

My SCHOOL is STAYING CLOSED

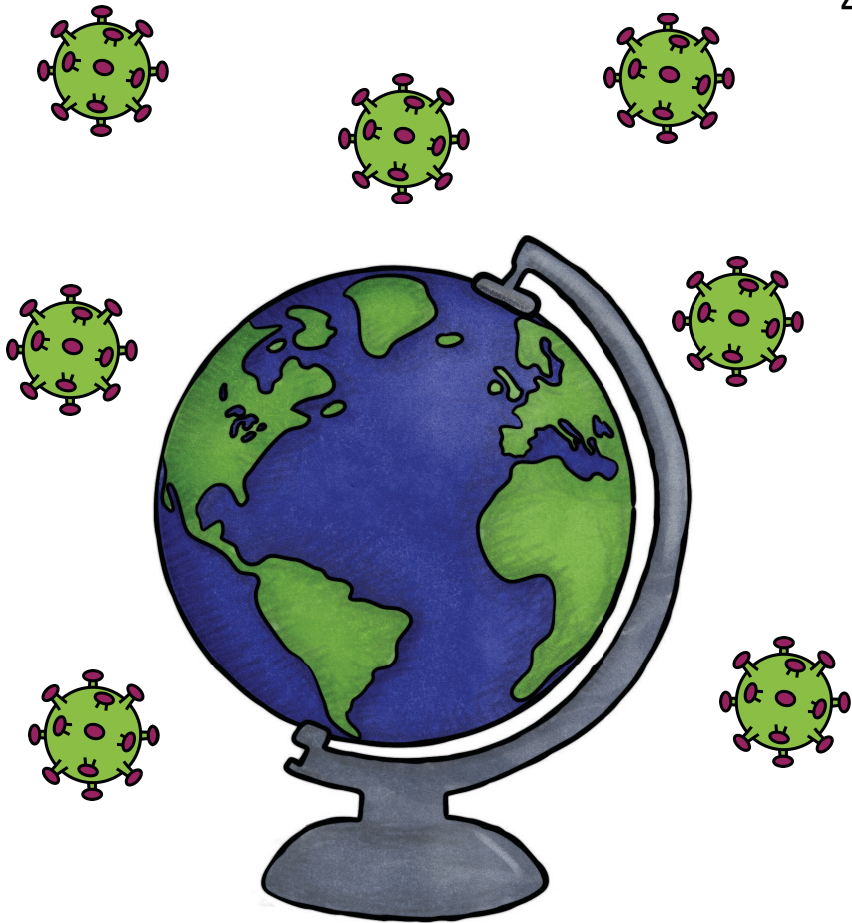

My school has been closed because
of COVID-19. I've been staying
at home most of the time.

I've been doing my schoolwork at home. This is called distance learning. My friends are doing distance learning too!

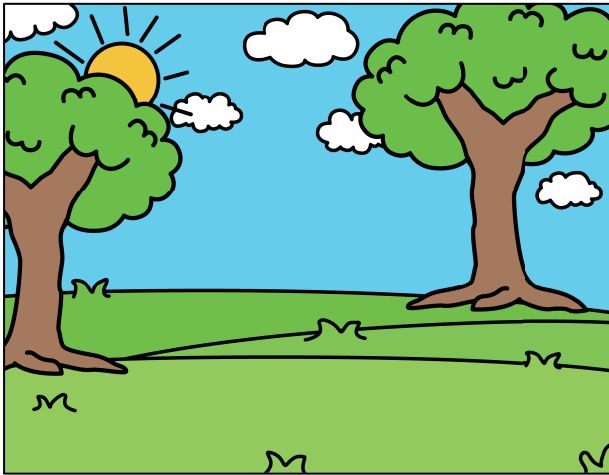

I miss going to my school building. I miss seeing my teachers and friends. A lot of kids feel the same way.

There are still a lot of COVID-19 germs around the world right now, so it isn't safe to be around a lot of people yet.

So, I will need to keep doing distance learning for the rest of this school year.

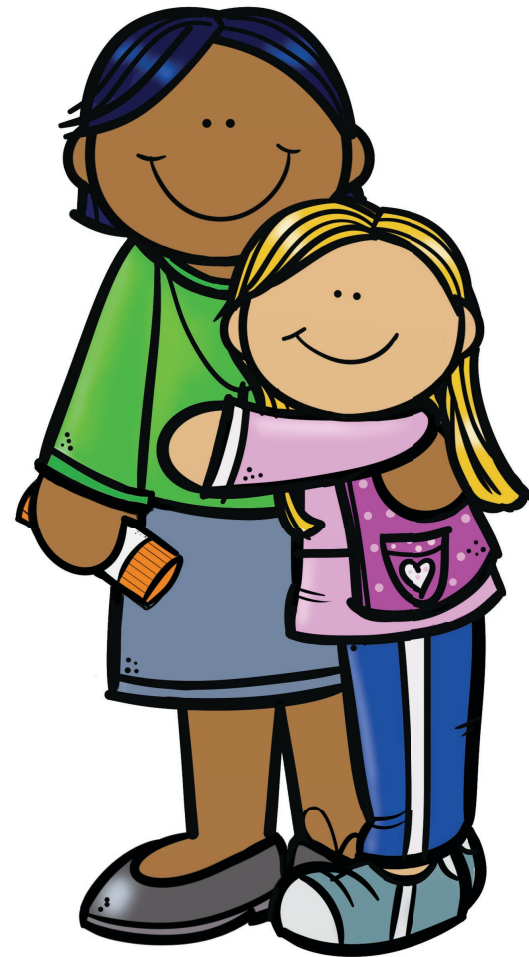

Next, it will be summer vacation
and I will be all done with
distance learning.

Right now, the leaders think I will
be able to go back to my school
building in the fall.

It will be so fun to see my
teachers and play with my friends!

My teachers will be so
happy to see me!
