

10/13/20

Parents and Families of Larchmont,

I trust all are well and off to another great week here at Larchmont. I am contacting you to let you know that we have another round of Take Home Bags available for our students. This round of bags contains art supplies, a recorder for 3rd graders, and a consumable work book for certain grades. Several items, including head phones and white boards, are still on back order. Consider these items like paper products from the spring and are in high demand.

The bags contain flyers for our Online Media Center and the Virtual RAT Race. I encourage all of our families to continue with this wonderful event. This year's race will be one we always remember. Here is the registration link: <https://ratrace.enmotive.com>

You will also be able to pick up your child's Leopards Stick Together t-shirt (see attached). We encourage the students and staff to wear these shirts on Fridays to show our school spirit. I want to thank our PTA for designing and purchasing the shirts for our boys and girls. Your continued support of our school is greatly appreciated.

Take Home Bags and t-shirts will be available at the front of the school beginning tomorrow Wednesday, October 14th from 9:00 to 4:00. Please feel free to stop by. T-shirts and bags will be available each day from 9:00 to 3:00 from the office.

Finally, if you have been contacted by the office to swap out a laptop for a new Chromebook, please do so as soon as possible.

Thank you to all of our students, parents, and families for your grace and patience as we continue with our virtual learning. Leopards Stick Together!

Have a great day and stay safe,

Dr. Peterson
