plans for FY 2021. The expectation of a modest increase in General Fund resources suddenly vanished.

FY2022 Executive Summary

While the Norfolk Public Schools (NPS) General Fund budget for FY 2021 was essentially flat, revenue projections at both the state and city level have since proven overly pessimistic. Although employment and activity of many small service-based businesses are down, state and city revenue collections are stronger than was expected. The Dragas Center reports healthy increases in retail sales activity at both the state and regional levels. The Norfolk Budget Office reports that real estate tax collections have remained at pre-pandemic levels. It also reports that revenue accounts shared with NPS are performing better than was projected last year. The unexpected strength in state and local tax collections has a very positive impact on the NPS operating budget for FY 2022.

Federal Assistance to School Districts

The federal Coronavirus Aid, Relief and Economic Security (CARES) Act is helping blunt some of the negative fiscal impact on the school division. Under the Act approved by Congress in March 2020, Norfolk Public Schools is receiving nearly \$35 million in stimulus funding to address impacts of the pandemic. NPS has designed programs that address COVID-19 impacts on students, especially those with disabilities, English Language Learners, and students who are homeless. CARES funds have and continue to be used for:

- Training and professional development on remote learning and sanitation that minimizes the spread of infectious diseases,
- Summer learning and supplemental after-school programs,
- Technology that makes virtual learning possible,
- Mental health services and supports that help students negatively impacted by COVID-19, and
- Purchasing protective equipment and sanitizing school and work sites.

In December 2020, Congress approved and the President signed a second round of stimulus funding with the Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA). Under the Act, NPS is scheduled to receive over \$50 million to address the pandemic. These funds expire in September 2023 and are expected to be utilized as follows:

- Address social-emotional learning that has become more critical during the pandemic,
- Address pandemic-related learning loss with summer and after-school instruction,
- Address the unique needs of students from low-income households, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth,
- Provide professional development to teachers on virtual and concurrent teaching,
- Implement a replacement cycle for student and staff computer devices,
- Purchase personal protective equipment and sanitizing supplies, and
- Improve indoor ventilation and air quality with the replacement or upgrading of aging and obsolete HVAC equipment.

With the latest round of COVID relief funding, NPS is well-positioned to address student needs and alleviate parent concerns during the pandemic.

Prior to the pandemic, the ODU's 2019 State of the Region report noted that "Economic data illustrate that the Hampton Roads economy has recovered from the twin blows of the Great Recession and defense sequestration." Unfortunately, the regional economic expansion halted with the arrival of COVID-19. While the initial economic impacts of COVID-19 have not significantly impacted government revenue, the outlook for the next several years is uncertain given the virus' impact on the workforce. We are hopeful that the vaccination efforts now underway will ensure herd immunity so that economic activity can return to normal. If these efforts are successful, it is likely that economic factors that drive local and state revenue will remain stable.

FY2022 Executive Summary

Budget Development Process

This page is designed to provide an overview of Norfolk Public Schools' (NPS) annual budgeting process. Schools and administrative operations are funded by a fiscal year budget which is in effect from July 1 through June 30 of the following year. The operating budget funds all educational programs and the related services that serve 28,500 NPS students. Each year the development of a fiscal year budget is roughly a seven-month process. Here's a summary of major steps along the way:

Step 1: Beginning as early as October and extending through January, a collaborative development process is underway. First, staff from the Budget Office meets with Departments to discuss needs and priorities. Ultimately, the Superintendent and the Executive Leadership Team take this work into account and then work collaboratively to shape a budget built on the foundation of the School Board and Division priorities. These are outlined below.

School Board Goals

- Improve Student Academic Achievement and Outcomes
- Ensure Safe, Caring, and Healthy Learning Environments
- Strengthen Family and Community Engagement

School Board Priorities

- Increase the percentage of schools earning full accreditation (100% fully accredited by 2024)
- Increase the percentage of VDOE continuous improvement schools and NPS high academic performing schools
- Decrease all subgroup achievement gaps (5% or less by 2024)
- Increase the on-time graduation (85% by 2024)
- Provide educational equity, options, and opportunities
- Attract and retain highly qualified & effective staff (fully staffed at start of school)
- Expand educational planning and create a five year capital improvement plan for facilities and technology
- Promote a culture of safety, high attendance rates, decreased dropout rate, positive organizational culture, and student behavior
- Attract and retain community partnerships and strengthen family engagement
- Strive to improve relationships and increase governance capacity (School Board only)

Step 2: The collaboration between the Superintendent and the Executive Leadership team leads to the development of the Superintendent's Proposed Educational Plan and Budget, which is presented to the School Board in February.

Step 3: The School Board then considers the Superintendent's Proposed Educational Plan and Budget, makes modifications, if necessary, and adopts a budget proposal. By state code, this budget must be submitted to City Council on or before April 1 of each year.

FY2022 Executive Summary

Step 4: The City Manager and City staff review the School Board's adopted budget proposal and develop a combined city-schools operating budget proposal in that is then presented to City Council for consideration, usually in the March-April timeframe.

Step 5: City Council deliberates on the City Manager's proposal with the goal of adopting a combined city-schools operating budget in May.

Step 6: In mid-to-late May the School Board adopts a final operating budget based on any changes in funding approved by City Council.

Step 7: Any changes to the adopted budget requires approval of both School Board and City Council.

It is important to note that public input plays a vital role the development of a fiscal year budget for NPS. Throughout the year, departments hear from stakeholders on issues and needs important to them. These become important discussion points as the Executive Leadership team organizes to begin the budget development process, both for their departmental budgets and the overall school division operating budget. Likewise, members of the School Board in their various interactions with the community also take note of what their constituents feel should be NPS' financial priorities. In addition, organized, systemic opportunities for comment are offered in the form of public hearings. Information about the proposed operating budget is also disseminated in various ways, most notably through the school division's website.

FY2022 Executive Summary

FY2022 Budget Development Timeline

October 9, 2020	FY2022 budget development instructions provided to NPS departments
November 12, 2020	FY2022 budget requests due to Department of Budget and Grants Management
December 2, 2020	a) School Board Work Session – School Board to discuss/identify budget priorities b) School Board Public Hearing to receive citizens' input for the FY2022 Budget
December 16, 2020	a) School Board to provide the administration their identified budget priorities b) Governor's Budget Proposal for the 2020-2022 Biennium will be released
January 13, 2021	School Board Work Session - Administration to provide an update on Governor's Budget
March 3, 2021	a) School Board Work Session – Superintendent's Proposed FY2022 Budget presented to School Board b) School Board Public Hearing to receive citizens' input for the FY2022 Budget
March 10, 2021	School Board Work Session – Discussion of Superintendent's Proposed FY2022 Budget
March 17, 2021	School Board Business Meeting - Adoption of School Board's Proposed FY2022 Budget
April 1, 2021	Submission of School Board's Proposed FY2022 Operating Budget to Norfolk City Council
April 8, 2021	City of Norfolk's Public Hearing for FY2022 Proposed Operating and CIP Budgets (Date TBD)
May 11, 2021	a) Adoption of City of Norfolk's Annual Appropriation Ordinances for FY2022 Operating and CIP Budgets (Date TBD) b) Norfolk City Council appropriates funds for School Board's Operating Budget (Code of Virginia §22.1-93) (Date TBD)
May 19, 2021	School Board adopts the approved School Board FY2022 Operating Budget

FY2022 Executive Summary

Budget Priorities

The Fiscal Year 2022 Proposed Operating Budget reflects plans underway our recovery from a debilitating pandemic. The budget targets additional resources for schools and students to address the academic and social-emotional needs of students, including learning losses caused by a prolonged closure of schools. At \$349.3 million, it represents a 3.6 percent increase over the current fiscal year budget. The projected \$12.1 million increase is the result of an additional \$3.7 million from the Commonwealth and an \$8.4 million increase provided through the city-schools revenue-sharing agreement. This budget proposal also includes \$50.4 million of Coronavirus Relief and Recovery Supplemental Appropriations (CRRSA) approved by Congress in December 2020.

An operating budget reveals a great deal about any organization's values. The NPS budget reflects a commitment to excellence and equity for all students with targeted strategies that reach children across the learning spectrum. The work of dedicated teachers, principals, and support staff throughout the district makes student learning and achievement possible. It is essential that we recognize and reward superior results if we are to attract and retain qualified faculty. This financial plan contains recommendations for salary increases for employees that are commensurate with their dedication.

From a policy level, the Norfolk School Board has set three overarching goals:

- Improve student achievement and outcomes;
- Ensure safe, caring and healthy learning environments and
- Strengthen family and community engagement.

The school division's leadership team has responded by identifying five priorities to support achievement of these School Board goals. Those five priorities are:

- Employee Compensation
- Additional resources for schools and students
- Safety and security
- Technology infrastructure and instructional supports
- Building maintenance and repairs

Together, the goals and support priorities underlie this recommended spending plan. Specific recommendations are summarized as follows:

- **Compensation:** The proposal contains solid salary increases for staff - an average 5.1 percent for teachers; 3 percent for administrators; and 5 percent for classified staff. They have done Herculean work on behalf of children and staff compensation needs to adequately reflect their value.
- **Additional resources for students and staff:** The proposed operating budget provides a meaningful increase in resources to help schools address learning and the social-emotional needs of students;
- **Technology infrastructure and instructional supports:** This expenditure plan paves the way for technological improvements designed to eliminate the digital divide in NPS.

FY2022 Executive Summary

- **Safety and security:** The FY2021-2022 budget proposal is focused on safety and security that is two-fold. It contains additional resources to maintain the physical safety and security of schools along with resources to ensure our public health strategies are effective.
- **Building maintenance and repairs:** We propose an increase in capital funding so NPS can more effectively address deferred maintenance of aging schools. The budget proposes \$16 million of annual funding to replace failing roofs, aging heating and cooling systems, and deteriorated doors and window systems. We also proposes using \$15 million of CRRSA grants to improve ventilation in schools by replacing aging HVAC systems. It is necessary to improve the physical condition of school facilities so all schools are warm, safe, cool and dry.

Specific proposals to address budget priorities for FY 2022:

- Increase teacher part-time hourly rates
 - Increase rate from \$25 to \$30 to remain competitive
 - Increase rate from \$29.27 to \$35 for summer program to remain competitive
- Increase classified part-time hourly rates
 - Increase rates to meet the minimum wage and remain competitive
- Add one reading coordinator and one math coordinator to address students' on-going literacy needs.
- Add five (5) gifted resource teachers to address the academic and social emotional needs of our gifted learners.
- Add two instructional technology specialists for Lake Taylor School to support the schools new technology focus.
- Add one teacher specialist to support the increase in students with emotional disabilities needing a more restrictive continuum of services.
- Extend contract for one teacher specialist from 11 to 12 months to support special education planning, compliance, instructional training, and preschool assessment.
- Establish non-enrolled preschool assessment team including a speech pathologist, a psychologist, and a social worker. The team conduct student screenings and evaluations, and facilitate eligibility and IEP meetings.
- Add one specialist for English Language Learners for academic and social emotional needs.
- Add five (5) behavioral specialists to provide additional behavioral intervention supports for schools
- Add nine (9) attendance technicians to support attendance and academic progress of students
- Extend contract for two attendance technicians from 10 to 11 months to support attendance and academic progress of students.
- Add two foreign language teachers to address demands for students who desire to study the Chinese language.
- Add stipends for wellness champions' stipends at every school (see School Wellness Policy).
- Add one communications administrator to support division-wide communications and community engagement.
- Add one equity administrator to support division-wide diversity, inclusion, and equity matters.
- Increase art and music education allocations from \$2.50 to \$3.50 per student at the secondary level.
- Add five (5) security officers to provide full-time roving security officers to support elementary schools.
- Improve network and cybersecurity to safeguards the divisions' systems, services, and data against unauthorized use, disclosure, modification, damage, and loss.
- Continue governance training - continue contract services for the governance team.
- Provide funds for contract services for the NPS Strategic Plan.
- Provide children in St. Paul's Quadrant with educational and social-emotional support; the proposed budget includes part-time pay for social workers, school counselors, and psychologists to provide necessary services.

FY2022 Executive Summary

In order to address priorities, it is necessary to identify savings elsewhere in the budget:

- Eliminate fifteen existing allocated teaching positions due to declining enrollment (will be accomplished through attrition).
- Realign ten existing positions to address district's highest priorities.
- Re-basing salaries and employee benefits to reflect existing staff and attrition savings.

Use a portion of the CARES Act funds to provide:

- In-person virtual accommodations for teachers to provide support for classroom teachers needing accommodations,
- Teacher stipends to compensate teachers for concurrent teaching if hybrid learning continues next year,
- Bonus/incentive pay for custodians and bus drivers to for additional cleaning and sanitizing of school facilities and school buses,
- Recruitment incentives for bus drivers to increase the pool of qualified bus drivers,
- Bonus and/or incentive pay for school nutrition workers to compensate school nutrition workers to support the school division's child nutrition programs,
- One school social worker to provide mental health supports to address social, emotional, and behavioral needs of students impacted by the pandemic,
- Eleven (11) health and physical education assistants to support student wellness with physical education three (3) days per week for K-4 students and extending recess for PreK-2 students,
- Extended school day/tutoring program to address the learning loss of students throughout the school year,
- Summer Basic Skills and Innovation Programs that address learning loss with extended summer school,
- Literacy support for middle schools to provide additional support to students in the areas of math and reading,
- Reading support for early learners to provide PALS tutoring in grades K-2,
- Software for Differentiated Learning to support blended learning instruction,
- Resources to support Early Literacy through the purchase books for early learners (K-2)
- Materials for individual students to reduce the spread of pandemic associated with sharing materials,
- Support for Social-Emotional Learning (SEL) through part-time social workers, school counselors, psychologists, and SEL programming,
- Grow Our Own Program for reading and mathematics through a partnership with a local university that grows the pipeline of reading and math specialists,
- Grow Our Own Program to continue division-level program to develop future school leaders,
- Professional Development opportunities in literacy, social-emotional learning, and trauma-informed care.
- Psychologist Internship Program to provide a pipeline for future school psychologists who support the social emotional needs of students,
- Personal Protective Equipment (PPE) and other related supplies to protect students and staff from the spread of germs and infectious disease,
- MIFIs to renew the contract for services to provide students with internet access for virtual learning,
- Device replacements for students (Chromebooks) and teachers (laptops), and
- Ventilation system upgrades across the division.

Finally, we plan to use a portion of the Capital Budget to continue the Educational Planning Study contract in support of specialty programs at Booker T. Washington High School. The study primary objective is to strengthening the choice specialty program through an objective analysis of program offerings and facility capacity.

FY2022 Executive Summary

Fund Structure

Norfolk Public Schools total resources are made up of several components:

- **General Fund** - represents the “nuts and bolts” of the system. It finances instructional programs and day-to-day functions in support of those programs and is funded from state, local sources, federal, and miscellaneous funds.
- **School Nutrition Program** – This fund pertains to the operation of school cafeterias that serve breakfast and lunch to our students. The major funding sources include federal grant revenue (USDA National School Breakfast and Lunch Program) and charges to users.
- **Grants and Special Programs Fund** – Norfolk Public Schools receives numerous grants and special donations from various federal, state, and local sources for specific educational purposes. Provisions for all matching requirements is made in the school operating budget. Amounts are subject to change pending award notifications from the grantor.
- **Coronavirus Aid, Relief, and Economic Security (CARES) Fund** - Emergency relief funds intended to address the impact that COVID 19 has had, and continues to have, on elementary and secondary schools.
- **Textbook Fund** – This fund was established by the School Board in FY2020 and funds were transferred from excess revenues received during FY2018. In the future, the fund will be used to account for the purchase of newly adopted textbooks.
- **Capital Improvement Projects Fund** – These are funds appropriated for capital improvements including new construction, improvements, equipment, acquisition, or design/engineering. Capital Improvement funds are used to cover the cost of expenditures for alterations or conversions of interior space and other physical characteristics, renovation of a facility or its infrastructure, restoration of a facility or structure, and major repairs to restore a facility.

Summary of All Funds

Fund	FY2021	FY2022	\$ Change	% Change
General (Operating) Fund	\$337,148,281	\$349,293,630	\$12,145,349	3.6%
School Nutrition Program Fund	20,200,000	22,000,000	1,800,000	8.9%
Grants and Special Programs Fund	36,570,987	39,808,300	3,237,313	8.9%

Capital Improvement Projects Fund				
Deferred Maintenance	9,000,000	16,000,000	7,000,000	77.8%
Bus Replacement	-	1,000,000	1,000,000	0.0%
Textbook Fund	-	1,280,720	1,280,720	0.0%
Total – All Funds	\$421,143,102	\$479,831,777	\$58,688,675	13.9%

FY2022 Executive Summary

General (Operating) Fund

Revenues

Norfolk Public Schools expects to receive \$349.3 million in FY2022 to support the operation of the school division. This represents an increase of \$12.1 million (3.6%) from the FY2021 budget. As a public school system in the Commonwealth of Virginia, our funding is from two major sources: the Commonwealth and the City of Norfolk. Funding from the federal government and other local sources make up the additional sources of revenue.

NOTE: Totals may not add up to 100% due to rounding

FY2022 Executive Summary

State Revenues (\$207.0 million)

The Fiscal Year 2022 budget is based on Governor's Introduced Amendments to the 2020-2022 Biennial Budget (HB 1800/SB 1100).

State funds, which account for \$207.0 million or 59.3% of the total budget, are made up of:

- Standards of Quality (SOQ) funds, which include basic aid, sales tax, fringe benefit funds, special education, vocational education, etc.
- Lottery funded programs
- Incentive and categorical state funds

The SOQ funding level is determined by two major variables:

- Average Daily Membership (ADM) – the number of students in the district
- Composite Index – a sliding scale from 0 to 0.8. The higher the number, the higher the local share. Norfolk's composite index for FY2022 is 30.59%, which means that for every one dollar (\$1.00) spent in a given state-supported area, the city must spend about \$0.3059 in what is called "local share."

Given that SOQ funding is directly tied to ADM, changes in enrollment have significant budgetary implications (less students = less funding). As enrollment numbers change, so do the resources that we have available for the educational system. This impact is particularly acute given that current year data is used to calculate current funding, which means that the district needs to address any revenue shortfalls during the year in order to balance its books. The FY2022 budget is based on an ADM of 26,078 students' kindergarten through twelfth grade.

State sales tax revenues represent 1.125% of the educational component of the tax that is distributed to all school districts (another 0.125% is dedicated to the state portion of basic aid). All statewide revenue is pooled and allocated based on number of students that school divisions have in their systems.

Lottery funds represent funding received from the state that is a portion of profits made on the lottery system. These funds are not guaranteed and are dependent upon lottery receipts.

Other state revenues encompass a myriad of state assistance in the areas of technology, vocational education, primary class size, etc.

City Revenue (\$133.4 million)

Beginning in FY2020, to resolve longstanding concerns over the fair division of limited resources and to strike a balance between the funding requirements of school and city services, the Local Revenue Allocation Policy adopted by the City of Norfolk on May 22, 2018. The policy allocates a constant 29.55 percent share of non-dedicated local tax revenues streams: real estate tax, real estate public service corporation tax, personal property tax, transient occupancy (hotel) tax, sales and use tax, machinery and tools tax, food and beverage (meals) tax, consumer water utility tax, business license tax, motor vehicle license fee (city), communication sales and use tax, consumer gas utility tax, consumer electric utility tax and recordation tax. The FY2022 funding totals \$133.4 million, an increase of \$8.4 million in City appropriation or 6.7% over FY2021. City revenue for FY2021 is in two categories: regular appropriation of \$129.3 million and the ongoing appropriation of \$4.1million for debt service. The regular appropriation is the City's local support for education. The debt service is for construction, technology and infrastructure supported from a tax increase dedicating \$0.02 of real estate tax.

FY2022 Executive Summary

Federal Revenue (\$5.7 million)

Federal revenue consists primarily of Federal Impact Aid (FIA), which is based on the number of children in Norfolk that are associated with or impacted by federal programs. Impact Aid is designed to mitigate the loss of tax dollars due to income and property connected with the federal government that is not taxed. Children living in government supplied housing on a military base is an example. The FIA reflects funding of \$3.2 million for fiscal year 2022.

Medicaid Reimbursement is applied for by the Special Education department quarterly and is based on Medicaid eligible students to whom approved services are rendered. The expenses that are reimbursed are those spent from local funds. Federal and certain state funds are not eligible for reimbursement. Medicaid revenue reflects level funding of \$2.0 million for fiscal year 2022.

Navy Junior Reserve Officers Training Corps is a program that is funded by the military and the school system is reimbursed annually for the cost of the teachers who work in the secondary schools under this program. These teachers are provided at substantially reduced cost to the school system, and we are reimbursed at 50 percent.

Other Local and Miscellaneous Revenue (\$3.2 million)

Other local funds include revenue received from tuitions, fees, building rentals, etc. It also includes miscellaneous revenue from surplus sales, insurance reimbursements, and other small revenue items received on a one-time basis.

FY2022 Executive Summary

Expenditures

The table below provides a historical comparison of expenditures by categories:

Description	FTEs		Actual FY2018	Actual FY2019	Actual FY2020	Budget FY2021	Budget FY2022	% Chg	% of Bgt
	FY2020	FY2021							
Instructional Support	3,127.85	3,125.35	\$232,168,475	\$238,399,008	\$241,763,718	\$250,772,951	\$260,474,307	3.9%	74.6%
Admin, Attendance and Health	193.00	201.50	17,929,599	18,666,160	18,164,117	20,118,310	20,462,810	1.7%	5.9%
Pupil Transportation	300.00	300.00	13,025,812	13,355,574	11,110,349	14,030,317	13,621,315	-2.9%	3.9%
Operations and Maintenance	414.00	417.00	36,110,779	37,604,028	35,684,134	37,172,706	38,457,304	3.5%	11.0%
Facilities			1,373,168	329,784	1,296,882	5,432,670	5,552,670	2.2%	1.6%
Technology	63.00	63.00	13,279,468	11,004,682	9,543,014	9,621,327	10,725,224	11.5%	3.1%
TOTAL	4,097.85	4,106.85	\$313,887,301	\$319,359,236	\$317,562,214	\$337,148,281	\$349,293,630	3.6%	100.0%

The budget supports major areas of programming as defined by the state:

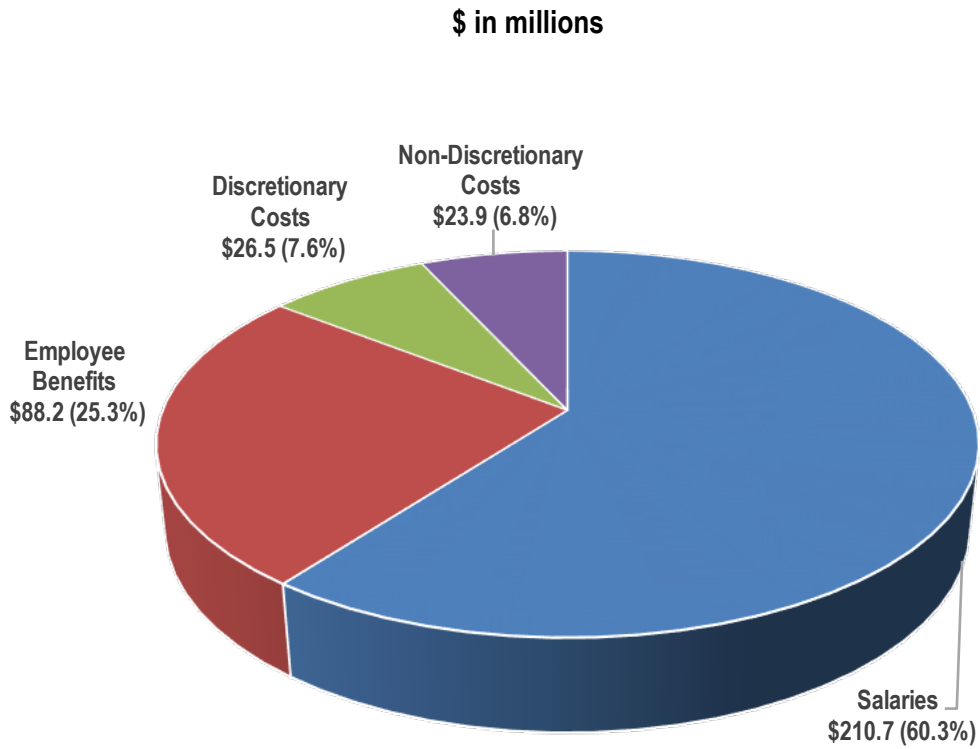

- Instructional Support 74.6%
- Administration, Attendance and Health Services 5.9%
- Pupil Transportation 3.9%
- Operations and Maintenance 11.0%
- Facilities 1.6%
- Technology 3.1%

NOTE: Totals may not add up to 100% due to rounding

FY2022 Executive Summary

The largest single component of our budget is staffing, which represents 85.6% (wages and employee benefits) of the FY2022 budget.

FY2022 Executive Summary

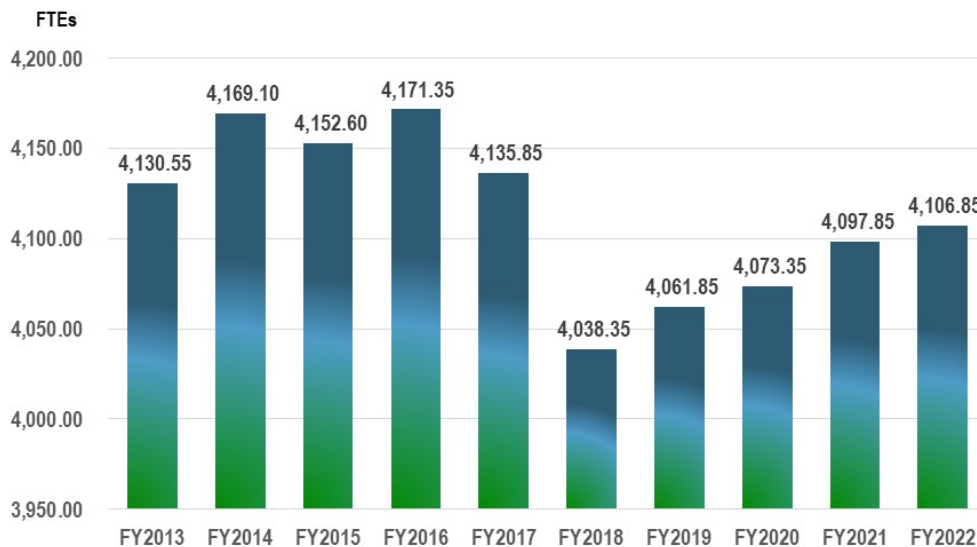

Staffing Overview

The FY2022 Operating Budget includes a staffing of 4,106.85 full-time equivalent (FTE) positions to carry out the mission of educating the children of the City of Norfolk. The majority of these positions are in Instructional Support (76.1%). To meet the budget targets, we reviewed existing positions for realignment to address our highest priorities and align staffing with the projected decline in student enrollment.

Notes:

- Students with Disabilities are a total unduplicated count of students receiving special education services on or about December 1st of each fiscal year for which Norfolk Public Schools is legally responsible. It includes students that may not be actually enrolled in Norfolk such as those enrolled in certain pre-school programs, students placed in private schools, and students unilaterally placed by their parents in a school outside of Norfolk.
- Limited English Proficient students are total students aged 3 thru 21, not born in the US or whose native language is other than English; a Native American or Alaska Native from an environment where a language other than English has had a significant impact on the individual's level of English language proficiency; and students who have difficulties in speaking, reading, writing, or understanding the English language.
- Economically Disadvantaged students are total students that are eligible for free/reduced meals, receive Temporary Assistance for Needy Families, eligible for Medicaid, are migrant or are experiencing homelessness.

FY2022 Executive Summary

Capital Improvement Projects Fund

These are funds appropriated for capital improvements including new construction, improvements, equipment, acquisition, or design/engineering. Capital Improvement funds are used to cover the cost of expenditures for alterations or conversions of interior space and other physical characteristics, renovation of a facility or its infrastructure, restoration of a facility or structure, and major repairs to restore a facility. All new school construction projects would be managed by the City of Norfolk while other capital improvement projects such as window and roof replacements, parking lot resurfacings, gymnasium repairs, etc. are managed by Norfolk Public Schools.

The City of Norfolk provides an annual projection of funding available to the School Board for capital needs. The committee is comprised of two school board members, Chief Operations Officer, Senior Director of Facilities Management, and other administrators. The Senior Director of Facilities Management coordinates a thorough review of all facilities and develops a list of proposed projects for review by the committee. Based on the funding provided by the City, the committee then prioritizes the projects within the amount appropriated. The City of Norfolk also provides funding for school bus replacements in the amount of \$1.0 million annually.

Debt Service - Legal Authorization

Pursuant to state law, NPS is fiscally dependent on the local government. As a fiscally dependent school division, NPS does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt. The School Board derives its authority from the State and has a constitutional responsibility to provide public education to the citizens of Norfolk.

City of Norfolk Profile

Norfolk is a vibrant city that is home both to the largest concentration of naval operations in the world and the vanguard of global security – the NATO Allied Command Transformation. A city where the Chesapeake Bay meets the Atlantic Ocean, Norfolk offers one of the world’s largest natural deep-water harbors and a temperate climate. The Norfolk International Terminals represent the largest part of the Port of Virginia, which, according to an economic impact study conducted by the College of William and Mary, contributes approximately 7.5 percent of the state’s gross product.

With an estimated population of 245,054 (Weldon Cooper Center, 2019), it is the state’s third-most populous city. It is a cultural center for Hampton Roads. Within its boundaries are many wonderful facilities such as the world-class Chrysler Museum of Art, the Nauticus National Maritime Center, the Scope and Chrysler Hall cultural complex, the Harrison Opera House, the Hermitage Foundation Museum, the Ted Constant Convention Center, the Attucks Theatre, and the Jeanne and George Roper Performing Arts Center, to name a few. There is also a significant presence of sports teams in Norfolk. Harbor Park is where the Norfolk Tides play Triple-A baseball; Scope Arena is where the Norfolk Admirals play ice hockey; and Old Dominion University and Norfolk State University have thriving football, basketball and baseball teams.

All of this is impressive, but consider its rich history too. It was established in August 1682 after a 1680 British Act ordered the establishment of a port town of 50 acres in each Virginia County. Norfolk was granted borough status in 1736 and was officially incorporated as a city in 1845. It was burned by orders of the outgoing British colonial government in 1776, but soon rebuilt. This city’s resilience cannot be underestimated. Today, as in the past, Norfolk’s resilience cannot be underestimated. It is a city confronting the challenges of rising sea levels and climate change. The city government has established an Office of Resilience dedicated to developing a resilience strategy that will design the coastal community of the future.

Norfolk Public Schools Profile

Norfolk Public Schools (NPS) is the largest urban school division in the Commonwealth of Virginia and the seventh largest division overall. The division enrolls a racially and economically diverse population of approximately 28,500 total students supported by a staff of more than 4,600 employees in 50 facilities. The educational philosophy of the division is based on the belief that all children can achieve at high levels and that it is the responsibility of the staff and community to ensure that each child reaches his or her highest potential.

Mission Statement

Ensure that all students maximize their academic potential, develop skills for lifelong learning and become successful contributors to a global society. We believe Norfolk Public Schools is the cornerstone of a proudly diverse community with highly qualified teachers and staff dedicated to providing diverse teaching and learning opportunities for all students.

Superintendent's Five Goals for Achieving Equity and Excellence for All ... Drive for Five!

- Work to improve students' academic performance and will work to integrate social-emotional learning into daily instruction.
- Attract and retain highly qualified, effective teachers to teach our students.
- Improve our aging infrastructure so that our students are educated in school buildings that are worthy of them.
- Be more purposeful and strategic in developing and sustaining effective partnerships with our families and other community stakeholders.
- Be more intentional in our efforts to foster a division-wide culture of caring.

Pre-Schools	1,278	1,863
Total	27,955	28,487

Norfolk Public Schools Profile

NPS has a variety of programs to meet the needs of students. Programs within the regular schools include those for students with special needs, English as a Second Language, Title I, and Gifted Education. Most NPS middle and high schools have specialty programs designed around student interests. These programs are by application with the Academy for Discovery at Lakewood including a selection by lottery. Below is a brief description of these programs:

At the Middle School Level

- Academy for Discovery at Lakewood is the home of Norfolk's International Baccalaureate's Middle Years Program.
- The Academy for International Studies at Rosemont is home to two programs. The first, as its name implies, focuses on world languages, world cultures and military sciences. The second is the Young Scholars Program for academically gifted students.
- James Blair Middle School houses a Pre-Med and Health Engineering Program
- The Southside STEM Academy incorporates problem and project-based learning with a special emphasis on the area of engineering.

At the High School Level

- The Academy of the Arts at Booker T. Washington provides students with in-depth instruction in the arts (dance, art, vocal, theatre arts, instrumental music, and multimedia).
- The International Baccalaureate Diploma Program is offered at Granby High School.
- The Academy of Leadership and Military Science at Lake Taylor is a collaborative venture between Norfolk Public Schools and a number of community, private sector, government, higher education, and military agencies. The learning community in this school is structured around cluster scheduling of all core, foreign language, naval science and leadership classes as well as year-round internships with community partners.
- The Medical and Health Specialties Program at Maury offers students considering careers in healthcare opportunities to participate in medical-related classes both on the school campus, at Eastern Virginia Medical School and other community sites.
- The Leadership Center for the Sciences and Engineering at Norview provides students skills in the areas of independent research, collaborative teamwork, and communications. In addition, students receive two years of formal instruction and training in leadership development.

In addition, auxiliary facilities house alternative programs for students who have not succeeded in the regular education setting, as well as opportunities for trade and technical education. There are full-day kindergarten programs in all elementary schools except for those schools with grades three through five. There are three early childhood centers for three and four year old children and pre-kindergarten programs in all elementary schools except those serving only grades three through five.

Pursuant to state law, NPS is fiscally dependent on the local government. As a fiscally responsible school division, NPS does not levy taxes or issue debt. All funds are appropriated to NPS by the Norfolk City Council, which has the authority to tax and incur debt.

Norfolk School Board

FY2020-2021

The seven members of the Norfolk Public Schools School Board are elected on a staggered four-year term. The School Board members annually elect a Chair and Vice Chair from among the seven members. School Board members serve under oath of office and must reside in the City of Norfolk. The School Board sets policies and approves the operating budget that is necessary to implement educational programs for Norfolk Public Schools. The group is responsible for setting guidelines that ensure the proper administration of the educational programs of Norfolk Public Schools and for reporting a statement of finances to the City Council, the Director of Finance, and to the City Manager. The Board approves the hiring of a staff to administer and carry out the Board's current policies.

With the opinions and concerns of the students in Norfolk Public Schools being a division priority, the Norfolk City School Board appoint a student representative to serve a one-year term in an advisory capacity. The student representative does not attend closed meetings, does not vote, and does not have access to confidential information, including student or personnel records.

Additional information, meeting agendas and minutes can be found on the district website at www.npsschools.org/board.

School Board Goals

- Improve Student Academic Achievement and Outcomes
- Ensure Safe, Caring, and Healthy Learning Environments
- Strengthen Family and Community Engagement

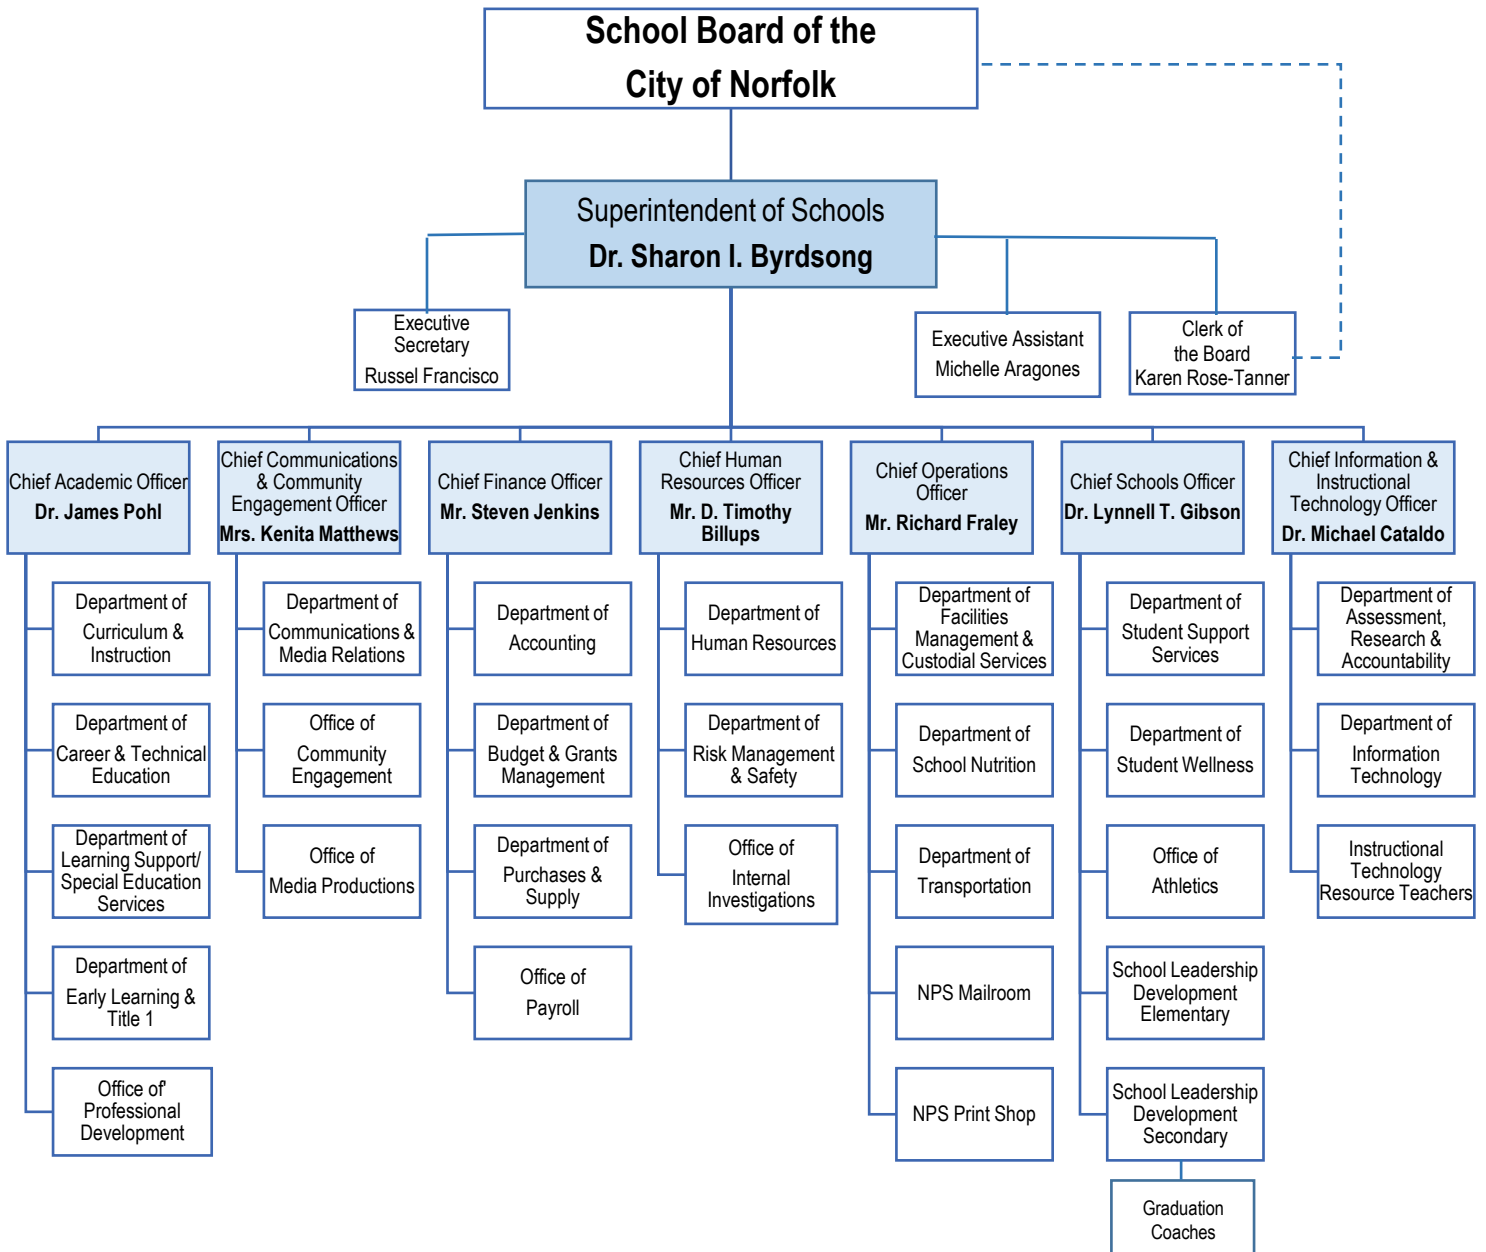

School Board Priorities

- Increase the percentage of schools earning full accreditation (100% fully accredited by 2024)
- Increase the percentage of VDOE continuous improvement schools and NPS high academic performing schools
- Decrease all subgroup achievement gaps (5% or less by 2024)
- Increase the on-time graduation (85% by 2024)
- Provide educational equity, options, and opportunities
- Attract and retain highly qualified & effective staff (fully staffed at start of school)
- Expand educational planning and create a five year capital improvement plan for facilities and technology
- Promote a culture of safety, high attendance rates, decreased dropout rate, positive organizational culture, and student behavior
- Attract and retain community partnerships and strengthen family engagement
- Strive to improve relationships and increase governance capacity (School Board only)

School Division and School Level Accomplishments

FY2021

Leading in the Pandemic

School divisions nationwide proved their ingenuity when the pandemic resulted in large-scale school closures. Norfolk Public Schools was one of those school divisions that worked effectively to deliver quality instruction as well as efficient support operations during this unprecedented time. Below are just a few of the highlights of the school division's work in this area:

- The NPS Virtual Scholars Academy (VSA) was developed to allow families to have their children attend school virtually, upon enrollment each semester. This option is remaining in effect for the duration of the school year, even in the event of schools' reopening to accommodate any parents/guardians who have that preference for their children. The curriculum and pacing for this PreK-12 academy are intended to align with in-person instruction once schools reopen.
- NPS worked diligently to close the digital divide by supplying mobile devices and MiFis to students so they could have that all-important access to teacher-led instruction.
- NPS developed a COVID-19 health metrics dashboard that provides pertinent data and health metrics reflective of our local community. Also, the school division's webpage is now linked to the Virginia Department of Health's database, which shares Virginia cities' and counties' health metrics (i.e. the number of new cases and the percentage of positive test results) to ensure the community remains informed on current health conditions.
- A *Coronavirus Communications Update* newsletter has been published regularly and sent to all families to ensure they had the latest information on a variety of topics such as the phased return approach to in-person instruction to where families can access Grab-n-Go meals for children to how to provide input on School Board policies.
- NPS Initiated a partnership with the Norfolk Department of Public Health to make collaborative decisions that meet the needs of the school community. This partnership allows NPS to implement a more efficient and accurate contact tracing program in schools and administrative offices.
- NPS developed a comprehensive Return to In-Person Instruction and Operations Plan. As part of an effort to ensure that families and staff remain informed about decisions for reopening schools, the school division created a comprehensive webpage that outlines a planned phased approach to in-person instruction; the health mitigation strategies that will be employed in all schools; the protocol for reporting positive cases; and information regarding childcare, transportation, and instructional schedules.
- The school division created a return to athletics plan. To ensure stakeholder awareness of the status of various programs and decision-making protocols, a supporting webpage, aligned to health metrics, was developed and launched. This webpage includes a video that explains the NPS approach completely, yet concisely.

School Division and School Level Accomplishments

- The School Nutrition staff worked efficiently and effectively once schools closed to ensure children could continue to be provided healthy meals. Grab-n-go meals are served to any child 18 years of age or younger who resides in the City of Norfolk. As of January 26, 2021, staff had served 2 million meals to the children of Norfolk.
- NPS applied for and was approved to participate in the Community Eligibility Provision (CEP) meal service option which allows the school division to offer breakfast and lunch to all students at no charge.

Other School Division Highlights

The following provides some compelling examples of other accomplishments of the school division, ones not necessarily related to pandemic mitigation. However, please note space limitations in this document also mean this is not an exhaustive list. They include:

- The Superintendent's instructional vision for NPS was developed and communicated. Known as the *Drive for Five*, this vision focuses upon five goals designed to move the school division measurably toward "Equity and Excellence for All."
- The school division received the Meritorious Budget Award from the Association of School Business Officials International. This marked the first time NPS has received this prestigious award.
- NPS implemented the use of its first learning management system (LMS), Canvas, which serves as the backbone of the school division's virtual learning program. This LMS provides for the integration of software programs that previously had been regarded as separate or stand-alone functions.
- NPS hosted a Virtual New Teacher Institute designed to provide a comprehensive introduction of the organization for new teachers.
- NPS held Back-to-School Professional Development for teachers and staff on a large-scale, virtual basis.
- The Transportation staff readied the "Here Comes the Bus App" for rollout when in-person instruction resumes.
- A comprehensive water testing program was initiated and completed at all schools and facilities. This program tested water for unacceptable lead content and mitigated the instances where that proved to be the case.
- More than \$8.6 million in school capital projects were completed or are underway now. These included roof and door replacements at schools; bleacher replacements; media center renovations; restroom renovations; lighting improvements and the purchase of furniture for schools and equipment.

School Division and School Level Accomplishments

School-level and Staff Highlights

The following is a brief overview of school-level and staff accomplishments for School Year 2020-2021:

- Camp Allen Elementary School was selected to receive the 2020 Board of Education's Continuous Improvement Award through the Exemplar School Recognition Program.
- Paul G. Xenakis, a history teacher at Ghent School, was recognized by the John Marshall Foundation for excellence in middle school teaching.
- Dennis Holland, principal of Lindenwood Elementary School, has been recognized by the Virginia Department of Education's Office of School Quality for his leadership with classroom lesson evaluation support in Region 2.
- Marianna Boyer, school nurse at Tarrallton Elementary School, was recognized by the Virginia Department of Education and the Virginia Department of Health for Outstanding School Nursing Practice in Virginia Schools during the COVID Pandemic.
- Booker T. Washington High School alum and former professional football player, Bruce Smith, presented his alma mater a \$10,000 grant on behalf of the NFL Foundation. The grant will be used to support the school's athletic program. Superintendent Dr. Sharon I. Byrdsong and BTWHS Principal Dr. Margie Stallings accepted the check on behalf of the school and the school division.
- Tidewater Park and P. B. Young, Sr. Elementary Schools have been recognized for receiving the 2020 Virginia Board of Education's Continuous Improvement Award.
- Chesterfield Academy Principal Trovone Logan and Booker T. Washington High School Principal Dr. Margie Stallings were recognized by the Virginia Department of Education's Office of School Quality for their leadership in addressing chronic absenteeism for the Commonwealth.
- The Maury High School Scholastic Bowl team won the 5A Regional Conference after sweeping all seven games! The Commodores are now headed to the VHSL State Championship on March 13, 2021.
- The Virginia Department of Education recently recognized Dr. Lucy Litchmore, principal at Jacox Elementary School, and Dr. Melanie Patterson, principal at Lake Taylor School, as Leaders of Master Schedule Support for Schools.
- Stephen Suttmilller, Senior Coordinator of Athletics, will be inducted into the Virginia Athletic Trainers' Association (VATA) Hall of Fame Class of 2021. The VATA Hall of Fame Award is given to a qualified individual who is recognized for going above and beyond in their dedication and service to benefit the athletic training profession in the Commonwealth of Virginia. He will be recognized virtually at the 2021 VATA Symposium and in-person at the 2022 VATA Symposium.

School Division and School Level Accomplishments

FY2020

- Berkley Campostella Early Childhood Center (BCECC) received the Apple Distinguished School designation through 2022 for its continuous success in integrating Apple technology into its academic programs and thus accelerating academic achievement, higher order thinking and coding among some of the city's youngest students. BCEC is the only pre-school center in the world to receive this designation
- Norfolk Public Schools (NPS) leadership developed an expanded Capital Improvement Program (CIP) Budget for submission to Norfolk City Council. Rather than meet an assigned target, leadership shaped a CIP of needs - one designed to begin the patient, but strategic process of physical improvement of the city's schools.
- A feasibility study that examines the costs and requirements for renovating or replacing Maury High School was completed.
- A long-range facilities master plan has been developed and a Citizen Advisory Committee named to begin the evaluation of this plan and to assist the Norfolk School Board and administration with strategically assigning priorities for renovation and/or replacement of Norfolk's oldest schools.
- Global Positioning Systems (GPS) have been installed on all Norfolk school buses. This feature allows the Department of Transportation to track buses and to monitor arrival and departure times for improvement.
- Norfolk Public Schools is playing a pivotal role in the City of Norfolk's deployment of its \$30 million Choice Neighborhoods Initiative (CNI) grant. An NPS liaison has been assigned to work closely with the People First USI staff. This has resulted in plans to provide additional supportive outreaches at select schools that serve the St. Paul's quadrant.
- The College of William and Mary has conducted an audit of the school division's gifted services, which will be presented to the School Board in the spring. The findings will provide the basis for program improvement.
- An English Language Learner (ELL) Family Academy was developed to serve a growing population of families of ELLs. Six workshops were scheduled. These workshops were designed to empower and support families of English Learners by making them aware of the access they have to community, city and division-based resources.
- NPS provided the opportunity for all 9th grade students to take the PSAT. This is in addition to underwriting the administration of this important test for all 10th graders.
- NPS through a grant and a partnership with Old Dominion University supported the implementation of the Virginia Tiered Systems of Supports (VTSS). VTSS aligns academics, behavior and social-emotional wellness into a single decision-making framework to establish the supports needed for schools to be effective learning environments for all students.
- More Norfolk students than ever are taking advantage of online learning. This school year, NPS has offered three main online programs to 2,505 students, increasing the enrollment by as much as nearly 30 percent over the previous school year. An online world language program is also available to students as needed.

School Division and School Level Accomplishments

- An audit of the school division's special education services is underway by the Council of Great City Schools. The audit will look at many areas and produce findings and recommendations by the end of the school year.
- The NPS New Teacher Professional Learning Community has provided the division's newest teachers with invaluable support from Lead Mentor Teachers and Instructional Resource Teachers who collaborated to facilitate interactive professional development sessions on Conscious Classroom Management. These sessions focus on building teacher capacity to support effective classroom management.
- The University of Virginia hosted a Teachers of Struggling Readers Academy that benefitted 120 of the school division's elementary teachers, middle school English teachers and special education teachers. This four-day academy focused on strategies and activities that will be pivotal in supporting the needs of struggling learners.
- NPS launched an innovative program that concentrates on using school bus drivers to assist in school cafeterias in that "in between" time after morning transport but before afternoon pick-ups. This has helped address a pressing need in a critical personnel shortage area - food services.
- NPS launched a targeted campaign to recruit more volunteers for the schools. Since last July, 3188 volunteers have applied online and have begun contributing their talents to support children. New television commercials being aired on WNPS and through the school system's social media channels are underscoring the difference caring volunteers can make in the lives of children.
- At the beginning of the year, NPS administrators held the first annual Support Our Schools Day which involved visiting schools and lending a hand - from setting up classrooms to addressing building needs.
- Eight Norfolk schools (up from two) were recognized as Purple Star schools. The Purple Star designation is awarded to military-friendly schools that have demonstrated their commitment to meeting the needs of military-connected students.
- The Lake Taylor High School Titans clenched the VHSL Class 4A State Title. This is the school's third state football title since 2012.
- The Maury High School Commodores' football team claimed the VHSL Class 5A State Title and enjoyed an undefeated season.
- The Maury High School Commodores' Girls Indoor Track team won the VHSL Class 5A Regional Title and brought home the first-ever state title for the City of Norfolk in February.
- While VHSL was forced to cancel many of its basketball championship games because of the COVID-19 pandemic, the Norview High School Pilots' Boys Basketball team was awarded the Class 5A co-State Title, along with the Green Run Stallions of Virginia Beach. (The two teams would have battled for the title in the championship game that was scheduled for Saturday, March 14, 2020.)
- NPS initiated a recess pilot at Jacox Elementary, P.B. Young Elementary, Mary Calcott Elementary, and Larchmont Elementary.

School Division and School Level Accomplishments

- NPS is in its second year of a pilot study with Tufts University that involves eight schools using the engineering design process and KIBO (robot) to help students with their reading and writing processes. As a result of the pilot's success, NPS applied for an Education and Innovation Research (EIR) grant, which was successfully awarded in a highly rigorous, nationwide grant competition. This grant allows the partnership with Tufts to extend into all NPS elementary schools.
- Senior Maeve Stiles won the state title in girls cross country, running a sub-18 minute time in the 5,000 meter Great Meadow course in The Plains, Virginia this fall. Maeve is Maury High School's first girls cross country state champion. She also recently received the Norfolk Sports Club's Girls 2019 Outstanding Metro Scholastic Cross Country Award.
- Maury High School sophomore Azaria Cherry has been chosen to participate in the 2020 Disney Dreamers Academy. Out of thousands of applicants, only 100 students nationwide were selected for this honor. Azaria, who is part of the Health & Specialty Program in Maury, is a community-spirited individual who operates her own non-profit organization called ZincGirly, which is a STEM (Science, Technology, Engineering and Math) organization that allows inner city girls to explore interests in these areas.
- NPS is in the midst of a major initiative designed to test the drinking water at every school and facility. This effort was undertaken to address revised Environmental Protection Agency guidelines which now identify acceptable lead levels as 15 parts per billion. The school division contracted with an independent laboratory to conduct this testing for our schools and facilities on a schedule that extends through June 2020.
- NPS continues to address enrollment changes. Poplar Halls Elementary School was closed. The kindergarten through second grade students were transferred to Fairlawn Elementary, while Lake Taylor Middle School was transitioned to a 3-8 school.
- Ms. Wilma Modlin, a crossing guard for Oceanair Elementary School for 10 years, has been recognized as one of Virginia's most outstanding crossing guards by the Virginia Department of Transportation. Ms. Modlin was among 70 nominees and was only one of six recognized for the honor.
- Janet Knust, a teacher who works with children who are hearing impaired, was awarded a Fulbright Distinguished Awards in Teaching Semester Program fellowship to Israel for the 2019-20 academic year. She is one of 24 U.S. teachers selected for this highly competitive award.
- "Don't Just View Science, DO SCIENCE!" Lake Taylor High School's instructional technology resource teacher Michele Baird received a grant with that titled proposal, which will bring science to life for students this spring. Baird, along with a group of LTHS students, will be spending three days in False Cape State Park in Virginia Beach doing all sorts of hands-on science activities. National fast-food chain Sonic Drive-in awarded the instructional grant.
- During the fall of 2019, more than 77,000 pounds of fresh fruits and vegetables were served during school lunch and the Fresh Fruit and Veggie program. More than 50% of the fruits and vegetables were Virginia Grown and 92% of the milk served came from Virginia raised cows.

School Division and School Level Accomplishments

- Several departments within NPS, especially Curriculum and Instruction, School Nutrition, and Communications, worked fast to establish plans, and messaging, that would provide continuity of learning and meals to students during the closure of school buildings due to COVID-19. A webpage was launched, which contains all information regarding the pandemic as it relates to NPS, and the information is mirrored on the NPS social media accounts, and provided through the Connect mass messaging platform. Parents and Guardians have been able to pick up "Learning in Place" packets and breakfast and lunch "GrabNGo" meal bags Monday through Friday at 12 school distribution sites that cover the entire City. In addition, three sites are receiving deliveries by school buses each weekday. As of March 25, 2020, approximately 17,500 "GrabNGo" meal bags have been distributed at the 15 locations.

School Division and School Level Accomplishments

FY2019

- Mary Calcott and Tarrallton Elementary Schools were recognize for the Purple Star award.
- Norfolk continues to support military families at schools through the award of two Department of Defense Educational Activitiy awards of over \$3 millions dollars with most of the funds supporting STEM activities and KIBO robotics at the primary grade levels.
- The class of 2019 earned \$88.5 million in scholarships
- A Gates Millennial Award was bestowed upon one NPS graduate in 2019.
- Norview High School NJROTC Program names as "Most Outstanding in Nation" by the Navy League of the United States.
- Larchmont Elementary School received the state's Board of Education Distinguished Achievement Award for advanced learning and achievement.
- Maury High School Boys Basketball Team won first state basketball title in 92 years.
- Lake Taylor High School Girls Basketball Team won the 2018-2019 Girls Basketball 4A State Championship
- Lake Taylor's JaNaiya Quinerly was selected as the Class 4 Girls Player of the Year and Sandra Sawyer named Class 4 Girls Coach of the Year.
- Ninth graders, Siofra Foster from Norview High School and Colin Gibney from Granby High School scored a 9 out of 11 on February's WordWright challenge. WordWright is a national competition which requires analytical reading and applying advanced vocabulary words to texts. Only 66 out of 14,893 ninth graders earned this score.
- Lake Taylor High School Football Team won the 2018-2019 4A Football Regional Championship
- Lake Taylor High School won first place in the NJROTC Southern Regional Drill and Athletic Championship in the 8 X 220 Relay, the Color Guard Competition, and first place Overall in all Drill Events.
- Maury High School Boys Swim Team won the 5A regional meet. Freshman Owen Redtearn is the Regional Dive Champion.
- Maury High School Girls Track Team won the 5A regional meet.
- Of over 750 entries to Hampton Roads Student Gallery, Granby High School's Natalie Schaus received 1st place, Gabriela Igloria, 2nd place, and Morgan Spearback, Honorable Mention. Their work was exhibited at the Chrysler Museum of Art from February 19-March 3.
- Granby High School has been awarded a First Team Safe Sports School Award from the National Athletic Trainers Association. The Safe Sports School Award recognizes secondary schools around the country that take the crucial steps to keep their athletes free from injuries.
- Maury High School student Bridget Acheson has been awarded a Lowenstine Honors Scholarship to attend Conserve School in Land O' Lakes, Wisconsin for the spring of 2019. This scholarship is awarded on a competitive basis to students who demonstrate exemplary academic achievement, character, and a commitment to environmental stewardship.
- William Lee Williams, a senior at Granby High School, is the Eastern Regional winner in Dominion and the Library of Virginia's student writing contest about leadership and outstanding African Americans.
- 90% of Norfolk Public Schools have been recognized by the Elizabeth River Project for implementing conservation, restoration, and/or habitat enhancement projects.
- Tarrallton Elementary School won the VDOE Purple Star School of Excellence 2018 award

School Division and School Level Accomplishments

FY2018

- Jacox Elementary Chapter of the National Junior Beta Club returned home with five awards after competing against other Junior Beta Clubs from across Virginia. The club placed second in Science (4th Grade Member) and Language Arts (5th Grade Member) and placed third in Poetry (3rd Grade Member) and Social Studies (5th Grade Members). The Jacox Chapter also placed Second in Group Talent.
- Lachlan (James) McClellan, a Norview High School Leadership Center for Science & Engineering student, won the Congressional App Challenge for Virginia's 3rd Congressional District. This is the second year that Norview High has had a student to win.
- The Department of the Navy Space and Naval Warfare Systems Center Atlantic recognized Sewells Point Elementary for its partnership and support of their STEM Outreach Program.
- Mr. Gary Sigler, school counselor at Sewells Point Elementary, was recognized for his Lunch Buddy Program by the Department of the Navy Space and Naval Warfare Systems Center Atlantic.
- Mrs. Eleanor Washington, school counselor at Southside STEM Academy, received the Humanitarian and Caring Person Award from the Hampton Roads Counselors Association (HRCA). The president of the association is Mrs. Bianca Gregory, a school counselor at Jacox Elementary.
- Zymari Jackson, a Northside Middle School student, was awarded a new flute by the Jay Lang Foundation. The foundation awards instruments to NPS Music Students through the recommendation of their music teachers.
- Berkley/Campostella Early Childhood Center (BCECC) was recently designated as an Apple Distinguished School for 2017-2019. This distinction recognizes the school as one who provides "continuous innovation in learning, teaching, and school environment."
- Isiah Mason, a Maury High School student, was awarded the QuestBridge College Match Scholarship. QuestBridge recipients are granted admission to one of QuestBridge's partner colleges with a full 4-year scholarship. The partner college that he has been designated to attend is Duke University and his scholarship is worth \$300,000.
- Owen Lindey, Maury High School student, was awarded the Army 4-year National Scholarship worth \$180,000.
- Patricia Elder, a 4th grade teacher at Tarrallton Elementary School, was awarded the 2017-18 VFW Teacher of the Year for the State of Virginia.
- Aswan Benjamin, a Maury High School student, received a full scholarship to Columbia University to major in engineering.
- McKenzie Bryant, a Maury High School student, was selected as the Eastern Region student winner for Strong Men and Women in the Virginia Student Essay Contest.
- Ten NPS students have been named as finalists and will compete as student ambassadors in the upcoming Model NATO Challenge. Students from Maury, Granby, Norview, and Booker T. Washington will represent 10 of the 29 NATO countries in a mock simulation crisis hosted by the Headquarters for the NATO Supreme Allied Command.
- The following NPS students won awards at the Math 24 Challenge Competition: 1st Place - Miguel Merritt (Academy for Discovery at Lakewood); 2nd Place - Ariana Boyd (Crossroads); 3rd Place - Brian McIntyre (Mary Calcott); 4th Place - Crystal Guevara (Crossroads).

Governing Policies and Procedures

Norfolk City School Board Policies and Procedures

DA. Management of Funds. The superintendent or his/her designee shall be responsible for administering the division budget in accordance with board policies and applicable state and federal regulations, and laws; therefore, the superintendent or his/her designee will use appropriate fiscal planning and management methods, modeled after the best accepted business practices and directed toward the educational goals of the division.

- If the appropriating body approves the school board budget by total amount (also referred to as lump sums), funds may be transferred by the school board from one major classification to another. If funds are appropriated to the school board by major classifications, no funds shall be expended by the school board except in accordance with such classifications without the consent of the appropriating body.
- The superintendent may be authorized by the school board to make line item transfers within and among major classifications.
- The superintendent shall prepare for presentation to the school board the financial statements designated by the school board and those required by law.
- All funds handled by employees of the board, regardless of source, are considered funds of the board and shall be handled in accordance with regulations of the superintendent, the regulations of the state department of education, and the laws of the State of Virginia. This includes student activity funds raised by a school or organizations connected with a school. The only exceptions are parent-teacher associations and dues/fees collected from school staff and deposited in the school's staff hospitality account.
- Expenditures of student organizations shall be subject to the regulations established for the expenditure of all funds. Student body organizations shall be discouraged from building up reserves. Any class funds not expended prior to graduation of the class shall revert to the school's central student activity fund.
- No school funds may be expended for gifts.

The school board shall manage and control the funds made available to the school board for the public schools and may incur costs and expenses. Independent auditors or other qualified auditors selected by the board shall make an annual audit of the general operating fund and trust fund and child nutrition fund. The superintendent shall direct an annual audit of the accounts and activity funds of individual schools.

Governing Policies and Procedures

DB. Annual Budget. The annual school budget is the financial outline of the division's education program. It presents a proposed plan of expenditures and the expected means of financing those expenditures. After adoption, it provides the primary means of managing expenditures. The fiscal year is defined as beginning on the first day of July and ending on the thirtieth day of the following June.

The superintendent prepares (with the approval of the school board) and submits to the appropriating body, an estimate of the amount of money needed during the next fiscal year for the support of the public schools of the school division. The estimate sets up the amount of money needed for each major classification prescribed by the Board of Education and such other headings or items as may be necessary.

The superintendent or superintendent's designee prepares a budget calendar identifying all deadlines for the annual budgetary process. The calendar includes at least one work session for reviewing the budget and at least one public hearing on the budget. Notice of the time and place for the public hearing is published at least ten days in advance in a newspaper having general circulation within the school division.

Upon approval of the school division's budget by the appropriating body, the school division publishes the approved budget in line item form (including the estimated required local match) on its website and the document is also made available in hard copy as needed to citizens for inspection.

Balanced Budget - A budget in which current expenditures are supported by current revenues.

Governing Policies and Procedures

Virginia State Code Policies and Procedures

A county school board is vested with the use and control of all school funds, whether derived from state appropriations, local taxation, or other sources, and has exclusive authority to expend the funds set apart by law for school purposes.

§15.2-2503. Time for Preparation and Approval of Budget; Contents. All officers and heads of departments, offices, divisions, boards, commissions, and agencies of every locality shall, on or before the first day of April of each year, prepare and submit to the governing body an estimate of the amount of money needed during the ensuing fiscal year for his department, office, division, board, commission or agency. If such person does not submit an estimate in accordance with this section, the clerk of the governing body or other designated person or persons shall prepare and submit an estimate for that department, office, division, board, commission or agency.

The governing body shall prepare and approve a budget for informative and fiscal planning purposes only, containing a complete itemized and classified plan of all contemplated expenditures and all estimated revenues and borrowings for the locality for the ensuing fiscal year. The governing body shall approve the budget and fix a tax rate for the budget year no later than the date on which the fiscal year begins. The governing body shall annually publish the approved budget on the locality's website, if any, or shall otherwise make the approved budget available in hard copy as needed to citizens for inspection.

§15.2-2504. What Budget to Show. Opposite each item of the contemplated expenditures the budget shall show in separate parallel columns the aggregate amount appropriated during the preceding fiscal year, the amount expended during that year, the aggregate amount appropriated and expected to be appropriated during the current fiscal year, and the increases or decreases in the contemplated expenditures for the ensuing year as compared with the aggregate amount appropriated or expected to be appropriated for the current year. This budget shall be accompanied by:

1. A statement of the contemplated revenue and disbursements, liabilities, reserves and surplus or deficit of the locality as of the date of the preparation of the budget; and
2. An itemized and complete financial balance sheet for the locality at the close of the last preceding fiscal year.

Governing Policies and Procedures

§15.2-2506. Publication and notice; public hearing; adjournment; moneys not to be paid out until appropriated. A brief synopsis of the budget which, except in the case of the school division budget, shall be for informative and fiscal planning purposes only, shall be published once in a newspaper having general circulation in the locality affected, and notice given of one or more public hearings, at least seven days prior to the date set for hearing, at which any citizen of the locality shall have the right to attend and state their views thereon. Any locality not having a newspaper of general circulation may in lieu of the foregoing notice provide for notice by written or printed handbills, posted at such places as it may direct. The hearing shall be held at least seven days prior to the approval of the budget as prescribed in § 15.2-2503. With respect to the school division budget, which shall include the estimated required local match, such hearing shall be held at least seven days prior to the approval of that budget as prescribed in §22.1-93. The governing body may adjourn such hearing from time to time. The fact of such notice and hearing shall be entered of record in the minute book.

In no event, including school division budgets, shall such preparation, publication and approval be deemed to be an appropriation. No money shall be paid out or become available to be paid out for any contemplated expenditure unless and until there has first been made an annual, semiannual, quarterly or monthly appropriation for such contemplated expenditure by the governing body, except funds appropriated in a county having adopted the county executive form of government, outstanding grants may be carried over for one year without being re-appropriated.

§22.1-88. Of What School Funds To Consist. The funds available to the school board of a school division for the establishment, support and maintenance of the public schools in the school division shall consist of state funds appropriated for public school purposes and apportioned to the school board, federal funds appropriated for educational purposes and apportioned to the school board, local funds appropriated to the school board by a local governing body or such funds as shall be raised by local levy as authorized by law, donations or the income arising there from, and any other funds that may be set apart for public school purposes.

§22.1-89. Management of Funds. Each school board shall manage and control the funds made available to the school board for public schools and may incur costs and expenses. If funds are appropriated to the school board by major classification as provided in § 22.1-94, no funds shall be expended by the school board except in accordance with such classifications without the consent of the governing body appropriating the funds.

§22.1-90. Annual Report of Expenditures. Every school board shall submit at least once each year to the governing body or bodies appropriating funds to the school board a report of all its expenditures. Such report shall also be made available to the public either on the official school division website, if any, or in hard copy at the central school division office, on a template prescribed by the Board of Education.

Governing Policies and Procedures

§22.1-91. Limitation on Expenditures; Penalty. No school board shall expend or contract to expend, in any fiscal year, any sum of money in excess of the funds available for school purposes for that fiscal year without the consent of the governing body or bodies appropriating funds to the school board. Any member of a school board or any division superintendent or other school officer violating, causing to be violated or voting to violate any provision of this section shall be guilty of malfeasance in office.

§22.1-92. Estimate of moneys needed for public schools; notice of costs to be distributed.

A. It shall be the duty of each division superintendent to prepare, with the approval of the school board, and submit to the governing body or bodies appropriating funds for the school division, by the date specified in § 15.2-2503, the estimate of the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division. The estimate shall set up the amount of money deemed to be needed for each major classification prescribed by the Board of Education and such other headings or items as may be necessary.

Upon preparing the estimate of the amount of money deemed to be needed during the next fiscal year for the support of the public schools of the school division, each division superintendent shall also prepare and distribute, within a reasonable time as prescribed by the Board of Education, notification of the estimated average per pupil cost for public education in the school division for the coming school year to each parent, guardian, or other person having control or charge of a child enrolled in the relevant school division, in accordance with the budget estimates provided to the local governing body or bodies. Such notification shall also include actual per pupil state and local education expenditures for the previous school year. The notice may also include federal funds expended for public education in the school division.

The notice shall be printed on a form prescribed by the Board of Education and shall be distributed separately or with any other materials being currently transmitted to the parents, guardians or other persons having control or charge of students. To promote uniformity and allow for comparisons, the Board of Education shall develop a one-page form for this notice and distribute such form to the school superintendents for duplication and distribution.

Before any school board gives final approval to its budget for submission to the governing body, the school board shall hold at least one public hearing to receive the views of citizens within the school division. A school board shall cause public notice to be given at least ten days prior to any hearing by publication in a newspaper having a general circulation within the school division. The passage of the budget by the local government shall be conclusive evidence of compliance with the requirements of this section.

Governing Policies and Procedures

§22.1-93. Approval of Annual Budget for School Purposes. Notwithstanding any other provision of law, including but not limited to Chapter 25 (§ 15.2-2500 et seq.) of Title 15.2, the governing body of a county shall prepare and approve an annual budget for educational purposes by May first or within thirty days of the receipt by the county of the estimates of state funds, whichever shall later occur, and the governing body of a municipality shall prepare and approve an annual budget for educational purposes by May fifteen or within thirty days of the receipt by the municipality of the estimates of state funds, whichever shall later occur. Upon approval, each local school division shall publish the approved annual budget, including the estimated required local match, on the division's website, if any, or if there is no division website, the document shall otherwise be made available in hard copy as needed to citizens for inspection.

The Superintendent of Public Instruction shall, no later than the fifteenth day following final adjournment of the Virginia General Assembly in each session, submit estimates to be used for budgetary purposes relative to the Basic School Aid Formula to each school division and to the local governing body of each county, city and town that operates a separate school division. Such estimates shall be for each year of the next biennium or for the then next fiscal year.

§22.1-94. Appropriations by County, City or Town Governing Body for Public Schools. A governing body may make appropriations to a school board from the funds derived from local levies and from any other funds available, for operation, capital outlay and debt service in the public schools. Such appropriations shall be not less than the cost apportioned to the governing body for maintaining an educational program meeting the standards of quality for the several school divisions prescribed as provided by law. The amount appropriated by the governing body for public schools shall relate to its total only or to such major classifications prescribed by the Board of Education pursuant to § 22.1-115. The appropriations may be made on the same periodic basis as the governing body makes appropriations to other departments and agencies.

§22.1-115. System of Accounting; Statements of Funds Available; Classification of Expenditures. The State Board, in conjunction with the Auditor of Public Accounts, shall establish and require of each school division a modern system of accounting for all school funds, state and local, and the treasurer or other fiscal agent of each school division shall render each month to the school board a statement of the funds in his hands available for school purposes. The Board shall prescribe the following major classifications for expenditures of school funds: (i) instruction, (ii) administration, attendance and health, (iii) pupil transportation, (iv) operation and maintenance, (v) school food services and other noninstructional operations, (vi) facilities, (vii) debt and fund transfers, and (viii) technology, and (ix) contingency reserves.

Financial Management Structure

The annual school budget is the financial outline of the division's education program. It presents a proposed plan of expenditures and the expected means of financing those expenditures. After adoption, it provides the primary means of managing expenditures.

The fiscal year begins on the first day of July and ends on the thirtieth day of the following June. The Superintendent prepares and with the approval of the Norfolk School Board, submits to Norfolk City Council, an estimate of the amount of money needed during the next fiscal year for the support of the public schools. The estimate includes an amount of money needed for each major classification prescribed by the Virginia Board of Education. The superintendent may be authorized by the school board to make line item transfers within and among major classifications.

Pursuant to state law, Norfolk Public Schools (NPS) is fiscally dependent on the local government. As a fiscally dependent school division, NPS does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt. The School Board derives its authority from the State and has a constitutional responsibility to provide public education to the citizens of Norfolk.

The school board shall manage and control the funds made available to the school board for the public schools and may incur costs and expenses. Department heads and school principals have budget authorities and responsibilities. Responsibility of ensuring total spending for the school division is within authorized limits is assigned to the Division of Business and Finance.

The Chief Finance Officer presents the monthly financial reports to the School Board. Independent auditors or other qualified auditors selected by the school board conduct an annual audit of the general operating fund and all other funds.

All procurements made by the school division are in accordance with the Virginia Public Procurement Act. The superintendent is authorized to purchase or contract for all services required by the school division subject to federal and state codes and school board policies. The superintendent may designate a qualified employee to serve as the purchasing agent for the board.

Classifications of Revenues and Expenditures

Revenues

The primary sources of funds are:

- **Commonwealth of Virginia** – state funds are made up of:
 - Standards of Quality (SOQ) funds are minimum educational standard that all public schools in Virginia must meet determined by Average Daily Membership (ADM) and Composite Index.
 - Lottery funded programs are state-mandated educational programs funded through the retail sale of lottery proceeds.
 - Incentive funds are not required by law but are intended to target resources for specific needs
 - Categorical funds are typically required by state or federal regulation.
- **City of Norfolk** – The Local Revenue Allocation Policy adopted by the Norfolk City Council allocates a constant 29.55 percent share of non-dedicated local tax revenues streams: real estate tax, real estate public service corporation tax, personal property tax, transient occupancy (hotel) tax, sales and use tax, machinery and tools tax, food and beverage (meals) tax, consumer water utility tax, business license tax, motor vehicle license fee (city), communication sales and use tax, consumer gas utility tax, consumer electric utility tax and recordation tax.
- **Federal** – provides supplemental funds impacted by the loss of tax dollars connected with federal properties that are not taxed, services provided to Medicaid eligible students, and grants receive from federal government such as CARES Act, Title I, IDEA, etc.
- **Other Local and Miscellaneous** – includes revenues received from tuitions, fees, building rentals, and indirect costs.

Note: As a fiscally dependent school division, Norfolk Public Schools does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt.

Expenditures

The major classifications of expenditures for which Norfolk Public Schools is required to budget are:

- **Instructional services** - Includes all educational activities dealing with direct interaction between instructional staff and students. Textbooks, supplies, equipment, and instructional staff comprised of teachers and teacher assistants providing services for regular education, guidance, media, special education, gifted, athletics, and pre-school programs are included here.
- **Administration, attendance and health services** - Includes centrally administered services that are not directly related to managing the overall instructional program of the school system such as School Board, information, human resources, financial, attendance, health, and psychological services.
- **Pupil transportation** – Includes school bus service for home-to-school transportation of students and all related field trips, athletic events, special events, and shuttle service between schools and programs.

Classifications of Revenues and Expenditures

- **Operations and Maintenance** – Activities to maintain and enhance all school facilities including utilities, risk management, custodial services, safety and security services, energy management, and planning activities.
- **School food services** - A self-funded operation supported through cafeteria sales and federal and state reimbursements.
- **Facility improvements** - Activities concerned with acquisition and facility improvements from minor to major modifications for heating, ventilation and air conditioning.
- **Debt Service** – Includes payments for both principal and interest that service the debt of the school division appropriated to and paid by the school board. Pursuant to state law, NPS is fiscally dependent on the local government. As a fiscally dependent school division, NPS does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt.
- **Technology** – Includes services and support for all computer technology for the school division.

Expenditures by Object

- **Salaries** - Compensation for full-time and part-time employees and substitutes, as well as overtime expenses, supplements and other personnel service expenses.
- **Employee Benefits** - Job-related benefits provided to employees as part of their total compensation.
- **Purchased Services** - Payments for services, not including capitalized expenditures, acquired from outside sources.
- **Others** – Expenditures such as local mileage, out-of-town travel, organizational memberships, etc.
- **Utilities/Communications** – Include electricity, natural gas, fuel oil, phone service, water, sewer, and other utilities or communication services.
- **Building Insurance** - Payments for property insurance.
- **Materials & Supplies** - Includes articles and commodities that are consumed or materially altered when used and minor equipment that is not capitalized.
- **Textbooks** - All textbooks and workbooks purchased to be used in the classroom.
- **Bus Fuel/Parts** - Gasoline, lubricating oils, tires, spark plugs, batteries, chains or other such items used in the operation of vehicles and powered equipment.
- **Tuition Payments** - Payments to Regional Joint Operations in support of vocational, special education and talented and gifted programs.
- **Capital Outlay** - Expenditures that result in the acquisition of or additions to, capital assets with a unit cost of \$5,000 or more.
- **Debt Service** – Payments of principal and interest for the improvement of facilities. Pursuant to state law, NPS is fiscally dependent on the local government. As a fiscally dependent school division, NPS does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt.
- **Fund Transfer** - transfers to schools to support academic programs.

Fund Structure

Norfolk Public Schools' annual expenditure plan is structured by funds. Each fund is considered a separate accounting and reporting entity.

- **Operating (General) Fund** – The largest portion of an Operating Budget is the General Fund. The General Fund underwrites the day-to-day operations of the school system, including instructional programs, operating costs and personnel. Funding sources include revenue from the Commonwealth of Virginia, the City of Norfolk, the federal government, and other local and miscellaneous sources.
 - Revenues
 - State funding is based on per pupil amounts that require a local match. State support is comprised of Standards of Quality (SOQ), lottery, incentive, and categorical state funds. SOQ funds are driven by Average Daily Membership (ADM) and a locality's ability to fund public education. Currently, the state is responsible for 69.41 percent of basic school operating costs as defined by the state's Standards of Quality (SOQ), while Norfolk Public Schools (NPS) is responsible for 30.59 percent of such costs.
 - Local funding is determined by the Local Revenue Allocation Policy between the City of Norfolk and NPS. This revenue-sharing policy allocates a constant 29.55 percent share of 14 non-dedicated local tax revenues.
 - The federal government provides supplemental funds that address lost property tax revenue related to the presence of tax-exempt federal property. It also addresses or the responsibility of increased expenditures due to the enrollment of federally connected children. These funds can be used to meet any educational priorities established by the school board.
 - Other local and miscellaneous revenue sources include monies received from tuitions, fees, building rentals, etc.
 - Expenditures (allocated categorically)
 - *Instructional Support* supports the delivery of instruction to students.
 - *Administration, Attendance and Health* addresses activities that support student health and well-being and improved school attendance.
 - *Pupil Transportation* underwrites the activities involved with transporting students to and from school.
 - *Maintenance and Operations* is dedicated funding for keeping schools and administrative facilities open, comfortable, and safe for use as well as maintenance of the grounds, buildings, and equipment.
 - *Facilities* funding addresses the activities concerned with acquiring land and buildings, remodeling buildings, constructing new buildings and building additions to new buildings, installing or extending service systems and other built-in equipment, and improving sites.
 - *Technology* addresses any services involving the use of technology.
- **School Nutrition Program Fund** - This fund provides for the operations of school cafeterias which serve breakfast and lunch to students. The major funding sources include federal grant revenue (USDA National School Breakfast and Lunch Program) and charges to users.
- **Grants and Special Programs Fund** - Norfolk Public Schools receives numerous grants and special donations from various federal, state and local sources for specific educational purposes. Provisions for all matching requirements are made in the school operating budget. Amounts are subject to change pending award notifications from the grantor.
- **Textbook Fund** – This fund was established by the School Board in FY2020 and funds were transferred from excess revenues received during FY2018. In the future, the fund will be used to account for the purchase of newly adopted textbooks.
- **Capital Improvement Projects Fund** – This funding is earmarked for new construction, improvements, equipment, acquisition, or design/engineering.

Basis of Accounting/Budgeting

Accrual basis of accounting is used for reporting financial statements of all assets and liabilities of Norfolk Public Schools. This basis of accounting includes all of the current year's revenues and expenses regardless of when cash is received or paid.

The basis of budgeting (or "budgetary basis") refers to accepted principles of accounting used to estimate revenue sources. There are three general types of budgetary bases: Cash basis, accrual basis, and modified accrual basis. Cash basis indicates transactions recognized only when cash is increased or decreased. Accrual basis indicates revenues are recorded when they are earned (whether or not cash is received at the time) and expenditures are recorded when goods and services are received (whether or not cash disbursements are made at the time). Modified accrual basis is a methodology that recognizes revenues when they become susceptible to accrual; that is, when they become both "measurable" and "available to finance expenditures of the current period." "Available" is defined as being collectible in the current period or soon enough thereafter so the monies can be used to address liabilities within that defined time frame.

Each year Norfolk City Council, in a time line governed by state law, legally adopts a Norfolk Public Schools' Operating (General) fund for the coming fiscal year. The expenditure plan for this fund is approved on a budgetary basis generally consistent with the modified accrual basis except that expenditures are budgeted in the year that the applicable purchase orders or other contractual commitments are expected to be issued. City Council's legal level of budgetary control for the General Fund is at the category level. This means City Council can allocate its appropriation in these categories: **instructional support; administration, attendance and health; pupil transportation; operations and maintenance; facilities; and technology.** Grants and capital projects, which are budgeted on a multi-year basis, are allocated at the fund level. Spending in categories and funds cannot legally exceed what is allocated.

FY2022 Budget Development Process

Budget Priorities

The Fiscal Year 2022 Proposed Operating Budget reflects plans underway our recovery from a debilitating pandemic. The budget targets additional resources for schools and students to address the academic and social-emotional needs of students, including learning losses caused by a prolonged closure of schools. At \$349.3 million, it represents a 3.6 percent increase over the current fiscal year budget. The projected \$12.1 million increase is the result of an additional \$3.7 million from the Commonwealth and an \$8.4 million increase provided through the city-schools revenue-sharing agreement. This budget proposal also includes \$50.4 million of Coronavirus Relief and Recovery Supplemental Appropriations (CRRSA) approved by Congress in December 2020.

An operating budget reveals a great deal about any organization's values. The NPS budget reflects a commitment to excellence and equity for all students with targeted strategies that reach children across the learning spectrum. The work of dedicated teachers, principals, and support staff throughout the district makes student learning and achievement possible. It is essential that we recognize and reward superior results if we are to attract and retain qualified faculty. This financial plan contains recommendations for salary increases for employees that are commensurate with their dedication.

From a policy level the Norfolk School Board has set three overarching goals:

- Improve student achievement and outcomes;
- Ensure safe, caring and healthy learning environments and
- Strengthen family and community engagement.

The school division's leadership team has responded by identifying five priorities to support achievement of these School Board goals. Those five priorities are:

- Employee Compensation
- Additional resources for schools and students
- Safety and security
- Technology infrastructure and instructional supports
- Building maintenance and repairs

Together, the goals and support priorities underlie this recommended spending plan. Specific recommendations are summarized as follows:

- **Compensation:** The proposal contains solid salary increases for staff - an average 5.1 percent for teachers; 3 percent for administrators; and 5 percent for classified staff. They have done Herculean work on behalf of children and staff compensation needs to adequately reflect their value.
- **Additional resources for students and staff:** The proposed operating budget provides a meaningful increase in resources to help schools address learning and the social-emotional needs of students;

FY2022 Budget Development Process

- **Technology infrastructure and instructional supports:** This expenditure plan paves the way for technological improvements designed to eliminate the digital divide in NPS.
- **Safety and security:** The FY2021-2022 budget proposal is focused on safety and security that is two-fold. It contains additional resources to maintain the physical safety and security of schools along with resources to ensure our public health strategies are effective.
- **Building maintenance and repairs:** We propose an increase in capital funding so NPS can more effectively address deferred maintenance of aging schools. The budget proposes \$16 million of annual funding to replace failing roofs, aging heating and cooling systems, and deteriorated doors and window systems. We also proposes using \$15 million of CRRSA grants to improve ventilation in schools by replacing aging HVAC systems. It is necessary to improve the physical condition of school facilities so all schools are warm, safe, cool and dry.

Specific proposals to address budget priorities for FY 2022:

- Increase teacher part-time hourly rates
 - Increase rate from \$25 to \$30 to remain competitive
 - Increase rate from \$29.27 to \$35 for summer program to remain competitive
- Increase classified part-time hourly rates
 - Increase rates to meet the minimum wage and remain competitive
- Add one reading coordinator and one math coordinator to address students' on-going literacy needs.
- Add five (5) gifted resource teachers to address the academic and social emotional needs of our gifted learners.
- Add two instructional technology specialists for Lake Taylor School to support the schools new technology focus.
- Add one teacher specialist to support the increase in students with emotional disabilities needing a more restrictive continuum of services.
- Extend contract for one teacher specialist from 11 to 12 months to support special education planning, compliance, instructional training, and preschool assessment.
- Establish non-enrolled preschool assessment team including a speech pathologist, a psychologist, and a social worker. The team conduct student screenings and evaluations, and facilitate eligibility and IEP meetings.
- Add one specialist for English Language Learners for academic and social emotional needs.
- Add five (5) behavioral specialists to provide additional behavioral intervention supports for schools
- Add nine (9) attendance technicians to support attendance and academic progress of students
- Extend contract for two attendance technicians from 10 to 11 months to support attendance and academic progress of students.
- Add two foreign language teachers to address demands for students who desire to study the Chinese language.
- Add stipends for wellness champions' stipends at every school (see School Wellness Policy).
- Add one communications administrator to support division-wide communications and community engagement.
- Add one equity administrator to support division-wide diversity, inclusion, and equity matters.
- Increase art and music education allocations from \$2.50 to \$3.50 per student at the secondary level.
- Add five (5) security officers to provide full-time roving security officers to support elementary schools.
- Improve network and cybersecurity to safeguards the divisions' systems, services, and data against unauthorized use, disclosure, modification, damage, and loss.

FY2022 Budget Development Process

- Continue governance training - continue contract services for the governance team.
- Provide funds for contract services for the NPS Strategic Plan.
- Provide children in St. Paul's Quadrant with educational and social-emotional support; the proposed budget includes part-time pay for social workers, school counselors, and psychologists to provide necessary services.

In order to address priorities, it is necessary to identify savings elsewhere in the budget:

- Eliminate fifteen existing allocated teaching positions due to declining enrollment (will be accomplished through attrition).
- Realign ten existing positions to address district's highest priorities.
- Re-basing salaries and employee benefits to reflect existing staff and attrition savings.

Use a portion of the CARES Act funds to provide:

- In-person virtual accommodations for teachers to provide support for classroom teachers needing accommodations,
- Teacher stipends to compensate teachers for concurrent teaching if hybrid learning continues next year,
- Bonus/incentive pay for custodians and bus drivers to for additional cleaning and sanitizing of school facilities and school buses,
- Recruitment incentives for bus drivers to increase the pool of qualified bus drivers,
- Bonus and/or incentive pay for school nutrition workers to compensate school nutrition workers to support the school division's child nutrition programs,
- One school social worker to provide mental health supports to address social, emotional, and behavioral needs of students impacted by the pandemic,
- Eleven (11) health and physical education assistants to support student wellness with physical education three (3) days per week for K-4 students and extending recess for PreK-2 students,
- Extended school day/tutoring program to address the learning loss of students throughout the school year,
- Summer Basic Skills and Innovation Programs that address learning loss with extended summer school,
- Literacy support for middle schools to provide additional support to students in the areas of math and reading,
- Reading support for early learners to provide PALS tutoring in grades K-2,
- Software for Differentiated Learning to support blended learning instruction,
- Resources to support Early Literacy through the purchase books for early learners (K-2)
- Materials for individual students to reduce the spread of pandemic associated with sharing materials,
- Support for Social-Emotional Learning (SEL) through part-time social workers, school counselors, psychologists, and SEL programming,
- Grow Our Own Program for reading and mathematics through a partnership with a local university that grows the pipeline of reading and math specialists,
- Grow Our Own Program to continue division-level program to develop future school leaders,
- Professional Development opportunities in literacy, social-emotional learning, and trauma-informed care.
- Psychologist Internship Program to provide a pipeline for future school psychologists who support the social emotional needs of students,

FY2022 Budget Development Process

- Personal Protective Equipment (PPE) and other related supplies to protect students and staff from the spread of germs and infectious disease,
- MIFIs to renew the contract for services to provide students with internet access for virtual learning,
- Device replacements for students (Chromebooks) and teachers (laptops), and
- Ventilation system upgrades across the division.

Finally, we plan to use a portion of the Capital Budget to continue the Educational Planning Study contract in support of specialty programs at Booker T. Washington High School. The study primary objective is to strengthening the choice specialty program through an objective analysis of program offerings and facility capacity.

FY2022 Budget Development Process

Operating (General) Fund

This page is designed to provide an overview of Norfolk Public Schools' (NPS) annual budgeting process. Schools and administrative operations are funded by a fiscal year budget which is in effect from July 1 through June 30 of the following year. The operating budget funds all educational programs and the related services that serve 28,500 NPS students. Each year the development of a fiscal year budget is roughly a seven-month process. Here's a summary of major steps along the way:

Step 1: Beginning as early as October and extending through January, a collaborative development process is underway. First, staff from the Budget Office meets with Departments to discuss needs and priorities. Ultimately, the Superintendent and the Executive Leadership Team take this work into account and then work collaboratively to shape a budget built on School Board goals and priorities and goals for achieving equity and excellence for all.

Step 2: The collaboration between the Superintendent and the Executive Leadership team leads to the development of the Superintendent's Proposed Educational Plan and Budget, which is presented to the School Board in February.

Step 3: The School Board then considers the Superintendent's Proposed Educational Plan and Budget, makes modifications, if necessary, and adopts a budget proposal. By state code, this budget must be submitted to City Council on or before April 1 of each year.

Step 4: The City Manager and City staff review the School Board's adopted budget proposal and develop a combined city-schools operating budget proposal in that is then presented to City Council for consideration, usually in the March-April timeframe.

Step 5: City Council deliberates on the City Manager's proposal with the goal of adopting a combined city-schools operating budget in May.

Step 6: In mid-to-late May the School Board adopts a final operating budget based on any changes in funding approved by City Council.

Step 7: Any changes to the adopted budget requires approval of both School Board and City Council.

It is important to note that public input plays a vital role the development of a fiscal year budget for NPS. Throughout the year, departments hear from stakeholders on issues and needs important to them. These become important discussion points as the Executive Leadership team organizes to begin the budget development process, both for their departmental budgets and the overall school division operating budget. Likewise, members of the School Board in their various interactions with the community also take note of what their constituents feel should be NPS' financial priorities. In addition, organized, systemic opportunities for comment are offered in the form of public hearings. Information about the proposed operating budget is also disseminated in various ways, most notably through the school division's website.

FY2022 Budget Development Process

Timeline

October 9, 2020	FY2022 budget development instructions provided to NPS departments
November 12, 2020	FY2022 budget requests due to Department of Budget and Grants Management
December 2, 2020	a) School Board Work Session – School Board to discuss/identify budget priorities b) School Board Public Hearing to receive citizens’ input for the FY2022 Budget
December 16, 2020	a) School Board to provide the administration their identified budget priorities b) Governor’s Budget Proposal for the 2020-2022 Biennium will be released
January 13, 2021	School Board Work Session - Administration to provide an update on Governor’s Budget
March 3, 2021	a) School Board Work Session – Superintendent’s Proposed FY2022 Budget presented to School Board b) School Board Public Hearing to receive citizens’ input for the FY2022 Budget
March 10, 2021	School Board Work Session – Discussion of Superintendent’s Proposed FY2022 Budget
March 17, 2021	School Board Business Meeting - Adoption of School Board’s Proposed FY2022 Budget
April 1, 2021	Submission of School Board’s Proposed FY2022 Operating Budget to Norfolk City Council
April 8, 2021	City of Norfolk’s Public Hearing for FY2022 Proposed Operating and CIP Budgets (Date TBD)
May 11, 2021	a) Adoption of City of Norfolk’s Annual Appropriation Ordinances for FY2022 Operating and CIP Budgets (Date TBD) b) Norfolk City Council appropriates funds for School Board’s Operating Budget (Code of Virginia §22.1-93) (Date TBD)
May 19, 2021	School Board Business Meeting - School Board adopts the approved School Board FY2022 Operating Budget

Mr. Steven Suttmilller	Senior Coordinator, Athletics

FY2022 Budget Development Process

Capital Improvement Projects Fund

Capital projects are expenditures for new construction, improvements, equipment, acquisition, or design/engineering. Capital Improvement funds are used to cover the cost of expenditures for alterations or conversions of interior space and other physical characteristics, renovation of a facility or its infrastructure, restoration of a facility or structure, and major repairs to restore a facility. All new school construction projects would be managed by the City of Norfolk while other capital improvement projects such as window and roof replacements, parking lot resurfacings, gymnasium repairs, etc. are managed by Norfolk Public Schools,

The City of Norfolk provides an annual projection of funding available to the School Board for capital needs. The committee is comprised of two school board members, Deputy Superintendent of Operations, Senior Director of Facilities Management, and other administrators. The Senior Director of Facilities Management coordinates a thorough review of all facilities and develops a list of proposed projects for review by the committee. Based on the funding provided by the City, the committee then prioritizes the projects within the amount appropriated. The City of Norfolk also provides funding for school bus replacements in the amount of \$1.0 million annually.

Debt Service - Legal Authorization

Pursuant to state law, NPS is fiscally dependent on the local government. As a fiscally dependent school division, NPS does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt. The School Board derives its authority from the State and has a constitutional responsibility to provide public education to the citizens of Norfolk.

Mission

Improve comprehension by engaging in specific reading strategies (schema, visualizing, determining importance, and making inferences) across the curriculum. Student growth will be measured in all areas by various internal and external assessments evidenced-based practices: (1) explicit strategy instruction; (2) independent reading w/ support; and (3) climb journal.

Mission

DEVELOPING PHONEMIC AWARENESS - Alphabet Recognition and Letter Sounds -The child will demonstrate the basic knowledge of the alphabetic principle and understand that the letters in written words represents the sounds in spoken word. Print Awareness - The child will demonstrate knowledge of print concepts and understand the connection between the spoken and written word. The child will distinguish print from pictures. Oral Language Development - The child will develop listening and speaking skills by communicating experiences and ideas verbally. Vocabulary - The child will develop an understanding of word meanings through appropriate and expanding vocabulary. The child will use expanding vocabulary with increasing frequency and sophistication to express and describe feelings, needs, and ideas.

Summary of All Funds

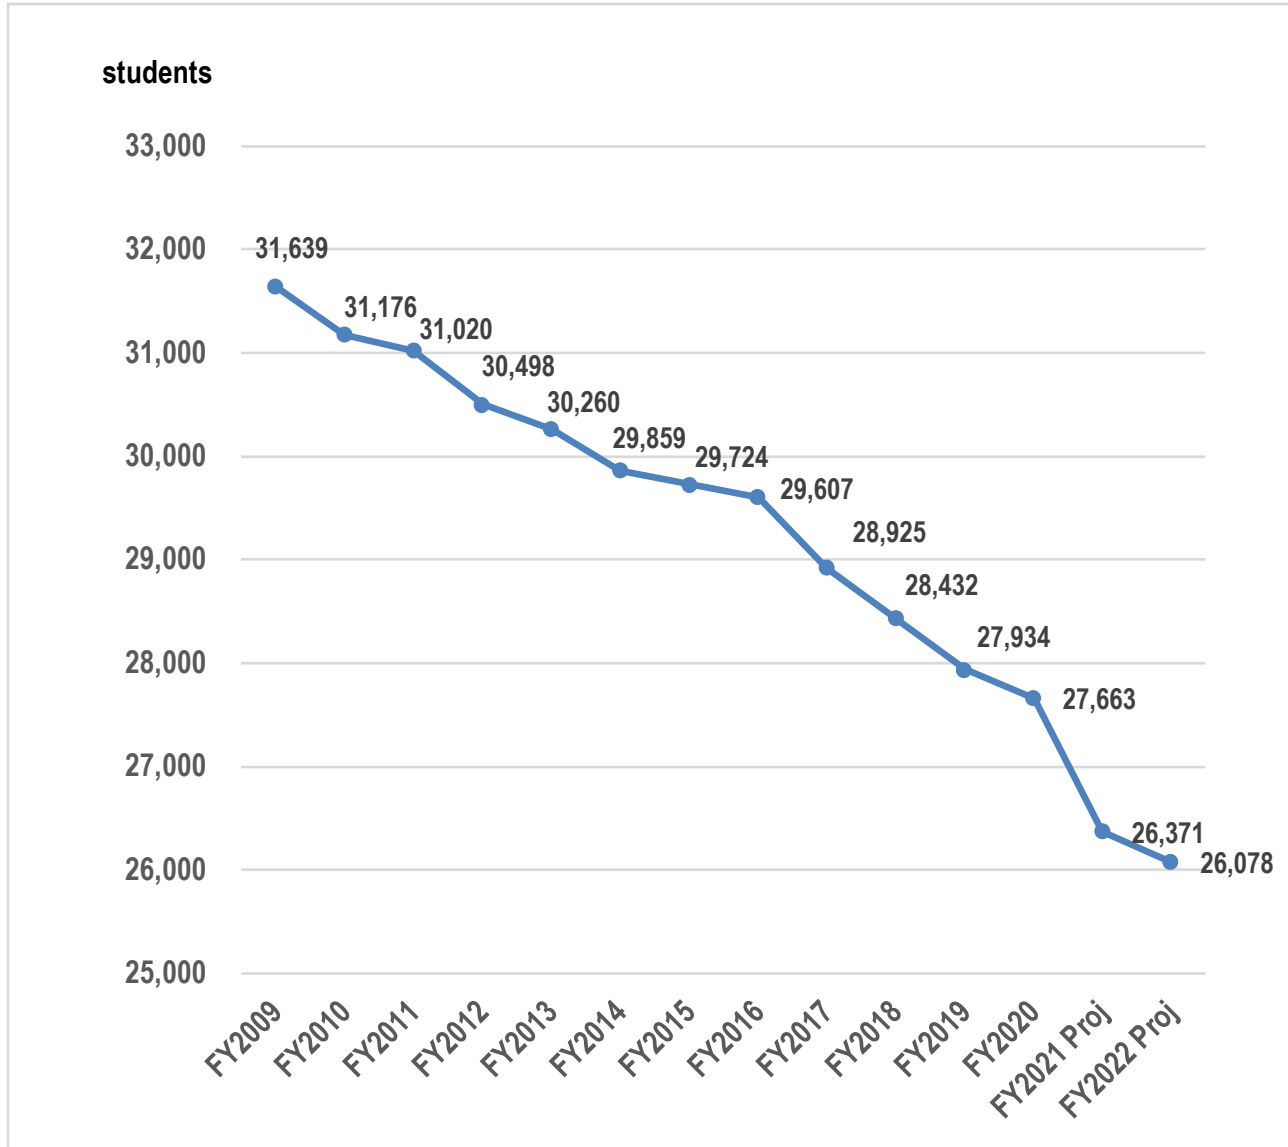

This section of the budget document provides information on the various sources and uses of funds available to and managed by Norfolk Public Schools.

- **Operating (General) Fund** - represents the “nuts and bolts” of the system. It finances instructional programs and day-to-day functions in support of those programs and is funded from state, local sources, federal and miscellaneous funds.
- **School Nutrition Program Fund** – This fund pertains to the operation of school cafeterias that serves breakfast and lunch to our students. The major funding sources include federal grant revenue (USDA National School Breakfast and Lunch Program) and charges to users.
- **Grants and Special Programs Fund** – Norfolk Public Schools receives numerous grants and special donations from various federal, state and local sources for specific educational purposes. Provisions for all matching requirements is made in the school operating budget. Amounts are subject to change pending award notifications from the grantor.
- **Textbook Fund** – This fund was established by the School Board in FY2020 and funds were transferred from excess revenues received during FY2018. In the future, the fund will be used to account for the purchase of newly adopted textbooks.
- **Capital Improvement Projects Fund** – These are funds appropriated for capital improvements including new construction, improvements, equipment, acquisition, or design/engineering. Capital Improvement funds are used to cover the cost of expenditures for alterations or conversions of interior space and other physical characteristics, renovation of a facility or its infrastructure, restoration of a facility or structure and major repairs to restore a facility.

General (Operating) Fund Revenue

The state provides funding to school divisions based on March 31st Average Daily Membership (ADM). NPS is projecting a March 2022 ADM of 26,078 which is 293 less students than the projected ADM for fiscal year 2021. The chart below shows a trend of declining March ADM since fiscal year 2009.

General (Operating) Fund Revenue

Norfolk Public Schools expects to receive \$349.3 million in FY2022 to support the operation of the school division. This represents an increase of \$12.1 million (3.6%) from the FY2021 budget. As a public school system in the Commonwealth of Virginia, our funding is from two major sources: the Commonwealth and the City of Norfolk. Funding from the federal government and other local sources make up the additional sources of revenue.

State Revenues (\$207.0 million)

The Fiscal Year 2022 budget is based on Governor's Introduced Amendments to the 2020-2022 Biennial Budget (HB 1800/SB 1100).

State funds, which account for \$207.0 million or 59.3% of the total budget, are made up of:

- Standards of Quality (SOQ) funds, which include basic aid, sales tax, fringe benefit funds, special education, vocational education, etc.
- Lottery funded programs
- Incentive and categorical state funds

The SOQ funding level is determined by two major variables:

- Average Daily Membership (ADM) – the number of students in the district
- Composite Index – a sliding scale from 0 to 0.8. The higher the number, the higher the local share. Norfolk's composite index for FY2022 is 30.59%, which means that for every one dollar (\$1.00) spent in a given state-supported area, the city must spend about \$0.3059 in what is called "local share."

Given that SOQ funding is directly tied to ADM, changes in enrollment have significant budgetary implications (less students = less funding). As enrollment numbers change, so do the resources that we have available for the educational system. This impact is particularly acute given that current year data is used to calculate current funding, which means that the district needs to address any revenue shortfalls during the year in order to balance its books. The FY2022 budget is based on an ADM of 26,078 students kindergarten through twelfth grade.

State sales tax revenues represent 1.125% of the educational component of the tax that is distributed to all school districts (another 0.125% is dedicated to the state portion of basic aid). All statewide revenue is pooled and allocated based on number of students that school divisions have in their systems.

Lottery funds represent funding received from the state that is a portion of profits made on the lottery system. These funds are not guaranteed and are dependent upon lottery receipts.

Other state revenues encompass a myriad of state assistance in the areas of technology, vocational education, primary class size, etc.

General (Operating) Fund Revenue

City Revenue (\$133.4 million)

Beginning in FY2020, to resolve longstanding concerns over the fair division of limited resources and to strike a balance between the funding requirements of school and city services, the Local Revenue Allocation Policy adopted by the City of Norfolk on May 22, 2018. The policy allocates a constant 29.55 percent share of non-dedicated local tax revenues streams: real estate tax, real estate public service corporation tax, personal property tax, transient occupancy (hotel) tax, sales and use tax, machinery and tools tax, food and beverage (meals) tax, consumer water utility tax, business license tax, motor vehicle license fee (city), communication sales and use tax, consumer gas utility tax, consumer electric utility tax and recordation tax. The FY2022 funding totals \$133.4 million, an increase of \$8.4 million in City appropriation or 6.7% over FY2021. City revenue for FY2021 is in two categories: regular appropriation of \$129.3 million and the ongoing appropriation of \$4.1 million for debt service. The regular appropriation is the City's local support for education. The debt service is for construction, technology and infrastructure supported from a tax increase dedicating \$0.02 of real estate tax.

Federal Revenue (\$5.7 million)

Federal revenue consists primarily of Federal Impact Aid (FIA), which is based on the number of children in Norfolk that are associated with or impacted by federal programs. Impact Aid is designed to mitigate the loss of tax dollars due to income and property connected with the federal government that is not taxed. Children living in government supplied housing on a military base is an example. The FIA reflects funding of \$3.2 million for fiscal year 2022.

Medicaid Reimbursement is applied for by the Special Education department quarterly and is based on Medicaid eligible students to whom approved services are rendered. The expenses that are reimbursed are those spent from local funds. Federal and certain state funds are not eligible for reimbursement. Medicaid revenue reflects level funding of \$2.0 million for fiscal year 2022.

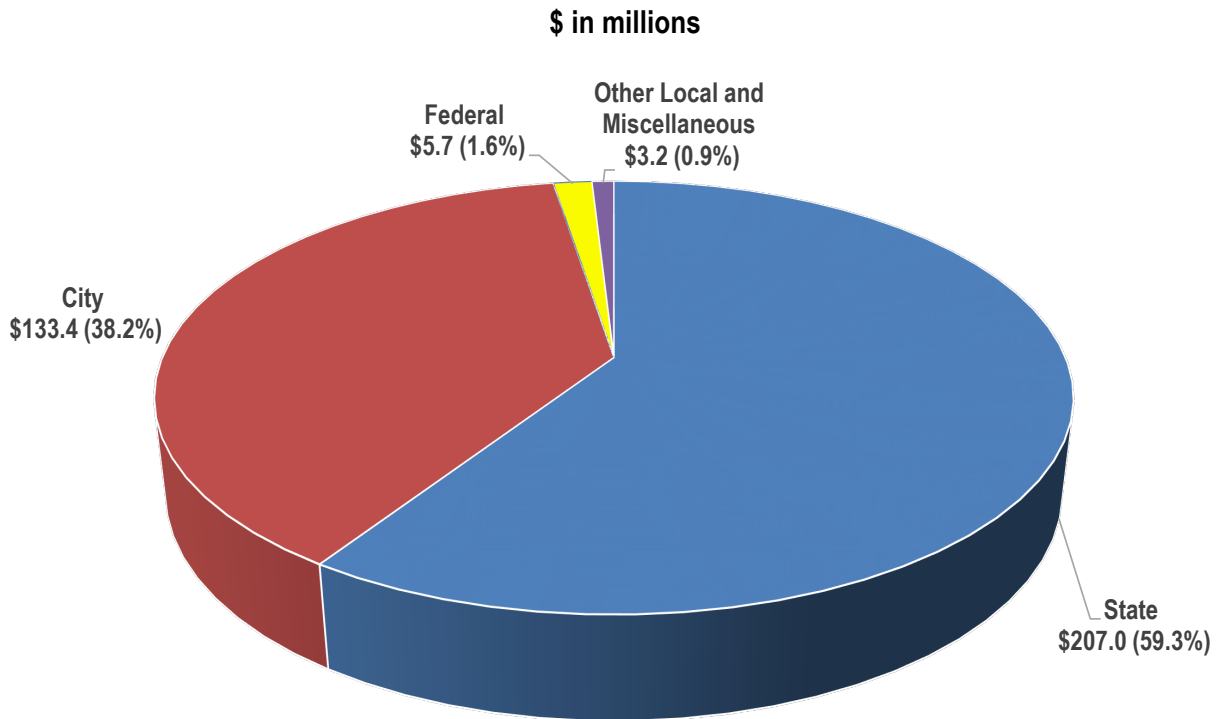

Navy Junior Reserve Officers Training Corps is a program that is funded by the military and the school system is reimbursed annually for the cost of the teachers who work in the secondary schools under this program. These teachers are provided at substantially reduced cost to the school system, and we are reimbursed at 50 percent.

Other Local and Miscellaneous Revenue (\$3.2 million)

Other local funds include revenue received from tuitions, fees, building rentals, etc. It also includes miscellaneous revenue from surplus sales, insurance reimbursements, and other small revenue items received on a one-time basis.

General (Operating) Fund Expenditures

The Fiscal Year 2022 Proposed Operating Budget reflects plans underway our recovery from a debilitating pandemic. The budget targets additional resources for schools and students to address the academic and social-emotional needs of students, including learning losses caused by a prolonged closure of schools. At \$349.3 million, it represents a 3.6 percent increase over the current fiscal year budget. The projected \$12.1 million increase is the result of an additional \$3.7 million from the Commonwealth and an \$8.4 million increase provided through the city-schools revenue-sharing agreement. This budget proposal also includes \$50.4 million of Coronavirus Relief and Recovery Supplemental Appropriations (CRRSA) approved by Congress in December 2020.

An operating budget reveals a great deal about any organization's values. The NPS budget reflects a commitment to excellence and equity for all students with targeted strategies that reach children across the learning spectrum. The work of dedicated teachers, principals, and support staff throughout the district makes student learning and achievement possible. It is essential that we recognize and reward superior results if we are to attract and retain qualified faculty. This financial plan contains recommendations for salary increases for employees that are commensurate with their dedication.

From a policy level the Norfolk School Board has set three overarching goals:

- Improve student achievement and outcomes;
- Ensure safe, caring and healthy learning environments and
- Strengthen family and community engagement.

The school division's leadership team has responded by identifying five priorities to support achievement of these School Board goals. Those five priorities are:

- Employee Compensation
- Additional resources for schools and students
- Safety and security
- Technology infrastructure and instructional supports
- Building maintenance and repairs

Together, the goals and support priorities underlie this recommended spending plan. Specific recommendations are summarized as follows:

- **Compensation:** The proposal contains solid salary increases for staff - an average 5.1 percent for teachers; 3 percent for administrators; and 5 percent for classified staff. They have done Herculean work on behalf of children and staff compensation needs to adequately reflect their value.
- **Additional resources for students and staff:** The proposed operating budget provides a meaningful increase in resources to help schools address learning and the social-emotional needs of students;

General (Operating) Fund Expenditures

- **Technology infrastructure and instructional supports:** This expenditure plan paves the way for technological improvements designed to eliminate the digital divide in NPS.
- **Safety and security:** The FY2021-2022 budget proposal is focused on safety and security that is two-fold. It contains additional resources to maintain the physical safety and security of schools along with resources to ensure our public health strategies are effective.
- **Building maintenance and repairs:** We propose an increase in capital funding so NPS can more effectively address deferred maintenance of aging schools. The budget proposes \$16 million of annual funding to replace failing roofs, aging heating and cooling systems, and deteriorated doors and window systems. We also proposes using \$15 million of CRRSA grants to improve ventilation in schools by replacing aging HVAC systems. It is necessary to improve the physical condition of school facilities so all schools are warm, safe, cool and dry.

Specific proposals to address budget priorities for FY 2022:

- Increase teacher part-time hourly rates
 - Increase rate from \$25 to \$30 to remain competitive
 - Increase rate from \$29.27 to \$35 for summer program to remain competitive
- Increase classified part-time hourly rates
 - Increase rates to meet the minimum wage and remain competitive
- Add one reading coordinator and one math coordinator to address students' on-going literacy needs.
- Add five (5) gifted resource teachers to address the academic and social emotional needs of our gifted learners.
- Add two instructional technology specialists for Lake Taylor School to support the schools new technology focus.
- Add one teacher specialist to support the increase in students with emotional disabilities needing a more restrictive continuum of services.
- Extend contract for one teacher specialist from 11 to 12 months to support special education planning, compliance, instructional training, and preschool assessment.
- Establish non-enrolled preschool assessment team including a speech pathologist, a psychologist, and a social worker. The team conduct student screenings and evaluations, and facilitate eligibility and IEP meetings.
- Add one specialist for English Language Learners for academic and social emotional needs.
- Add five (5) behavioral specialists to provide additional behavioral intervention supports for schools
- Add nine (9) attendance technicians to support attendance and academic progress of students
- Extend contract for two attendance technicians from 10 to 11 months to support attendance and academic progress of students.
- Add two foreign language teachers to address demands for students who desire to study the Chinese language.
- Add stipends for wellness champions' stipends at every school (see School Wellness Policy).
- Add one communications administrator to support division-wide communications and community engagement.

General (Operating) Fund Expenditures

- Add one equity administrator to support division-wide diversity, inclusion, and equity matters.
- Increase art and music education allocations from \$2.50 to \$3.50 per student at the secondary level.
- Add five (5) security officers to provide full-time roving security officers to support elementary schools.
- Improve network and cybersecurity to safeguards the divisions' systems, services, and data against unauthorized use, disclosure, modification, damage, and loss.
- Continue governance training - continue contract services for the governance team.
- Provide funds for contract services for the NPS Strategic Plan.
- Provide children in St. Paul's Quadrant with educational and social-emotional support; the proposed budget includes part-time pay for social workers, school counselors, and psychologists to provide necessary services.

In order to address priorities, it is necessary to identify savings elsewhere in the budget:

- Eliminate fifteen existing allocated teaching positions due to declining enrollment (will be accomplished through attrition).
- Realign ten existing positions to address district's highest priorities.
- Re-basing salaries and employee benefits to reflect existing staff and attrition savings.

Use a portion of the CARES Act funds to provide:

- In-person virtual accommodations for teachers to provide support for classroom teachers needing accommodations,
- Teacher stipends to compensate teachers for concurrent teaching if hybrid learning continues next year,
- Bonus/incentive pay for custodians and bus drivers to for additional cleaning and sanitizing of school facilities and school buses,
- Recruitment incentives for bus drivers to increase the pool of qualified bus drivers,
- Bonus and/or incentive pay for school nutrition workers to compensate school nutrition workers to support the school division's child nutrition programs,
- One school social worker to provide mental health supports to address social, emotional, and behavioral needs of students impacted by the pandemic,
- Eleven (11) health and physical education assistants to support student wellness with physical education three (3) days per week for K-4 students and extending recess for PreK-2 students,
- Extended school day/tutoring program to address the learning loss of students throughout the school year,
- Summer Basic Skills and Innovation Programs that address learning loss with extended summer school,
- Literacy support for middle schools to provide additional support to students in the areas of math and reading,
- Reading support for early learners to provide PALS tutoring in grades K-2,
- Software for Differentiated Learning to support blended learning instruction,
- Resources to support Early Literacy through the purchase books for early learners (K-2)
- Materials for individual students to reduce the spread of pandemic associated with sharing materials,
- Support for Social-Emotional Learning (SEL) through part-time social workers, school counselors, psychologists, and SEL programming,

General (Operating) Fund Expenditures

- Grow Our Own Program for reading and mathematics through a partnership with a local university that grows the pipeline of reading and math specialists,
- Grow Our Own Program to continue division-level program to develop future school leaders,
- Professional Development opportunities in literacy, social-emotional learning, and trauma-informed care.
- Psychologist Internship Program to provide a pipeline for future school psychologists who support the social emotional needs of students,
- Personal Protective Equipment (PPE) and other related supplies to protect students and staff from the spread of germs and infectious disease,
- MIFIs to renew the contract for services to provide students with internet access for virtual learning,
- Device replacements for students (Chromebooks) and teachers (laptops), and
- Ventilation system upgrades across the division.

Finally, we plan to use a portion of the Capital Budget to continue the Educational Planning Study contract in support of specialty programs at Booker T. Washington High School. The study primary objective is to strengthening the choice specialty program through an objective analysis of program offerings and facility capacity.

Classroom Instruction - Program 110

Classroom Instruction includes all regular educational activities dealing directly with interaction between teachers and students. Books, supplies, equipment, and compensation of all instructional staff comprised of teachers, aides, and classroom assistants for the regular school program are included here. This program includes English Language Arts, Mathematics, Science, and History/Social Science, as well as various specialists who work with elementary students who are struggling in these areas. It also includes NLRUTC programs at the High Schools whose teachers are partially paid by the Federal Government. The Middle School Quality Education Program (MSQEP), Algebra Readiness, and Continuous High School Improvement programs (CHSI) that supplement education and provide a rigorous learning environment are all funded in this program. Funds will also be used to address any potential learning loss over the past year. Additional supplies, tutoring funds, programs and needed materials for classrooms to support differentiated student learning are included here.

Goals

- To ensure compliance with the federal regulations in the Every Student Succeeds Act (ESSA) legislation
- To provide equitable instructional services to children with strategic staffing and resource allocation
- To provide small learning environments in the primary grades in compliance with the K-3 Class Size Reduction Initiative as outlined by the State Board of Education
- To ensure that all schools have the necessary materials, supplies and resources to fully implement the Norfolk Public Schools curriculum
- To create learning environments where all students can develop the habits and skills for literacy
- To adhere to the Standards of Accreditation

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Classroom Instruction is a net increase of \$4,079,211 or 3.1% over FY2021 budget.

FTE Revisions:

- Eliminate 15 existing allocated teaching positions due to declining enrollment (will be accomplished through attrition)
- Two foreign language teachers to address demands for students who desire to study the Chinese language
- Two instructional technology specialists for Lake Taylor School to support the school's new technology focus
- Five behavior specialists to provide additional behavioral intervention supports for schools

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021
- Teacher (hourly) - increase rate from \$25 to \$30

Guidance Services - Program 121

The primary goals of the NPS School Counseling program are to ensure students are academically successful, well-adjusted socially/emotionally and better prepared for college and the world of work upon graduation. Professional School Counselors offer a comprehensive program, based on the ASCA Model and VDOE School Counseling Standards that promotes career and college readiness, academic achievement, and the social/emotional development of each student. These activities are structured to help students attain, develop, and demonstrate competencies in learning (academic domain), earning (college and career domain) and living (personal/social domain). College and career counseling provides students with a multitude of opportunities to investigate the world of work and make informed career decisions, develop strategies to achieve future goals, and understand college and other post-secondary educational and career opportunities, including admissions and financial support. Academic counseling assists students and their parents in understanding academic curriculum options, planning an academic program of studies, interpreting academic testing results, and developing academic skills that foster academic achievement. Social/emotional counseling equips students to develop an understanding of themselves, the rights and needs of others, how to resolve conflict and to define individual goals, reflecting their interests, abilities and aptitudes, along with the skills to be responsible citizens.

Professional school counselors also teach skills and deliver services through classroom guidance lessons, as well as individual and small group counseling sessions. Counselors also provide responsive services to meet the immediate needs of students and their families as well as system support services that consist of activities that establish, maintain, and enhance the total school counseling program. VDOE requires that the school counseling staff devote a minimum of 80% of their time providing direct services to students and ASCA recommends that school counselors spend a minimum of 80% of their time providing direct services to students daily.

Desired Outcomes

Aligned with the School Board Priority 2 (Increase Academic Achievement of All Students), the overarching goal of the School Counseling Program is to ensure that all students are college and career ready upon graduation. A college and career ready student is one who is prepared to succeed in entry-level, credit-bearing, academic college courses and in workforce training programs. College refers to two or four-year post-secondary schools. Workforce training programs pertain to careers that offer competitive, livable salaries above the poverty line and offer opportunities for career advancements in a growing or sustainable industry. Indicators of success include, but are not limited to, the following metrics: higher graduation rates, higher attendance rates, higher math and reading proficiency, lower suspension and discipline rates, higher college-going rate, higher SAT/ACT scores, 100% completion of student academic and career plans, increase in scholarships awarded, and improved technical skills.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Guidance Services is a net increase of \$226,918 or 2.2% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

School Social Workers - Program 122

School Social Workers provide a valuable service to students through activities designed to improve school attendance and to prevent and solve school problems. Examples of School Social Workers' responsibilities include: Crisis Team participation, conducting socio-cultural case histories with families, direct counseling services to students and outreach to parents regarding available school and community services. Each School Social Worker is a member of the Student Support Services Team and is typically assigned to two schools.

Due to the pandemic, the need for mental health workers to assist students and families have increased. The disruption to the student's lives, as the result of the pandemic has resulted in academic, behavioral, and mental health challenges. Programs and practices are being developed division-wide to address the social emotional needs of students. Social workers are an active part of that initiative.

Goals

- To ensure compliance with federal, state and local special education policies and procedures
- To ensure that parents and students have access to community resources for enhancing learning skills
- To establish partnerships with the home, school and community for benefit of academic achievement
- To provide and interpret procedural safeguards and parental rights to parents/legal guardians throughout the special education process
- • To assist in the development of programming associated with social emotional learning and to help deliver associated services to students

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for School Social Workers is a net increase of \$120,368 or 5.8% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Instructional Support - Program 131

Instructional Support Services provides a wide variety of services to instructional staff to enable them to provide high quality instruction to the students of Norfolk Public Schools. This program involves activities associated with directing, managing and supervising the improvement of instructional services and activities that aid teachers in developing, implementing and assessing the curriculum, preparing and utilizing supplemental curriculum materials, and understanding and appreciating various techniques which motivate students. Items to address potential learning loss from the past year, such as assessment and curriculum development, professional development needs as well as instructional programs are included here. Instructional Support Services includes the offices of the Chief Academic Officer, Curriculum and Instruction, Assessment Research & Accountability, Student Support Services and Communications. Excluded from this program are support activities of Special Education, Career and Technical Education, Summer School, Gifted Education, Adult Education, Early Learning, Media Services and Athletics.

Goals

- Provide and support high quality, consistent staff development for teachers and administrators based on individual, school, and/or district needs as identified using varied data points
- Provide current and relevant resources and materials, which include instructional best practices and align to the Norfolk Public Schools' curriculum and state standards
- Provide support, resources, coaching, and training for teachers to effectively analyze and utilize student achievement data for effective planning and delivery of instruction and interventions
- Provide support for innovative instructional programs and specialty programs in elementary, middle, and high schools
- Provide quality district level assessments aligned with the Norfolk Public Schools' curriculum in grades 2-10 and the state standards in grades 3-8 and end-of-course (EOC) classes

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Instructional Support is a net increase of \$424,202 or 6.4% over FY2021 budget.

FTE Revisions:

- Two coordinators in Math and Reading to address students' on-going literacy needs
- One English Language Learner specialist to support the academic and social emotional needs of English Learners
- Realign existing other professional position to address district's highest priorities

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Media Services - Program 132

Media Services encompasses all of the activities and resources of the school library program through which all students and staff access ideas and information. It provides resources both in schools and outside of schools through the virtual library portals for around-the-clock access to information needed to support teaching and learning at all levels. The school librarian plays a critical role in facilitating student and faculty understanding of 21st-century forms of literacy which include digital literacy, visual literacy, textual literacy and technological literacy and acts as a leader in developing digital citizens. In addition, school library programs are designed to develop readers by providing resources and programs that encourage reading a wide variety of self-selected materials for enjoyment and information.

Goals

- Collaborate with other educators to design learning strategies to meet the needs of all students
- Provide instruction in the essential skills and habits to ensure that students and staff are effective users of ideas and information
- Provide equitable access to resources and information
- Provide learning experiences that encourage users to be discriminating consumers and skilled creators of information

Highlights

- District library circulation: 645,718
- eMediaVA usage: 12,182
- Worldbook Online Usage: 2,687,220
- Scholastic Go! Online usage: 34,849

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Media Services is a net increase of \$117,426 or 2.0% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Office of the Principal - Program 141

Activities of the Office of the Principal encompass the overall management and direction of a particular school. Included are activities performed by the school principal and assistant principals as they:

- Supervise operations and provide instructional leadership of the school
- Evaluate staff
- Assign duties to staff
- Supervise and maintain the school records
- Coordinate school instructional activities

The activities of the clerical staff in the office in support of teaching and administrative duties are also included in this program.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for the Office of the Principal is a net increase of \$916,356 or 4.7% over FY2021 budget.

FTE Revisions:

- Reclassify assistant site coordinator position to Instructional Support (Reading Coordinator)

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Alternative Education - Program 170

The Alternative Education Program provides students who have been unable to stay in regular settings with the opportunity to continue their education. Madison Alternative Center serves students in grades six through twelve who have been issued a long-term suspension from their regular middle or high schools. In addition, Madison has several new initiatives that provide students with an opportunity to voluntarily attend the center and receive targeted support designed to improve their academic achievement.

The first initiative, Pathway to Excellence, promotes literacy and academic achievement in a positive and productive non-traditional setting. This voluntary program is designed to address the diverse needs of individuals through differentiated teaching and learning in every classroom, every day, for every student. The second initiative, Restorative Practices, fosters healthy relationships and promotes positive discipline in schools. The third initiative, Positive Behavioral Interventions and Supports (PBIS), employs a systematic program to improve school-wide student behavior.

In addition, Madison provides an Intensive Student Alternative Education Plan (ISAEP) Program for students pursuing their GED. As a result, Madison has facilitated increased SOL pass/pass advanced rates, lower recidivism rates, increased community partnerships, and higher on-time graduation rates over the last three school years. Madison students have been recognized for excellence in several local public and community-based volunteer activities. The center participated in the Elizabeth River ProLect Star Schools, and Madison was recognized as a Resilient River Star School Model Level.

Overall, our vision is to impact the lives of students so they can STAND - Students Taking a New Direction. The goals that bring the vision to life are:

Goals

- To ensure that students who are in need of supportive services in settings other than their traditional comprehensive schools are afforded a full continuum of services that provide opportunities for continuous learning.
- To acquire funding focused upon creating consistent, high-quality learning experiences and pertinent services that effectively meet the needs of students through kinesthetic means and real-life experiences.
- To increase the academic achievement of alternative education students, consequently increasing student SOL pass/pass advanced rates to support full accreditation of all Norfolk Public Schools and to improve school climate, safety, and student/staff attendance.
- To provide professional learning opportunities for the staff and administration as determined to ensure engagement, knowledge, and skills for teaching and learning that address students' learning challenges and diverse learning styles.

Open Campus, which is part of the NPS Alternative Education Program and is located at the Norfolk Technical Center on North Military Highway, provides students who have dropped out or are at-risk of dropping out of school with a path to earn a high school diploma in an environment that fits their schedule, life circumstances and learning needs. Open Campus offers both students who have dropped out or who are still in school, but off track for graduation, a flexible schedule and a focus on e-learning. This approach helps students succeed with personalized programs for achieving high school credits.

Goals

- To ensure that students in need of supportive services in settings other than their traditional comprehensive schools are afforded a full continuum of services that provide opportunities for continuous learning
- To focus funding on creating consistent, high quality learning experiences and pertinent services that effectively meet the needs of students.
- To increase academic achievement of Open Campus students, consequently increasing student SOL pass/pass advanced rates to support full accreditation of all schools and to improve school climate, safety, and student/staff attendance.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Alternative Education is a net decrease of \$357,783 or -13.6% over FY2021 budget.

FTE Revisions:

- Reclassify specialist position to Special Education (Special Education Teacher Specialist)
- Reclassify instructional specialist position to Instructional Support (English Language Learners. Specialist)

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021
- Tuition Payment - discontinue participation to TRAEP program due to declining enrollment; reallocate funds to support computerizing ODTs, attendance, and security needs

Special Education - Program 200

Special education means specially designed instruction in the least restrictive environment, at no cost to the parent(s), to meet the unique needs of a child with a disability, including instruction conducted in a classroom, in the home, in hospitals, in institutions, and in other settings. Special Education encompasses classroom, direct and indirect support services as outlined in the student's Individualized Education Program (IEP). Funds in this program are designed to address specific student needs which will address any potential learning loss over the past year. Norfolk Public Schools is responsible for identifying, locating and evaluating children, between the ages of 2 and 22, inclusive, who reside within the City of Norfolk and are in need of special education services. Special education programs and related services support access to the general education curriculum and include post-secondary transition planning in the areas of education, training, employment and independent living. A continuum of services for students with disabilities age 2-22 is offered throughout the district. Norfolk Public Schools collaborates with a variety of community and state agencies to support the educational needs of students with disabilities.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Special Education is a net increase of \$2,932,619 or 6.3% over FY2021 budget.

FTE Revisions:

- One teacher specialist to support the increase in students with emotional disabilities needing a more restrictive continuum of services by reclassifying specialist position from Alternative Education
- Contract adjustment for one teacher specialists from 11 to 12 months to support special education planning, compliance, instructional training, and preschool assessment

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021
- Teachers (hourly) - to provide homebound services and specifically designed instruction to students behavior infractions
- Contract Services - mandated IEP services for students with disabilities.
- Transportation by Contract - mandated transportation services for students with disabilities (formerly charged to contract services)

Career and Technical Education - Program 300

Our Career and Technical Education (CTE) programs provide students with an array of rigorous and relevant options and opportunities that support their college, career, and civic readiness journey. Within the school division, CTE courses and/or activities are offered at each of the high schools, middle schools, elementary schools, K-8 settings, the Norfolk Technical Center, and NPS auxiliary sites. These courses are sequenced within career pathways to provide students with engaging teaching and learning and continued exposure to the Virginia 5C's-critical thinking, creative thinking, communication, collaboration, and citizenship skills.

Each (CTE) program is based on national and statewide research that allows NPS to prepare students for higher-skilled, in-demand, and higher-waged post-secondary endeavors. All programs, which are aligned with the National Career Clusters® Model, integrate academic and technical content while providing real-work experiences in pathways related to STEM, healthcare, business, information technology, and others. This includes classroom based instruction in theory, lab activities, and vibrant work-based learning activities that entail job shadowing, mentorships, school-based enterprises, externships, internships, service learning, clinical experiences, cooperative education, and registered youth apprenticeships.

During the current school year, all CTE programming was made available for students within the remote virtual platform. This allowed students to experience technology infused hands-on learning via simulations, at home labs, online module activities, and/or virtual competitions. In support of our students, these opportunities were extended beyond the regular school day by offering virtual extracurricular/co-curricular activities within the Career and Technical Education Student Organizations (CTSO). In continued support of student interests, learning, growth, and need, CTE related activities and experiences are also available to students during the summer months.

Supporting the success of CTE programs and initiatives are strong partnerships with business, industry, higher education, the community, parents, and various other dedicated internal and external stakeholders.

Goals

All CTE goals and objectives are aligned with the Norfolk Public Schools' goals and priorities centered on increasing the success of all students by ensuring that our students are college, career, and civic ready. This includes increasing the number of industry credentials earned annually by NPS students at least by 10%. Our goals also include increasing the number of students who successfully participate in a work-based learning experience by 25% in comparison to the previous school year. Additional focal points of growth include expanding the number of dual enrollment courses available to students within the CTE pathways.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Career and Technical Education is a net increase of \$362,848 or 4.1% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Gifted and Talented - Program 400

Norfolk Public Schools' Local Plan for the Education of the Gifted (2016-2021) defines gifted students as "those whose abilities and potential for accomplishment are so outstanding that they require special services and programs to meet their educational needs." Norfolk Public Schools provides gifted services during the regular school day, along with various extended day and enrichment opportunities. Specific services and programs include the Cluster Grouping Model at the elementary school level, Honors and Advanced Placement Courses at the secondary school level, the Young Scholars Program for middle school students (using the Autonomous Learning Model), NORSTAR (Norfolk Science and Technology for Advanced Research) for high school students, and extracurricular opportunities such as Courtroom Law, Future Problem Solving, Model United Nations, Governor's School for the Arts, Summer Residential Governor's School, and Camp Einstein (a Summer Enrichment Program for grades K– 5).

In an effort to increase representation of identified gifted students among all subgroups, NPS began screening all first grade students using the Cognitive Abilities Test (CogAT) in 2007, and continues this practice in February of each school year. Students in grades 2-12 can be referred and tested in November each year for gifted services eligibility. Currently, twenty eight gifted resource teachers and four Young Scholars teachers serve the district's 5,535 gifted learners in grades 2-12 through direct instruction, collaboration, professional development, and identification services. The Gifted Education and Academic Rigor Services department focuses on teaching students how to critically think, actively question, and participate in authentic research using various best practices that benefit the gifted and high-ability learner.

Goals

- Ensure equity and consistency of gifted services in all schools across the district.
- Increase representation from all student subgroups participating in gifted services.
- Ensure all identified students receive the appropriate services needed to reach their full potential.
- Increase the percentage of gifted students scoring passed advanced on the SOLs during the 2020-21 school year
- Increase the percentage of gifted students scoring greater than 3 on the Advance Placement exams in all subLects of the College Board assessment.

Highlights

The Gifted Education Department has established many collegial relationships that support the program's goals, including the Center for Gifted Education at the College of William and Mary, Old Dominion University, The Governor's School for the Arts, The Virginia Association for Gifted, The National Association for Gifted Children, and the Virginia Department of Education's Gifted Education Department, to name a few. Norfolk's gifted learners have met academic success within the district and through local, state, and national competitions.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for the Gifted and Talented is a net increase of \$294,802 or 8.3% over FY2021 budget.

FTE Revisions:

- Gifted resource teachers o address the academic and social emotional needs of our gifted learners

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Athletics and Virginia High School League Activities - Program 500

Norfolk Public Schools offers an organized program in athletics and activities for both male and female students in each middle and high school. The athletic program of the five high schools annually serves 35 team and individual sports and activities. The high schools will serve approximately 2,000 students. At the seven middle schools, approximately 1,900 students will be provided service during the school year. The purpose of establishing a fully funded program is to develop young men and women to be successful citizens in our highly competitive world. Activities such as debate, drama, scholastic bowl and forensics are offered to students during the year.

Currently, 90% of student athletes have a GPA of 2.0 or higher, with student athletes annually missing fewer days than the general student population. On time graduation rates for student athletes is 95% or higher. NPS is the only district in the Commonwealth to have had all schools achieve the Virginia High School League Sportsmanship Award - awarded to schools that have established policies and procedures that make sportsmanship a priority and an expectation within the school and school community. NPS has attracted and retained some of the finest coaches in the State of Virginia and has 100% of the School Board proposed coaches certified in the VHSL coaching education program.

Goals

- To assist middle and high schools in the monitoring, promoting and execution of programs to provide opportunities for students to achieve educational, team and personal standards that are consistent with their needs, interests and abilities
- Development of VHSL Coaching Education program and present numerous workshops for athletic directors and coaches
- Coordinate provision of academic and training support for student athletes
- Institute technology to enhance communication and safety for all athletic programs
- Development of a school based Athletic Trainer that teaches and provides care and prevention for athletic injuries to Student Athletes at both the High School and Middle School level
- Continue to promote NPS Athletics as a cornerstone of our community by developing relationships with community partners

Highlights

- Numerous District and Regional Championships at both team and individual level
- Developed community partners that focus on the health of the student athlete

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Athletics and Virginia High School League Activities is a net increase of \$117,358 or 4.9% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Other Extra-Curricular Activities - Program 510

Extra-Curricular Programs are those which are not held during the regular school day. Examples include student SOL remediation, commencement activities, Saturday detention, music (band, choral, strings) and student clubs. Athletics, intramural and other activities sponsored under the Virginia High School League are excluded here. These costs are stated separately in order to facilitate controls within the district's financial system. Funds will also be used to address any potential learning loss over the past year such as extended learning and tutoring programs.

Goals

- Remediate and reteach students to ensure success with student grades and on SOL tests
- Allow students to make up work and time missed from school
- Offer activities that will enrich the educational experience for all students

Highlights

- Numerous District and Regional Championships at both team and individual level
- Multiple schools and teams have won VHSL State Championships in their classification
- Developed community partners that focus on the health of the student athlete
- Numerous Athletic Scholarships have been awarded to NPS Student Athletes

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Other Extra-Curricular Activities is a net increase of \$131,683 or 9.8% over FY2021 budget.

Other Revision:

- Teacher (hourly) - increase rate from \$25 to \$30

Other Extra-Curricular Activities - Program 510

Summer School - Program 600

The Summer School Program includes all instructional activities taking place during the period between the end of the regular school year and the beginning of the next regular school year. Goals of the program include: providing additional academic opportunities for all students; positioning students to retake/recover previously failed high school courses; preventing skill regression and reinforcing previously acquired skills; preparing students for more rigorous courses at the high school and middle school levels; encouraging participation in acceleration and enrichment activities; and further developing critical thinking and problem solving skills. Program elements are:

- Free summer programs for students who meet promotion requirements and wish to engage in enriching learning experiences offered at their zoned schools.
- Free summer programs with focused learning experiences for students with disabilities to develop academic and social/emotional skills.
- Free summer programs for English learners and their families to gain understanding of school readiness, improve language development, and gain access to school and community resources .

Goals

The summer programs provide those additional options, opportunities and experiences for all students (Pre-K-12) to:

- Participate in acceleration and enrichment experiences and activities
- Strengthen and reinforce concepts and skills (i.e. reading, mathematics, English, science, social studies, art, foreign language)
- Prepare for more rigorous courses at the middle and high school level thus nurturing students' belief in their abilities to be successful in high-level courses/classes
- Further develop critical thinking and problem solving skills
- Prevent regression of skills and reinforce previously acquired skills
- Challenge (take course for the first time) or to retake/recover previously failed high school course credit that counts toward graduation

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Summer School is a net increase of \$99,791 or 10.7% over FY2021 budget.

Other Revision:

- Teacher (hourly) - increase rate for summer program from \$29.27 to \$35

Adult Education - Program 700

The Adult Education Program provides services to the City of Norfolk residents who are out of school and age 18 and over. These services, many free of charge, are provided during the day and/or evening at the Norfolk Technical Center, Granby High Evening School, and at seven community-based locations. The services include, but are not limited to, Career and Technical Education Training, Adult Basic Education classes, General Education Development (GED) preparation courses and testing, English Language Acquisition classes, Workforce Development Services, Specialized Continuing Education Courses, and Registered Apprenticeship Related Instruction.

The Granby High Evening School provides instructional services to students, high school age and adults, who wish to complete their high school diploma. Courses offered within this program meet the Virginia graduation requirements for earning a high school diploma.

Goals

- NPS' Adult Education Program is another important way the school division supports its mission of being the "cornerstone of a proudly diverse community". By providing many relevant educational and training options for the city's adult population, this program underscores the School Board's priority of increasing achievement for all students, including adults.
- This commitment to adult education also reflects NPS' commitment to advancing a strong quality of life in this city.

Highlights

- The Adult Education Program continues to collaborate with partners within the private and public sectors of higher education, business, and industry to offer an array of services to the adult student population. During 2018-19, over 500 students participated in adult educational services sponsored by the school division.
- Several of the adult programs are approved by the State Council of Higher Education and the Virginia Department of Labor and Industry.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Adult Education is a net increase of \$27,233 or 4.3% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Non-Regular Day School (Pre-School) - Program 800

This program includes costs of both the Virginia Preschool Initiative (VPI) and locally-funded preschool classes. Included are the instructional and administrative costs of programs for 1,278 VPI slots, 126 VPI+ slots, and 54 locally-funded slots housed in various elementary schools and preschool centers. These programs provide full-day, high-quality instruction for four-year-olds. Additional preschool classes are funded from federal sources (Title I).

The pre-kindergarten program has been in existence in Norfolk Public Schools for 40 years. It was originally funded solely through Title I and the local budget. In 1995, the Virginia Pre-School Initiative (VPI) began partial funding of a four-year-old program for children at risk. The students served in the program must meet the local eligibility criteria as developed by the Norfolk School District and required by the Virginia Department of Education. Pre-kindergarten instruction uses Virginia's Foundation Blocks for Early Learning: Comprehensive Standards for Four-Year-Olds for a framework. These standards cover an array of skills and knowledge necessary for four-year-olds to be successful in kindergarten and are fully aligned to the State's Standards of Learning (SOLs) for kindergarteners.

Goals

- Eliminate any achievement gaps prior to kindergarten and reduce risk factors that may lead to early academic failure by delivering high-quality instruction, aligned to Virginia's Foundation Blocks for Early Learning
- Prepare students to meet or exceed spring benchmarks on the Phonological Awareness Literacy Screening (PALS-PK) and build a foundation of skills and knowledge in an effort to help students become Kindergarten ready

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for the Non-Regular Day School (Pre-School) Program is a net increase of \$208,314 or 2.1% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Administration - Program D21

This program includes centrally administered services that are not directly related to managing the overall instructional program of the school system. Included in this category are board services, information services, human resources, financial services, purchasing services, and printing services.

Goals

- To support and assist the School Board in the execution of their work
- To oversee the Strategic Plan
- To monitor building utilization, class size ratios and ensure adequate staffing to meet state requirements
- To operate in a fiscally conservative and efficient manner, holding all schools, departments and offices in the school division to the same
- To ensure that schools have adequate fiscal resources and the necessary materials and equipment to promote student achievement
- To communicate state and school division goals, objectives and indicators to all stakeholder groups (students, teachers, parents and the community)
- To develop the annual operating budget
- To develop the budget for the various operations within the central administration
- To prepare the Annual School Report, the basis of State funding for NPS
- To prepare the Audited Financial Statements

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Administration is a net increase of \$352,740 or 3.2% as compared to FY2021 budget.

FTE Revisions:

- One equity administrator to support division-wide diversity, inclusion, and equity matters from vacant other professional position from Attendance and Health
- Eliminate vacant clerical position

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Attendance and Health Services - Program D22

Student Support Services addresses attendance services, health services, socio-cultural services, and psychological services.

Goals

- Identifying non-attendance patterns
- Improving student attitudes regarding school attendance
- Acting early on non-attendance problems; enforcing compulsory attendance laws

Health Services are activities that provide students with appropriate medical, dental or nursing needs. Psychological services are activities concerned with psychological testing, counseling and psychotherapy services. School psychologists also participate on school child student teams which are responsible for diagnosing students for inclusion in special education. Occupational and physical therapy services are activities which support students with disabilities in the access of the curriculum.

Socio-cultural services are activities concerned with the early identification, prevention, intervention, counseling, and support to assure academic success, educational equity and social Justice for every student. School social workers work collaboratively with school personnel and parents to reduce and eliminate the social, emotional, economic and environmental barriers that may interfere with the student's ability to benefit, maximally, from his/her education. They also participate in school child study teams which are responsible for determining students' eligibility for special education services.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Attendance and Health Services is a net decrease of \$8,240 or - 0.1% over FY2021 budget.

FTE Revisions:

- Reclassify vacant other professional position to Administration (Equity administrator)
- Nine attendance technicians to support attendance and academic progress of students
- Contract adjustment for two attendance technicians from 10 to 11 months to support attendance and academic progress of students

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021
- Contract Services - reclassify funding for occupational services to Special Education
- Wellness Champions stipends at every school

Pupil Transportation - Program D30

Pupil Transportation provides school bus service for regular and exclusive home-to-school transportation of students and all related field trips, athletic events, special events, and shuttle service between schools and programs. NPS buses travel in excess of 2.1 million miles annually using a fleet of 326 school buses. All expenditures related to the operation, maintenance, and management of pupil transportation are included in this program. In Fiscal Year 2013, the City of Norfolk assumed responsibility for funding \$1 million annually for the replacement of school buses. This amount only allows for the replacement of 8 - 10 buses a year depending on the types of buses replaced (regular education or special needs buses). The average price of a regular education bus is \$98,691 and the average price for a special needs bus is \$107,597.

Goals

- Implement a parent App compatible with the current GPS system that allows parents to track the location and status of their children's bus.
- Establish school bus driver contracts to reflect the actual number of hours required for drivers to perform their daily roles and responsibilities. Currently all drivers are contracted at 6 hours per day. Multiple hour contracts would better serve this operation (8, 7, 6 and 5 hour contracts). Due to the length and location of various routes, some drivers cannot fulfill a six-hour contract.
- Extend contracted days for school bus drivers and bus attendants by one day to allow for additional safety related training. School bus driver's contracts are currently for 183 days. School bus attendants are currently part-time employees.
- Reduce the school bus fleet by 5%.

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Pupil Transportation is a net decrease of \$409,002 or -2.9% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021

Operations and Maintenance - Program D40

Operations and Maintenance Services are those which keep school buildings open, comfortable and safe for use, and which keep the grounds, buildings and equipment in effective working condition. It includes management of school facilities, utilities, risk management, custodial services, equipment services, vehicle services, transportation, security services, warehouse services, energy management and planning activities. The purpose of this program is to maintain and enhance all facilities and to provide all of the support services necessary to enhance the teaching and learning environment for all students.

Goals

- Maximize building capacities
- Reduce number of mobile classrooms
- Upgrade facilities to reduce deficiencies in support of technology
- Develop and coordinate a capital improvement plan for facilities and technology to enhance teaching and learning
- Maximize facilities energy efficiency
- Create an active facilities/equipment assessment data base

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Operations and Maintenance is a net increase of \$1,284,598 or 3.5% over FY2021 budget.

FTE Revisions:

- Security officers to provide full-time roving security officers to support elementary schools

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021
- Technology Software/On-Line Content - security visitor management system

Facilities - Program D66

Facility improvements/acquisition annual funding of approximately \$1.3 million is provided as part of the operations budget. Included are minor to major modifications for heating, ventilation and air conditioning, rentals for temporary heat and air conditioning in the event of mechanical failures, and the purchase or replacement of portable classrooms. Roofing, electrical, plumbing, technology, and mechanical modifications and upgrades are also included in this program.

Facilities Management leads and coordinates the capital improvement plan for the District, coordinating efforts with the departments of Information Technology and Assessment, Research and Accountability, in concert with the School Board Construction Committee and the Superintendent of Schools. Capital funding comes from a number of sources: Special Revenue Funds, City of Norfolk Capital Improvements Plan budget, and the Operating budget. Requests are made of the City of Norfolk for funding in the form of operational budget support.

Goals

- Monitor and manage building system deficiencies
- Maintain all school facilities and building components within industry standards in alignment with School Board Priority 6

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Facilities is a net increase of \$120,000 or 2.2% over FY2021 budget.

The Construction, Technology and Infrastructure funding is an on-going appropriation from the City supported by a dedicated two-cent real estate tax increase. Any unexpended balance in the amounts appropriated shall not revert to the surplus of the General Fund, but solely be dedicated to the School Construction, Technology and Infrastructure Program and shall be carried forward on the books of the City and re-appropriated for expenditure in the succeeding year.

Debt Service - Legal Authorization

Pursuant to state law, NPS is fiscally dependent on the local government. As a fiscally dependent school division, NPS does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt. The School Board derives its authority from the State and has a constitutional responsibility to provide public education to the citizens of Norfolk.

Technology - Program D80

Norfolk Public Schools' Information Technology (IT) department provides services and support for all school division computer technology. The IT department is divided into four functional technology groups that include Network Services (NS), Student Information Systems (SIS), Business Information Systems (BIS), and District Technical Support Team (DTST).

The department focuses on improving student achievement and community involvement by accelerating the deployment and use of computer networks and technologies in the most effective and secure method. IT specializes in system integration, management, and maintenance of all school division data communications and network shared devices. These various network devices include, but are not limited to, Data Center operations (file servers, gateways, switches, routers, wireless, network operating systems, wide area networks, local area networks, cybersecurity security, mass printing, system documentation, standards, and disaster recovery). IT also provides technical database support for business and finance as well as student informational data systems.

Goals

- Provide equitable access to student technology
- Continued support of multiplatform environment of devices and applications
- Automate an inventory asset tracking system to foster technology data-driven decisions
- Provide and increase adaptable, scalable, and reliable networks where all authorized staff and students can securely access shared network resources when needed
- Sustain and improve the districts new online virtual support Help-Desk and Call Center
- Unify division-wide telecommunication systems
- Update school's security camera systems to assist with student, teacher, staff, and community safety
- Increase division-wide cybersecurity (hardware, advanced malware protection, an increase of user awareness, etc.)
- Solidify and improve an Information Technology Disaster Recovery Process & Plan through a Hybrid-Cloud approach for critical systems and operational services
- Improve and adopt new online student registration through Synergy
- Increase the availability of student data from all sources in an electronic to support improved planning for student needs through the automated collection of attendance, grades, and test data
- Emphasize and promote the integration of technology into daily instruction

Explanation of Changes from FY2021 to FY2022:

The School Board's Proposed Fiscal Year 2021-2022 Budget for Technology is a net increase of \$1,103,897 or 11.5% over FY2021 budget.

Other Revisions:

- Re-basing the compensation and employee benefits budget to reflect existing staff
- A 6.6% increase in health insurance premiums effective December 2021
- Contract Services - increase in annual maintenance contract and services to safeguard the division's systems, services, and data
- Technology Software/On-Line Content - data warehouse, inventory management system (textbook and technology), solitation and evaluation management system

Summary of Grants and Other Funds

This section of the budget document provides information on the various sources and uses of funds available to and managed by Norfolk Public Schools.

➤ **School Nutrition Program Fund** – This fund pertains to the operation of school cafeterias that serves breakfast and lunch to our students. The major funding sources include federal grant revenue (USDA National School Breakfast and Lunch Program) and charges to users.

➤ **Grants and Special Programs Fund** – Norfolk Public Schools receives numerous grants and special donations from various federal, state and local sources for specific educational purposes. Provisions for all matching requirements is made in the school operating budget. Amounts are subject to change pending award notifications from the grantor.

➤ **Textbook Fund** – This fund was established by the School Board in FY2020 and funds were transferred from excess revenues received during FY2018. In the future, the fund will be used to account for the purchase of newly adopted textbooks.

➤ **Capital Improvement Projects Fund** – These are funds appropriated for capital improvements including new construction, improvements, equipment, acquisition, or design/engineering. Capital Improvement funds are used to cover the cost of expenditures for alterations or conversions of interior space and other physical characteristics, renovation of a facility or its infrastructure, restoration of a facility or structure and major repairs to restore a facility.

School Nutrition Program

The School Nutrition Program is a self-funded operation supported primarily through federal and state reimbursements and, to a lesser extent, cafeteria sales. School Nutrition does not utilize school board funds. The program operates under strict adherence to federal and state regulations and laws governing the use of public monies as well as the reimbursement afforded by the federal programs.

School Nutrition menus are planned in accordance with federal and state nutrition standards ensuring that students are provided nutritionally balanced, high quality meals. The Norfolk school nutrition program is a leader in its field and was among the first in the state to be certified compliant with new USDA nutrition guidelines. School Nutrition provides meals that meet or exceed the nutritional requirements of the United States Department of Agriculture.

During a normal school year, the department serves over 32,000 breakfast and lunch meals each school day. Additionally, the department operates as a school nutrition hub, utilizing all available opportunities for students to receive healthy nutritious meals even when school is not in session, including winter and spring break. By participating in the Fresh Fruit and Vegetable Program and the At-Risk Afterschool Meals, the department is also able to provide over 5,500 afterschool meals and snacks each day the programs are offered. School Nutrition is one of the largest sponsors the Summer Food Service Program (SFSP) in Virginia. The aim of this program is to alleviate hunger during the summer when school meals are not available. As many as 5,000 meals per day are served during a normal summer.

During the COVID-19 Pandemic, breakfast and lunch are provided free of charge to all children ages eighteen and under, through the Summer Foodservice Program (SFSP) which has been extended by USDA. At the point when SFSP terminates, breakfast and lunch will be provided free of charge to all NPS students through the National School Breakfast Program (NSBP) and the National School Lunch Program (NSLP). All schools are approved to operate under the Community Eligibility Provision allowing students to receive free breakfasts and lunches during the school year. Eligibility is based on direct certification. Household meal applications are eliminated.

Snacks and supper are provided free of charge to all children ages eighteen and under, in schools that operate the At- Risk portion of the Child and Adult Care Food Program (CACFP).

The Fresh Fruit and Vegetable Program (FFVP) is utilized to provide extra food for each student in the ten elementary schools that have been approved for the program.

Norfolk operates these programs as a non-profit organization and utilizes foods provided by USDA as well as those provided by commercial vendors.

Reimbursement Claiming Percentages for SY 2021, based on Identified Student Percentage (ISP) of Direct Certifications as of June 1, 2020 are, as follows:

Free: 95%

Paid: 5%

The reduced eligibility category is eliminated.

Meal Cost:

All meals are provided free of charge to students.

- Funds appropriated for capital improvements are not covered within the operating budget. Typical capital improvements include bus replacement, new construction, renovations, improvements to infrastructure, and major maintenance projects. Norfolk Public Schools receives an annual appropriation from the City of Norfolk for these deferred maintenance projects. NPS' CIP request for FY2022 is \$17 million including \$1.0 million for school bus replacements.
- Revenues collected is based on reimbursements of actual expenditures for the fiscal year. Revenue supporting outstanding contracts are recognized only when expenditures are recognized.

Description: Provides an increased focus on the academic achievement of career and technical education students, strengthening the connections between secondary and post-secondary education, and improving state and local accountability. Funds are provided to cover a host of activities and initiatives, including equitable participation of special populations. Grant funds must adhere to the "required and permissive" categories as indicated in the grant. Such appropriate uses broadly include professional development of our teachers, expanded technology training, replacement of equipment, student and Career and Technical Student Organizations (CTSO) activities and expanding programs to include emerging high skill, high demand programs, etc.

Eligible recipients of this grant shall use funds for the overall improvement of career and technical education programs. Usage of funds include, but are not limited to: (1) strengthening the academic and CTE skills of students through the integration of coherent sequence of courses; (2) linking CTE offering at the secondary and post-secondary levels via dual enrollment, programs of studying or other plans; (3) providing strong experiences in and understanding of all aspects of industry, coupled with industry credentialing; (4) expanding the use of technology; (5) providing professional development; and (6) supporting partnerships, mentoring, and work-related experiences of students.

Performance Period: Annual grant - July 1, 2020 thru June 30, 2021

Description: Introduces Computer Science in elementary classrooms and increases the level of social-emotional support available for military-connected students. The grant will prepare educators to address the challenges that military dependent students experience and support strategies that foster social-emotional well-being through counseling, peer support, and parent/community involvement to improve school climate. The project will also introduce coding in elementary schools that are heavily populated by military dependent students to pilot the integration of computer science into the core curriculum at the elementary level.

Award: \$1,500,000

Performance Period: Multi-year grant - August 1, 2016 thru July 31, 2021

Description: The Fresh Fruit and Vegetable Program (FFVP) of the United States Department of Agriculture (USDA) seeks to create a healthier school environment by increasing students' access to fresh fruits and vegetables and providing nutrition education. The FFVP is intended to create healthier school environments by providing healthier food choices, expand the variety of fresh fruits and vegetables students' experience, increase students' consumption of fresh fruits and vegetables, and make a difference in students' diets to impact their present and future health.

The Virginia Department of Education (VDOE) selected schools with 50% or more of enrolled students eligible for free and reduced price meals to participate in this program. The schools are to use these funds to purchase a variety of fresh fruits and vegetables to be made available to students at no charge during the school day and at times other than meal service periods.

Description: Provides federal funds to implement, expand, and improve educational resources for children and youth with disabilities in public schools. Funding is included to help local schools develop and implement Individualized Education Plans (IEPs) to meet the unique educational needs of children with disabilities. Funding is calculated on the total number of special education students. This grant is used to fund teachers and paraprofessionals' salaries and benefits, to purchase supplemental materials, and to provide professional development activities for those who work with students with disabilities. The appropriate share of set aside funds from this grant must be spent on students with disabilities who are parentally placed in private schools.

Performance Period: Multi-year grant (27-month period)

Description: Provides federal funds to help local school divisions develop and implement individualized educational plans (IEP) to meet the unique educational needs of pre-school children with disabilities, ages 2 through 5. In Norfolk, these funds support the district's special education program. The grant is used to fund teacher and paraprofessional salaries, to purchase supplemental materials and equipment, to provide professional development activities for those who come in contact with disabled students, and to assist with the transition of pre-school children into school-age programs.

Description: Virginia Department of Transportation (VDOT) Safe Routes to School (SRTS) Program is a federally-funded program created under Section 1404 of the 2005 Safe, Accountable, Flexible, and Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU). The purpose of the SRTS program is to enable and encourage children, including those with disabilities, to walk and bicycle to school, make bicycling and walking to school a safer and more appealing transportation alternative, thereby encouraging a healthy and active lifestyle from an early age, facilitate the planning, development, and implementation of projects and activities that will improve safety and reduce traffic, fuel consumption, and air pollution in the vicinity of schools. This grant requires an in-kind match of \$21,750.

Performance Period: Multi-year grant (27-month period)

Description: Title 1, Part D is a federal formula grant that provides funding to support school districts' programs involving collaboration with locally operated correctional facilities. Monies allocated to the division are authorized by Title I, Part D of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001. No local match is required.

NET Academy, located inside Norfolk Juvenile Detention Center, provides secure care of juveniles ages 10 through 17 who have been convicted, sentenced or adjudicated by the court and those who are awaiting transfer to another facility. The School's instructional program parallels the regular curriculum of Norfolk Public Schools in the areas of English, Math, Science, Social Studies, and Physical Education/Health. The objectives of the school are to: (1) provide educational services to children and youth residing in the detention center; (2) to ensure that the educational services provided will allow the students to maintain and/or advance to his/her level of academic functioning; (3) to provide students a smooth transition to the previous or new educational setting; (4) to ensure that all students identified as disabled will have an updated Individual Educational Plan (IEP); and (5) to provide a system of on-going communication, regarding the students' current educational performance, with the students, the parents/guardians and the sending school or agency.

Performance Period: Grant has expired.

Description: To increase student academic achievement by improving teacher and principal quality and by increasing the number of highly qualified teachers and administrators. Title II, Part A incorporates the funding formerly allocated through the Class-Size Reduction Grant and the Dwight D. Eisenhower Professional Development Program. This grant provides Norfolk Public Schools the opportunity to improve the quality of teaching and principal leadership through recruitment and retention, teacher training and professional development, and class-size reduction. In its role as the fiscal agent for the grant, the district works closely with private schools across the city as they endeavor to also increase student achievement. Additional services supported by the use of these grant funds include but are not limited to helping teachers to meet licensure requirements, training highly-qualified paraprofessionals, teacher and principal mentoring, and coaching in the core content areas.

Performance Period: Multi-year grant (27-month period)

Description: This program supports the creation of community learning centers that provide academic enrichment opportunities during non-school hours for children, particularly students who attend high-poverty and low-performing schools. The grant helps students meet state and local standards in core academic subjects such as reading and math. It offers students a broad array of enrichment activities that can complement their regular academic programs and offers literacy and other educational services to the families of participating students.

Performance Period: Multi-year grant (27-month period)

Description: This grant allows Norfolk Public Schools to strategically integrate its assets across the city, building upon the Virginia Pre-school Initiative (VPI), which has been successful in improving the school readiness of at-risk four-year-olds since 1996. In collaboration with the State of Virginia, NPS will create a comprehensive, integrated High Quality State Pre-school Program called "VPI Plus" (VPI+). VPI+ will meet or exceed all requirements of the Pre-school Expansion Grant and be implemented through a mixed delivery system that provides full-day programs and comprehensive services for eligible children and their families in high-need communities.

The grant provides funds for 11 pre-school classrooms with a full-time teacher and teacher assistant assigned to each class. Each classroom can hold up to 18 students. As a result, an additional 198 Norfolk children, at or below 200 percent of the Federal Poverty Line, will be directly served through VPI+. Additionally, the communities, families, and 1,800 children annually served through VPI will benefit from the testing, refinement, and eventual expansion of VPI+ standards, principles, and policy reform leveraged through this grant. Schools participating are Willoughby, Camp Allen, Willard Model, Bay View, Calcott, Coleman Place, Ingleside, Sherwood Forest, and Easton Pre-school. Additionally, Norfolk Public Schools has partnered with Norfolk State University to house one pre-school classroom at the University.

Performance Period: Grant has expired.

Description: Provides CARES Act ESSER funds are emergency relief funds intended to address the impact that COVID 19 has had, and continues to have, on elementary and secondary schools. Funds may be used to pay for the services, equipment, and supplies such as personal protective equipment, cleaning and sanitizing materials needed to continue teaching and learning, while keeping students and staff safe from COVID-19.

- ◆ Professional development for literacy to support enhancement of the division's literacy plan
- ◆ Contract services to provide OT/PT/speech services and transportation to students with special needs
- ◆ Pre-school screening and eligibility/individualized educational plan (IEP) meetings to meet compliance requirement
- ◆ Purchase of health care supplies (thermometers, masks, wipes, etc.) and employee overtime to sanitize and clean school buildings
- ◆ Chromebooks, wireless hotspots, and cart equipment to support virtual/online learning
- ◆ Health and physical education assistants to support the wellness of students by providing three days per week of physical education for K-4 students and support extending recess for Prek-2 students
- ◆ Professional development for social-emotional learning to support training for division-level staff (train-the-trainer model)
- ◆ Psychologists internship to provide additional social-emotional supports for students
- ◆ Virtual summer school program; part-time teachers to assist students to remove an "incomplete" grade from the report card; and supplemental after-school remediation program
- ◆ Private schools allocation - equitable services

Performance Period: Multi-year grant - March 13, 2020 thru September 30, 2022

Description: To provide emergency relief funds to states for elementary and secondary education through the Elementary and Secondary School Emergency Relief (ESSER) Fund and the Governor's Emergency Education Relief (GEER) Fund.

- ◆ SPECIAL EDUCATION Part-time, PT, SPEECH, VI, and HI teachers to provide additional support opportunities (1:1 or small group instruction) for students beyond the school day hours in order to recover missed instruction and growth opportunities as well as purchase of laptops and resource materials.
- ◆ SCHOOL-BASED MENTAL HEALTH - school social worker to provide mental health support to address social, emotional, and behavioral needs of students impacted by the pandemic.
- ◆ INSTRUCTIONAL DELIVERY SUPPORT - Part-time teachers to assist with revising the current curriculum and pacing guides in all subject areas to create an enhanced online K-8 curriculum for integration into a Learning Management System.
- ◆ VISION Technology to support the technology that school divisions need for virtual learning as a result of extended school closures and modified school schedules upon reopening.
- ◆ Cleaning and sanitizing supplies and other materials and equipment for use in schools and school buses to support a safe environment consistent with public health best practices upon re-opening of schools.
- ◆ Protective equipment to ensure public health best practices are implemented upon schools reopening, to include costs such as hot water access, transparent plastic screens in reception areas, and personal protective equipment for staff.
- ◆ Private schools allocation - equitable services

Description: The Hospital School Program (HSP) is a State Operated Program located at The Children's Hospital of the King's Daughters (CHKD) sponsored and funded by the Virginia Department of Education in cooperation with Norfolk Public Schools. The mission is to provide appropriate educational services to patients (ages 3 through 21) at CHKD. Educational plans are tailored to meet the individual student's needs in coordination with the hospital treatment team and within the confines of the facility. The HSP provides year-round educational services for patients ages 3 through 21. This encompasses Pre-K, kindergarten, elementary, middle and high school. Additionally, special education students with identified disabilities require modifications to their Individual Education Plan (IEP) due to their medical condition. Hospital School Program teachers have to be prepared for any combination of children within their teaching assignment. Subjects may include history, science, reading, language arts and mathematics at the elementary, middle and high school levels.

Performance Period: Annual grant - April 1, 2020 thru March 31, 2021

Description: To provide support to all students in Norfolk Public Schools who are on court-ordered supervision. It is funded under the Virginia Juvenile Community Crime Control Act (VJCCCA) to Norfolk Juvenile Court Services Unit with a required local funding called the Maintenance of Effort (MOE) from the City of Norfolk. The City's Department of Human Services administers the local program with a Memorandum of Agreement between the City of Norfolk Department of Human Services, the School Board of the City of Norfolk and the Court Services Unit of the Norfolk Juvenile and Domestic Relations Court.

The program is staffed with seven Intensive Support (Liaison) Counselors. The Liaison Counselors work directly with court-supervised youth enrolled in Norfolk Public Schools including those placed in SECEP's Re-Education of Children Program (Re-ED) and Tidewater Regional Alternative Educational Program (TRAEP). The Liaison Counselors provide guidance and oversight to students on their active caseloads while monitoring their attendance, behavior and academic performance. Liaison Counselors serve as a communication bridge between Norfolk Public Schools and the Norfolk Court Service Unit(s). There are approximately 500 students served by this program each school year.

Performance Period: Grant has expired.

Description: Norfolk Detention Center School (NET Academy) is a State Operated Program funded by the Virginia Department of Education. Norfolk Detention Center School provides secure care of juveniles ages 10 through 17 who have been convicted, sentenced, or adjudicated by the court and those who are awaiting transfer to another facility. Instruction in the Detention School parallels the regular curriculum of public middle and secondary schools in the areas of English, Math, Science, Social Studies, and Physical Education/Health. The objective of the detention school is to provide educational services to children and youth residing in the detention center, ensure that the educational services provided will allow the students to maintain and/or advance his/her level of academic functioning and provide a smooth transition to his/her previous or new educational setting, ensure that all students identified as disabled will have an updated Individualized Education Plan (IEP) and provide a system of on-going communication, regarding the student's current educational performance, with the detention center staff, the parents/guardians, the sending school or agency, and when appropriate, the court(s).

Description: The 1997 Amendments to the Individuals with Disabilities Education Act (IDEA) mandated that special education and related services be provided to all eligible students including those who are incarcerated. This state funded program operates in conjunction with the General Education Diploma (GED) program, which is housed in the Norfolk City Jail. It is designed to provide students with disabilities who are incarcerated with specially designed academic assistance and remediation as well as transition planning. Additionally, school staff is responsible for evaluation efforts, educational placement and service delivery within the jails in accordance with the student's Individualized Education Program (IEP). Students from age 18 through the age of eligibility may participate in accordance with their IEP to continue to receive a free and appropriate education. Diploma options include GED, Special Seal and General.

Description: The 2013 Virginia General Assembly established a grant to help offset related costs associated with the purchase of appropriate security equipment that will improve and help ensure the safety of students attending public schools in Virginia. School divisions are eligible to receive up to \$100,000 each fiscal year through a competitive grant process. Each school receiving funding must remain open for at least five years with no planned renovations/additions scheduled during that time which would cause the purchased security equipment to become obsolete. School divisions submitting applications are required to provide a local match of 25 percent of the grant amount.

Description: The General Assembly approved funding to conduct a pilot initiative to attract, recruit, and retain high-quality diverse individuals to teach science, technology, engineering, or mathematics (STEM) subjects in Virginia's middle and high schools. This pilot program provides incentive awards to teachers who meet specified criteria and are employed in a Virginia public school. Funding is awarded on a first-come, first-serve basis with preference to teachers assigned to teach in hard-to-staff schools or low-performing schools not fully accredited. Successful teachers, selected to participate in the pilot program will be eligible to receive a \$5,000 initial incentive award after the completion of the year of teaching with a satisfactory performance evaluation, and a signed contract in the same school division for the following year. Continuation Incentive Awards are an additional \$1,000 incentive award may be granted for each year the eligible teacher receives a satisfactory evaluation and teaches a qualifying STEM subject in which the teacher has an endorsement for up to three years in a Virginia school division following the year in which the teacher receives the initial incentive award. The maximum incentive award (initial and continuation) for each eligible teacher is \$8,000. Incentive awards are contingent upon available funding.

Performance Period: Annual grant - July 1, 2020 thru June 30, 2021

Description: to provide every ninth grade student attending a public school that is not fully accredited with a tablet computer, digital content and applications, and access to content creation tools. While much of the focus of the initiative is currently on the supplemental grants provided through the Virginia Public School Authority (VPSA) for eligible schools, the Virginia E-Learning Backpack Initiative is actually a broader initiative intended to assist all schools in the transition to digital content and tablet computers. Schools are eligible to receive this supplemental grant for a period of up to four years beginning fiscal year 2014. The Virginia E-Learning Backpack Initiative requires a 20% local match.

Performance Period: Grant has expired.

COVID-19 Relief Payments ³	(846,257)	0
Required Local Effort:	\$ 54,853,495	\$ 56,055,648

Note: The above amounts represent the projected FY 2021 and projected FY 2022 Required Local Effort based on the Governor's Introduced Amendments to the 2020-2022 Biennial Budget (HB 1800/SB 1100). Note: Final Required Local Effort is based on final March 31 ADM and the final per pupil amounts for each fiscal year.

1 State funding for Textbooks is provided from the general fund in the SOQ Service Area; the Required Local Effort for Textbooks is also based on the payments from the SOQ Service Area. The Governor's Introduced Amendments to the 2020-2022 Biennial Budget (HB 1800/SB 1100) exempts Textbooks funding from required local match in FY 2021.

2 English as a Second Language, Early Reading Intervention, and SOL Algebra Readiness are mandated as part of the Standards of Quality; therefore, local matching funds for these programs are included in school divisions' Required Local Effort. The Required Local Effort for these programs is based on the payments from the SOQ and Lottery Service Areas.

3 COVID-19 Local Relief Payments provide a credit towards required local effort in FY 2021.

Norfolk Public Schools Composite Index 2008 - 2022

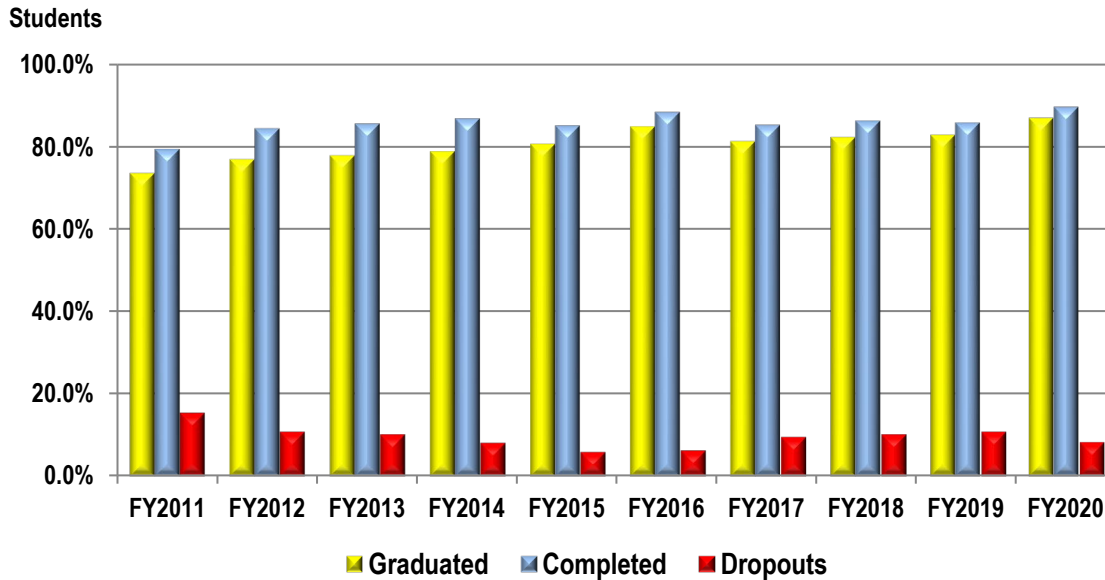

The Composite Index determines a school division's ability to pay education costs fundamental to the Commonwealth's Standards of Quality (SOQ). The Composite Index is calculated using three indicators of a locality's ability-to-pay: true value of real property (weighted 50 percent), adjusted gross income (weighted 40 percent), and taxable retail sales (weighted 10 percent). The lower the percentage, the greater the amount of state funding provided to the locality to support public education. The above chart depicts the historical trend of the composite index for Norfolk Public Schools. Norfolk's composite index for FY2021 and FY2022 is 30.59%, which means that for every one dollar (\$1.00) spent in a given state-supported area, the city must spend about \$0.3059 in what is called "local share." (The City exceeds this minimum requirement.)

Norfolk Public Schools

On-Time Graduation Rates, Completion Rates, and Drop-out Rates

FY 2011-2020

Notes:

■ Graduated - The percent Graduated is the Virginia On-Time Graduation Rate. It expresses the percentage of students in a cohort who earned a Board of Education-approved diploma within four years of entering high school for the first time. Percentages are based on longitudinal student-level data and account for student mobility and retention and promotion patterns.

■ Completed - The percentage of the total number of students in the cohort who graduated or otherwise completed high school.

■ Dropouts - The percentage of students in the cohort who left high school permanently at any time during the four-year cohort period or whose whereabouts are unknown.

K-12 Enrollment Trends

Norfolk Public Schools FY2021 enrollment is projected to decline 4,861 (-15.4%) since FY2011. Schools are staffed based on September 30 fall membership (K-12) while state funding is based on the March 31st ADM.

FY2022 Proj	13,334	6,035	7,255	26,624	-0.20%	26,078	-1.11%

ENROLLMENT TREND ANALYSIS & IMPACTING FACTORS

Survival (grade progression) ratios measure the percentage of students who move up a grade each year. In most instances, these ratios are less than one - meaning that some students either leave the district or are not promoted. The model is based upon several internal and external factors, which if varied, would change the final estimates. As elementary grade levels decline, fewer students move into the secondary grade levels.

Internal Factors: Birth rate changes, population demographics (aging population), economy – business closures, military deployments/personnel shifts, residential redevelopment/demolition, private schools, and COVID-19 impact

External Factors: Out-of-district transfers, academic program changes (specialty programs), letters of residence, and promotion/retention

Other variables that impact students moving from one grade level to the next are the changes in graduation requirements from the Virginia Department of Education (VDOE). Students not only have to pass the course for credit, but they also have to pass the associated SOL test. Several years ago, VDOE reduced the number of SOL tests for students and subsequently reduced the number of verified credits needed to graduate. Another variable that impacted this past year's high school students was the expansion of awarding the locally awarded verified credits.

Regulations Establishing Standards for Accrediting Public Schools in Virginia

8VAC20-131-240. Staffing Requirements for Administrative and Support Staff

- A. Each school shall have at a minimum the staff as specified in the Standards of Quality with proper licenses and endorsements for the positions they hold.
- B. The principal of each middle and secondary school shall be employed on a 12-month basis.
- C. Each elementary, middle, and secondary school shall employ school counseling staff as prescribed by the Standards of Quality. School counseling shall be provided for students to ensure that a program of studies contributing to the student's academic achievement and meeting the graduation requirements specified in this chapter being followed.
- D. The counseling program for elementary, middle, and secondary schools shall provide a minimum of 60% of the time for each member of the school counseling staff devoted to counseling of students.
- E. A middle school classroom teacher's standard load shall be based on teaching no more than the instructional day minus one planning period per day or the equivalent with no more than 150 students or 25 class periods per week. If a middle school classroom teacher teaches more than 150 students or 25 class periods per week, an appropriate contractual arrangement and compensation shall be provided.
- F. The secondary classroom teacher's standard load shall be based on teaching no more than the instructional day minus one planning period per day or the equivalent with no more than 150 students or 25 class periods per week. If a secondary school classroom teacher teaches more than 150 students or 25 class periods per week, an appropriate contractual arrangement and compensation shall be provided.
- G. Middle or secondary school teachers shall teach no more than 150 students per week; however, physical education and music teachers may teach 200 students per week. If a middle or secondary school physical education or music teacher teaches more than 200 students per week, an appropriate contractual arrangement and compensation shall be provided.
- H. Each elementary classroom teacher shall be provided at least an average of 30 minutes per day during the students' school week as planning time. Each full-time middle and secondary classroom teacher shall be provided one planning period per day or the equivalent, as defined in 8VAC20-131-5, unencumbered of any teaching or supervisory duties.
- I. Staff-student ratios in special education and career and technical education classrooms shall comply with regulations of the board.
- J. Student support positions as defined in the Standards of Quality shall be available as necessary to promote academic achievement and to provide support services to the students in the school.

**K-3 Primary Class Size Reduction Program Projected Payments - State Share of Cost
for Projected FY 2022 Payments Based on the Governor's Introduced Amendments to the 2020-2022
Biennial Budget (HB1180 / SB1100)**

State regulations require licensed instructional personnel be assigned to each school and that the ratio of students to teachers does not exceed the following:

- Kindergarten 24:1 with no class being larger than 29 students (teacher assistant is required if ADM exceeds 24 students)
- Grades 1 - 3 24:1 with no class larger than 30 students in ADM
- Grades 4 - 6 25:1 with no class larger than 35 students in ADM
- Grades 6-12 21:1 school-wide ratios of students in ADM; one planning period per day Or the equivalent, unencumbered of any teaching or supervisory duties
24:1 in English class in ADM

Additionally, the state provides generous incentives to localities which reduce class sizes in kindergarten through grade three (K-3). The target class size set by the State varies with the concentration of at-risk students as determined by the number of free lunch students. The table indicates a three-year average (October 2016, 2017, and 2018) of free lunch eligibility data, state target for pupil-teacher ratio, and largest permitted individual class size in the school. For schools that participate in the Community Eligibility Provision program, such entitlements are based on the most recent Free Lunch eligibility data available prior to that school's enrollment in the Community Eligibility Provision program.

School Name	Three Year Average Free Lunch Eligibility %	Required School-Wide Pupil Teacher Ratio	Largest Permitted Individual Class Size	Funded Per Pupil Amount (State Share)
Chesterfield Academy Elementary	80.08%	14	19	\$2,001
Jacox Elementary	91.36%	14	19	\$2,001
James Monroe Elementary	85.59%	14	19	\$2,001
Lindenwood Elementary	84.85%	14	19	\$2,001

Ghent Elementary	23.29%		Free Lunch < 30%	
Larchmont Elementary	19.53%		Free Lunch < 30%	
Walter Herron Taylor Elementary	29.96%		Free Lunch < 30%	

Comparison of Staffing Standards

Virginia regulations require that each school have required staff with proper licenses and endorsements. Local school boards may employ additional positions that exceed these minimal staffing requirements. These additional positions may include, but are not limited to, those funded through the state's incentive and categorical programs as set forth in the appropriation act. Below is a comparison of Norfolk Public Schools staffing standards with those required by state regulations:

INSTRUCTIONAL POSITIONS

Position	Current SOQ Staffing Requirements	Norfolk Staffing
Elementary Resource (Art, Music, and PE)	Five FTE positions per 1,000 students in grades K-5	State standard
Technology	Two FTE positions per 1,000 in grades K-12, one to provide technology support and one to serve as an instructional technology resource teacher.	State standard
ESL	Eighteen point five FTE instructional positions for each 1,000 students identified as having limited English proficiency	State standard
Gifted	One professional instructional position per 1,000 pupils in March 31 ADM	State standard
Vocational Education	Six professional instructional and aide positions for each 1,000 pupils in March 31 ADM	State standard
Special Education	Six professional instructional and aide positions for each 1,000 pupils in March 31 ADM	State standard

GRADE LEVEL: ELEMENTARY SCHOOLS (K-5)

Position	Student Enrollment	Norfolk Staffing
Principal	One half-time to 299 One full-time at 300	Full-time principal for each elementary school
Assistant Principal	One half-time at 600 One full-time at 900	Full-time assistant in every elementary school
Librarian	One half-time to 299 Two full-time at 1000	Full-time librarian at each elementary school
Guidance Counselor	One full-time position at 325 students and one hour per day additional time per 65 students or major fraction thereof.	At least one full-time counselor for each elementary school
Clerical	Part-time to 299 students One full-time at 300 students	Two clerical positions for each elementary school

Comparison of Staffing Standards

GRADE LEVEL: MIDDLE SCHOOLS (6-8)

Position	Student Enrollment	Norfolk Staffing
Principal	One full-time (12 month basis)	State standard
Assistant Principal	One full-time at 600	State standard
Librarian	One half-time to 299 students	State standard
	One full-time at 300 students	
	Two full-time at 1,000 students	
Guidance Counselor	One full-time position at 325 students and one hour per day additional time per 65 students or major fraction thereof.	State standard
Clerical	One full-time and one additional full-time for each 600 students beyond 200.	State standard
	One full-time for the library at 750 students	

GRADE LEVEL: HIGH SCHOOLS (9-12)

Position	Student Enrollment	Norfolk Staffing
Principal	One full-time (12 month basis)	State standard
Assistant Principal	One full-time for each 600 students	State standard
Librarian	One half-time to 299 students	State standard
	One full-time at 300 students	
	Two full-time at 1,000 students	
Guidance Counselor	One full-time at 325 students and one additional period per 65 students or major fraction thereof	State standard, except that head counselor has a lower case load because of administrative responsibilities.
Clerical	One full-time and one additional full-time for each 600 students beyond 200	Six clerks at each school
	One full-time for the library at 750 students	State standard

Source: Virginia Department of Education

Basis of School Allocations

Each school in the district is allocated funds for its operations. These allocations cover all expenses of the school except full-time employee compensation, maintenance of the building, and utility costs. Allocation rates and methods are explained below.

Part-time and extra wages

Included in each school's allocation is an allowance for services provided by contract employees outside their regular day and for hourly wages of part-time employees. The following part-time allocations are provided:

- Saturday Detention Program - Middle schools and high schools are allocated \$4,780 and \$6,216 respectively (category code 1514).
- SOL Remediation/Safety Nets - Allocation to support programs and strategies to assist students who are struggling to meet academic standards are later allocated upon Executive Director approval (category code 0010).
- Marching Band Workshops - High schools are allocated \$1,134 annually as part of the after-school extra-curricular program (category code 1513).
- Grounds Patrol - Allocation to support monitoring of the school grounds and bus loop before and after school.
- In School Suspension Monitors - Elementary schools are allocated part-time funds annually:
 - \$8,040 with enrollment between 401 to 500
 - \$4,020 with enrollment below 400
- Cafeteria Monitors - will be funded by Child Nutrition Services.

Substitute Teachers (other than long-term substitutes)

Substitute teachers are allocated to schools according to the number of teachers assigned to the school. Substitute allocations are as follows:

- Regular teacher substitutes.....5 days per teacher
- Vocational teacher substitutes5 days per teacher
- Special education teacher substitutes5 days per teacher
- Teacher assistant substitutes5 days per teacher assistant

Services contracted or purchased from outside vendors

- **Classroom and Administrative Purchased Services** - A small amount is included in each school allocation to cover the cost of purchased services. Generally, the amount allocated is intended to cover the cost of cleaning band uniforms, choral robes, physical education mats, and small equipment (e.g., laminators, fax machines, etc.) not maintained by Facilities Management. The senior coordinators of science, art, and music have been allocated an allowance for repair of scientific equipment, art equipment, musical instruments, cleaning band uniforms and choral robes respectively. Practically all other repairs are budgeted under Facilities Management. The purchased services allocation is split between classroom and administrative functions:

- Classroom instruction \$ 330 per elementary school
\$1,080 per middle school
\$2,710 per high school

Basis of School Allocations

- Office of principal \$600 per elementary school
\$650 per middle school
\$720 per high school
- **Student Planners** - Secondary schools have received a supplemental allowance for printing of student planners. The allowance is \$1,680 per high school and \$1,440 per middle school.

Copier Leases/Smart Board Maintenance

Copier Leases and Smart Board Maintenance allocation is based the projected September 30th, membership at a rate of \$5 per student.

Postage

Postage allocation is managed and budgeted centrally.

Professional Development

An allocation for professional development is made to all schools. The allocation covers the cost of all registration, meals, lodging and transportation for professional development activities in which school staff participate. The allocation is \$50 per staff member, including classroom, resource and special education teachers, media specialists, guidance counselors, deans of students, teacher assistants, and clerical staff. **Excluded from the professional development allocation are principals, assistant principals, custodians, and positions funded by grants.**

Instructional Supplies

Supplies are allocated to schools according to projected September membership. Below is a listing of per student for supplies:

- Elementary school classroom supplies \$54.50
- Middle school classroom supplies \$48.40
- High school classroom supplies..... \$52.00
- Guidance supplies \$1.00
- Art supplies
 - Elementary \$2.50
 - Secondary \$3.50
- Music supplies
 - Elementary \$2.50
 - Secondary \$3.50
- Media center – elementary \$18.85
- Media center - middle school \$17.80
- Media center - high school..... \$16.65
- Office of the principal – elementary \$5.15
- Office of the principal – secondary..... \$4.45
- Special education supplemental \$2.70

Basis of School Allocations

Textbooks

The textbook replacement allocations are as follows:

- High schools \$20.00 per student
- Middle schools \$17.00 per student
- Elementary schools \$15.00 per student

Equipment (New and Replacement)

- Equipment funds are allocated to each school based on projected student membership. The approved allocation is \$17.00 per student and is assigned to individual school budget lines (object code 605000).

Pre-school Allocations

Pre-school allocations are as follows:

- Teacher substitutes 5 days per teacher
5 days per teacher assistant
- Field Trips..... \$375 per classroom
- Supplies \$522 per classroom

Summer School Allocations

Supplies are allocated to schools according to projected student enrollment. Below is a listing of per student for supplies:

- High schools \$3.00 per student
- Middle schools \$3.00 per student
- Elementary schools \$3.00 per student

Glossary

Accreditation - a process used by the Virginia Department of Education (hereinafter department) to evaluate the educational performance of public schools in accordance with these regulations.

Additional test - a test, including substitute tests approved by the Board of Education that students may use in lieu of a Standards of Learning test to obtain verified credit.

Adult Education - State funds are provided to improve educational opportunities for adults and to encourage the establishment of adult education programs that will enable all adults to acquire basic educational skills necessary to function in a literate society. The program also enables adults to complete secondary school, obtain a GED, or to benefit from job training and retraining programs.

Adult Education Tuition and Fees - Tuition and fees paid by participants of the Adult Education Program.

Adult Literacy - State funds for Adult Literacy are appropriated to provide basic educational skills to adults who lack skills necessary for literate functioning.

Alternative Education - State funds for Alternative Education programs are provided for the purpose of educating certain expelled students and, as appropriate, students who received long-term suspensions from public schools.

Annual Fund - Funds appropriated each fiscal year to cover the costs of operating special programs within NPS.

Appropriation - Legal authority from a governing board or legislative body to incur obligations and make payments for specified purposes. An appropriation is usually limited in amount and has a specified time frame for when it may be expended.

Approved Budget - The budget ultimately approved and authorized by the School Board of Norfolk Public Schools. This authorizes spending for the fiscal year based on the appropriations in the budget.

At-Risk - The probability that a student will fail academically and/or drop-out of school. State payments to support approved programs for at-risk students are disbursed to school divisions based on the estimated number of federal free lunch participants in each division to support programs for students who are educationally at-risk.

At-Risk Four-Year-Olds Program Funds - Provides quality pre-school programs for at-risk four year olds not being served by another program.

Average Daily Membership (ADM) - The average daily membership (ADM) for grades K-12 including handicapped students ages 5-21 and students for whom English is a second language who entered school for the first time after reaching their 12th birthday, and who have not reached twenty-two years of age on or before August 1st of the school year, for the first seven (7) months (or equivalent period) of the school year in which state funds are distributed. Pre-school and postgraduate students are not included in ADM.

Glossary

Advancement Via Individual Determination (AVID) - Is a global nonprofit organization dedicated to closing the achievement gap by preparing all students for college and other postsecondary opportunities. AVID brings research-based strategies and curriculum to educational institutions in elementary, secondary, and higher education. AVID's philosophy is to hold students accountable to the highest standards, provide academic and social support, and they will rise to the challenge. AVID teaches skills and behaviors for academic success, provides intensive support with tutorials and strong student/teacher relationships, creates a positive peer group for students and develops a sense of hope for personal achievement gained through hard work and determination.

Balanced Budget - A budget in which current expenditures are supported by current revenues.

Basic Aid - Basic Aid includes funding for the basic instructional positions derived from minimum student to teacher ratios required by the Standards of Quality or each school division with a minimum ratio of 51 instructional personnel for each 1,000 pupils; plus all other personnel and non-personnel support costs funded through the Standards of Quality.

Basic Operation Cost - The cost per pupil, including provision for the number of instructional personnel required by the Standards of Quality for each school division.

Bonus Supplement - Governor Terry McAuliffe Amendments to the Biennial Budget for FY 2016-18 includes a 1.5 percent bonus payment for public schools with no requirement of a local match. The bonus payment funding covers the state share of cost including Social Security for a percentage-based one-time payment for funded SOQ instructional and support positions. Bonus payments will be effective December 1, 2017.

Budget Bill (State Level) - Virginia operates under a two-year (biennial) budget cycle. Each year the Governor prepares the proposed budget bill for introduction by the General Assembly. The bill is initially adopted in even-numbered years and amended in odd-numbered years.

Budget Amendments (State Level) - Amendments to the budget bill can add, modify, endorse or delete items in the Governor's proposed budget. Before the General Assembly adjourns each year, a conference committee resolves any differences between the versions passed by the two houses.

Building Insurance - Payments for property insurance.

Bus Fuel/Parts - Gasoline, lubricating oils, tires, spark plugs, batteries, chains or other such items used in the operation of vehicles and powered equipment.

Capital Outlay - An expenditure that results in the acquisition of, or addition to, fixed assets and meets the following criteria: has an anticipated useful life of more than one year; can be permanently identified as an individual unit of property; belongs to one of the following categories: land, buildings, structures and improvements, equipment; constitutes a tangible, permanent addition to the value of city assets; does not constitute repair or maintenance; and is not readily susceptible to loss. NPS's capital outlay threshold is \$5,000.

Glossary

Capital Improvement Project (CIP) - A specific and identifiable improvement or purpose for which expenditures are proposed within the capital budget or capital improvement program.

Capital Improvement Fund - A fund created to account for financial resources to be used for the acquisition or the construction of major capital facilities or equipment.

Class period - a segment of time in the school day that is approximately 1/6 of the instructional day.

Combined school - a public school that contains any combination of or all of the grade levels from kindergarten through grade 12. This definition does not include those schools defined as elementary, middle, or secondary schools.

Compensation Supplement - Compensation supplement funding covers the state share of cost (including fringe benefits) for a percentage-based salary increase for funded SOQ instructional positions.

Composite Index Hold Harmless - This funding provides relief to school divisions whose total state revenues decreased as a result of funding the composite index. Schools that were adversely affected by the change were allocated revenue to soften the revenue change.

Composite Index of Local Ability to Pay - Also called Local Composite Index (LCI), is an index figure computed for each locality. The composite index is the sum of the index of wealth per pupil in ADM (unadjusted for half-day kindergarten programs) and the index of wealth per capita multiplied by the local nominal share of the costs of the Standards of Quality.

Coronavirus Aid, Relief, and Economic Security (CARES) Act Elementary and Secondary School Emergency Relief (ESSER) Fund - emergency relief funds intended to address the impact that COVID 19 has had, and continues to have, on elementary and secondary schools. Funds may be used to pay for the services, equipment, and supplies such as personal protective equipment, cleaning and sanitizing materials needed to continue teaching and learning, while keeping students and staff safe from COVID-19. The allocations are based on each school division's relative share of Title I, Part A, Federal Fiscal Year 2019 funds.

Coronavirus Relief Funds (CRF) Fund - made available directly to school divisions to help cover costs in preparing for, responding to, and mitigating the impacts of the COVID-19 pandemic. These CRF awards are intended for costs incurred related to COVID-19 in reopening and operating public schools during the first months of the 2020-2021 school year, but can be used for qualifying costs back to March 1, 2020.

Glossary

Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act Elementary and Secondary School Emergency Relief (ESSER) II Fund - includes all allowable uses of ESSER funds specified under the CARES Act. The allocations are based on each school division's relative share of Title I, Part A, Federal Fiscal Year 2020 funds. The CRRSA Act does not include equitable services provisions under the ESSER II Fund.

Credit Accommodations - adjustments to meet the standard and verified credit requirements for earning a Standard Diploma for students with disabilities.

Debt Service – Payments of principal and interest for the improvement of facilities. Pursuant to state law, NPS is fiscally dependent on the local government. As a fiscally dependent school division, NPS does not levy taxes or issue debt. All funds are appropriated to Norfolk Public Schools by the Norfolk City Council, which has the authority to tax and incur debt.

Elementary School - a public school with any grades kindergarten through five.

Eligible Students - the total number of students of school age enrolled in the school at a grade or course for which a Standards of Learning test is required unless excluded under the provisions of 8VAC20-131-30 G and 8VAC20-131-280 D relative to limited English proficient (LEP) students.

Enrollment - the act of complying with state and local requirements relative to the registration or admission of a child for attendance in a school within a local school division. This term also means registration for courses within the student's home school or within related schools or programs.

E-rate - The schools and libraries universal service support program, commonly known as the E-rate program, helps schools and libraries to obtain affordable telecommunications services, broadband Internet access and internal network connections.

Early Childhood ED4 Program - includes Mixed-Delivery Add-on Grant; Increase Staffing Ratios and Class Sizes; Reallocate Slots-Eliminate Wait List; VPI Pilot for At Risk 3 Year Olds; Expand mixed delivery to include At Risk 3 Year Olds.

Early Reading Intervention - Provides early reading intervention services to students in grades kindergarten through third grade who demonstrate deficiencies based on their individual performance on diagnostic tests. The Early Reading Intervention program is designed to reduce the number of students needing remedial reading services. Program funds are used for: special reading teachers; trained aides; volunteer tutors under the supervision of a certified teacher; computer-based reading tutorial programs; aides to instruct in class groups while the teacher provides direct instruction to the students who need extra assistance; or extended instructional time in the school day or year for these students.

Early Reading Specialists Initiative - These funds are designated to support a two-year pilot program to provide one early reading specialist position for all third-grade classes in schools that had a pass rate of less

Glossary

than 75% in the prior year Standards of Learning reading test. School divisions that are affected will have to match the funding of the additional positions based on their composite index of local ability to pay.

Encumbrance - An obligation against appropriated funds in the form of a purchase order or contract.

English Language Learners (ESL) - State funds are provided to support local school divisions providing the necessary educational services to children not having English as their primary language. The funding supports the salary and benefits cost of instructional positions at a standard of 17 positions per 1,000 ESL students.

Employee Benefits - Employee benefits, in addition to salary, which may be paid in full or in part by the district or sponsored for employee participation at their individual expense. Some benefits, such as Social Security and Medicare (FICA), unemployment insurance, workers' compensation, and others are required by law. Other benefits, such as health, dental and life insurance are not mandated by law but are offered to employees as part of their total compensation.

EpiPen Grants - These grants support the new requirement (2012 General Assembly session) that local school boards adopt and implement policies for the possession and administration of epinephrine and allows school employees to administer it to any student believed to be having an anaphylactic reaction. The intent of the grants is to provide each public school and regional facilities with an allocation to help offset the purchase of EpiPens.

Every Student Succeeds Act (ESSA) – Every Student Succeeds Act (ESSA) was signed by President Obama on December 10, 2015. ESSA includes provisions that will help to ensure success for students and schools. The law, advances equity by upholding critical protections for America's disadvantaged and high-need students. Requires—for the first time—that all students in America be taught to high academic standards that will prepare them to succeed in college and careers. Ensures that vital information is provided to educators, families, students, and communities through annual statewide assessments that measure students' progress toward those high standards. Helps to support and grow local innovations—including evidence-based and place-based interventions developed by local leaders and educators—consistent with our Investing in Innovation and Promise Neighborhoods. Sustains and expands this administration's historic investments in increasing access to high-quality pre-school. Maintains an expectation that there will be accountability and action to effect positive change in our lowest-performing schools, where groups of students are not making progress, and where graduation rates are low over extended periods of time.

Expenditure - The outflow of funds paid for an asset or service obtained. This term applies to all funds.

Fall Membership - The number of students enrolled in Norfolk Public Schools on September 30th of each school year.

Federal Fiscal Year - The federal fiscal year is the accounting period of the federal government. It begins on October 1st and ends on September 30th of the next calendar year.

Glossary

Fees - Include fees for equipment usage, field trip transportation fees, and fees charged for driver education provided by NPS.

Fiscal Year (FY) - A twelve month period covering the operating year for accounting and budgeting purposes. The fiscal year for NPS begins July 1st and ends June 30th.

Foster Care - Foster care funding provides reimbursement to localities for educating students in foster care that are not residents of their school district. State funds are provided for prior year local operations costs for each pupil not a resident of the school division providing his education if the student has been placed in foster care or other custodial care within the geographical boundaries of such school division by a Virginia agency, whether state or local, which is authorized under the laws of the Commonwealth to place children. Funds also cover children who have been placed in an orphanage or children's home which exercises legal guardianship rights, or who is a resident of Virginia and has been placed, not solely for school purposes, in a child-caring institution or group home. Funds are also provided to support handicapped children attending public school who have been placed in foster care or other such custodial care across jurisdictional lines.

Four Core Areas or Four Core Academic Areas - English, mathematics, science, and history and social science for purposes of testing for the Standards of Learning.

Freedom of Information Act (FOIA) - State statute ensuring that residents of the Commonwealth have access to public records in the custody of a public body, its officers, and employees; and free entry to meetings of public bodies wherein the business of the people is being conducted. All public records and meetings shall be presumed open, unless an exemption is properly invoked.

Full-Time Equivalent (FTE) - The number of working hours that represents one full-time employee during a fixed time period. A full-time, 12-month NPS administrator works 1,890 hours per year.

Fund - Resources set aside for specific purposes and activities in accordance with legal requirements. A school or department may have resources available from several funds. Examples include the General Fund, Child Nutrition and the Federal Title I Fund.

Fund Balances - Fund balance refers to the undesignated General Fund Balance. This is the accumulated total of all prior years' actual General Fund revenues in excess of expenditures not appropriated by the City and has not been designated for other uses.

Fund Transfer - transfers to schools to support academic programs.

Games of Skills - Fund source is contingent upon the passage of legislation by the 2020 General Assembly. School divisions are permitted to spend these funds on both recurring and non-recurring expenditures. These funds do not require a local match. VDOE is authorized to reduce payments proportionately to account for shortfalls in Games of Skill revenues.

General Fund - The primary operating fund used to account for all revenue and expenditures, except those related to specific programs that are accounted for separately in special purpose funds.

Glossary

Gifted Education - Gifted education funding supports the state share of one full-time equivalent instructional position per 1,000 students in adjusted ADM.

Governor's Schools - These programs give gifted and talented high school students an opportunity to study with fellow students of similar interest and abilities from across the Commonwealth. Specialized curriculum offerings are available. State funds are provided to assist with the state share of the incremental costs of operations during the school year. These funds are not to be used for capital outlay, structural improvements, renovations, or fixed equipment costs. Funds may be used for the purchase of instructional equipment.

Graduate - a student who has earned a Board of Education recognized diploma, which includes the Advanced Studies Diploma, the Standard Diploma, and the Applied Studies Diploma.

Grants - Financial assistance mechanism providing money, property, or both to an eligible entity to carry out an approved project or activity. Most grant recipients are required to provide periodic reports on their grant project's progress. There may be monitoring visits or audits of the grant once it is awarded and implemented to ensure accountability.

Grants.gov - Grants.gov (<http://www.grants.gov/>) has been designated by the Office of Management and Budget as the single access point for all grant programs offered by federal grant-making agencies. It provides a single interface for agencies to announce their grant opportunities and for all applicants to find and apply for those opportunities.

Grant Start Date - Official date a grant award begins; same as the first day of the first budget period.

Group Life - This funding supports the state share of cost of employer contributions to the Virginia Retirement System (VRS) for Group Life benefits for funded SOQ instructional and professional support positions.

Homebound Instruction - academic instruction provided to students who are confined at home or in a health care facility for periods that would prevent normal school attendance based upon certification of need by a licensed physician or a licensed clinical psychologist.

Impact Aid - Funding from the United States Government for the loss of tax revenue given that federal property is not subject to local and State taxes.

Indirect Costs - Include payments by supplemental grants for administrative and other support.

Individuals with Disabilities Education Act (IDEA) - a law that makes available a free appropriate public education to eligible children with disabilities throughout the nation and ensures special education and related services to those children.

Glossary

Infrastructure & Operations Per Pupil Fund (formerly Supplemental Lottery Per Pupil Allocation) – Funding distributed to school divisions through Lottery proceeds. No more than 70 percent of funds can be used for recurring costs and at least 30 percent must be spent on non-recurring expenses. Non-recurring costs can include: school construction, additions, infrastructure, sit acquisitions, renovations, technology, school buses, and other expenditures related to modernizing classroom equipment, and debt service payments on school projects completed during the previous 10 years.

K-3 Primary Class Size Reduction Program - State funding is disbursed to school divisions as an incentive payment for reducing class sizes in grades kindergarten through three below the required SOQ standard of a 24:1 pupil-teacher ratio. Schools with free lunch eligibility percentages of 30% and greater are eligible for funding. Funding for eligible schools is based on fall membership.

Lead Turnaround Partners (LTP) - School divisions with schools newly identified as priority schools will be required to hire a Lead Turnaround Partner to, at a minimum, implement all requirements of the U.S. Department of Education (USED) turnaround principles. The LTP, under contract with the local school board, brings increased resources and support for deep, systemic reform. This model is centered on the LTP providing an outside-the-system approach inside-the-system. Under the ultimate authority of the school divisions' local school boards, the LTP leads the reform effort within the turnaround zone and has been given the ability to act and authority to make choices.

Local Composite Index (LCI) - See Composite Index of Local Ability to Pay.

Local Match - Grant programs require that either the state or the local entity contribute a certain percentage of funds to match the grant. Traditionally, the Federal grant covers about 80 percent of the capital project expenses, while the remaining non-federal share of 20 percent is either matched by the state completely or partially matched by the state and the local entities. The non-federal matching requirements are different among the states and even within the same state depending on the grant program.

Locally Awarded Verified Credit - a verified unit of credit awarded by a local school board in accordance with 8VAC20-131-110.

Lottery Funded - State mandated funds for education funded through the retail sale of lottery tickets

Maintenance Of Effort (MOE) - The term "Maintenance of Effort," often shortened to "MOE," refers to the requirement placed upon many federally funded grant programs that the State Education Agency (SEA) and Local Education Agencies (LEA) demonstrate that the level of state and local funding remains relatively constant from year to year. Failure to meet MOE requirements may result in the LEA losing eligibility to receive IDEA entitlement funding and requiring an LEA to repay funds, using a non-federal source, to the SEA, who is required to send funds to the US Department of Education. At the local level, IDEA requires that LEAs expend the same amount of local/state funding for special education and related services as it expended in the previous fiscal year (34 CFR §300.203). There are provisions in IDEA to allow for decreases in an LEA's MOE from one fiscal year to the next.

Glossary

Memorandum of Understanding Agreement (MOU) - A document that expresses mutual accord on an issue between two or more parties. Memoranda of understanding are generally recognized as binding, even if no legal claim could be based on the rights and obligations laid down in them. To be legally operative, a memorandum of understanding must: (1) identify the contracting parties; (2) spell out the subject matter of the agreement and its' objectives; (3) summarize the essential terms of the agreement, and (4) must be signed by the contracting parties, also called letter of intent.

Mentor Teacher - Funds are allocated to provide grants to school divisions providing mentors for new teachers with zero years of teaching experience.

Middle school - a public school with any grades 6 through 8.

Miscellaneous Revenue - Revenue from a myriad of sources that is not defined above; example, used textbook sales, surplus equipment, insurance loss proceeds and other small sources that differ year to year.

Multi-Year Funding (MYF) - Multi-year funded awards exist when the project period and budget period are the same and are longer than one year.

No-Cost Extension - An extension of time to a project period and/or budget period to complete the work of the grant under that period, without additional Federal funds or competition.

Non-Resident Tuition - Tuition paid by non-resident parent/guardians for children that attend Norfolk Public Schools.

Norfolk Support - Support from the City of Norfolk for education.

One-time - A nonrecurring revenue or expenditure within the current fiscal year.

Operating Budget - An annual financial plan of operating expenditures encompassing all the fund types within the District, and the approved means of financing them. The operating budget is the primary tool by which most of the financing, spending and service delivery activities of NPS are planned and controlled.

Purchased Services - Payments for services, not including capitalized expenditures, acquired from outside sources.

Planning Period - one class period per day or the equivalent unencumbered of any teaching or supervisory duties.

Prevention, Intervention, and Remediation - Prevention, Intervention, and Remediation funding provides remedial services to children who need additional instruction. Funding is disbursed to local school divisions to support the state share of additional professional instructional positions ranging from a pupil teacher ratio of 10:1 to 18:1 based on the division-level failure rate on the SOL English and math tests for all students at risk of educational failure (the three-year average free lunch eligibility data is used as a proxy for at risk students).

Glossary

Priority Schools - A Priority School is a school that has been identified as among the lowest-performing five percent of Title I schools in the state over the past three years, or any non-Title I school that would otherwise have met the same criteria.

Program Description - Describes the nature of service delivery provided at this level of funding. The description includes the program mission, goals, accomplishments, and performance measures, as well as total expenditures and staff counts.

Proposed Budget - The budget formally submitted by the Superintendent to the School Board and then by the School Board to the Norfolk City Council for its consideration.

Rebenchmarking - Represents the State cost of continuing the current Direct Aid programs into the next biennium with updates to input data used in the funding formulas.

Recess - a segment of free time exclusive of time provided for meals during the standard school day in which students are given a break from instruction.

Reconstitution - a process that may be used to initiate a range of accountability actions to improve pupil performance, curriculum, and instruction to address deficiencies that caused a school to be rated Accreditation Denied that may include, but not be limited to, restructuring a school's governance, instructional program, staff or student population.

Remedial Summer School - Funds available to school divisions for the operation of programs designed to remediate students who are required to attend such programs during a summer school session or during an intersession in the case of year-round schools.

Rental of School Facilities - Fees paid by organizations/groups/individuals that use Norfolk Public Schools buildings for non-school sponsored activities.

Required Local Expenditure - The locality's share based on the composite index of local ability to pay the cost required by all the Standards of Quality minus its estimated revenues from the state sales and use tax (returned on the basis of school age population) in the fiscal year in which the school year begins.

Required Local Match - The locality's required share of program cost. NPS is required to certify that local funds have been budgeted, at a minimum, satisfy the required local effort and to support the projected required local match for all Lottery and Incentive programs in which the school division has elected to participate in a fiscal year.

Revenue - Sources of income financing the operations of the District.

Salaries - Compensation for full-time and part-time employees and substitutes, as well as overtime expenses, supplements and other personnel service expenses.

Glossary

Salary Supplements Payments - Provides the state share of salary increases along with the related fringe benefit costs to public school instructional and supports staff positions funded through the Standards of Quality and other state funded accounts.

School - a publicly funded institution where students are enrolled for all or a majority of the instructional day and those students are reported in fall membership at the institution; and at a minimum, the institution meets the pre-accreditation eligibility requirements of these regulations as adopted by the Board of Education.

Scope of Work - The division of work to be performed under a contract or subcontract in the completion of a project, typically broken out into specific tasks with deadlines.

SOL Algebra Readiness - Funding is based on the estimated number of 7th and 8th grade students who are at-risk of failing Algebra I at the end-of-course. This number is approximated based on the free lunch eligibility percentage for the school division.

Social Security - This funding supports the state share of cost of the employer share of Social Security costs for funded SOQ instructional and professional support positions.

Special Education - Funding for special education provides for the state share of salary costs of instructional positions generated based on the staffing standards for special education. Each special education student is counted in their respective school and up to three disabilities per student may be recognized for calculating instructional positions for funding.

Special Education: Tuition - Regional tuition reimbursement funding provides for students with low-incidence disabilities who can be served more appropriately and less expensively in a regional program than in more restrictive settings. A joint or a single school division operates regional special education programs. These programs accept eligible children with disabilities from other local school divisions. All reimbursement is in lieu of the per pupil basic operation cost and other state aid otherwise available.

Special Education: Homebound - Homebound funding provides for the continuation of educational services for students who are temporarily confined to their homes for medical reasons. State funds reimburse school divisions for a portion of the hourly rate paid to teachers employed to provide homebound instruction to eligible children.

Special Education Jails - Local school divisions are reimbursed for the instructional costs of providing special education and related services to children with disabilities in regional or local jails.

Special Education State Operated Programs - Education services are continued for students placed in state-operated facilities. State statute requires the state to provide appropriate education to all children in state hospitals, clinics, detention homes, and the Woodrow Wilson Rehabilitation Center. Education services are provided through contracted services with local school divisions. Funded positions are based on caseloads. A funding amount per position (to cover both personnel and non-personnel costs) is applied to each position to determine the total amount of funding for each division that provides education services in state operated programs.

Glossary

Special Education: Vocational Education - These funds are used to support a variety of activities designed to strengthen the preparation of disabled students for entering the work place after completion of high school. Activities include vocational evaluation, training service through eight regional technical assistance centers, and initiatives to support employment.

Standards of Learning (SOL) - Describe the Commonwealth's expectations for student learning and achievement in grades kindergarten through 12 in English, mathematics, science, history/social science, technology, the fine arts, foreign language, health and physical education and driver education.

Standards of Quality (SOQ) - Operations standards for grades kindergarten through 12. These standards prescribe the minimum foundation program that all public schools in Virginia must meet. The Standards are established in the Constitution of Virginia and defined in state law. Standards address areas such as staffing, facilities and instructional programs.

Standard School Day - a calendar day that averages at least five and one-half instructional hours for students in grades 1 through 12, excluding breaks for meals and recess, and a minimum of three instructional hours for students in kindergarten.

Standard School Year - a school year of at least 180 teaching days or a total of at least 990 teaching hours per year.

Standard Unit of Credit or Standard Credit - credit awarded for a course in which the student successfully completes 140 clock hours of instruction and the requirements of the course. Local school boards may develop alternatives to the requirement for 140 clock hours of instruction as provided for in 8VAC20-131-110.

State Sales Tax - The 1 1/8% of state sales tax returned to localities for public education, distributed based on the triennial school-age population census.

State Share for the Standards of Quality - The state share for a locality equal to the cost for that locality less the locality's estimated revenues from the state sales and use tax (returned on the basis of school age population), in the fiscal year in which the school year begins and less the required local share.

Strategic Planning - The continuous and systematic process whereby guiding members of the District make decisions about its future, and develop procedures and operations to achieve the future to determine how success will be measured.

Student - a person of school age as defined by § 22.1-1 of the Code of Virginia, a child with disabilities as defined in § 22.1-213 of the Code of Virginia, and a person with limited English proficiency in accordance with § 22.1-5 of the Code of Virginia.

Student Periods - the number of students a teacher instructs per class period multiplied by the number of class periods taught.

Glossary

Sub-recipient - An entity that expends awards received from a pass-through entity to carry out a program. A sub-recipient relationship exists when funding from a pass-through entity is provided to perform a portion of the scope of work or objectives of the pass-through entity's award agreement with the awarding agency (A pass-through entity is an entity that provides an award to a sub-recipient to carry out a program.)

Textbook Payments - State law requires that students attending public schools receive free textbooks. State's distributions for textbooks are based on adjusted ADM.

Tuition Payments - Payments to Regional Joint Operations in support of vocational, special education and talented and gifted programs.

Utilities/Communications – Include electricity, natural gas, fuel oil, phone service, water, sewer, and other utilities or communication services.

Verified Unit of Credit or Verified Credit - credit awarded for a course in which a student earns a standard unit of credit and achieves a passing score on a corresponding end-of-course SOL test or an additional test approved by the Board of Education as part of the Virginia assessment program.

Virginia Assessment Program - a system used to evaluate student achievement that includes Standards of Learning tests and additional tests that may be approved from time to time by the Board of Education.

Virginia Pre-school Initiative - The Virginia Pre-school Initiative provides funding for programs for unserved, at-risk four-year-old children, which include quality pre-school education, health services, social services, parental involvement, and pupil transportation. Programs must provide full-day or half-day and, at least, school-year services. Educational services may be delivered by both public and private providers.

Virginia Pre-school Initiative Plus - State funds are provided to sustain approximately 1,530 student slots of high quality preschool for at risk four year olds within the 13 divisions that participated in the federally-funded Preschool Development Grant program. These school divisions shall be responsible for ensuring that all such slots meet expectations set forth in the Department of Education's November 2018 Plan to Ensure High-Quality Instruction in All Virginia Preschool Initiative Classrooms.

Virginia Commission for the Visually Handicapped - Payments NPS receives to support services the District provides to visually impaired students that require assistance.

Virginia Public School Authority (VPSA) - An agency of the state government that pools and issues debt on behalf of a consortium of school districts.

Vocational Education - State funds are provided to support career and technical education courses for students in grades 6-12. The funding supports the salary cost of instructional positions based on the class size maximums established by the Board of Education and promotes and administers the provision of agriculture, business, marketing, home economics, health, technology education, trade and industrial education in the public middle and high schools.

Glossary

VPSA Technology - VPSA Technology program provides grant funding for school divisions to purchase additional technology to support the SOL Technology Initiative. Eligible schools include those reporting membership as of September 30th and are subject to state accreditation requirements, as well as regional centers including vocational centers, special education centers, alternative education centers, academic year Governor's Schools, and the School for the Deaf and the Blind. Schools that are not fully accredited are eligible for one-time distributions of \$26,000 for a period of three years for each school.

VRS Retirement - This funding supports the state share of cost of employer contributions to VRS for retirement benefits for funded SOQ instructional and professional support positions.

Norfolk Public Schools

School Board's Proposed Educational Plan and Budget

<https://www.npsk12.com/budget>

March 17, 2021

The Norfolk School Board is committed to nondiscrimination with regard to sex, gender, race, color, national origin, disability, religion, ancestry, age, marital status, genetic information, sexual orientation, gender identity, or any other characteristic protected by law. This commitment will prevail in all of its policies and practices concerning staff, students, educational programs and services, and individuals and entities with whom the Board does business.

Norfolk Public Schools
The cornerstone of a proudly diverse community
