

Norfolk Public Schools
NATIONALLY RECOGNIZED. GLOBALLY COMPETITIVE.

March 5, 2021

Dear Jacox Pandas,

Welcome Back! We are so excited to welcome you back to school, whether you will be here in-person two days per week or whether you will continue to join us virtually! Our school day begins at 9:55 AM to 4:20 PM. Breakfast will be served from 9:30 to 9:55.

Students will come to school for two days each week on their assigned *House* day. House A students come to the school building on Mondays and Tuesdays, and House B students come to the school building on Thursdays and Fridays. House C students will remain virtual and house D students will attend school Monday, Tuesday, Thursday, and Friday. Please remember that students may only come to school on their assigned days, and they are required to bring their fully charged Chromebooks each day.

Before students leave home in the morning, please go over the health mitigation checklist that was mailed out to each family. This checklist can also be found on our school's webpage under reopening guidelines. If your child exhibits any of the symptoms listed on the checklist, please keep your child(ren) home and contact their health care provider.

Once students arrive at school, masks must be worn at all times. Due to Covid -19 safety measures, only students will be allowed to enter the building. Parents may wait outside for their children.

In addition to bringing their fully-charged Chromebooks, students may bring pre-filled water bottles, as the water fountains are closed. Sanitizing stations are available throughout the building, and staff members are assigned to monitor all common areas (cafeteria, rest room, hallways) to ensure social distancing guidelines remain in effect.

If you have any questions, please contact your child's teacher or the school administration. Please continue to check updates on Class Dojo and listen to recorded messages. We appreciate your assistance and cooperation in ensuring that we have a safe and pleasant school reopening. Thank you for all you do to support teaching and learning at Jacox.

Best regards,

Dr. Litchmore
Principal
