--

NEW ACCOUNTS ONLY:

Cellular Service: Purchase of cellular service **must** be based on business use only. Personal use is not prohibited, but must be reasonable and any expense incurred must be reimbursed to the district.

NPS cellular service is based on Verizon Wireless', America's Choice calling area. See coverage map at www.verizonwireless.com . All accounts start with minimum service (including data if required). **Minute allowance and monthly costs will be adjusted based on actual usage.** Please refer to plan descriptions and prices on Page 2. Unused plan minutes are shared among other NPS users.

* Prices exclude taxes, regulatory charges, text messaging, and other misc. charges.

Features common to all voice plans, basic voice mail, call forwarding, call waiting, caller ID, are included at no additional cost. Domestic long distance from within America’s Choice calling area is provided at no additional cost. Roaming outside the America’s Choice area or in Canada is \$0.69 per minute.

Additional Information on Accessories

A wide range of accessories are available from Verizon Wireless. Most accessories purchased from Verizon Wireless are available through our contract at a discount. In order to obtain the contract rates, accessories purchased from Verizon Wireless should be ordered through the Information Technology Department. If you are in need of specific items, contact us for assistance. Credit card purchases relating cell phones should be limited to special circumstances or items not available from Verizon Wireless.

Personal Use

The purchase and maintenance of cell phones by Norfolk Public Schools must be based solely on business considerations. Under current practice, personal use of the cell phone is not prohibited, but any expense incurred for personal use must be reimbursed to NPS. A monthly statement is sent, to the office manager, with call detail and a cover document. The cover document details how to calculate the reimbursement amount. Reimbursement is required for most personal use including phone calls, directory assistance calls, text messages, downloads, premium services, etc.

FAQ

Usage charges are charges accrued for services used outside of your calling plan. These services include: picture texting, games, music downloads, ringtones, application downloads. These services are not covered under any NPS calling plan. The user will be responsible for repaying any additional charges. The authorizing person may waive these fees with the understanding that those fees will be deducted from their budget on top of the normal billing amount.

Received_____ Authorized_____

Please refrain from using 411 information excessively as it cost \$1.25 every time you use it. This service is not covered under any NPS calling plan.

Received_____

Please visit the NPS Cell phone website:

<http://ww2.nps.k12.va.us/education/components/scrapbook/default.php?sectiondetailid=137189>

International rates are not a part of any current calling plan, however if you are traveling outside of the continental United States and need to have access to your work cell phone to conduct business, please contact the Information Technology Department for temporarily adding the International calling plan to your device.
