Mastery Connect: Collecting Data from Previous Trackers

1 The first step is to open Mastery Connect and click Open for Admin menu.	 The screenshot shows the top navigation bar of the Mastery Connect interface. The 'Admin' dropdown menu is highlighted with a pink box. Below the navigation bar, the 'Mastery Trackers' section is visible, featuring a welcome message from a panda character and a 'Create your Trackers' button.
2 Click Manage.	 The screenshot shows the 'Admin' dropdown menu expanded. The 'Manage' option is highlighted with a pink box. Below the navigation bar, the 'Mastery Trackers' section is visible, featuring a welcome message from a panda character and a 'Create your Trackers' button.
3 Click Students.	 The screenshot shows the 'Admin' dropdown menu expanded. The 'Students' option is highlighted with a pink box. Below the navigation bar, the 'Mastery Trackers' section is visible, featuring a welcome message from a panda character and a 'Create your Trackers' button.
