

Parents and Families,

Thank you for a great first two days back for many of our students. It was wonderful to see their faces and feel their excitement as they returned to the building. A few reminders:

- All families are asked to continue to conduct your Home Health Screening daily. If a child has symptoms or does not feel well please keep them home. They are always welcome to join in virtually on these days. Please communicate with the classroom teacher.
- Please continue to utilize the multiple entrance and exits for arrival/dismissal. It worked very well today keeping the children and families spread out for social distancing. K and 1st grade students, along with older siblings, will enter through the back of the building. Parents please park in the WHRO lot. 2nd Graders through 5th grade will enter the front of the school.
- We are expecting rain over the next several days. Please make sure children are dressed appropriately for walking to school or across the field for our Kindergarten and 1st grade.
- **Thursday, March 18th is an Early Release Day**, per the Norfolk Public Schools calendar. We will begin dismissal at 1:35 p.m. Students will be served breakfast and lunch.
- We will celebrate school spirit day each Tuesday and Friday. Feel free to wear school shirts or school colors at home or in person.
- There is more detailed information as it relates to our Larchmont Reopening Plan on the LES website and on earlier Dojo messages.

We look forward to greeting our House B students at Larchmont on Thursday. Again, thank you for your continued support of Larchmont, where #leopardssticktogether.
