

Top 10 Mistakes to Avoid in Transition Planning/Evaluation

May 24, 2021 | 6:00 PM

Making the transition to adulthood for youth with disabilities can be confusing for everyone involved. PEATC is glad to have Dr. James Williams discuss the Top 10 Mistakes to Avoid in Transition Planning. Join us in learning how to empower students and families to make informed decisions about postsecondary employment, education and independent living.

Register NOW: <https://bit.ly/3dJG5kF>

Dr. Williams is the National Pre-ETS Director and COO of Bloom Consulting. He strives to use his professional and personal experience with autism as a catalyst to inspire and educate others to believe in the incredible possibilities for adults and children with disabilities with a focus on vocational services, evaluations, and training.
