HOW TO ASSEMBLE THE INTERACTIVE BOOK

1. Print the scenes (pages 4-5), cut out bottom half of page, and laminate. You can print on cardstock to make the book sturdier.
2. Print page 6 and laminate. This serves as your base for the book.
3. Print page 7, cut closely around each child, and laminate.
4. You may use adhesive putty or velcro to move and attach the children to the book. Velcro is sturdier, although putty allows freedom of placement, otherwise you will need to put velcro spots within each room and those are the locations that the children can be placed.

Place the cut-out children onto the transparent ones (with putty or velcro) on page 6.

5. Bind your book in order by hole-punching the left hand margin and putting in rings.

CONTENTS & SUGGESTIONS

INTERACTIVE BOOK

The interactive book contains 3 scenes (the farm, inside the barn, and the farm at night) with 10 farm themed pieces.

The book allows you to flip through the scenes and move the pieces onto the pages.

Directions for assembly are found on the previous page. Use to work on vocabulary, prepositions, increasing MLU, or incorporate any of the below skills.

FOLLOWING DIRECTIONS

Use the interactive book to practice receptive skills by giving 1-2 step directions.
