Virtual
Workshop*

This virtual workshop offers parents of K-12 students tips and techniques to help their students become good time managers. Parents learn practical ways to help kids understand the concept of time and how to manage assignments and projects. It also addresses prioritizing and time-saving tips.

All Parents and Children Are Welcome!

The MCEC® Parent to Parent™ workshops share practical ideas, proven techniques, and solid resources to support military-connected families.

Please email ptop.tidewater@MilitaryChild.org for questions or support.
