Parents and Families of Larchmont,

A few updates and reminders:

Saturday, December 4, 2021

Fall Festival at Larchmont from 10:00 – 1:00. Please come join us for refreshments, interactive games, and to check out our new line of LES Spirit wear.

Thursday, December 9, 2021

2<sup>nd</sup> Dose Vaccine Clinic:

New consent forms will be required for each student and have been sent home. ONLY students who participated in the 1<sup>st</sup> Vaccine Clinic at Larchmont are eligible. Please send all consent forms back to the school by Monday, December 6. Please send vaccine cards back to school with consent forms. If you have already returned your consent form and not the card please send student to school with the card on Thursday.

Parents who chose to accompany their child at the 1<sup>st</sup> clinic may do so again. Please call the office to notify us if you will be accompanying your child. The clinic will open at 8:30 a.m. on Thursday. If you accompanied your child at the 1<sup>st</sup> clinic and were scheduled to come at 8:30 please come again at 8:30. Families that were scheduled for 8:45 please plan to come again at 8:45. We will move families through the clinic as quickly and safely as possible. Families will again wait outside in line until they are called. I thank you in advance for your patience. We will NOT be making individual phone calls home for the 2<sup>nd</sup> clinic.

Arrival and Dismissal

From our Crossing Guards: Some students who are bike riders need to cross when the crossing guard directs them. Many of the kids don't come to a stop and would race to beat the light on Hampton Blvd. Some cars go right away when the light turns green. So for their safety, please remind them to stop and wait for the crossing guard to cross them. We are all very concerned for their safety, as it is a very busy road.
