

Calling all NPS alumni!

**Did you graduate from NPS & now work for NPS?
We want to hear from you.**

Tell us when you graduated and why you returned to NPS to teach or work. You are truly an ambassador for us and we want you to encourage other graduates to **“come home to NPS”** and support our school system.

E-mail nps_news@npsk12.com and share the year you graduated, where you currently teach/work, and why you picked NPS for your work experience.

*Please include a photograph
with your submission.*

**Be an “Alumni Ambassador” and let others know that
NPS is a great place to learn and to work.**
