

Parents and Families of Larchmont Elementary,

I want to thank you for a great first two days of school. The children and teachers are so excited to begin the school year. Thank you again for your support, patience, and flexibility as we navigate through the world of virtual learning. Here are a few updates and reminders:

Larchmont PTA Virtual Open House – Thursday, September 10th at 6:00

Zoom Link:

<https://norfolkpublicschools.zoom.us/j/96246943744?pwd=ek5wajg4MUZTNFpTdzA1cFJJOWxKQT09>

Agenda

Welcome and Updates – Dr. Peterson, Principal

1st Day of School Video Presentation

Parent Support and Resources for Virtual Learning – Mrs. O’Grady, ITRT

Larchmont Parent Teacher Association (PTA) 2020-2021 – Mrs. Adler, PTA President

Closure

- The Larchmont PTA Virtual Open House will be recorded and posted on the Larchmont webpage. Zoom sessions are limited to 300 participants.
- Individual Class Room Open Houses were conducted last week. Portions were recorded for parents who could not attend or who recently enrolled at Larchmont. Classroom teachers have the recordings available for you.
- Newsletters and updates will be posted weekly on the webpage and will be sent out by classroom teachers. Newsletters provide families with information for the upcoming week so that you and your child can be better prepared. To access the newsletters go to the Larchmont Elementary webpage and hover over the Our Schools tab on the top of the page. Click on the link for Weekly Newsletters.
- We have contacted all families who have requested a device. Please come to pick it up as soon as possible. The office is open from 9:00 -3:00. If you are still in need of a Take Home Bag, we will have them available in the office through next week.
- Again, thank you for a great start to the school year and I hope you can join us tomorrow night.

Stay safe,
Dr. Peterson
