Mastery Connect: Test Corrections

This will allow your students to view their completed assessments and answers. The first step is to open **Mastery Connect** and go to **your trackers**.

1

Scroll down and click **on the tracker** that you want to access for students' test corrections.

2

Click **Assessments**.

3

Click the drop-down to choose your view.

7

Click **Hide assessments**. Leave "hide answer key" and "hide item analysis."

8

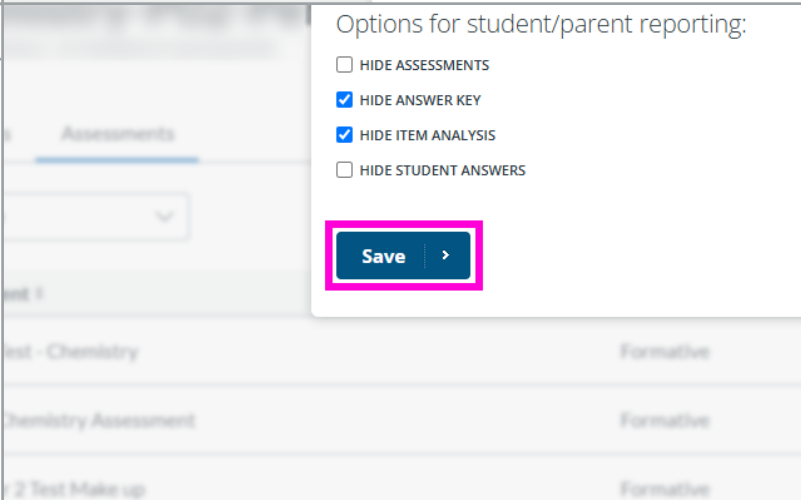

Click **Save**.

You can either print and have them complete the questions they need to make corrections to or have them handwrite on their own paper. Your choice. They cannot complete test corrections online.

That's it. You're done.
