Parents and Families of Larchmont Elementary,

I trust all are well and enjoying the beautiful weather. The children continue to amaze me each and every day with their hard work, perseverance, and resiliency. Thank you for your continued support as we begin to wrap up the 2020-2021 school year.

Updates and Reminders:

SOL Testing for 3rd, 4th, and 5th grades begins on Monday, May 17th. Please see testing schedules sent out by each grade level. If you have any questions please contact your child's classroom teacher. If your child is going to be out for any reason please let the classroom teacher know so we can make any needed changes.

VSA Students Only: Many VSA students will be coming to Larchmont on Wednesdays to complete the SOL assessments. Parents of students who qualify for transportation have been notified of bus stop and pick up/drop off times. If you are planning to have your VSA student to walk to school on Wednesdays, please know that there will NOT be any crossing guards. Parents are welcome to drop off students in the school loop.

Have a great weekend and thank you for all you do for our children here at Larchmont where #leopardssticktogether
