

September 17th

Parents and Families of Larchmont,

Thank you for a great start to the school year. Your flexibility and willingness to support all of our students is more than appreciated. You have done an amazing job ensuring that our children are engaged in the learning process. The teachers and students have had such positive attitudes as we worked through the challenges. Great job to all our teachers, families, and students. After all, Leopards Stick Together.

We have completed nine instructional days in our Virtual Learning experience. The teachers have enjoyed meeting their students and engaging with them on a daily basis. As with everything during this era of COVID -19 flexibility is key. The teachers and I meet regularly to share feedback on how the year is progressing. I have received a few emails as it relates to Virtual Learning from families. I am asking for more constructive feedback from you, our families. Please click on the link below to share positives experiences as well as challenges/concerns that you may be feeling. This data will be reviewed and considered in making adjustments with Virtual Learning moving forward. Data will be shared with our building leaders. Please complete the brief survey by Sunday, September 20th at 5:00 p.m.
